SECTION 1. AMENDATORY 11 O.S. 2001, Section 49-138, is amended to read as follows:

Section 49-138. A. Any member of a regularly constituted fire department of any municipality who is now serving or may hereafter serve in the land or naval forces of the United States under the Act of Congress of September 16, 1940 (50 U.S.C.A. Sections 301-318), known as the Selective Training and Service Act of 1940, and/or Public Law No. 759, 80th Congress, known as the Selective Service Act of 1948, and amendments thereto, whether such service is voluntary or involuntary, who shall have been a member of such fire department at the time of entering such service, shall be entitled to have the whole of the time of such service applied under the provisions of Section 49-106 of this title, so far as the same applies to a service pension; provided further, that the municipality shall continue its payment into said pension fund, to the same force and effect as though the member were in the actual service of such fire department; provided, that any person who is eligible for such service under said Acts of Congress but who shall have volunteered for military or naval service for a greater period than is provided by said Acts shall likewise be entitled to all of the benefits of Sections 49-138 through 49-142 of this title for the full period of such service or enlistment; provided further, that only one such period of voluntary service shall be considered hereunder. If such person shall reenlist, unless he is required to do so by law, he shall not thereafter be entitled to the provisions of this act. The provisions of this act shall not apply where any such person dies during the period of said service or enlistment, and shall not entitle the surviving spouse or children to any benefits.

B. Effective February 1, 1997, credited service received pursuant to this section or credited service for wartime military service received as otherwise provided by law shall be used in determining the member's retirement benefit but shall not be used in determining years of service for retirement, vesting purposes or eligibility for participation in the Oklahoma Firefighters Deferred Option Plan. For a member of the System hired on or after July 1, 2003, if the military service credit authorized by this section is used to compute the retirement benefit of the member and the member retires from the System, such military service credit shall not be used to compute the retirement benefit in any other retirement system created pursuant to the Oklahoma Statutes and the member may receive credit for such service only in the retirement system from which the member first retires.

C. A member who retires or elects to participate in the Oklahoma Firefighters Deferred Option Plan on or after July 1, 1998, shall receive maximum benefits available for each year of creditable service, not to exceed five (5) years, for active military service

for retirement benefits for service rendered prior to being hired by a regularly constituted fire department.

For purposes of this subsection, "military service" means service in the Armed Forces of the United States in time of war or national emergency by honorably discharged persons who served as follows:

6. In the Armed Forces of the United States at any time during the period which began on:

a. February 28, 1961, and ended on May 7, 1975, in the case of a veteran who served in the Republic of Vietnam during that period, and

b. August 5, 1964, and ended on May 7, 1975, in all other cases,

except that such period shall be deemed to have ended on December 31, 1976, when determining eligibility for education and training benefits; or

7. In the Armed Forces of the United States on or after August 1, 1990, and ended on December 31, 1991, excluding any person who shall have served on active duty for training only, unless discharged from active duty for service-connected disability.

The provisions of subsection C of this section shall not apply to any person who shall have served on active duty for training purposes only unless discharged from active duty for a service-connected disability.

E. Notwithstanding any provision herein to the contrary, contributions, benefits and service credit with respect to qualified military service shall be provided in accordance with Section 414(u) of the Internal Revenue Code of 1986.

F. Members or beneficiaries shall make application to the System for credited service related to wartime military service. Interest on additional benefits related to wartime military service owed by the System to a retired member or beneficiary as provided by law shall cease accruing one (1) year after the effective date the additional benefits are payable by the System or July 1, 2000, whichever is later, if the member has not applied to the System for credited service related to such wartime military service.

