Upon recovery of the vehicle, the ownership shall be transferred by an original title, salvage title, or junked title, as may be appropriate based upon an estimate of the amount of loss submitted by the insurer.

P. The owner of any vehicle which is incapable of operation or use on the public roads and has no resale value, except as parts, scrap or junk, may deliver the certificate of title to the vehicle

to the Tax Commission for cancellation. If there is no public vehicle identification number, the vehicle shall be inspected by a law enforcement officer to verify the absence of the number on the vehicle and the prescribed ownership form shall include a signed statement, by such officer, verifying the absence of the number.

The certificate of ownership shall be completed in triplicate. The buyer and seller shall each retain a copy. Within thirty (30) days of the transaction, the seller shall submit one copy to the Tax Commission or a motor license agent accompanied with a fee of Four

Dollars (\$4.00). One Dollar (\$1.00) shall be retained by the motor license agent and Three Dollars (\$3.00) shall be deposited in the Oklahoma Tax Commission Reimbursement Fund in the State Treasury.

Upon receipt of the certificate, the Tax Commission shall verify that any perfected lien upon the vehicle has been released. If the lien is not released, the Tax Commission shall mail notice of the transfer to the lienholder at the lienholder's last-known address. If a certificate of title has been issued, it shall be canceled and the vehicle identification number shall be preserved in the computer of the Tax Commission for at least five (5) years. The buyer of the vehicle may not be sued and shall not be liable for monetary damages to the lienholder, however, the vehicle shall be subject to a valid repossession by a lienholder.

The yearly decal will validate the license plate for each registration period other than the year the license plate is issued. The license plate and decal shall be of such size, color, design and numbering as the Tax Commission may direct. However, yearly decals issued to the owner of a vehicle who has filed an affidavit with the appropriate motor license agent in accordance with Section 7-607 of this title shall be a separate and distinct color from all other decals issued under this section.

2. The license plate shall be securely attached to the rear of the vehicle, except truck-tractor plates which shall be attached to the front of the vehicle. The Tax Commission may, with the concurrence of the Department of Public Safety, by Joint Rule, change and direct the manner, place and location of display of any vehicle license plate when such action is deemed in the public interest. The license plate, decal and all letters and numbers shall be clearly visible at all times. The operation of a vehicle upon which the license plate is covered, overlaid or otherwise screened with any material, whether such material be clear, translucent, tinted or opaque, shall be a violation of this paragraph.

3. Upon payment of the annual registration fee provided in Section 1133 of this title, the Tax Commission or a motor license agent may issue a permanent nonexpiring license plate to an owner of

one hundred or more commercial motor vehicles and for vehicles registered under the provisions of Section 1120 of this title. Upon payment of the annual registration fee, the Tax Commission shall issue a certificate of registration that shall be carried at all times in the vehicle for which it is issued. Provided, if the registrant submits its application through electronic means, such qualified owners of one hundred or more commercial motor vehicles, properly registered pursuant to the provisions of Section 1133 of this title, may elect to receive a permanent certificate of registration that shall be carried at all times in the vehicle for which it is issued.

B. The license plates required under the provisions of this title shall conform to the requirements and specifications listed hereinafter:

1. Each license plate shall have a space for the placement of the yearly decals for each succeeding year of registration after the initial issue;

2. The provisions of the Oklahoma Vehicle License and Registration Act regarding the issuance of yearly decals shall not apply to the issuance of apportioned license plates, including license plates for state vehicles, and exempt plates for governmental entities and fire departments organized pursuant to Section 592 of Title 18 of the Oklahoma Statutes;

3. Within the limits herein prescribed the Tax Commission shall redesign the official vehicle license plates which currently bear the legend "Oklahoma OK" or "Oklahoma is OK!" and substitute therefor the legend "Oklahoma Native America" as further described in this paragraph. Except for personalized license plates and license plates issued for motorcycles and mopeds, the emblem on the state flag of Oklahoma as provided for in Section 91 of Title 25 of the Oklahoma Statutes shall be a part of all license plates issued after December 31, 1988. The Tax Commission may continue to issue

license plates with the legend "Oklahoma is OK!" or "Oklahoma OK" until any inventory of such license plates is depleted but the Tax Commission shall not produce or cause to be produced any additional license plates with these legends. Except for personalized license plates, license plates issued for commercial vehicles, and license plates issued for motorcycles and mopeds, the "Oklahoma Native America" emblem shall be a part of all license plates issued after December 31, 1993. The specifications for lettering style and appearance for the legend "Oklahoma Native America" shall be provided to the Tax Commission by the Oklahoma Tourism and Recreation Department. The license plates shall be issued with the letters and numerals in the colors of green and white. All license plates and decals shall be made with reflectorized material as a background to the letters, numbers and characters impressed thereon. The reflectorized material shall be of such a nature as to provide effective and dependable brightness during the service period for which the license plate or decal is issued;

4. Except as otherwise provided in this subsection, the Tax Commission shall design appropriate official license plates for all state vehicles. Such license plates shall be permanent in nature and designed in such manner as to remain with the vehicle for the duration of the vehicle's life span or until the title is transferred to a nongovernmental owner;

5. Within the limits prescribed in this section, the Tax Commission shall design appropriate official license plates for vehicles of the Oklahoma Highway Patrol. The license plates shall have the legend "Oklahoma OK" and shall contain the letters "OHP" followed by the state seal and the badge number of the Highway Patrol officer to whom the vehicle is assigned. The words "Oklahoma Highway Patrol" shall also be included on such license plates; and

6. Within the limits prescribed in this section, the Tax Commission shall design appropriate official license plates for

vehicles of the Oklahoma Military Department. Such license plates shall have the legend "Oklahoma OK" and shall contain the letters "OMD" followed by the state seal and three numbers or letters as designated by the Adjutant General. The words "Oklahoma Military Department" shall also be included on such license plates.

