An Act relating to insurance; requiring provision of specified coverage by certain health benefit plans; prohibiting diminishing or limiting of certain diagnostic benefits; specifying services to be covered; providing for construction; defining term; stating nonapplicability of term; limiting application of provisions; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 6060.3a of Title 36, unless there is created duplication in numbering, reads as follows:

A. Any health benefit plan, including the State and Education Employees Group Health Insurance plan, that is offered, issued or renewed in this state on or after January 1, 2005, that provides medical and surgical benefits shall provide coverage for routine annual obstetrical/gynecological examinations in accordance with standard, accepted, published medical practice guidelines.

B. The benefit required to be provided by this section shall in no way diminish or limit diagnostic benefits otherwise allowable under a health benefit plan.

C. The routine annual obstetrical/gynecological examination coverage shall be those services defined by the published

recommendations of the accreditation council for graduate medical education for training an obstetrician, gynecologist or obstetrician/gynecologist including, but not limited to, diagnosis, treatment and referral for such services. Provided, this section shall not be construed as requiring such routine annual examination be performed by obstetrician, gynecologist, or obstetrician/gynecologist.

D. As used in this section, "health benefit plan" means group hospital or medical insurance coverage, a not-for-profit hospital or medical service or indemnity plan, a prepaid health plan, a health maintenance organization plan, a preferred provider organization plan, the State and Education Employees Group Health Insurance plan, and coverage provided by a Multiple Employer Welfare Arrangement (MEWA) or employee self-insured plan except as exempt under federal ERISA provisions. The term shall not include short-term, accident, fixed indemnity or specified disease policies, disability income contracts, limited benefit or credit disability insurance, workers' compensation insurance coverage, automobile medical payment insurance, or insurance under which benefits are payable with or without regard to fault and which is required by law to be contained in any liability insurance policy or equivalent self-insurance.

E. The provisions of this section shall not apply to policies or certificates issued to individuals or groups with fewer than fifty employees.