SECTION 2. AMENDATORY 11 O.S. 2001, Section 50-128, as amended by Section 7 of Enrolled Senate Bill No. 645 of the 1st Session of the 49th Oklahoma Legislature, is amended to read as follows:

Section 50-128. A. B. A member who began participation in the System prior to July 1, 2003, and who retires on or after July 1, 1998, shall receive maximum benefits available for each year of creditable service, not to exceed five (5) years, for active military service for retirement benefits for service rendered prior to being hired by a Police Department. All members who initially begin participation with the System after June 30, 2003, may acquire prior military service credit for a maximum of five (5) years of such service credit upon payment of the actuarial cost of such service in the manner prescribed by and subject to all of the requirements of Section 50-111.4 of Title 11 of the Oklahoma Statutes. For members of the System hired on or after July 1, 2003, if the military service credit authorized by this subsection is used to compute the retirement benefit of the member and the member retires from the System, such military service credit shall not be used to compute the retirement benefit in any other retirement system created pursuant to the Oklahoma Statutes and the member may receive credit

for such service only in the retirement system from which the member first retires.

For purposes of this subsection, "military service" means service in the Armed Forces of the United States in time of war or national emergency by honorably discharged persons who served as follows:

6. In the Armed Forces of the United States at any time during the period which began on:

a. February 28, 1961, and ended on May 7, 1975, in the case of a veteran who served in the Republic of Vietnam during that period, and

b. August 5, 1964, and ended on May 7, 1975, in all other cases,

except that such period shall be deemed to have ended on December 31, 1976, when determining eligibility for education and training benefits; or

7. In the Armed Forces of the United States on or after August 1, 1990, and ended on December 31, 1991, excluding any person who shall have served on active duty for training only, unless discharged from active duty for service-connected disability.

C. An eligible member pursuant to subsection B of this section shall include only those persons who shall have served during the times or in the areas prescribed in this section, and those persons who were awarded service medals, as authorized by the United States Department of Defense as reflected in the veteran's Defense Department Form 214, related to the Vietnam Conflict who served prior to August 5, 1964. Effective July 1, 1987, a member does not include a "leased employee" as defined under Section 414(n) (2) of the Internal Revenue Code of 1986, as amended. Effective July 1, 1999, any individual who agrees with the participating employer that the individual's services are to be performed as a leased employee or an independent contractor shall not be a member regardless of any classification as a common-law employee by the Internal Revenue Service or any other governmental agency, or any court of competent jurisdiction, provided that all persons who shall be offered a position of a law enforcement officer shall participate in the

System upon the person meeting the requisite post-offer-pre-employment physical examination standards which shall be subject to the following requirements:

- a. all such persons shall be of good moral character, free from deformities, mental or physical conditions, or disease and alcohol or drug addiction which would prohibit the person from performing the duties of a law enforcement officer,
- b. said physical-medical examination shall pertain to age, sight, hearing, agility and other conditions the requirements of which shall be established by the Board,

- a. completes twenty (20) years of vesting service; or
- b. attains sixty-two (62) years of age with ten (10) years of vesting service; or

 - (1) the member has been transferred to this System from the Oklahoma Public Employees Retirement System on or after July 1, 1981; and

With respect to distributions under the System made for calendar years beginning on or after January 1, 2001, the System will apply the minimum distribution requirements of Section 401(a)(9) of the Internal Revenue Code of 1986, as amended, in accordance with the regulations under Section 401(a)(9) of the Internal Revenue Code of 1986, as amended, that were proposed in January 2001, notwithstanding any provision of the System to the contrary. This amendment shall continue in effect until the end of the last calendar year beginning before the effective date of final regulations under Section 401(a)(9) of the Internal Revenue Code of 1986, as amended, or such other date as may be specified in guidance published by the Internal Revenue Service. Furthermore, to the

extent applicable, distributions shall be made in accordance with regulations under Section 401(a)(9) of the Internal Revenue Code of 1986, as amended, including the minimum distribution incidental benefit requirements of the Proposed Income Tax Regulations.

Effective July 1, 1989, notwithstanding any other provision contained herein to the contrary, in no event shall commencement of distribution of the accrued retirement benefit of a member be delayed beyond April 1 of the calendar year following the later of:

1. The calendar year in which the member reaches seventy and one-half (70 1/2) years of age; or

2. The actual retirement date of the member. The preceding sentence does not allow deferral of benefit commencement beyond the age of sixty-five (65).