C. Where the applicant has satisfactorily shown that the applicant owns the vehicle sought to be registered but is unable to produce documentary evidence of the ownership, a license plate may be issued upon approval by the Tax Commission. In such instances the reason for not issuing a certificate of title shall be indicated on the receipt given to the applicant. It shall still be the duty of the applicant to immediately take all necessary steps to obtain the Oklahoma certificate of title and it shall be unlawful for the applicant to sell the vehicle until the certificate has been obtained in the applicant's name.

D. The certificate of registration provided for in this section shall be in convenient form, and the certificate of registration, or a certified copy or photostatic copy thereof, duly authenticated by the Tax Commission, shall be carried at all times in or upon commercial vehicles so registered, in such manner as to permit a ready examination thereof upon demand by any peace officer of the state or duly authorized employee of the Department of Public Safety. Any such officer or agent may seize and hold such commercial vehicle when the operator of the same does not have the registration certificate in the operator's possession or when any such officer or agent determines that the registration certificate has been obtained by misrepresentation of any essential or material fact or when any number or identifying information appearing on such certificate has been changed, altered, obliterated or concealed in any way, until the proper registration or identification of such vehicle has been made or produced by the owner thereof.

E. The purchaser of a new or used manufactured home shall, within thirty (30) days of the date of purchase, register the home with the Tax Commission or a motor license agent pursuant to the provisions of Section 1117 of this title. For a new manufactured home, it shall be the responsibility of the dealer selling the home to place a temporary license plate on the home in the same manner as provided in Section 1128 of this title for other new motor vehicles. For the first year that any manufactured home is registered in this state, the Tax Commission shall issue a metal license plate which shall be affixed to the manufactured home. The temporary dealer license plate or the metal license plate shall be displayed on the manufactured home at all times when upon a public roadway; provided, a repossession affidavit issued pursuant to Sections 1110 and 1126 of this title shall be permissible in lieu of a current license plate and decal for the purposes of removing a repossessed manufactured home to a secure location. Manufactured homes previously registered and subject to ad valorem taxation as provided by law shall have a decal affixed at the time ad valorem taxes are paid for such manufactured home; provided, for a manufactured home permanently affixed to real estate, no decal or license plate shall be required to be affixed and the owner thereof shall be given a receipt upon payment of ad valorem taxes due on the home. The Tax Commission shall make sufficient plates and decals available to the various motor license agents of the state in order for an owner of a manufactured home to acquire the plate or decal. A One Dollar (\$1.00) fee shall be charged for issuance of any plate or decal. The fee shall be apportioned each month to the General Revenue Fund of the State Treasury.

F. The manufactured home license plate shall be designed so that it is easily visible for purposes of verification by a county assessor that the manufactured home is properly assessed for ad valorem taxation. The plate shall be designed for a yearly decal.

In the first year of registration, a decal shall be issued for placement on the license plate indicating payment of applicable registration fees and excise taxes. In the second and all subsequent years for which the manufactured home is subject to ad valorem taxation, an annual decal shall be affixed to the license plate as evidence of payment of ad valorem taxes. The Tax Commission shall issue decals to the various county treasurers of the state in order for a manufactured home owner to obtain such decal each year. Upon presentation of a valid ad valorem tax receipt, the manufactured home owner shall be issued the annual decal.

G. Upon the registration of a manufactured home in this state for the first time or upon discovery of a manufactured home previously registered within this state for which the information required by this subsection is not known, the Tax Commission shall obtain:

1. The name of the owner of the manufactured home;
2. The serial number or identification number of the manufactured home;
3. A legal description or address of the location for the home;
4. The actual retail selling price of the manufactured home excluding Oklahoma taxes;
5. The certificate of title number for the home; and
6. Any other information which the Tax Commission deems to be necessary.

The application for registration shall also include the school district in which the manufactured home is located or is to be located. The information shall be entered into a computer data system which shall be used by the Tax Commission to provide information to county assessors upon request by the assessor. The assessor may request any information from the system in order to properly assess a manufactured home for ad valorem taxation.

SECTION 4. AMENDATORY 47 O.S. 2001, Section 1115, as amended by Section 2, Chapter 139, O.S.L. 2003 (47 O.S. Supp. 2003, Section 1115), is amended to read as follows:

Section 1115. A. Unless provided otherwise by statute, the following vehicles shall be registered annually: manufactured homes, vehicles registered with a permanent nonexpiring license plate pursuant to Section 1113 of this title, commercial vehicles registered pursuant to the provisions of the International Registration Plan and commercial vehicles registered pursuant to the installment plan provided in subsection H of Section 1133 of this title. The following schedule shall apply for such vehicle purchased in this state or brought into this state by residents of this state:

1. Between January 1 and March 31, the payment of the full annual fee shall be required;
2. Between April 1 and June 30, the payment of three-fourths (3/4) the annual fee shall be required;
3. Between July 1 and September 30, the payment of one-half (1/2) the annual fee shall be required; and
4. Between October 1 and November 30, one-fourth (1/4) the annual fee shall be required.

License plates or decals for each year shall be made available on December 1 of each preceding year for such vehicles. Any person who purchases such vehicle or manufactured home between December 1 and December 31 of any year shall register it within thirty (30) days from date of purchase and obtain a license plate or Manufactured Home License Registration Decal, as appropriate, for the following calendar year upon payment of the full annual fee. Unless provided otherwise by statute, all annual license, registration and other fees for such vehicles shall be due and payable on January 1 of each year and if not paid by February 1 shall be deemed delinquent.

