BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 47 O.S. 2001, Section 1110, is amended to read as follows:

Section 1110. A. 1. Except for a security interest in vehicles held by a dealer for sale or lease, and a vehicle being registered in this state which was previously registered in another state and which title contains the name of a secured party on the face of the other state certificate or title, a security interest in a vehicle as to which a certificate of title may be properly issued

by the Oklahoma Tax Commission shall be perfected only when a lien entry form, and the existing certificate of title, if any, or application for a certificate of title and manufacturer's certificate of origin containing the name and address of the secured party and the date of the security agreement and the required fee are delivered to the Tax Commission or to a motor license agent. As used in this section, the term "dealer" shall be defined as provided in Section 1-112 of this title and the term "security interest" shall be defined as provided in paragraph (37) of Section 1-201 of Title 12A of the Oklahoma Statutes. When a vehicle title is presented to a motor license agent for transferring or registering and the documents reflect a lien holder, the motor license agent shall perfect the lien pursuant to subsection G of Section 1105 of this title. For the purposes of this section, the term "vehicle" shall not include special mobilized machinery, machinery used in highway construction or road material construction and rubber-tired road construction vehicles including rubber-tired cranes. The filing and duration of perfection of a security interest, pursuant to the provisions of Title 12A of the Oklahoma Statutes, including, but not limited to, Section 1-9-311 of Title 12A of the Oklahoma Statutes, shall not be applicable to perfection of security interests in vehicles as to which a certificate of title may be properly issued by the Tax Commission, except as to vehicles held by a dealer for sale or lease and except as provided in subsection D of this section. In all other respects Title 12A of the Oklahoma Statutes shall be applicable to such security interests in vehicles as to which a certificate of title may be properly issued by the Tax Commission.

2. Whenever a person creates a security interest in a vehicle, the person shall surrender to the secured party the certificate of title or the signed application for a new certificate of title, on the form prescribed by the Tax Commission, and the manufacturer's

certificate of origin. The secured party shall deliver the lien entry form and the required lien filing fee within twenty-five (25) days as provided hereafter with certificate of title or the application for certificate of title and the manufacturer's certificate of origin to the Tax Commission or to a motor license agent. If the lien entry form, the lien filing fee and the certificate of title or application for certificate of title and the manufacturer's certificate of origin are delivered to the Tax Commission or to a motor license agent within twenty-five (25) days after the date of the lien entry form, perfection of the security interest shall begin from the date of the execution of the lien entry form, but otherwise, perfection of the security interest shall begin from the date of the delivery to the Tax Commission or to a motor license agent.

3. a. For each security interest recorded on a certificate of title, or manufacturer's certificate of origin, such person shall pay a fee of Ten Dollars (\$10.00), which shall be in addition to other fees provided for in the Oklahoma Vehicle License and Registration Act. Upon the receipt of the lien entry form and the required fees with either the certificate of title or an application for certificate of title and manufacturer's certificate of origin, a motor license agent shall, by placement of a clearly distinguishing mark, record the date and number shown in a conspicuous place, on each of these instruments. Of the ten-dollar fee, the motor license agent shall retain Two Dollars (\$2.00) for recording the security interest lien.
- b. It shall be unlawful for any person to solicit, accept or receive any gratuity or compensation for acting as a messenger and for acting as the agent or

representative of another person in applying for the recording of a security interest or for the registration of a motor vehicle and obtaining the license plates or for the issuance of a certificate of title therefor unless the Tax Commission has appointed and approved the person to perform such acts; and before acting as a messenger, any such person shall furnish to the Tax Commission a surety bond in such amount as the Tax Commission shall determine appropriate.

4. The certificate of title or the application for certificate of title and manufacturer's certificate of origin with the record of the date of receipt clearly marked thereon shall be returned to the debtor together with a notice that the debtor is required to register and pay all additional fees and taxes due within thirty (30) days from the date of purchase of the vehicle.

5. Any person creating a security interest in a vehicle that has been previously registered in the debtor's name and on which all taxes due the state have been paid shall surrender the certificate of ownership to the secured party. The secured party shall have the duty to record the security interest as provided in this section and shall, at the same time, obtain a new certificate of title which shall show the secured interest on the face of the certificate of title.

6. The lien entry form with the date and assigned number thereof clearly marked thereon shall be returned to the secured party. If the lien entry form is received and authenticated, as herein provided, by a motor license agent, the agent shall make a report thereof to the Tax Commission upon the forms and in the manner as may be prescribed by the Tax Commission.

7. The Tax Commission shall have the duty to record the lien upon the face of the certificate of title issued at the time of registering and paying all fees and taxes due on the vehicle.