A member who was required to join the System effective July 1, 1980, because of the transfer of the employing agency from the Oklahoma Public Employees Retirement System to the System, and was not a member of the Oklahoma Public Employees Retirement System on the date of such transfer shall be allowed to receive credit for prior law enforcement service rendered to this state, if the member is not receiving or eligible to receive retirement credit or benefits for such service in any other public retirement system, upon payment to the System of the employee contribution the member would have been subject to had the member been a member of the System at the time, plus five percent (5%) interest. Service credit received pursuant to this paragraph shall be used in determining the member's retirement benefit, and shall be used in determining years of service for retirement or vesting purposes;

8. "Actual paid base salary" means the salary received by a member, excluding payment for any accumulated leave or uniform allowance. Salary shall include any amount of nonelective salary reduction under Section 414(h) of the Internal Revenue Code of 1986;

9. "Final average salary" means the average of the highest thirty (30) consecutive complete months of actual paid gross salary. Gross salary shall include any amount of elective salary reduction under Section 457 of the Internal Revenue Code of 1986, as amended, and any amount of nonelective salary reduction under Section 414(h) of the Internal Revenue Code of 1986, as amended. Effective July 1, 1992, gross salary shall include any amount of elective salary reduction under Section 125 of the Internal Revenue Code of 1986, as amended. Effective July 1, 1998, gross salary shall include any amount of elective salary reduction not includable in the gross income of the member under Section 132(f)(4) of the Internal Revenue Code of 1986, as amended. Effective July 1, 1998, for purposes of determining a member's compensation, any contribution by the member to reduce his regular cash remuneration under Section 132(f)(4) of the Internal Revenue Code of 1986, as amended, shall be treated as if the member did not make such an election. Only salary on which required contributions have been made may be used in computing the final average salary.

In addition to other applicable limitations, and notwithstanding any other provision to the contrary, for plan years beginning on or after July 1, ~~1996~~ 2002, the annual gross salary of each "Noneligible Member" taken into account under the System shall not

exceed the ~~Omnibus Budget Reconciliation Act of 1993 (OBRA '93)~~ Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA") annual salary limit. The ~~OBRA '93~~ EGTRRA annual salary limit is ~~One Hundred Fifty Thousand Dollars (\$150,000.00)~~ Two Hundred Thousand Dollars (\$200,000.00), as adjusted by the Commissioner for increases in the cost of living in accordance with Section 401(a)(17)(B) of the Internal Revenue Code of 1986, as amended. The annual salary limit in effect for a calendar year applies to any period, not exceeding twelve (12) months, over which salary is determined ("determination period") beginning in such calendar year. If a determination period consists of fewer than twelve (12) months, the ~~OBRA '93~~ EGTRRA salary limit will be multiplied by a fraction, the numerator of which is the number of months in the determination period, and the denominator of which is twelve (12). For purposes of this section, a "Noneligible Member" is any member who first became a member during a plan year commencing on or after July 1, 1996.

For plan years beginning on or after July 1, ~~1996~~ 2002, any reference in the System to the annual salary limit under Section 401(a)(17) of the Internal Revenue Code of 1986, as amended, shall mean the ~~OBRA '93~~ EGTRRA salary limit set forth in this provision.

