

STATE OF OKLAHOMA

2nd Session of the 48th Legislature (2002)

SENATE BILL 898

By: Capps

AS INTRODUCED

An Act relating to cities and towns; amending 11 O.S. 2001, Section 43-101.1, which relates to restriction of use or future use of property hazardous to aircraft operation; stating certain exception; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 11 O.S. 2001, Section 43-101.1, is amended to read as follows:

Section 43-101.1 A. Any municipality in this state within which there lies wholly or in part an active-duty United States Air Force military installation, may enact a city ordinance specifying that within five (5) miles of the corporate limits of the military installation future uses on the property which may be hazardous to aircraft operation shall be restricted or prohibited. Such authority shall not extend into the corporate limits of another municipality.

B. The ordinance shall restrict or prohibit future uses within the five-mile area which:

1. Release into the air any substance which would impair visibility or otherwise interfere with the operation of aircraft, such as steam, dust or smoke unless such substance is generated from agricultural use;

2. Produce light emissions, either directly, or indirectly or by reflective light, which would interfere with pilot vision;

3. Produce electrical emissions which would interfere with aircraft communications systems or navigation equipment;

4. Attract birds or waterfowl including, but not limited to, operation of sanitary landfills, maintenance of feeding stations, or the growing of certain vegetation;

5. Provide for structures within ten (10) feet of aircraft approach, departure, or transitional surfaces;

6. Expose persons to noise greater than seventy-five (75) decibels; or

7. Detract from the aesthetic appearance, or otherwise create or promote an unsightly, unsanitary or unhealthy appearance of any entrance into the installation including, but not limited to, automobile or truck salvage yards, equipment storage sites or solid waste storage or disposal sites.

C. The ordinance shall restrict or prohibit future uses within the five-mile area which violate any Federal Aviation Administration height restriction criteria.

D. 1. The ordinance shall be consistent with the recommendations or studies made by the United States Air Force entitled "Air Installation Compatible Use Zone Study", Volumes I, II and III, dated October 1992; and

2. Interpretations of such ordinance shall consider such recommendations or studies with a view to protection of the public and maintenance of safe aircraft operations.

E. The ordinance shall not prohibit single-family residential use on tracts of one (1) acre or more in area, provided that future construction shall comply with the "Guidelines for the Sound Insulation of Residences Exposed to Aircraft Operations, Wyle Research Report WR 89-7". Such construction shall be regulated and inspected by the municipality's existing building permit and inspection ordinances and procedures.

SECTION 2. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby

declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