B. 1. All vehicles, other than those required to be registered pursuant to the provisions of subsection A of this section, shall be registered on a staggered system of registration and licensing on a monthly series basis to distribute the work of registering such vehicles as uniformly and expeditiously as practicable throughout the calendar year. After the end of the month following the expiration date, the license and registration fees for the new registration period shall become delinquent.

2. All fleet vehicles registered pursuant to new applications approved pursuant to the provisions of Section 1120 of this title shall be registered on a staggered system monthly basis.

3. Applicants seeking to establish Oklahoma as the base jurisdiction for registering apportioned fleet vehicles shall have a one-time option of registering for a period of not less than four (4) nor greater than fifteen (15) months. Subsequent renewals for these registrants will be for twelve (12) months, expiring on the last day of the month chosen by the registrant under the one-time option as provided herein. In addition, registrants with multiple fleets may designate a different registration month of expiration for each fleet.

As used in this section, "fleet" shall have the same meaning as set forth in the International Registration Plan.

4. Effective January 1, 2004, all motorcycles and mopeds shall be registered on a staggered system of registration. The Oklahoma Tax Commission shall notify in writing, prior to December 1, 2003, all owners of motorcycles or mopeds registered as of such date, who shall have a one-time option of registering for a period of not less than three (3) months nor greater than fifteen (15) months. Subsequent renewals for these registrants will be for twelve (12) months, expiring on the last day of the month chosen by the registrant under the one-time option as provided herein. All motorcycles and mopeds registered pursuant to new applications

received on or after December 1, 2003, shall also be registered pursuant to the provisions of this paragraph.

C. The following penalties shall apply for delinquent registration fees:

1. For fleet vehicles required to be registered pursuant to the provisions of Section 1120 of this title for which a properly completed application for registration has not been received by the Tax Commission by the last day of the month following the registration expiration date, a penalty of thirty percent (30%) of the Oklahoma portion of the annual registration fee, or Two Hundred Dollars (\$200.00), whichever is greater, shall be assessed. The license and registration cards issued by the Tax Commission for each fleet vehicle shall be valid until two (2) months after the registration expiration date;

2. For commercial vehicles registered under the provisions of subsection B of this section, except those vehicles registered pursuant to Section 1133.1 of this title, a penalty shall be assessed after the last day of the month following the registration expiration date. A penalty of twenty-five cents (\$0.25) per day shall be added to the license fee of such vehicle and shall accrue for one (1) month. Thereafter, the penalty shall be thirty percent (30%) of the annual registration fee, or Two Hundred Dollars (\$200.00), whichever is greater;

3. For new or used manufactured homes, not registered within thirty (30) days from date of purchase or date such manufactured home was brought into this state, a penalty equal to the registration fee shall be assessed; or

4. Except as provided in subsection H of Section 1133 of this title, for all other vehicles a penalty shall be assessed after the last day of the month following the expiration date. A penalty of twenty-five cents (\$0.25) per day shall be added to the license fee of such vehicle and shall accrue for three (3) months. Thereafter,

the penalty shall be Twenty-five Dollars (\$25.00), provided that the penalty shall not exceed the amount equal to the license fee of such vehicle.

D. In addition to all other penalties provided in the Oklahoma Vehicle License and Registration Act, ~~Section 1101 et seq. of this title,~~ the following penalties shall be imposed and collected by any Revenue Enforcement Officer of the Tax Commission upon finding any commercial vehicle being operated in violation of the provisions of the Oklahoma Vehicle License and Registration Act.

The penalties shall apply to any commercial vehicle found to be operating in violation of the following provisions:

1. A penalty in the amount of Fifty Dollars (\$50.00) shall be imposed upon any person found to be operating a commercial vehicle sixty (60) days after the end of the month in which the license plate or registration credentials expire without the current year license plate or registration credential displayed;

2. A penalty in the amount of Fifty Dollars (\$50.00) shall be imposed for any person operating a commercial vehicle subject to the provisions of Section 1120 or Section 1133 of this title without the proper display of, or, carrying in such commercial vehicle, the identification credentials issued by the Tax Commission as evidence of payment of the fee or tax as provided in Section 1120 or Section 1133 of this title; and

3. A penalty in the amount of One Hundred Dollars (\$100.00) shall be imposed for any person that fails to register any commercial vehicle subject to the Oklahoma Vehicle License and Registration Act.

E. The Tax Commission shall assess the registration fees and penalties for the year or years a vehicle was not registered. For vehicles not registered for two (2) or more years, the registration fees and penalties shall be due only for the current year and one (1) previous year. The Tax Commission shall waive road user fees

and penalties for failure to register a vehicle, provided road user fees shall not be waived for the current registration year in cases where the vehicle is proven to have been inoperable during the registration period. Proof of inoperability may be by, but is not limited to, submission of parts or repair receipts or such other evidence deemed appropriate by the Tax Commission.

F. In addition to any other penalty prescribed by law, there shall be a penalty in the amount of Twenty Dollars (\$20.00) upon a finding by a revenue enforcement officer that:

1. The registration of a vehicle registered pursuant to Section 1132 of this title is expired and it is sixty (60) or more days after the end of the month of expiration; or

2. The registration fees for a vehicle that is subject to the registration fees pursuant to Section 1132 of this title have not been paid.

G. If a vehicle is donated to a nonprofit charitable organization ~~which organization will transfer such donated vehicle to a current or potential recipient of Temporary Assistance to Needy Families as determined by the Department of Human Services and which vehicle will be used primarily for transportation for job-related or work-related activities by such recipient,~~ the nonprofit charitable organization shall be exempt from paying any current or past due registration fees, excise tax, ~~title or~~ transfer fees, and penalties and interest.