~~If gross salary for any prior determination period is taken into account in determining a Noneligible Member's benefits accruing in the current plan year, the gross salary for that prior determination period is subject to the OBRA '93 annual salary limit in effect for that prior determination period. For this purpose, for determination periods beginning before the first day of the first plan year beginning on or after July 1, 1996, the OBRA '93 annual salary limit is One Hundred Fifty Thousand Dollars (\$150,000.00).~~

~~Effective July 1, 1989, through June 30, 1997, in determining the gross salary of a member for purposes of this limitation, the rules of Section 414(q)(6) of the Internal Revenue Code of 1986, as amended, shall apply, except in applying such rules, the term "family" shall include only the spouse of the member and any lineal descendants of the member who have not attained age nineteen (19) before the close of the year. If, as a result of the application of such rules, the adjusted annual salary limitation is exceeded, then the limitation shall be prorated among the affected individuals in proportion to each such individual's gross salary as determined under this section prior to the application of this limitation;~~

10. "Credited service" means the period of service used to determine the amount of benefits payable to a member. Credited service shall consist of the period during which the member participated in the System or the predecessor Plan as an active employee in an eligible membership classification, plus any service prior to the establishment of the predecessor Plan which was credited under the predecessor Plan and for officers of the Oklahoma State Bureau of Investigation and the Oklahoma State Bureau of Narcotics and Dangerous Drugs Control who became members of the System on July 1, 1980, any service credited under the Oklahoma Public Employees Retirement System as of June 30, 1980, and for members of the Communications and Lake Patrol Divisions of the Oklahoma Department of Public Safety, who became members of the System on July 1, 1981, any service credited under the predecessor Plan or the Oklahoma Public Employees Retirement System as of June 30, 1981, and for law enforcement officers of the Oklahoma Alcoholic

Beverage Control Board who became members of the System on July 1, 1982, any service credited under the Oklahoma Public Employees Retirement System as of June 30, 1982, and for park rangers of the Oklahoma Tourism and Recreation Department who became members of the System on July 1, 1985, any service credited under the Oklahoma Public Employees Retirement System as of June 30, 1985, and for inspectors of the Oklahoma State Board of Pharmacy who became members of the System on July 1, 1986, any service credited under the Oklahoma Public Employees Retirement System as of June 30, 1986, for law enforcement officers of the State Capitol Division of the Department of Public Safety who became members of the System effective July 1, 1993, any service credited under the Oklahoma Public Employees Retirement System as of June 30, 1993, and for all commissioned officers in the Gunsmith/Ammunition Reloader Division of the Department of Public Safety who became members of the System effective July 1, 1994, any service credited under the Oklahoma Public Employees Retirement System as of June 30, 1994, and for the park managers or park supervisors of the Oklahoma Tourism and Recreation Department who were employed in such a position prior to July 1, 1985, and who elect to become members of the System effective September 1, 1996, any service transferred pursuant to subsection C of Section 2-309.6 of this title. Effective August 5, 1993, an authorized leave of absence shall include a period of absence pursuant to the Family and Medical Leave Act of 1993;

11. "Disability" means a physical or mental condition which, in the judgment of the Board, totally and presumably permanently prevents the member from engaging in the usual and customary duties of the occupation of the member and thereafter prevents the member from performing the duties of any occupation or service for which the member is qualified by reason of training, education or experience. A person is not under a disability when capable of performing a service to the employer, regardless of occupation, providing the salary of the employee is not diminished thereby;

12. "Limitation year" means the year used in applying the limitations of Section 415 of the Internal Revenue Code of 1986, which year shall be the calendar year;

13. "Line of duty" means any action which a member whose primary function is crime control or reduction or enforcement of the criminal law is obligated or authorized by rule, regulations, condition of employment or service, or law to perform, including those social, ceremonial, or athletic functions to which the member is assigned, or for which the member is compensated, by the agency the member serves;

14. "Personal injury" or "injury" means any traumatic injury as well as diseases which are caused by or result from such an injury, but not occupational diseases;

15. "Catastrophic nature" means consequences of an injury that permanently prevent an individual from performing any gainful work; and

16. "Traumatic injury" means a wound or a condition of the body caused by external force, including injuries inflicted by bullets, explosives, sharp instruments, blunt objects or other physical blows, chemicals, electricity, climatic conditions, infectious diseases, radiation, and bacteria, but excluding stress and strain.

