Section 1370. A. Any county of this state may levy a sales tax of not to exceed two percent (2%) upon the gross proceeds or gross receipts derived from all sales or services in the county upon which a consumer's sales tax is levied by this state. be approved by a majority of the registered voters of the county voting thereon at a special election called by the board of county commissioners or by initiative petition signed by not less than five percent (5%) of the registered voters of the county who were registered at the time of the last general election. However, if a majority of the registered voters of a county voting fail to approve such a tax, the board of county commissioners shall not call another special election for such purpose for six (6) months. Any sales tax approved by the registered voters of a county shall be applicable only when the point of sale is within the territorial limits of such county. Any sales tax levied or any change in the rate of a sales tax levied pursuant to the provisions of this section shall become effective on the first day of the calendar quarter following approval by the voters of the county unless another effective date, which shall also be on the first day of a calendar quarter, is specified in the ordinance or resolution levying the sales tax or changing the rate of sales tax.

Provided, for purchases from printed catalogs wherein the purchaser computed the tax based upon local tax rates published in the catalog, the rate change shall not be effective until the first day of a calendar quarter after a minimum of one hundred twenty (120) days' notice to vendors. Failure to give notice as required by this section shall delay the effective date of the rate change to the first day of the next calendar quarter.

For purposes of this section, calculation of the amount of increased payroll shall be measured from the start of initial construction or expansion to the completion of such construction or expansion or for three (3) years from the start of initial construction or expansion, whichever occurs first. For the facilities of any qualified manufacturing concern the construction or expansion of which began on or after January 1, 1996, and for which an application for the exemption authorized by this section was filed prior to June 6, 2002, the amount of increased payroll shall include payroll for full-time-equivalent employees in this state who are employed by an entity other than the facility which has previously or is currently qualified to receive an exemption pursuant to the provisions of this section and who are leased or otherwise provided to the facility, if such employment did not exist in this state prior to the start of initial construction or expansion of the facility. The manufacturing concern shall submit an affidavit to the Tax Commission, signed by an officer, stating that the construction, acquisition or expansion of the facility will result in a net increase in the annualized payroll as required by this paragraph and that full-time-equivalent employees of the facility are or will be offered a basic health benefits plan as required by this paragraph. If, after the completion of such construction or expansion or after three (3) years from the start of initial construction or expansion, whichever occurs first, the construction, acquisition or expansion has not resulted in a net increase in the amount of annualized payroll, if required, or any other qualification specified in this paragraph has not been met, the manufacturing concern shall pay an amount equal to the amount of

any exemption granted, including penalties and interest thereon, to the Tax Commission for deposit to the Ad Valorem Reimbursement Fund;

5. Any new, acquired or expanded automotive final assembly manufacturing facility which does not meet the requirements of paragraph 4 of this subsection shall be granted an exemption only if all other requirements of this section are met and only if the investment cost of the construction, acquisition or expansion of the manufacturing facility is Three Hundred Million Dollars (\$300,000,000.00) or more and the manufacturing facility retains an average employment of one thousand seven hundred fifty (1,750) or more full-time-equivalent employees in the year in which the exemption is initially granted and in each of the four (4) subsequent years only if an average employment of one thousand seven hundred fifty (1,750) or more full-time-equivalent employees is maintained in the subsequent year. Any property installed to replace property damaged by the tornado or natural disaster that occurred May 8, 2003, may continue to receive the exemption provided in this paragraph for the full five-year period based on the value of the previously qualifying assets as of January 1, 2003. The exemption shall continue in effect as long as all other qualifications in this paragraph are met. If the average employment of one thousand seven hundred fifty (1,750) or more full-time-equivalent employees is reduced as a result of temporary layoffs because of a tornado or natural disaster on May 8, 2003, then the average employment requirement shall be waived for year 2003 of the exemption period. Calculation of the number of employees shall be made in the same manner as required under Section 2357.4 of this title for an investment tax credit. As used in this paragraph, "expand" and "expansion" shall mean and include any increase to the size or scope of a facility as well as any renovation, restoration, replacement or remodeling of a facility which permits the manufacturing of a new or redesigned product;

Section 1, Chapter 458, O.S.L. 2003, and shall not be subject to the requirements imposed pursuant to the amendments contained in Section 1, Chapter 458, O.S.L. 2003.

D. The five-year period of exemption from ad valorem taxes for any qualifying manufacturing facility property shall begin on January 1 following the initial qualifying use of the property in the manufacturing process. If a taxpayer fails to claim the exemption for a year in which it was otherwise qualified, the taxpayer may file a claim for exemption for an additional year within two (2) years of the end of the original five-year-period.

If such facility is found to be qualified for exemption, the ad valorem tax exemption provided for herein shall be granted for that entire year and shall apply to the ad valorem valuation as of January 1 of that given year. For applicants which qualify under the provisions of subparagraph b of paragraph 1 of subsection B of this section, the application shall include a copy of the affidavit and any other information required to be filed with the Tax Commission.

F. The application shall be examined by the county assessor and approved or rejected in the same manner as provided by law for

approval or rejection of claims for homestead exemptions. The taxpayer shall have the same right of review by and appeal from the county board of equalization, in the same manner and subject to the same requirements as provided by law for review and appeals concerning homestead exemption claims.