~~H. If a vehicle is donated to a nonprofit charitable organization other than as provided in subsection G of this section, the person donating the vehicle and the nonprofit charitable organization receiving the donated vehicle shall be exempt from paying any registration fees, excise tax, title or transfer fees, and penalties and interest due from previous years if such fees, taxes, penalties and interest are more than one (1) year past due and the vehicle is not currently registered. However, after the~~

donation, if the person donating the vehicle, or someone on behalf of such person, purchases the same vehicle back from the nonprofit charitable organization to which the vehicle was donated, such person shall be liable for all current and past-due registration fees, excise tax, title or transfer fees, and penalties and interest on such vehicle.

SECTION 5. AMENDATORY 47 O.S. 2001, Section 1120, is amended to read as follows:

Section 1120. A. The Oklahoma Tax Commission may, when in the interest of the State of Oklahoma and its residents, enter into the International Registration Plan or other compacts or agreements with other states to permit motor vehicle registration and license taxes on any truck, bus, or truck-tractor on a proportional basis commensurate with the use of Oklahoma highways. Proportional registration under such plans may be permitted for vehicles engaged in interstate commerce or combined interstate and intrastate commerce.

B. The Tax Commission shall require that such proportional registration be based on the percentage of miles actually operated by such vehicles or fleets of vehicles in the State of Oklahoma in the preceding year in proportion to the total fleet miles operated both within and without Oklahoma. If mileage data is not available for the preceding fiscal year, the Tax Commission may accept the latest twelve-month period available. Such percentage figure, so determined by the Tax Commission, shall be the Oklahoma mileage factor. In computing the taxes under the foregoing formula, the Tax Commission shall first compute the license fees for the entire fleet and then multiply the amount by the Oklahoma mileage factor on a dollar basis.

C. Upon receipt of the Oklahoma license and registration tax, which shall be paid by cash and/or certified funds, as computed under the provisions of the Oklahoma Vehicle License and

Registration Act, the Tax Commission shall register all such fleet vehicles, and shall issue a license plate or decal for each of such vehicles identifying it as part of an interstate fleet. The Tax Commission may, upon satisfactory review of the payment history of an applicant, waive the requirement for payment in cash or certified funds.

D. Vehicles so registered on a prorated basis shall be considered fully licensed in Oklahoma and shall be exempt from all further registration or license fees under the provisions of the Oklahoma Vehicle License and Registration Act; provided that such fleet vehicles are proportionally licensed in some other state, territory or possession of the United States or some foreign province, state or country with which the Tax Commission has entered into a prorating compact or agreement.

If a vehicle is permanently withdrawn from a proportionally registered fleet and a replacement vehicle is added to the fleet in the same calendar quarter, the replacement vehicle shall be considered fully registered as provided in Section 1133 of this title and Section 14-109 of this title, if the replacement vehicle is registered for a weight equal to or less than the vehicle permanently withdrawn, or if additional registration fees are paid when the replacement vehicle is registered for a weight greater than the vehicle withdrawn. If a vehicle is permanently withdrawn from a proportionally registered fleet and is not replaced by another vehicle in the same calendar quarter, credit shall be allowed as otherwise provided in this section.

E. Vehicles subsequently added to a proportionally registered fleet after commencement of the registration year shall be proportionally registered by applying the mileage percentage used in the original application for such fleet for such registration period to the regular registration fees due with respect to such vehicle for the remainder of the registration year.

F. If a vehicle is permanently withdrawn from a proportionally registered fleet because it has been destroyed, sold or otherwise completely removed from service, credit shall be allowed. Such credit shall be a sum equal to the amount paid with respect to such vehicle when it was first proportionally registered in the registration year, reduced by one-fourth (1/4) for each calendar quarter or fraction thereof elapsing since the beginning of the registration year. The credit may be applied against subsequent additions to the fleet to be prorated or for other additional registration fees assessed. In no event shall credit be allowed for fees beyond such registration year, nor shall any such amount be subject to refund. Provided, further, that vehicles removed from a prorated fleet or sold to a nonprorated fleet for operation in Oklahoma shall be registered in Oklahoma for the remaining portion of the year.

G. Mileage proportions for interstate fleets not operated in this state during the preceding year will be determined by the Tax Commission on the basis of the operations of the fleet the preceding year in other states plus the estimated operation in Oklahoma, or, if no operations were conducted the previous year, a full statement of the proposed method of operation. In the absence of a full statement of the proposed method of operation, the Tax Commission shall require the applicant to utilize an estimated mileage chart provided by the Tax Commission.

H. The records of total mileage operated in all states upon which the application is made for a period of three (3) years following the year upon which the application is based shall be preserved. Upon request of the Tax Commission, such records shall be made available for audit as to accuracy of computation and payments. The Tax Commission may enter into agreements with agencies of other states administering motor vehicle registration laws for joint audits of any such records.

I. The Tax Commission may enter into compacts or agreements with other states or other countries or subdivisions of such countries allowing reciprocal privileges to vehicles based in such other states and operating in interstate commerce if the vehicles are properly registered therein.

J. Interchanged vehicles properly registered in another state may be granted reciprocal privileges when engaged in a continuous movement in interstate commerce, but must register in this state if used in intrastate commerce.

K. In addition to those taxes or fees imposed by the Oklahoma Vehicle License and Registration Act, the same or substantially the same type or category of tax or fee may be imposed upon an out-of-state resident as is imposed upon residents of Oklahoma for the same or substantially similar use of a vehicle in such other state in the amount, or approximate total amount, of any fee or tax, including property, motor fuel, excise, sales, use or mileage tax required by the laws of such other state to be paid by a resident of this state making the same or similar use of a like vehicle in such state.