SECTION 4. AMENDATORY 47 O.S. 2001, Section 2-305, as last amended by Section 33 of Enrolled House Bill No. 1816 of the 1st Session of the 49th Oklahoma Legislature, is amended to read as follows:

Section 2-305. A. Except as otherwise provided in this title, at any time after attaining normal retirement date, any member of the System upon application ~~therefor~~ for unreduced retirement benefits made and approved, may retire, and, during the remainder of the member's lifetime, receive annual retirement pay, payable in equal monthly payments, equal to two and one-half percent (2 1/2%) of the final average salary times years of credited service. If such retired member is reemployed by a state agency in a position which is not covered by the System, such retired member shall continue to receive in-service distributions from the System. Prior to September 19, 2002, if such retired member was reemployed by a state agency in a position which is covered by the System, such member shall continue to receive in-service distributions from the System and shall not accrue any further credited service. If such a member is reemployed by a state agency in a position which is covered by the System on or after September 19, 2002, such member's monthly retirement payments shall be suspended until such member retires and is not reemployed by a state agency in a position which is covered by the System. No member shall be required to retire for length of service unless and until the member shall have reached the age of sixty (60) years, but any member of the System who shall have reached the age of sixty (60) years and who shall also have completed twenty (20) years or more of credited service shall be retired by the Board unless, after application to the Board and such examination and showing as the Board may deem proper, the Board shall determine that such member of the System is physically and mentally able to continue to perform duties or service as required of a member. Unless such application be made by a member of the System within thirty (30) days after reaching the age of sixty (60) years and completing twenty (20) years or more of credited service or if, after such application and examination, the Board shall determine that such member of the System is not physically or mentally able to continue to perform services as required of the employer, the Board shall by resolution order his retirement with retirement pay for length of service as provided herein.

B. Beginning July 1, 1994, members who retired or were eligible to retire prior to July 1, 1980 or their surviving spouses shall receive annual retirement pay, payable in equal monthly payments, equal to the greater of their current retirement pay, or two and one-half percent (2 1/2%) of the actual paid gross salary being currently paid to a highway patrol officer, at the time each such monthly retirement payment is made, multiplied by the retired member's years of credited service.

C. Members of the System whose salary is set by statute who have retired after completion of the mandatory twenty (20) years of service, and those members with statutory salaries who retire after reaching the mandatory twenty-year retirement, shall receive an annual retirement pay, payable in equal monthly installments, based upon the greater of either:

1. The top base pay currently paid to an active member, at the time each such monthly retirement payment is made, multiplied by two

and one-half percent (2 1/2%) multiplied by the number of years of credited service and fraction thereof for the following positions:

No member of the System retired prior to July 1, 2002, shall receive a benefit less than the amount the member is receiving as of June 30, 2002.

D. Other members of the System whose retirement benefit is not otherwise prescribed by this section who have retired after completion of the mandatory twenty (20) years of service, and those members who retire after reaching the mandatory twenty-year retirement, shall receive an annual retirement pay, payable in equal monthly payments, based upon the greater of either:

1. The actual average salary currently paid to the highest nonsupervisory position in the participating agency, at the time each such monthly payment is made, multiplied by two and one-half percent (2 1/2%), multiplied by the number of years of credited service and fraction thereof for the following positions:

- a. Alcoholic Beverage Law Enforcement Commission—ABLE Commission Agent III,
- b. Oklahoma State Bureau of Narcotics and Dangerous Drugs Control—Narcotics Agent III,
- c. Oklahoma Tourism and Recreation Department—Park Ranger II,
- d. Oklahoma State Board of Pharmacy—Pharmacy Inspector,
- e. University of Oklahoma—Police Officer,
- f. Oklahoma State University—Police Officer; or

2. The other member's final average salary as set forth in paragraph 9 of Section 2-300 of this title, multiplied by two and one-half percent (2 1/2%), multiplied by the number of years of credited service and fraction thereof.