B. 1. A secured party shall, within seven (7) business days after the satisfaction of the security interest, furnish directly or by mail a release of a security interest to the Tax Commission and mail a copy thereof to the last-known address of the debtor. If the security interest has been satisfied by payment from a licensed used motor vehicle dealer to whom the motor vehicle has been transferred, the secured party shall also, within seven (7) business days after such satisfaction, mail an additional copy of the release to the dealer. If the secured party fails to furnish the release as required, the secured party shall be liable to the debtor for a penalty of One Hundred Dollars (\$100.00) and, in addition, any loss caused to the debtor by such failure.

2. Upon release of a security interest the owner may obtain a new certificate of title omitting reference to the security interest, by submitting to the Tax Commission or to a motor license agent:

- a. a release signed by the secured party, an application for new certificate of title and the proper fees, or
- b. by submitting to the Tax Commission or the motor license agent an affidavit, supported by such documentation as the Tax Commission may require, by the owner on a form prescribed by the Tax Commission stating that the security interest has been satisfied and stating the reasons why a release cannot be obtained, an application for a new certificate of title and the proper fees.

Upon receiving such affidavit that the security interest has been satisfied, the Tax Commission shall issue a new certificate of title eliminating the satisfied security interest and the name and address

of the secured parties who have been paid and satisfied. The Tax Commission shall accept a release of a security interest in any form that identifies the debtor, the secured party, and the vehicle, and contains the signature of the secured party. The Tax Commission shall not require any particular form for the release of a security interest.

The words "security interest" when used in the Oklahoma Vehicle License and Registration Act do not include liens dependent upon possession.

C. The Tax Commission shall file and index certificates of title so that at all times it will be possible to trace a certificate of title to the vehicle designated therein, identify the lien entry form, and the names and addresses of secured parties, or their assignees, so that all or any part of such information may be made readily available to those who make legitimate inquiry of the Tax Commission as to the existence or nonexistence of security interest in the vehicle.

D. 1. Any security interest in a vehicle properly perfected prior to July 1, 1979, may be continued as to its effectiveness or duration as provided by Sections 1-9-501 and 1-9-515 of Title 12A of the Oklahoma Statutes, or may be terminated, assigned or released as provided by Sections 1-9-512, 1-9-513 and 1-9-514 of Title 12A of the Oklahoma Statutes, as fully as if this section had not been enacted, or, at the option of the secured party, may also be perfected under this section, and, if so perfected, the time of perfection under this section shall be the date the security interest was originally perfected under the prior law.

2. Upon request of the secured party, the debtor or any other holder of the certificate of title shall surrender the certificate of title to the secured party and shall do such other acts as may be required to perfect the security interest under this section.

E. ~~The priority of a valid security interest in a manufactured home, including without limitation a mobile home or sectional home, perfected pursuant to this section, shall not be affected by reason of the manufactured home becoming a fixture or otherwise being permanently attached to real property after the date of perfection of the security interest.~~ If a manufactured home is permanently affixed to real estate, the original document of title may be surrendered to the Tax Commission or a motor license agent for cancellation. When the document of title is surrendered, the owner shall provide the legal description or the appropriate tract or parcel number of the real estate and other information as may be required on a form provided by the Tax Commission. The Tax Commission may not cancel a document of title if a lien has been registered or recorded. The Tax Commission or motor license agent shall notify the owner and any lienholder that the title has been surrendered to the Tax Commission and that the Tax Commission may not cancel the title until the lien is released. Such notification shall include a description of the lien and such notification to the owner shall be accompanied by the return of title surrendered. Permanent attachment to real estate does not affect the validity of a lien recorded or registered with the Tax Commission before the document of title is cancelled pursuant to this section. The rights of a prior lienholder pursuant to a security agreement or the provisions of a credit transaction and the rights of the state pursuant to a tax lien are preserved. The Tax Commission or motor license agent shall forward the information to the county assessor of the county where the real estate is located and indicate whether the original document of title has been canceled. A fee of Five Dollars (\$5.00) shall accompany the application for cancellation of title. When the fee is paid by a person making an application directly with the Tax Commission, the fee shall be deposited in the Oklahoma Tax Commission Revolving Fund. A fee paid to a motor

license agent shall be retained by the agent. A security interest in a manufactured home perfected pursuant to this section shall have priority over a conflicting interest of a mortgagee or other lien encumbrancer, or the owner of the real property upon which the manufactured home became affixed or otherwise permanently attached. The holder of the security interest in the manufactured home, upon default, may remove the manufactured home from such real property. The holder of the security interest in the manufactured home shall reimburse the owner of the real property who is not the debtor and who has not otherwise agreed to access the real property for the cost of repair of any physical injury to the real property, but shall not be liable for any diminution in value to the real property caused by the removal of the manufactured home, trespass, or any other damages caused by the removal. The debtor shall notify the holder of the security interest in the manufactured home of the street address, if any, and the legal description of the real property upon which the manufactured home is affixed or otherwise permanently attached and shall sign such other documents, including any appropriate mortgage, as may reasonably be requested by the holder of such security interest.

