1 proposed project. This Preliminary Project Plan shall set forth the  
2 following information:

3 1. A description of the economic development project, including  
4 the name of private companies being assisted, if any, and the nature  
5 of such assistance;

6 2. An estimate of the total project costs of the project;

22 B. Following the preparation of the Preliminary Project Plan,  
23 the Department shall conduct public hearings for the purpose of

1 receiving input from the public regarding the Preliminary Project  
2 Plan. The public hearings shall be held at sites located throughout  
3 all of the municipalities or counties comprising the proposed  
4 Regional District. Notice of the time, date, and place of the  
5 public hearings shall be published in one or more newspapers of  
6 general circulation within each of the municipalities and counties

11 comments from all interested persons shall be received by the  
12 Department and a record made of such comments.

13 C. After the public hearings are concluded, the Department  
14 shall prepare a Final Project Plan, based upon the Preliminary  
15 Project Plan, but giving due consideration to the comments received  
16 at the public hearings. The Final Project Plan shall also include a  
17 certification by the Department that the proposed project will have  
18 a substantial economic impact on each of the municipalities and  
19 counties proposed for inclusion in the Regional District. The Final  
20 Project Plan shall include the same items listed in subsection A of  
21 this section. No municipalities or counties may be listed in the  
22 Final Project Plan for inclusion in a Regional District other than  
23 those listed in the Preliminary Project Plan. A municipality or

1 county may be omitted in the Final Project Plan if the Department

17 election to be held within each of the municipalities and counties  
18 listed in the Final Project Plan. The election proclamation shall  
19 set a date on which elections shall be held within each of the  
20 listed municipalities and counties. The elections shall be  
21 conducted by the appropriate county election board or boards  
22 pursuant to the general election laws of the state, but shall be  
23 coordinated by the State Election Board under such procedures as it

1 may, by rule, prescribe. Notice of the election shall be given by  
2 the mayor of each municipality or by the county commissioners of  
3 each county, by advertisement weekly for at least four times in a  
4 newspaper of general circulation in said municipality or county,  
5 with the last publication to be not less than ten (10) days prior to  
6 the date of the elections. All costs associated with the holding of  
7 such elections shall be paid for by the Department, and no municipal  
8 or county funds shall be used; provided, however, that the Governor  
9 is authorized to accept donations from private parties for the  
10 purpose of defraying all or a portion of the costs associated with  
11 the holding of such elections.

12 C. The State Election Board shall certify the results of such  
13 elections and shall forward the same to the Governor.

14 SECTION 7. NEW LAW A new section of law to be codified  
15 in the Oklahoma Statutes as Section 827 of Title 62, unless there is  
16 created a duplication in numbering, reads as follows:

17 If the voters of one or more of the municipalities or counties  
18 listed in the Final Project Plan approve the authorization of bonds  
19 issued pursuant to this act, the Governor shall determine, with the  
20 assistance of the Department, whether the bonds authorized by such  
21 entity or entities will provide sufficient financial resources to  
22 allow for the project to be undertaken. If the Governor determines  
23 that sufficient financial resources are available and that the

1 project is feasible, then the Governor shall, by executive order,  
2 establish a Regional District comprised of those municipalities and  
3 counties whose voters approved the issuance of bonds pursuant to  
4 this act. No municipality or county whose voters failed to  
5 authorize the issuance of bonds shall be a part of the Regional  
6 District established by the Governor.

7 SECTION 8. NEW LAW A new section of law to be codified  
8 in the Oklahoma Statutes as Section 828 of Title 62, unless there is  
9 created a duplication in numbering, reads as follows:

10 Once a Regional District has been established by the Governor,  
11 the governing bodies of each of the Participating Entities  
12 comprising such district shall take all actions required by law for  
13 the issuance of the type of bonds described in the Final Project  
14 Plan. A transcript of proceedings for each of the Participating  
15 Entities shall thereafter be prepared and submitted to the Attorney  
16 General of Oklahoma for examination. Such bonds, having been  
17 examined and certified as legal obligations by the Attorney General  
18 in accordance with such requirements as the Attorney General may  
19 make, shall be incontestable in any court of the State of Oklahoma  
20 unless suit thereon shall be brought in a court having jurisdiction  
21 thereof within thirty (30) days from the date of such approval.  
22 Bonds so approved by the Attorney General shall be prima facie valid  
23 and binding obligations according to their terms. The only

1 objection which may be offered thereto in any suit instituted after  
2 such thirty-day period shall have expired shall be a violation of  
3 provisions of either the United States Constitution or the Oklahoma  
4 Constitution.

5 SECTION 9. NEW LAW A new section of law to be codified  
6 in the Oklahoma Statutes as Section 829 of Title 62, unless there is  
7 created a duplication in numbering, reads as follows:

8 A. Bonds issued pursuant to this act shall:

9 1. Be issued in one or more series;

10 2. Bear such date or dates;

11 3. Mature at such time or times not exceeding twenty-five (25)  
12 years from their date;

13 4. Be in such denomination or denominations;

14 5. Be payable in such medium of payment at such place or  
15 places;

16 6. Be subject to such terms of redemption with or without  
17 premium; and

18 7. Bear such rate or rates of interest as may be provided in  
19 the Final Project Plan; provided, however, that the average coupon  
20 rate for such bonds shall not exceed fourteen percent (14%) per  
21 annum.

