CONFERENCE COMMITTEE SUBSTITUTE

An Act relating to public health and safety;
authorizing public agencies in certain cities to use
nine-one-one service information to notify the public
in certain situations; directing certain public
agencies to establish confidentiality procedures and
methods; defining certain term; providing for
codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified
in the Oklahoma Statutes as Section 2815.1 of Title 63, unless there
is created a duplication in numbering, reads as follows:

A. Nine-one-one emergency telephone service information may be
used by a public law enforcement or public health agency in a city
having a population of more than three hundred thousand (300,000)
according to the latest Federal Decennial Census for the purpose of
placing outgoing emergency calls that notify the public of an
emergency or provide to the public information relative to an
emergency.

B. Any public law enforcement or public health agency in a city
having a population of more than three hundred thousand (300,000)
according to the latest Federal Decennial Census that uses nine-one-
one emergency telephone service information for the purposes set

forth in subsection A of this section shall establish methods and procedures that ensure the confidentiality of the information.

C. For purposes of this section "nine-one-one emergency telephone service information" shall mean the name, address and telephone number of a service user of a local exchange telephone company.

SECTION 2. This act shall become effective January 1, 2004.