F. In the case of motor vehicles or trailers, notwithstanding any other provision of law, a transaction does not create a sale or security interest merely because it provides that the rental price is permitted or required to be adjusted under the agreement either upward or downward by reference to the amount realized upon sale or other disposition of the motor vehicle or trailer.

SECTION 2. AMENDATORY 47 O.S. 2001, Section 1113, is amended to read as follows:

Section 1113.

A. 1. Upon the filing of a registration application and the payment of the fees provided for in the Oklahoma Vehicle License and Registration Act, the Oklahoma Tax Commission shall assign to the

vehicle described in the application a distinctive number, and issue to the owner of the vehicle a certificate of registration and one license plate or a yearly decal for the year that a license plate is not issued. The yearly decal shall have an identification number and the last two numbers of the registration year for which it shall expire. Except as provided by Section 1113A of this title, the license plate shall be affixed to the exterior of the vehicle until a replacement license plate is applied for. The yearly decal will validate the license plate for each registration period other than the year the license plate is issued. The license plate and decal shall be of such size, color, design and numbering as the Tax Commission may direct. However, yearly decals issued to the owner of a vehicle who has filed an affidavit with the appropriate motor license agent in accordance with Section 7-607 of this title shall be a separate and distinct color from all other decals issued under this section.

2. The license plate shall be securely attached to the rear of the vehicle, except truck-tractor plates which shall be attached to the front of the vehicle. The Tax Commission may, with the concurrence of the Department of Public Safety, by Joint Rule, change and direct the manner, place and location of display of any vehicle license plate when such action is deemed in the public interest. The license plate, decal and all letters and numbers shall be clearly visible at all times. The operation of a vehicle upon which the license plate is covered, overlaid or otherwise screened with any material, whether such material be clear, translucent, tinted or opaque, shall be a violation of this paragraph.

3. Upon payment of the annual registration fee provided in Section 1133 of this title, the Tax Commission or a motor license agent may issue a permanent nonexpiring license plate to an owner of one hundred or more commercial motor vehicles and for vehicles

registered under the provisions of Section 1120 of this title. Upon payment of the annual registration fee, the Tax Commission shall issue a certificate of registration that shall be carried at all times in the vehicle for which it is issued. Provided, if the registrant submits its application through electronic means, such qualified owners of one hundred or more commercial motor vehicles, properly registered pursuant to the provisions of Section 1133 of this title, may elect to receive a permanent certificate of registration that shall be carried at all times in the vehicle for which it is issued.

B. The license plates required under the provisions of this title shall conform to the requirements and specifications listed hereinafter:

1. Each license plate shall have a space for the placement of the yearly decals for each succeeding year of registration after the initial issue;

2. The provisions of the Oklahoma Vehicle License and Registration Act regarding the issuance of yearly decals shall not apply to the issuance of apportioned license plates, including license plates for state vehicles, and exempt plates for governmental entities and fire departments organized pursuant to Section 592 of Title 18 of the Oklahoma Statutes;

3. Within the limits herein prescribed the Tax Commission shall redesign the official vehicle license plates which currently bear the legend "Oklahoma OK" or "Oklahoma is OK!" and substitute therefor the legend "Oklahoma Native America" as further described in this paragraph. Except for personalized license plates and license plates issued for motorcycles and mopeds, the emblem on the state flag of Oklahoma as provided for in Section 91 of Title 25 of the Oklahoma Statutes shall be a part of all license plates issued after December 31, 1988. The Tax Commission may continue to issue license plates with the legend "Oklahoma is OK!" or "Oklahoma OK"

until any inventory of such license plates is depleted but the Tax Commission shall not produce or cause to be produced any additional license plates with these legends. Except for personalized license plates, license plates issued for commercial vehicles, and license plates issued for motorcycles and mopeds, the "Oklahoma Native America" emblem shall be a part of all license plates issued after December 31, 1993. The specifications for lettering style and appearance for the legend "Oklahoma Native America" shall be provided to the Tax Commission by the Oklahoma Tourism and Recreation Department. The license plates shall be issued with the letters and numerals in the colors of green and white. All license plates and decals shall be made with reflectorized material as a background to the letters, numbers and characters impressed thereon. The reflectorized material shall be of such a nature as to provide effective and dependable brightness during the service period for which the license plate or decal is issued;

4. Except as otherwise provided in this subsection, the Tax Commission shall design appropriate official license plates for all state vehicles. Such license plates shall be permanent in nature and designed in such manner as to remain with the vehicle for the duration of the vehicle's life span or until the title is transferred to a nongovernmental owner;

5. Within the limits prescribed in this section, the Tax Commission shall design appropriate official license plates for vehicles of the Oklahoma Highway Patrol. The license plates shall have the legend "Oklahoma OK" and shall contain the letters "OHP" followed by the state seal and the badge number of the Highway Patrol officer to whom the vehicle is assigned. The words "Oklahoma Highway Patrol" shall also be included on such license plates;

6. Within the limits prescribed in this section, the Tax Commission shall design appropriate official license plates for vehicles of the Oklahoma Military Department. Such license plates

shall have the legend "Oklahoma OK" and shall contain the letters "OMD" followed by the state seal and three numbers or letters as designated by the Adjutant General. The words "Oklahoma Military Department" shall also be included on such license plates.

