BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 63 O.S. 2001, Section 2815, is amended to read as follows:

Section 2815. A. 1. Any fee imposed pursuant to the provisions of Section 2814 of this title and the amounts required to be collected are due monthly. The amount of fee collected in one (1) month by the local exchange telephone company shall be remitted to the governing body no later than thirty (30) days after the close of the month in which such fees were collected.

2. In the event the fees collected are not remitted by the local exchange telephone company to the governing body within thirty (30) days after the close of the month in which such fees were collected, the local exchange telephone company shall pay a penalty to the governing body that is equal to ten percent (10%) of the amount collected per month, for each month that the fee is delinquent and not remitted.

3. All fees collected by the local exchange telephone company and remitted to the governing body and any other money collected to fund the emergency telephone system shall be deposited in a special nine-one-one account established by the governing body, and shall be

used only to fund the expenditures authorized by the Nine-One-One Emergency Number Act.

4. The governing body shall account for all disbursements from the account and shall not allow the funds to be transferred to another account not specifically established for the operation of the emergency telephone system.

B. On or before the last day of each month, a return for the preceding month shall be filed with the governing body in a form the governing body and the local exchange telephone company agree to. The local exchange telephone company required to file the return shall deliver the return together with a remittance of the amount of the fee payable to the treasurer or other person responsible to the governing body for receipt of payments from the fee. The local exchange telephone company shall maintain records of the amount of any fee collected in accordance with the provisions of the Nine-One-One Emergency Number Act. The records shall be maintained for a period of one (1) year from the time the fee is collected.

D. At least once each calendar year, the governing body shall establish the fee for the subsequent year in an amount not to exceed the amount approved by the voters as provided by the provisions of Section 2814 of this title that, together with any surplus revenues, will produce sufficient revenues to fund the expenditures authorized by the Nine-One-One Emergency Number Act. Amounts collected in excess of that necessary within a given year shall be carried forward to subsequent years. The governing body shall make the determination of the fee amount no later than September 1 of each

year and shall fix the new fee to take effect commencing with the first billing period of each service user on or following the next January 1. Immediately upon making its determination and fixing the fee, the governing body shall publish in its minutes the new fee, and it shall, at least ninety (90) days before the new fee shall become effective, notify by certified mail every local exchange telephone company providing emergency telephone service to areas within the jurisdiction of the governing body. The governing body may at its own expense require an annual audit of the books and records of the local exchange telephone company concerning the collection and remittance of the fee authorized by the Nine-One-One Emergency Number Act.

E. The governing body shall be required to have conducted separately or as a part of the annual audit required by law of the municipality or county an annual audit of any accounts established or used by the governing body for the operation of an emergency telephone system.
