Section 50-111.1 A. A member who terminates ~~his~~ service before normal retirement date, other than by death or disability shall, upon application filed with the State Board, be refunded from the Fund an amount equal to the accumulated contributions the member has made to the Fund, but excluding any interest or any amount contributed by the municipality or state. If a member withdraws ~~his~~ the member's accumulated contributions, such member shall not have any recourse against the System for any type of additional benefits including, but not limited to, disability benefits. If a member has completed ten (10) years of credited service at the date of termination, the member may elect a vested benefit in lieu of receiving the member's accumulated contributions.

If the member who has completed ten (10) or more years of credited service elects the vested benefit, the member shall be entitled to a monthly retirement annuity commencing on the date the member reaches fifty (50) years of age or the date the member would

have had twenty (20) years of credited service had the member's employment continued uninterrupted, whichever is later. The annual amount of such retirement annuity shall be equal to two and one-half percent (2 1/2%) of final average salary multiplied by the number of years of credited service.

B. If a member who terminates employment and elects a vested benefit dies prior to being eligible to receive benefits, the member's beneficiary shall be entitled to the member's normal monthly accrued retirement benefits on the date the deceased member would have been eligible to receive the benefit.

C. Whenever a member has terminated or hereafter terminates covered employment and has withdrawn or hereafter withdraws the member's accumulated contributions and has rejoined or hereafter rejoins the System, the member, upon proper application and approval by the Board, may pay to the System the sum of the accumulated contributions the member has withdrawn or hereafter withdraws plus ten percent (10%) annual interest from the date of withdrawal and shall receive the same benefits as if the member had never withdrawn the contributions. Those members who at the time of termination of employment could not withdraw any of their accumulated contributions shall receive credited service for the time employed as an officer prior to any such termination upon proper application and approval by the Board. To receive credit for such service, all required contributions and interest shall be paid within ninety (90) days of Board approval of the application. The provisions of this subsection shall not apply to any member who is receiving benefits from the System as of July 1, 1987.

D. If an active member dies and does not leave a beneficiary, the accumulated contributions made to the System by the member shall be paid to the estate of the member.

SECTION 2. This act shall become effective July 1, 2001.

SECTION 3. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