The Tax Commission shall have the authority to promulgate rules which provide procedures for implementation of comparable regulatory fees and taxes for vehicles used in this state by residents of other states.

Any revenue derived from this subsection shall be apportioned in the same manner as provided in Section 1104 of this title.

It is the intention of the Legislature that the motor vehicle registration and licensing fees assessed against residents of other states operating similar vehicles in Oklahoma be comparably the same as the motor vehicle registration and licensing fees assessed against residents of Oklahoma operating a similar vehicle for a similar purpose in such other state; and that the Tax Commission diligently monitor the motor vehicle registration and licensing fees assessed against residents of Oklahoma by other states and to

provide for uniform treatment of Oklahoma residents operating vehicles in other states and for residents of other states operating vehicles in Oklahoma.

L. The provisions of this section shall not apply to tour bus operations issued permits pursuant to Section 1171 of this title.

M. Until December 1, 2000, the Tax Commission may allow fleet vehicles to be registered on a staggered system, on a quarterly basis, if the registrant submits its application through electronic means. Effective December 1, 2000, applicants registering fleet vehicles through electronic means may choose their initial monthly period of registration.

N. The Tax Commission shall assess a fee of Three Dollars (\$3.00) to process an amended registration filed under the International Registration Plan to add a jurisdiction to an existing registration under the Plan. The collection and payment of the fee shall be a prerequisite to amending the registration. All revenue derived under this subsection shall be apportioned and distributed by the Tax Commission as provided for in Section 1104 of this title.

SECTION 6. AMENDATORY 47 O.S. 2001, Section 1120.1, is amended to read as follows:

Section 1120.1 A. The Oklahoma Tax Commission, when in the interest of the State of Oklahoma and its residents, may enter into the International Registration Plan or other compacts or agreements with other states to permit motor vehicle registration and license taxes on any motor vehicle to be used as a rental motor vehicle as defined in the International Registration Plan.

B. The Tax Commission shall require that each rental motor vehicle be assessed the following registration fees in lieu of the fee schedule set forth in Section 1132 of this title:

1. A ~~registration~~ fee of Fifteen Dollars (\$15.00) shall be assessed ~~at the time of initial~~ for the first year of registration ~~in lieu of the fee required by paragraph 1 of subsection A of~~

~~Section 1132 of Title 47 of the Oklahoma Statutes~~ this or any other state; and

2. A fee, ~~to be paid annually in lieu of the fee specified in paragraph 2 of subsection A of Section 1132 of Title 47 of the Oklahoma Statutes~~ of Ten Dollars (\$10.00) shall be assessed in the first year and each subsequent year of registration in this or any other state.

C. Upon registration and payment of the fees required by this section, the owner shall receive a license plate which shall be valid until the vehicle is permanently withdrawn from the rental fleet of the owner.

SECTION 7. AMENDATORY 47 O.S. 2001, Section 1124.1, is amended to read as follows:

Section 1124.1 The Oklahoma Tax Commission is authorized to issue temporary permits or authorization for any vehicle to be proportionally registered in this state or which is currently proportionally registered in this state under the provisions of the International Registration Plan. Temporary permits may be issued for adding vehicles or jurisdictions to established accounts in good standing. New accounts may be issued temporary permits only after all fees are paid. Such temporary permit or authorization shall authorize a vehicle to be driven on the public roads of this state pending completion by the Tax Commission of an application for proportional registration of such vehicle. The temporary permit or authorization shall be recognized in lieu of registration in this state. The temporary permit or authorization shall clearly indicate the time and date of issuance, the reason for the issuance, and the date of expiration, which shall be forty-five (45) days, including the day of issuance. The Tax Commission may enter into reciprocal agreements with other states for recognition of temporary permits or authorizations.

The Tax Commission may assign the temporary permits or authorization to owners or operators of vehicles subject to proportional registration and such owners or operators may issue the temporary permits or authorization as needed for the operation of vehicles that will be operated as a fleet of proportionally registered vehicles. Owners or operators shall be accountable for all temporary permits or authorization assigned to them by the Tax Commission and shall be subject to audit by the Tax Commission.

The Tax Commission may enter into an agreement with any person located within or without the state for the distribution and issuance of temporary permits or authorizations for any vehicle which is currently proportionally registered in this state under the provisions of the International Registration Plan when the Tax Commission determines that such agreement is in the best interest of the state. Any such person or corporation shall be accountable for all temporary permits or authorizations assigned to them by the Tax Commission and shall be subject to audit by the Tax Commission.

The phrase "currently proportionally registered", as used in this section, shall be defined as any prorate account for which a properly completed original application has been received by the Tax Commission and all corresponding and assessed fees have been paid in full.

Self-issue temporary permits or authorizations may be issued to a maximum of twenty-five percent (25%) of the size of the ~~registrants~~ registrant's fleet, and any registrant with a fleet of less than six vehicles may be assigned one self-issue permit.

An application shall be filed with the Motor Vehicle Division within fifteen (15) days to proportionally register any vehicle for which a temporary permit or authorization has been issued.

Any owner, operator or person that has entered into such an agreement with the Tax Commission, that is unable to produce, or refuses to produce, upon request by the Tax Commission, any unissued

temporary permit or authorization assigned to such entity, shall be subject to the following penalty:

A fee of One Hundred Eighty Dollars (\$180.00) which is an amount equal to the fee for the number of seventy-two-hour temporary permits, provided for in Section 1124 of this title, that would be required for the operation of a vehicle for a forty-five-day period.

