The Department shall be responsible for ensuring that any contracting county complies in full with specifications and requirements of the contract. The contract shall set appropriate compensation to the county for services to the Department.

4. The Department is hereby authorized to provide technical assistance to any county in establishing a Program, regardless of whether the county enters into a contract pursuant to this subsection. Technical assistance shall include appropriate staffing, development of community resources, sponsorship, supervision and any other requirements.

5. The Department shall annually make a report to the Governor, the President Pro Tempore of the Senate and the Speaker of the House on the number of such Programs, the number of participating offenders, the success rates of each Program according to criteria established by the Department and the costs of each Program.