No member of the System retired prior to July 1, 2002, shall receive a benefit less than the amount the member is receiving as of June 30, 2002. The participating employer must certify to the System in writing the actual average gross salary currently paid to

the highest nonsupervisory position. The Board of Trustees shall promulgate such rules as are necessary to implement the provisions of this section.

E. A member who meets the definition of disability as defined in Section 2-300 of this title and whose disability occurred prior to the member's normal retirement date and by direct reason of the performance of the member's duties as an officer shall receive a monthly benefit equal to the greater of fifty percent (50%) of final average salary or two and one-half percent (2 1/2%) of final average salary multiplied by the number of years of the member's credited service.

F. A member who meets the definition of disability and such determination is made by Board action on or subsequent to July 1, 2000, as defined in Section 2-300 of this title and whose disability occurred prior to the member's normal retirement date and whose disability is by means of personal and traumatic injury of a catastrophic nature and in the line of duty shall receive a monthly benefit equal to:

1. Two and one-half percent (2 1/2%);
2. Multiplied by:
 - a. twenty (20) years of service, regardless of the actual number of years of credited service performed by the member prior to the date of disability, if the member had performed less than twenty (20) years of service, or
 - b. the actual number of years of service performed by the member if the member had performed twenty (20) or more years of service;
3. Multiplied by a final average salary equal to:
 - a. the salary which the member would have received pursuant to statutory salary schedules in effect upon the date of the disability for twenty (20) years of service prior to disability. The final average salary for a member who performed less than twenty (20) years of service prior to disability shall be computed assuming that the member was paid the highest salary allowable pursuant to the law in effect at the time of the member's disability based upon twenty (20) years of service and with an assumption that the member was eligible for any and all increases in pay based upon rank during the entire period. If the salary of a member is not prescribed by a specific salary schedule upon the date of the member's disability, the final average salary for the member shall be computed by the member's actual final average salary or the highest median salary amount for a member whose salary was prescribed by a specific salary schedule upon the date of the member's disability, whichever final average salary amount would be greater, or

- b. the actual final average salary of the member if the member had performed twenty (20) or more years of service prior to disability;

G. A member who meets the definition of disability as defined in Section 2-300 of this title and whose disability occurred prior to the member's normal retirement date but after completing three (3) years of vesting service and not by reason of the performance of the member's duties as an officer or as a result of the member's willful negligence shall receive a monthly benefit equal to two and one-half percent (2 1/2%) of final average salary multiplied by the number of years of the member's credited service.

H. Payment of a disability pension shall commence as of the first day of the month coinciding or next following the date of retirement and shall continue as long as the member meets the definition of total and permanent disability provided in this section.

I. For the purpose of determining the member's disability under subsection E, F or G of this section, the member shall be required by the Board to be examined by a minimum of two recognized physicians selected by the Board to determine the extent of the member's injury or illness. The examining physicians shall furnish the Board a detailed written report of the injury or illness of the examined member establishing the extent of disability and the possibilities of the disabled member being returned to his regular duties or an alternate occupation or service covered by the System after a normal recuperation period. The Board shall require all retired disabled members who have not attained their normal retirement date to submit to a physical examination once each year for a minimum of three (3) years following retirement. The Board shall select a minimum of two physicians to examine the retired members and pay for their services from the fund. Any retired disabled member found no longer disabled by the examining physicians to perform the occupation of the member or an alternate occupation or service covered by the System shall be required to return to duty and complete twenty (20) years of service as provided in subsection A of this section, or forfeit all his rights and claims under this act.

J. The disability benefit under this section shall be for the lifetime of the member unless such member is found no longer disabled pursuant to subsection I of this section. Such member shall not be entitled to the retirement benefit pursuant to subsection A of this section unless such member returns to active duty and is eligible for a retirement benefit as provided in subsection A of this section.