If, as the result of an audit, it is determined that any owner, operator or person that has entered into such an agreement with the Tax Commission has used temporary permits or authorizations to avoid payment of proportional registration fees, all remaining unissued temporary permits or authorizations in the possession of such owner, operator or person that has entered into such an agreement with the Tax Commission shall be returned to the Tax Commission, and the Tax Commission may deny further use of temporary permits or authorizations by such owner, operator or person that has entered into such an agreement with the Tax Commission for a minimum period of six (6) months.

SECTION 8. AMENDATORY 47 O.S. 2001, Section 1133.1, is amended to read as follows:

Section 1133.1 A. Any vehicle, including a station wagon as defined in paragraph ~~24~~ 26 of Section 1102 of this title, which has a combined laden weight of eight thousand (8,000) pounds or less and is used primarily for business or commercial purposes may be registered, pursuant to Section 1133 of this title, as a commercial vehicle having a combined laden weight over eight thousand (8,000) pounds and less than fifteen thousand and one (15,001) pounds. ~~The registration application shall state that such vehicle or station wagon is used for business or commercial purposes.~~ Such vehicles or station wagons registered pursuant to this section shall be assessed the license fees for such commercial vehicle pursuant to Section 1133 of this title.

~~B. Any person claiming the right to register a vehicle or station wagon pursuant to subsection A of this section shall sign an affidavit attesting to the fact that such person conducts a business or commercial enterprise or is employed by a person conducting a business or commercial enterprise that uses the vehicle or station wagon primarily for the use of that business or commercial enterprise. Any person who signs the affidavit as required by this subsection when such person does not believe the information in the affidavit is true or knows that it is not true, upon conviction, shall be guilty of perjury and shall be punished as provided for by law.~~

~~C. Upon initial registration by a person of a vehicle or station wagon pursuant to the provisions of this section, and upon transfer of ownership of any such vehicle or station wagon, any person claiming the right to register a vehicle or station wagon pursuant to subsection A of this section shall make further proof that the person does in fact conduct a business or commercial enterprise or is employed by a person conducting a business or commercial enterprise that uses the vehicle or station wagon primarily for the use of that business or commercial enterprise by presenting a permit to do business pursuant to Section 1364 of Title 68 of the Oklahoma Statutes or a Federal Employers Identification Number or, if a sole proprietor, a copy of Schedule C from their most recent federal income tax return. Any person claiming the right to re-register a vehicle or station wagon identified by the words "Commercial Vehicle" pursuant to subsection D of this section shall offer the same proof required by this subsection for initial registration or transfer of ownership. Such proof shall not be necessary if the name of the business or commercial enterprise is permanently and prominently displayed upon the outside of said vehicle or station wagon.~~

~~D.~~ C. The failure of any owner of a vehicle or station wagon to properly label the vehicle or station wagon or to properly utilize the vehicle or station wagon for the purposes required by this section shall result in the issuance of a new license plate at the rate specified in Section 1132 of this title and in addition a penalty of fifty percent (50%) of the cost of such license shall be assessed against the owner.

~~E.~~ D. In addition to the requirements of Section 1133 of this title, any commercial vehicle having a combined laden weight over eight thousand (8,000) pounds and less than fifteen thousand and one (15,001) pounds shall be subject to the requirements of this section.

SECTION 9. AMENDATORY 63 O.S. 2001, Section 4007, is amended to read as follows:

Section 4007. A. Except as otherwise provided by this section, all information contained in the certificate of title or the registration of any vessel or motor shall be confidential and privileged, subject only to disclosure to the following:

1. Any duly authorized peace officer of this state in the regular course of ~~his~~ the peace officer's duties;
2. Any official person or body of any other state or of the United States, when required in their governmental functions; ~~and~~
3. Any person or firm, when the Oklahoma Tax Commission is satisfied the request for information is reasonable and is related primarily to boating safety; and
4. SECTION 10. AMENDATORY 63 O.S. 2001, Section 4013, is amended to read as follows:

Section 4013. A. 1. Except for a security interest in vessels or motors held by a dealer for sale or lease, a security interest, as defined in paragraph (37) of Section 1-201 of Title 12A of the Oklahoma Statutes, in a vessel or motor as to which a certificate of title may be properly issued by the Oklahoma Tax Commission shall be perfected only when a lien entry form prescribed by the Tax Commission, and the existing certificate of title, if any, or application for a certificate of title and manufacturer's certificate of origin or other identification number containing the name and address of the secured party and the date of the security agreement and the required fee are delivered to the Tax Commission or to a motor license agent. The filing and duration of perfection of a security interest, pursuant to the provisions of Title 12A of the Oklahoma Statutes, including, but not limited to, Section 1-9-311 of Title 12A of the Oklahoma Statutes, shall not be applicable to perfection of security interests in vessels or motors as to which a certificate of title may be properly issued by the Tax Commission, except as to vessels or motors held by a dealer for sale or lease and except as provided in subsection D of this section. In all other respects Title 12A of the Oklahoma Statutes shall be applicable to such security interests in vessels or motors as to which a certificate of title may be properly issued by the Tax Commission.

