11 order to substantially reduce the burden of tax compliance for all
12 sellers and for all types of commerce at such time as the
13 Legislature directs the Tax Commission to do so or at such time as
14 the Legislature amends the Oklahoma Sales Tax Code and the Oklahoma
15 Use Tax Code to conform with the provisions of the Agreement. In
16 furtherance of the Agreement, the Tax Commission is authorized to
17 act jointly with other states that are members of the Agreement to

20 standards for multistate sellers.

21 The Tax Commission is further authorized to take other actions

13 in this state, whether adopted before, at, or after membership of
14 this state in the Agreement, must be by the action of this state.

15 SECTION 7. NEW LAW A new section of law to be codified
16 in the Oklahoma Statutes as Section 1354.20 of Title 68, unless
17 there is created a duplication in numbering, reads as follows:

18 The Oklahoma Tax Commission shall not enter into the Streamlined
19 Sales and Use Tax Agreement unless the Agreement requires each state
20 to abide by the following requirements:

21 1. Simplified State Rate. The Agreement must set restrictions
22 to limit over time the number of state rates;

1 2. Uniform Standards. The Agreement must establish uniform
2 standards for the following:

- 3 a. the sourcing of transactions to taxing jurisdictions,
- 4 b. the administration of exempt sales, and
- 5 c. sales and use tax returns and remittances;

6 3. Central Registration. The Agreement must provide a central,
7 electronic registration system that allows a seller to register to
8 collect and remit sales and use taxes for all signatory states;

9 4. No Nexus Attribution. The Agreement must provide that
10 registration with the central registration system and the collection
11 of sales and use taxes in the signatory states will not be used as a
12 factor in determining whether the seller has nexus with a state for
13 any tax;

14 5. Local Sales and Use Taxes. The Agreement must provide for
15 reduction of the burdens of complying with local sales and use taxes
16 through the following:

- 17 a. restricting variances between the state and local tax
18 bases,

1 or be subject to independent audits from local taxing
2 jurisdictions,

3 c. restricting the frequency of changes in the local
4 sales and use tax rates and setting effective dates
5 for the application of local jurisdictional boundary
6 changes to local sales and use taxes, and

7 d. providing notice of changes in local sales and use tax
8 rates and of changes in the boundaries of local taxing
9 jurisdictions;

10 6. Monetary Allowances. The Agreement must outline any
11 monetary allowances that are to be provided by the states to sellers
12 or certified service providers. The Agreement must allow for a
13 joint public and private sector study of the compliance cost on
14 sellers and certified service providers to collect sales and use
15 taxes for state and local governments under various levels of
16 complexity to be completed by July 1, 2002;

17 7. State Compliance. The Agreement must require each state to
18 certify compliance with the terms of the Agreement prior to joining
19 and to maintain compliance, under the laws of the member state, with
20 all provisions of the Agreement while a member;

21 8. Consumer Privacy. The Agreement must require each state to
22 adopt a uniform policy for certified service providers that protects

1 the privacy of consumers and maintains the confidentiality of tax
2 information; and

3 9. Advisory Councils. The Agreement must provide for the
4 appointment of an advisory council of private sector representatives
5 and an advisory council of non-member state representatives to
6 consult with in the administration of the Agreement.

7 SECTION 8. NEW LAW A new section of law to be codified
8 in the Oklahoma Statutes as Section 1354.21 of Title 68, unless
9 there is created a duplication in numbering, reads as follows:

10 The Agreement authorized by this act is an accord among
11 individual cooperating sovereigns in furtherance of their
12 governmental functions. The Agreement provides a mechanism among
13 the member states to establish and maintain a cooperative,
14 simplified system for the application and administration of sales
15 and use taxes under the duly adopted law of each member state.

16 SECTION 9. NEW LAW A new section of law to be codified
17 in the Oklahoma Statutes as Section 1354.22 of Title 68, unless
18 there is created a duplication in numbering, reads as follows:

19 A. The Agreement authorized by this act binds and inures only
20 to the benefit of this state and the other member states. No
21 person, other than a member state, is an intended beneficiary of the
22 Agreement. Any benefit to a person other than a state is

1 established by the law of this state and the other member states and
2 not by the terms of the Agreement.

3 B. Consistent with subsection A of this section, no person
4 shall have any cause of action or defense under the Agreement or by
5 virtue of this state's approval of the Agreement. No person may
6 challenge, in any action brought under any provision of law, any
7 action or inaction by any department, agency, or other
8 instrumentality of this state, or any political subdivision of this
9 state on the ground that the action or inaction is inconsistent with
10 the Agreement.

11 C. No law of this state, or the application thereof, may be
12 declared invalid as to any person or circumstance on the ground that
13 the provision or application is inconsistent with the Agreement.

14 SECTION 10. NEW LAW A new section of law to be codified
15 in the Oklahoma Statutes as Section 1354.23 of Title 68, unless
16 there is created a duplication in numbering, reads as follows:

17 A. A certified service provider is the agent of a seller, with
18 whom the certified service provider has contracted, for the
19 collection and remittance of sales and use taxes. As the seller's
20 agent, the certified service provider is liable for sales and use
21 tax due each member state on all sales transactions it processes for
22 the seller except as set out in this section.

1 A seller that contracts with a certified service provider is not
2 liable to the state for sales or use tax due on transactions
3 processed by the certified service provider unless the seller
4 misrepresented the type of items it sells or committed fraud. In
5 the absence of probable cause to believe that the seller has
6 committed fraud or made a material misrepresentation, the seller is
7 not subject to audit on the transactions processed by the certified
8 service provider. A seller is subject to audit for transactions not
9 processed by the certified service provider. The member states
10 acting jointly may perform a system check of the seller and review
11 the seller's procedures to determine if the certified service
12 provider's system is functioning properly and the extent to which
13 the seller's transactions are being processed by the certified
14 service provider.

15 B. A person that provides a certified automated system is
16 responsible for the proper functioning of that system and is liable
17 to the state for underpayments of tax attributable to errors in the
18 functioning of the certified automated system. A seller that uses a
19 certified automated system remains responsible and is liable to the
20 state for reporting and remitting tax.

21 C. A seller that has a proprietary system for determining the
22 amount of tax due on transactions and has signed an agreement

1 establishing a performance standard for that system is liable for
2 the failure of the system to meet the performance standard.

3 SECTION 11. This act shall become effective November 1, 2001.