K. At the postoffer, preemployment physical examination required under paragraph 6 of Section 2-300 of this title, the physician selected by the Board shall determine the extent to which a new member is disabled. If a member is determined to be partially disabled, the physician shall assign a percentage of disability to such partial disability. If such member then becomes entitled to a disability benefit under either subsection E or subsection G of this section, the benefit payable shall be reduced by the percentage which such member was determined to be disabled at the postoffer, preemployment physical unless the Board makes a determination that the initially determined percentage of disability at the

preemployment physical examination is unrelated to the reason for the disability currently sought pursuant to subsection E or subsection G of this section. Upon employment, the member shall disclose to the Board any disability payments received from any source. The amount of disability to be paid to any member cannot exceed one hundred percent (100%) disability from all sources. The provisions of this subsection shall apply only to members whose effective date of membership is on or after July 1, 2000.

L. In addition to the pension provided for under subsection F of this section, if said member has one or more children under the age of eighteen (18) years or under the age of twenty-two (22) years if the child is enrolled full time in and is regularly attending a public or private school or any institution of higher education, Four Hundred Dollars (\$400.00) a month shall be paid from said Fund for the support of each surviving child to the member or person having the care and custody of such children until each child reaches the age of eighteen (18) years or reaches the age of twenty-two (22) years if the child is enrolled full time in and is regularly attending a public or private school or any institution of higher education.

SECTION 5. AMENDATORY 47 O.S. 2001, Section 2-305.1A, is amended to read as follows:

Section 2-305.1A A. This section applies to distributions made on or after January 1, 1993. Notwithstanding any provision of the System to the contrary that would otherwise limit a Distributee's election hereunder, a Distributee may elect, at the time and in the manner prescribed by the Board, to have any portion of an Eligible Rollover Distribution paid directly to an Eligible Retirement Plan specified by the Distributee in a Direct Rollover.

B. As used in this section:

1. "Eligible Rollover Distribution" means any distribution of all or any portion of the balance to the credit of the Distributee, except that an Eligible Rollover Distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the Distributee or the joint lives (or life expectancies) of the Distributee and the Distributee's designated beneficiary, or for a specified period of ten (10) years or more, any distribution to the extent such distribution is required under Section 401(a)(9) of the Internal Revenue Code of 1986, as amended; and the portion of any distribution that is not includable in gross income; provided, however, that effective January 1, 2002, a portion of a distribution shall not fail to be an Eligible Rollover Distribution merely because the portion consists of after-tax member contributions which are not includable in gross income. However, such portion may be paid only to an individual retirement account or annuity described in Section 408(a) or (b) of the Internal Revenue Code of 1986, as amended, or to a qualified defined contribution plan described in Section 401(a) or 403(a) of the Internal Revenue Code of 1986, as amended, that agrees to separately account for amounts so transferred, including separate accounting for the portion of such distribution which is includable in gross income and the portion of such distribution which is not so includable.

2. "Eligible Retirement Plan" means an individual retirement account described in Section 408(a) of the Internal Revenue Code of 1986, as amended, and individual retirement annuity described in Section 408(b) of the Internal Revenue Code of 1986, as amended, an annuity plan described in Section 403(a) of the Internal Revenue Code of 1986, as amended, or a qualified trust described in Section 401(a) of the Internal Revenue Code of 1986, as amended, that accepts the Distributee's Eligible Rollover Distribution. ~~However, in the case of an Eligible Rollover Distribution to the surviving spouse~~ Effective January 1, 2002, an Eligible Retirement Plan is an individual retirement account or individual retirement annuity shall also mean an annuity contract described in Section 403(b) of the Internal Revenue Code of 1986, as amended, and an eligible plan under Section 457(b) of the Internal Revenue Code of 1986, as amended, which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from the System. Effective January 1, 2002, the definition of Eligible Retirement Plan shall also apply in the case of a distribution to a surviving spouse, or to a spouse or former spouse who is the alternate payee pursuant to a qualified domestic order as defined in subsection B of Section 2-303.3 of this title. An Eligible Retirement Plan does not include a Roth IRA under Section 408(a) of the Internal Revenue Code of 1986, as amended.

