

An Act relating to public health and safety; amending Section 4, Chapter 289, O.S.L. 1997, as last amended by Section 3, Chapter 292, O.S.L. 2000 (63 O.S. Supp. 2000, Section 2525.5), which relates to rules governing managed care plans; requiring all managed care plans to establish physician credentialing; requiring the plans to make information on physician credentialing criteria available to specified persons; requiring a plan to grant temporary physician credentialing privileges upon completion of specified criteria; providing that the provisions of section of law supersede all other accreditation standards; and providing an effective date.