2. Whenever a person creates a security interest in a vessel or motor, such person shall surrender to the secured party the certificate of title or the signed application for a new certificate of title, on the form prescribed by the Tax Commission, and the

manufacturer's certificate of origin or other identification number. The secured party shall deliver the lien entry form and the required lien filing fee within ~~twenty (20)~~ twenty-five (25) calendar days as provided hereafter with certificate of title or the application for certificate of title, and the manufacturer's certificate of origin or other identification number to the Tax Commission or to a motor license agent. Perfection of the security interest shall begin from the date of the delivery to the Tax Commission or to a motor license agent of (i) the lien entry form, (ii) the lien filing fee, and (iii) the certificate of title or application for certificate of title and the manufacturer's certificate of origin or other identification number. When a vessel or motor title is presented to a motor license agent for transfer or registration and the documents reflect a lienholder, the motor license agent shall perfect the lien as provided for in subsection G of Section 1105 of Title 47 of the Oklahoma Statutes.

3. Upon the receipt of the lien entry form and the required fees with either the certificate of title or an application for certificate of title and manufacturer's certificate of origin or other identification number, a motor license agent shall, by placement of a clearly distinguishing mark, record the date and number shown in a conspicuous place, on each of these instruments.

4. The certificate of title or the application for certificate of title and manufacturer's certificate of origin or other identification number with the record of the date of receipt clearly marked thereon shall be returned to the debtor together with a notice that the debtor is required to register and pay all additional fees and taxes due within thirty (30) calendar days from the date of purchase of said vessel or motor.

5. Any person creating a security interest in a vessel or motor that has been previously registered in the debtor's name and on which all taxes due the state have been paid shall surrender the

certificate of ownership to the secured party. The secured party shall have the duty to record the security interest as provided in this section and shall, at the same time, obtain a new certificate of title which shall show the secured interest on the face of such certificate of title.

6. The lien entry form with the date and assigned number thereof clearly marked thereon shall be returned to the secured party. If the lien entry form is received and authenticated, as herein provided, by a motor license agent, such agent shall make a report thereof to the Tax Commission upon the forms and in the manner as may be prescribed by the Tax Commission.

7. The Tax Commission shall have the duty to record the lien upon the face of the certificate of title issued at the time of registering and paying all fees and taxes due on such vessel or motor.

B. 1. A secured party shall, within seven (7) business days after the satisfaction of such security interest, furnish directly or by mail a release of a security interest to the Tax Commission and mail a copy thereof to the last-known address of the debtor. If the security interest has been satisfied by payment from a licensed used boat dealer to whom the used vessel or motor has been transferred, the secured party shall also, within seven (7) business days after such satisfaction, mail a certified copy of copy number one of the release of security interest to such dealer. If the secured party fails to furnish such release as herein required, the secured party shall be liable to the debtor for a penalty of One Hundred Dollars (\$100.00) and, in addition, any loss caused to the debtor by such failure.

2. Upon release of a security interest the owner may obtain a new certificate of title omitting reference to the security interest, by submitting to the Tax Commission or to a motor license agent:

- a. a release signed by the secured party, an application for new certificate of title and the proper fees, or
- b. by submitting to the Tax Commission or the motor license agent an affidavit, supported by such documentation as the Tax Commission may require, by the owner on a form prescribed by the Tax Commission stating that the security interest has been satisfied and stating the reasons why a release cannot be obtained, an application for a new certificate of title and the proper fees.

Upon receiving such affidavit that the security interest has been satisfied, the Tax Commission shall issue a new certificate of title eliminating the satisfied security interest and the name and address of the secured parties who have been paid and satisfied. The Tax Commission shall accept a release of a security interest in any form that identifies the debtor, the secured party, and the vessel or motor and contains the signature of the secured party. The Tax Commission shall not require any particular form for the release of a security interest.

The words "security interest" when used in the Oklahoma Vessel and Motor Registration Act, Section 4002 et seq. of this title, do not include liens dependent upon possession.

C. The Tax Commission shall file and index certificates of title so that at all times it will be possible to trace a certificate of title to the vessel or motor designated therein, identify the lien entry form, and the names and addresses of secured parties, or their assignees, so that all or any part of such information may be made readily available to those who make legitimate inquiry of the Tax Commission as to the existence or nonexistence of security interest in the vessel or motor.

D. 1. Any security interest in a vessel or motor properly perfected prior to January 1, 1990, may be continued as to its

effectiveness or duration as provided by subsection (3) of Section 9-401 and subsection (3) of Section 9-403 of Title 12A of the Oklahoma Statutes, or may be terminated, assigned or released as provided by Sections 9-404, 9-405 and 9-406 of Title 12A of the Oklahoma Statutes, as fully as if this section had not been enacted, or, at the option of the secured party, may also be perfected under this section, and, if so perfected, the time of perfection under this section shall be the date said security interest was originally perfected under the prior law.

2. Upon request of the secured party, the debtor or any other holder of the certificate of title shall surrender said certificate of title to the secured party and shall do such other acts as may be required to perfect said security interest under this section.

SECTION 11. AMENDATORY 63 O.S. 2001, Section 4021, as amended by Section 2, Chapter 374, O.S.L. 2003 (63 O.S. Supp. 2003, Section 4021), is amended to read as follows:

Section 4021. A. The application required for the initial and annual registration of a vessel or a motor shall be accompanied by payment of the following fees:

1. 2. Where the manufacturer's factory delivered price, or in the absence of such price being published as provided in paragraph 1 of this section, where the value of such vessel or motor is determined and fixed as above required and, is in excess of One Hundred Fifty Dollars (\$150.00), there shall be added to the fee of One Dollar (\$1.00), the sum of One Dollar (\$1.00) for each One Hundred Dollars

(\$100.00) or any fraction thereof, in excess of One Hundred Fifty Dollars (\$150.00) provided such fee shall not exceed One Hundred Fifty Dollars (\$150.00);