C. Where the applicant has satisfactorily shown that the applicant owns the vehicle sought to be registered but is unable to produce documentary evidence of the ownership, a license plate may be issued upon approval by the Tax Commission. In such instances the reason for not issuing a certificate of title shall be indicated on the receipt given to the applicant. It shall still be the duty of the applicant to immediately take all necessary steps to obtain the Oklahoma certificate of title and it shall be unlawful for the applicant to sell the vehicle until the certificate has been obtained in the applicant's name.

D. The certificate of registration provided for in this section shall be in convenient form, and the certificate of registration, or a certified copy or photostatic copy thereof, duly authenticated by the Tax Commission, shall be carried at all times in or upon commercial vehicles so registered, in such manner as to permit a ready examination thereof upon demand by any peace officer of the state or duly authorized employee of the Department of Public Safety. Any such officer or agent may seize and hold such commercial vehicle when the operator of the same does not have the registration certificate in the operator's possession or when any such officer or agent determines that the registration certificate has been obtained by misrepresentation of any essential or material fact or when any number or identifying information appearing on such certificate has been changed, altered, obliterated or concealed in any way, until the proper registration or identification of such vehicle has been made or produced by the owner thereof.

E. The purchaser of a new or used manufactured home shall, within thirty (30) days of the date of purchase, register the home

with the Tax Commission or a motor license agent pursuant to the provisions of Section 1117 of this title. For a new manufactured home, it shall be the responsibility of the dealer selling the home to place a temporary license plate on the home in the same manner as provided in Section 1128 of this title for other new motor vehicles. For the first year that any manufactured home is registered in this state, the Tax Commission shall issue a metal license plate which shall be affixed to the manufactured home. The temporary dealer license plate or the metal license plate shall be displayed on the manufactured home at all times when upon a public roadway; provided, a repossession affidavit issued pursuant to Sections 1110 and 1126 of this title shall be permissible in lieu of a current license plate and decal for the purposes of removing a repossessed manufactured home to a secure location. Manufactured homes previously registered and subject to ad valorem taxation as provided by law shall have ~~the metal license plate~~ a decal affixed at the time ad valorem taxes are paid for such manufactured home; provided, for a manufactured home permanently affixed to real estate, no decal or license plate shall be required to be affixed and the owner thereof shall be given a receipt upon payment of ad valorem taxes due on the home. ~~The owner of the home shall be required to affix such plate to the home.~~ The Tax Commission shall make sufficient plates and decals available to the various motor license agents of the state in order for an owner of a manufactured home to acquire the plate or decal. A One Dollar (\$1.00) fee shall be charged for issuance of any plate or decal. The fee shall be apportioned each month to the General Revenue Fund of the State Treasury.

F. The manufactured home license plate shall be designed so that it is easily visible for purposes of verification by a county assessor that the manufactured home is properly assessed for ad valorem taxation. The plate shall be designed for a yearly decal. In the first year of registration, a decal shall be issued for

placement on the license plate indicating payment of applicable registration fees and excise taxes. In the second and all subsequent years for which the manufactured home is subject to ad valorem taxation, an annual decal shall be affixed to the license plate as evidence of payment of ad valorem taxes. The Tax Commission shall issue decals to the various county treasurers of the state in order for a manufactured home owner to obtain such decal each year. Upon presentation of a valid ad valorem tax receipt, the manufactured home owner shall be issued the annual decal.

G. Upon the registration of a manufactured home in this state for the first time or upon discovery of a manufactured home previously registered within this state for which the information required by this subsection is not known, the Tax Commission shall obtain:

1. The name of the owner of the manufactured home;
2. The serial number or identification number of the manufactured home;
3. A legal description or address of the location for the home;
4. The actual retail selling price of the manufactured home excluding Oklahoma taxes;
5. The certificate of title number for the home; and
6. Any other information which the Tax Commission deems to be necessary.

The application for registration shall also include the school district in which the manufactured home is located or is to be located. The information shall be entered into a computer data system which shall be used by the Tax Commission to provide information to county assessors upon request by the assessor. The assessor may request any information from the system in order to properly assess a manufactured home for ad valorem taxation.

SECTION 3. This act shall become effective July 1, 2002.

SECTION 4. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
