- b. the population, as determined by the Oklahoma State Data Center based on the most recent U.S. Department of Commerce data, exceeds three hundred fifty thousand (350,000) persons; and

2. "Opportunity zone" means one or more census tracts in which, according to the most recent federal decennial census, at least thirty percent (30%) of the residents have annual gross household incomes from all sources below the poverty guidelines established by the U.S. Department of Health and Human Services.

H. An establishment locating its principal business activity in a high-employment county, whether or not such location is in an opportunity zone, shall be required to submit an annual report to the Oklahoma Tax Commission containing such information as the Tax Commission may require to determine if the establishment is in compliance with the provisions of this section.

I. The Department shall determine if the applicant is qualified to receive incentive payments.

J. If the applicant is determined to be qualified by the Department and is not subject to the provisions of subparagraph d or e of paragraph 6 of subsection A of Section 3603 of this title, the Department shall conduct a cost/benefit analysis to determine the estimated net direct state benefits and the net benefit rate applicable for a ten-year period and to estimate the amount of gross payroll for a ten-year period. In conducting such cost/benefit analysis, the Department shall consider quantitative factors, such as the anticipated level of new tax revenues to the state along with the added cost to the state of providing services, and such other criteria as deemed appropriate by the Department. In no event shall incentive payments, cumulatively, exceed the estimated net direct state benefits, except for applicants subject to the provisions of subparagraph d of paragraph 6 of subsection A of Section 3603 of this title.

K. Upon approval of such an application, the Department shall notify the Oklahoma Tax Commission and shall provide it with a copy of the application and the results of the cost/benefit analysis. The Tax Commission may require the qualified establishment to submit such additional information as may be necessary to administer the provisions of the Oklahoma Quality Jobs Program Act. The approved establishment shall report to the Tax Commission periodically to show its continued eligibility for incentive payments, as provided in Section 3606 of this title. The establishment may be audited by the Tax Commission to verify such eligibility. Once the establishment is approved, an agreement shall be deemed to exist between the establishment and the State of Oklahoma, requiring the continued incentive payment to be made as long as the establishment retains its eligibility as defined in and established pursuant to this section and Sections 3603 and 3606 of this title and within the limitations contained in the Oklahoma Quality Jobs Program Act, which existed at the time of such approval.

L. A municipality with a population of less than one hundred thousand (100,000) persons in which an establishment eligible to receive quarterly incentive payments pursuant to the provisions of this section is located may file a claim with the Tax Commission for up to twenty-five percent (25%) of the amount of such payment. The amount of such claim shall not exceed amounts paid by the municipality for direct costs of municipal infrastructure improvements to provide water and sewer service to the establishment. Such claim shall not be approved by the Tax Commission unless the municipality and the establishment have entered into a written agreement for such claims to be filed by the municipality prior to submission of the application of the establishment pursuant to the provisions of this section. If such claim is approved, the amount of the payment to the establishment made pursuant to the provisions of Section 3606 of this title shall be reduced by the amount of the approved claim by the municipality and the Tax Commission shall issue a warrant to the municipality in the amount of the approved claim in the same manner as warrants are issued to qualifying establishments.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3604.1 of Title 68, unless there is created a duplication in numbering, reads as follows:

A business establishment engaged in an activity described by Industry Number 3011, Industry Group Number 301, Major Group 30 of the Standard Industrial Classification Manual (SIC), latest revision, and which is certified by the Department of Commerce to meet the requirements of division (2) of subparagraph b of paragraph 2 of subsection A of Section 3603 of Title 68 of the Oklahoma Statutes, with respect to the gross payroll of employees not directly compensated by such business establishment shall qualify for the incentive payment rate as prescribed by subparagraph e of paragraph 6 of Section 3603 of Title 68 of the Oklahoma Statutes.