22 B. All bonds issued hereunder, except bonds sold to the federal  
23 government or any agency thereof or to any agency of the State of

1 Oklahoma, shall be awarded to the lowest and best bidder based upon  
2 an open competitive public offering, advertised at least once a week  
3 for two (2) successive weeks in a newspaper of general circulation  
4 in the county where the Participating Entity is located prior to the  
5 date on which bids are received and opened; provided, however, that  
6 the Governor may waive this requirement if the Governor determines  
7 that a lower aggregate interest cost may be obtained through a  
8 negotiated sale. In no event, however, shall any bonds issued  
9 hereunder be sold for less than ninety-six percent (96%) of par  
10 value.

11 C. Bonds shall have all the qualities and incidents of  
12 negotiable paper and the interest thereon shall not be subject to  
13 taxation by the State of Oklahoma.

14 D. Each Participating Entity may issue bonds pursuant to this  
15 act for the purpose of refunding any obligations of such entity  
16 issued pursuant to this act.

17 E. The bonds issued pursuant to this act shall not constitute  
18 an obligation of the State of Oklahoma, or general obligations of  
19 the issuers thereof, but shall be special, limited obligations  
20 payable solely from the taxes or other revenues described in the  
21 Final Project Plan and only to the extent authorized by the voters  
22 of each Participating Entity. The governing body of each  
23 Participating Entity is hereby authorized and directed to pledge all

1 or any part of such revenues to the payment of principal, interest  
2 and premium, if any, on the bonds issued by such Participating  
3 Entity.

4 F. A Participating Entity may enter into any agreement or  
5 contracts with the United States of America or the State of Oklahoma  
6 or any agency or instrumentality thereof which it may consider  
7 advisable or necessary in order to obtain a grant of funds or other  
8 aid to be used in connection with the proceeds of the bonds.

9 G. Bonds issued pursuant to this act shall not be subject to  
10 the provisions of the Municipal and County Industrial Development  
11 Bonds Act, but instead, shall be issued pursuant to the provisions  
12 of this act.

13 H. Any bank, trust or insurance company organized under the  
14 laws of Oklahoma may invest its capital, surplus and reserves in  
15 bonds issued under the provisions of this act.

16 SECTION 10. NEW LAW A new section of law to be codified  
17 in the Oklahoma Statutes as Section 830 of Title 62, unless there is  
18 created a duplication in numbering, reads as follows:

19 A. The Governor is hereby authorized to file an application, at  
20 the Governor's discretion, with the Supreme Court of Oklahoma for  
21 the validation of any bonds to be issued hereunder or for any writ,  
22 including mandamus, which may lie in relation to any action to be  
23 taken by the governing body of a Participating Entity. Exclusive

1 original jurisdiction is hereby conferred upon the Supreme Court to  
2 hear and determine each such application. Notice of the hearing on  
3 each application shall be given by a notice published in a newspaper  
4 of general circulation within the Regional District. Such notice  
5 shall inform all persons interested that they may file protests  
6 against the validation or approval and be present at the hearing and  
7 contest the same. Such notice shall be published one time, not less  
8 than ten (10) days prior to the date named for the hearing, and the  
9 hearing may be adjourned from time to time at the discretion of the  
10 court.

11 B. In any action to approve bonds, if the Supreme Court is  
12 satisfied that the bonds have been properly authorized in accordance  
13 with the provisions of this act, and that when issued they will  
14 constitute valid obligations of the respective issuers in accordance  
15 with their terms, the Supreme Court shall render its written opinion  
16 approving the bonds and shall fix the time within which a petition  
17 for rehearing may be filed. The decision of the Supreme Court shall  
18 be a judicial determination of the validity of the bonds, shall be  
19 conclusive as to the governing body of each Participating Entity,  
20 and thereafter the bonds so approved and the revenues pledged to  
21 their payment shall be incontestable in any court of the State of  
22 Oklahoma.

1           SECTION 11.           NEW LAW           A new section of law to be codified  
2 in the Oklahoma Statutes as Section 831 of Title 62, unless there is  
3 created a duplication in numbering, reads as follows:

4           All proceeds received by a Participating Entity from the sale of  
5 bonds shall be transferred to a public trust created pursuant to the  
6 provisions of Section 176 et seq. of Title 60 of the Oklahoma  
7 Statutes, which public trust shall have among its beneficiaries, all  
8 of the Participating Entities. In lieu of a public trust, the  
9 Oklahoma Development Finance Authority may be designated as the  
10 agency in charge of administering the Regional District, subject to  
11 the approval of the governing board of the Oklahoma Development  
12 Finance Authority. The administering agency shall be responsible  
13 for disbursing funds from proceeds of the sale of the bonds for  
14 payment of all costs relating to the project, including the costs of  
15 issuance of the bonds, and may take title to such property and take  
16 all other such actions as it deems necessary to implement the Final  
17 Project Plan. The administering agency shall be entitled to collect  
18 an administrative fee from the proceeds of the bond, said fee to be  
19 described in the Final Project Plan. The Final Project Plan may  
20 also designate said agency to serve as the paying agent for any  
21 monies which are to be remitted to the Participating Entities,  
22 whether such revenues are in the form of lease payments, debt  
23 service payments, tax increment revenues or otherwise.

1 SECTION 12. NEW LAW A new section of law to be codified  
2 in the Oklahoma Statutes as Section 832 of Title 62, unless there is  
3 created a duplication in numbering, reads as follows:

4 The powers conferred by this act shall be in addition and  
5 supplemental to the powers conferred by any other law.

6 SECTION 13. This act shall become effective upon approval of  
7 the proposed amendment to Section 35 of Article X of the  
8 Constitution of the State of Oklahoma set forth in Enrolled House  
9 Bill No 1198 of the 1st Session of the 48th Oklahoma Legislature and  
10 shall have the force and effect of law on the date the election  
11 results are certified.
