An Act relating to natural gas; amending 17 O.S.
2001, Section 250, which relates to rate adjustments;
modifying certain term; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 17 O.S. 2001, Section 250, is
amended to read as follows:

Section 250. As used in this act:

1. "Affiliated person, subsidiary, firm or corporation" means
any person, subsidiary, firm or corporation which:

- a. controls or is controlled by a public utility,
- b. is controlled by an entity that also controls the
utility, or
- c. the utility or an entity controlling the utility has
directly or indirectly the power to control;

2. "Commission" means any state regulatory body which has
jurisdiction to regulate public utilities or electric cooperatives;

3. "Emergency sales of gas" mean sales of natural gas made by a
public utility or subsidiary thereof to one or more interstate
pipelines or other out-of-state customer pursuant to federal law
which exempts such transactions from the jurisdiction of the Federal
Power Commission;

4. "Fair field price" means the value attributed to gas
produced from wells owned by a public utility, or a subsidiary or
affiliate of a public utility, which shall be the going price paid
by the utility, subsidiary or affiliate to others in the field where
such production is located. If the utility, subsidiary or affiliate

is not purchasing gas in such field, then such value shall be the price paid by the utility, subsidiary or affiliate in the nearest field where conditions are similar. The value to be attributed to residue gas owned by a public utility, or a subsidiary or affiliate of a public utility, from gas processing plants shall be the going price paid by the utility, subsidiary or affiliate to others from the same plant. If the utility, subsidiary or affiliate is not purchasing gas from said plant, then the value shall be the price paid by the utility, subsidiary or affiliate at the nearest plant where conditions are similar. However, the Commission may require an adjustment of the fair field price when it deems it proper to do so based on information before it. The fair field price shall not be applicable to gas purchased by a public utility from a subsidiary or affiliate of a public utility pursuant to a competitive bid process;

5. "Fuel adjustment clause" means any mechanism which allows a public utility or electric generating cooperative to automatically adjust its charges above or below the base amount included in its rates, based upon changes in costs of fuel for generation of electricity, purchased power or purchased gas;

6. "Heat rate" means a measure of the efficiency of an electric generating station, computed by dividing the total British Thermal Unit content of the fuel burned by the resulting net kilowatt-hours generated;

7. "Line loss" means the kilowatt-hours of electricity lost in the operation of an electric transmission or distribution system;

8. "Public utility" or "utility" means any individual, firm, association, partnership, corporation, or any combination thereof, other than a municipal corporation or their lessees, trustees and receivers, owning or operating for compensation in this state equipment or facilities for:

- a. producing, generating, transmitting, distributing, selling or furnishing electricity, or
- b. transmitting, directly or indirectly, or distributing combustible hydrocarbon natural or synthetic natural gas for sale to the public or for wholesale, unless its wholesale rates are regulated by a federal agency; and

9. "Purchased power adjustment clause" means any mechanism which allows an electric public utility or electric distribution cooperative to adjust its charges above or below the base amount included in its rates based upon changes in costs of wholesale power purchased from others.

SECTION 2. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
