Representative Rice moved to amend **HB 1433** by inserting a new Section 3 to read as follows, and renumbering subsequent sections, which amendment was declared adopted:

“SECTION 3. AMENDATORY 70 O.S. 1991, Section 6-101, as amended by Section 28, Chapter 239, O.S.L. 1993 (70 O.S. Supp. 2000, Section 6-101), is amended to read as follows:

Section 6-101. A. Except as provided in subsection E of this section, no person shall be permitted to teach in any school district of the state without a written contract, except as provided herein for substitute teachers and except teachers of classes in adult education. The board of education of each school district, wherein school is expected to be conducted for the ensuing year, shall employ and contract in writing with qualified teachers for and in the name of the district. One copy of the contract shall be filed with the clerk of the board of education and one copy shall be retained by the teacher.

B. Except as otherwise provided by law, no board of education shall have authority to enter into any written contract with a teacher who does not hold a valid certificate issued or recognized by the State Board of Education authorizing said teacher to teach the grades or subject matter for which the teacher is employed. Any board of education paying or authorizing the payment of the salary of any teacher not holding a certificate, as required herein, shall be adjudged to be guilty of a fraudulent expenditure of public funds and members voting for such payment shall be held jointly responsible for the return of the amount of any public monies thus expended, upon suit brought by the district attorney or by any interested citizen in the district where such funds have been expended.

C. It shall be the duty of the superintendent of schools under whose supervision teachers have been contracted to teach to certify to the treasurer of the contracting district the names of the teachers holding valid certificates with whom contracts have been made and the names of substitute teachers employed in accordance with law. Said treasurer shall not register any warrant issued in payment of salary to any teacher whose name is not included in such list and shall be liable on ~~his~~ the official bond for the treasurer for the amount of any warrant registered in violation of the provisions of this section.

D. Whenever any person shall enter into a contract with any school district in Oklahoma to teach in such school district the contract shall be binding on the teacher and on the board of education until the teacher legally has been discharged from ~~his~~ the

teaching position or released by the board of education from ~~his~~ the contract. Until such teacher has been thus discharged or released, the teacher shall not have authority to enter into a contract with any other board of education in Oklahoma for the same time covered by his original contract. If upon written complaint by the board of education in a district any teacher is reported to have failed to obey the terms of the contract previously made and to have entered into a contract with another board of education without having been released from the former contract, the teacher, upon being found guilty of said charge at a hearing held before the State Board of Education, shall have such teacher's certificate suspended for the remainder of the term for which said contract was made.

E. A board of education shall have authority to enter into written contracts with teachers for the ensuing fiscal year prior to the beginning of such year. If, prior to April 10, a board of education has not entered into a written contract with a regularly employed teacher or notified the teacher in writing by registered or certified mail that a recommendation has been made not to reemploy the teacher for the ensuing fiscal year, and if, by April 25, such teacher has not notified the board of education in writing by registered or certified mail that such teacher does not desire to be reemployed in such school district for the ensuing year, such teacher shall be considered as employed on a continuing contract basis and on the same salary schedule used for other teachers in the school district for the ensuing fiscal year, and such employment and continuing contract shall be binding on the teacher and on the school district.

F. Whenever a school district is engaged in contract negotiations with teachers employed by that school district after the school year has begun and the teachers are employed on a continuing contract basis, the school district shall, beginning at the first of the school year, pay the teachers any state-mandated salary increases and salary schedule increases to which each teacher is otherwise entitled.

G. No school district or any member of the board of education of a district shall be liable for the payment of compensation to a teacher or administrator under the provisions of any contract for the ensuing year, if it becomes necessary to close the school because of insufficient attendance, disorganization, annexation, consolidation, or by dispensing with the school according to law, provided, such cause is known or action is taken prior to July 1 of such ensuing year.

~~G.~~ H. No school district or any member of a board of education shall be liable for the payment of compensation to any teacher or administrator for the unexpired term of any contract if the school building to which the teacher or administrator has been assigned is destroyed by accident, storm, fire, or otherwise and it becomes necessary to close the school because of inability to secure a suitable building or buildings for continuation of school. Teachers and administrators shall be entitled to pay for any time lost when school is closed on account of epidemics or otherwise when an order for such closing has been issued by a health officer authorized by law to issue the order.”

COMMUNICATION

The following report was received from the State Board of Equalization and ordered printed in the Journal:

STATE OF OKLAHOMA
OFFICE OF STATE FINANCE

February 20, 2001

State Board of Equalization
State Capitol Building
Oklahoma City, OK 73105

Members of the Board:

The Constitution of the State of Oklahoma, Article X, Section 23, as last amended April 30, 1985, provides in pertinent part:

...the Legislature may at any regular session or special session, called for that purpose, enact laws to provide for additional revenues or a reduction in revenues, other than ad valorem taxes, or transferring the existing revenues or unappropriated cash on hand from one fund to another, or making provisions for appropriating funds not previously appropriated by the Legislature. Whereupon, it shall be the duty of the State Board of Equalization to make a determination of the revenues that will accrue under such laws and ninety-five percent (95%) of the amount of any increase or decrease resulting, for any reason, from such changes in laws shall be added to or deducted from the amount previously certified available for appropriation from each respective fund, as the case may be...

...Legislative appropriations for any fiscal year...shall be limited to a sum not to exceed the total amount appropriated from all funds in the preceding fiscal year plus twelve percent (12%), adjusted for inflation for the previous calendar year...The limit on the growth of appropriations shall be certified to by the State Board of Equalization.

...The State Board of Equalization shall meet within five (5) days after the monthly apportionment in February of each year, and at that time may adjust the certification, based upon the most current information available, and determine the amount of funds available for appropriation for that legislative session. At said meeting, the Board shall determine the limit on the growth of appropriations as provided for in this section.

The following report has been prepared in accordance with the procedures set forth above, and is respectfully, submitted for your consideration.

Very truly yours,

/s/ Tom Daxon
Director of State Finance