3. After the first year's registration in this state under the Oklahoma Vessel and Motor Registration Act of any new vessel or new motor under paragraph 2 of this subsection, the registration for the second year shall be ninety percent (90%) of the fee computed and assessed hereunder for the first year, and thereafter, such fee shall be computed and assessed at ninety percent (90%) of the previous year's fee and shall be so computed and assessed for the next nine (9) successive years provided such fee shall not exceed One Hundred Fifty Dollars (\$150.00);

4. The initial and annual registration fee for any vessel which is a part of a fleet used for lodging and for which a rental fee and sales tax are collected shall be Forty Dollars (\$40.00) in lieu of the fees required by paragraphs 1 through 3 of this subsection. For the purpose of this paragraph, "fleet" means twenty or more vessels operated by a business organization from a single anchorage. The fee provided for in this paragraph may be reduced annually to zero until the total reduction equals the difference between the sum of the fees paid pursuant to paragraphs 1 through 3 of this subsection for the two registration years preceding January 1, 1990, and the fee provided for in this paragraph;

5. For any vessel or motor owned and numbered, registered or licensed prior to January 1, 1990, in this or any other state, or in the absence of such registration upon proof of the year, model and age of same, the registration fee shall be computed and assessed at the rate hereinabove provided for a new vessel or motor based on the value thereof determined as provided in this subsection, but reduced as though same had been registered for each prior year of its existence. Except as provided in paragraph 1 of this subsection, the registration fee for the eleventh year computed in accordance

with the provisions of this subsection shall be the amount of the fee to be assessed for such eleventh year and shall be the minimum annual registration fee for such vessel or motor for any subsequent year; and

6. The initial and annual registration fee for any vessel or motor which is not being used in a trade or business or for any commercial purpose and is owned by:

- c. the spouse, who resides in Oklahoma, of a resident or nonresident member of the Armed Forces of the United States serving in a foreign country, or
- d. any Oklahoma resident who is stationed out of state due to an official assignment of the Armed Forces of the United States,

shall be the lesser of either a Fifteen Dollar (\$15.00) registration fee or the fee computed and assessed for vessels or motors of similar age and model pursuant to this section.

B. As used in this section, the term "manufacturer's factory delivered price" shall represent the recommended retail selling price and shall not mean the wholesale price to a dealer.

C. The Oklahoma Tax Commission shall assess the registration fees and penalties for the year or years a vessel or motor was not registered as provided in the Oklahoma Vessel and Motor Registration Act. For vessels or motors not registered for two (2) or more years, the registration fees and penalties shall be due only for the current year and one (1) previous year.

D. Upon each vessel or motor repossessed by a mortgagee, a fee of Forty-six Dollars (\$46.00) shall be assessed. This fee shall be in lieu of any applicable vessel or motor excise tax and registration fees. Each motor license agent accepting applications for certificates of title for such vessel or motors shall receive Seven Dollars (\$7.00) to be deducted from the license fee specified in this paragraph for each application accepted.

E. All vessels or motors owned by the State of Oklahoma, its agencies or departments, or political subdivisions thereof, or which under the law would be exempt from direct ad valorem taxation, shall be registered pursuant to the provisions of the Oklahoma Vessel and Motor Registration Act for an annual fee of Two Dollars and twenty-five cents (\$2.25) irrespective of whether registered by a motor license agent or the Tax Commission.

F. All vessels and motors owned by Boy Scouts of America, Girl Scouts of U.S.A., and the Campfire Girls, devoted exclusively to youth programs emphasizing physical fitness, character development and citizenship training, are hereby exempt from the payment of registration fees required by this section. Provided all of such vessels or motors shall be registered and shall otherwise comply with the provisions of the Oklahoma Vessel and Motor Registration Act.

G. A credit shall be allowed with respect to the fee for registration of any new vessel or new motor, when such new vessel or motor is a replacement for:

2. A defective new original vessel or new original motor returned by the purchaser/registrant to the seller within six (6)

months of the date of purchase of the defective new original vessel or new original motor as certified by the manufacturer.

Such credit shall be in the amount of the fee for registration which was paid for the new original vessel or new original motor and shall be applied to the registration fee for the replacement vessel or motor. In no event will said credit be refunded.

H. Upon proper proof of a lost certificate of registration being made to the Tax Commission or one of its motor license agents, accompanied by an application therefor and payment of the fees required by the Oklahoma Vessel and Motor Registration Act, a duplicate certificate of registration shall be issued to the applicant. The charge for such duplicate certificate of registration shall be Two Dollars and twenty-five cents (\$2.25), which charge shall be in addition to any other fees imposed by Section 4022 of this title for any such vessel or motor.

I. In addition to any other fees levied by the Oklahoma Vessel and Motor Registration Act, there is levied and there shall be paid to the Tax Commission a fee of One Dollar (\$1.00) upon every vessel or motor for which a registration or license fee is required pursuant to the provisions of this section. The fee shall accrue and shall be collected upon each vessel or motor under the same circumstances and shall be payable in the same manner and times as apply to vessel and motor licenses and registrations under the provisions of the Oklahoma Vessel and Motor Registration Act; provided, the fee shall be paid in full for the then current year at the time any vehicle is first registered in a calendar year.

The collection and payment of the fee shall be a prerequisite to license or registration of any vessel or motor.

J. If a vessel or motor is donated to a nonprofit charitable organization, the nonprofit charitable organization shall be exempt from paying any current or past-due registration fees, excise tax, transfer fees and penalties and interest; provided, subsequent to such donation, if the person, entity or party acting on another's behalf who donated the vessel or motor, purchases the same vessel or motor from the nonprofit charitable organization receiving the original donation, such person, entity or party acting on another's behalf shall be liable for all current and past-due registration fees, excise tax, transfer fees and penalties and interest on such vehicle.