3. "Distributee" means an employee or former employee. In addition, effective June 7, 1993, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic order, as defined in subsection B of Section 2-303.3 of this title, are Distributees with regard to the interest of the spouse or the former spouse.

4. "Direct Rollover" means a payment by the ~~Plan~~ System to the Eligible Retirement Plan specified by the Distributee.

C. At least thirty (30) days and not more than ninety (90) days before the date of distribution, the Distributee must be provided with a notice of rights which satisfies ~~Code~~ Section 402(f) of the Internal Revenue Code of 1986, as amended, as to rollover options and tax effects. Such distribution may commence less than thirty (30) days after the notice is given, provided that:

1. The Board clearly informs the Distributee that the Distributee has a right to a period of at least thirty (30) days after receiving the notice to consider the decision of whether or not to elect a distribution; and

2. The Distributee, after receiving the notice, affirmatively elects a distribution.

SECTION 6. AMENDATORY 47 O.S. 2001, Section 2-305.2, is amended to read as follows:

Section 2-305.2 A. In lieu of terminating employment and accepting a service retirement pension pursuant to Section 2-305 of ~~Title 47 of the Oklahoma Statutes~~ this title, any member of the Oklahoma Law Enforcement Retirement System who has not less than twenty (20) years of creditable service and who is eligible to

receive a service retirement pension may elect to participate in the Oklahoma Law Enforcement Deferred Option Plan and defer the receipts of benefits in accordance with the provisions of this section.

B. For purposes of this section, creditable service shall include service credit reciprocally recognized pursuant to Sections 2-300 through 2-305.1 of ~~Title 47 of the Oklahoma Statutes~~ this title but for eligibility purposes only.

C. The duration of participation in the Oklahoma Law Enforcement Deferred Option Plan for a member shall not exceed five (5) years. At the conclusion of a member's participation in the Oklahoma Law Enforcement Deferred Option Plan, the member shall terminate employment ~~with all state law enforcement agencies as an officer,~~ and shall start receiving the member's accrued monthly retirement benefit from the System. Such a member may continue to receive in-service distributions of such member's accrued monthly retirement benefit from the System if the member is reemployed by a state agency only if such reemployment is in a position not covered under the System.

D. When a member begins participation in the Oklahoma Law Enforcement Deferred Option Plan, the contribution of the employee shall cease. The employer contributions shall continue to be paid in accordance with Section 2-304 of ~~Title 47 of the Oklahoma Statutes~~ this title. Employer contributions for employees who elect the Oklahoma Law Enforcement Deferred Option Plan shall be credited equally to the Oklahoma Law Enforcement Retirement System and to the Oklahoma Law Enforcement Deferred Option Plan. The monthly retirement benefits that would have been payable had the member elected to cease employment and receive a service retirement shall be paid into the Oklahoma Law Enforcement Deferred Option Plan account.

E. 1. A member who participates in this plan shall be eligible to receive cost of living increases.

2. A member who participates in this plan shall earn interest at a rate of two percentage points below the rate of return of the investment portfolio of the System, but no less than the actuarial assumed interest rate as certified by the actuary in the yearly evaluation report of the actuary. The interest shall be credited to the individual account balance of the member on an annual basis.

F. A participant in the Oklahoma Law Enforcement Deferred Option Plan shall receive, at the option of the participant:

1. A lump sum payment from the account equal to the option account balance of the participant, payable to the participant;

2. A lump sum payment from the account equal to the option account balance of the participant, payable to the annuity provider which shall be selected by the participant as a result of the research and investigation of the participant; or

3. Any other method of payment if approved by the Board.

G. If the participant dies during the period of participation in the Oklahoma Law Enforcement Deferred Option Plan, a lump sum payment equal to the account balance of the participant shall be

paid in accordance with Section 2-306.3 of ~~Title 47 of the Oklahoma Statutes~~ this title.

H. The Oklahoma Law Enforcement Deferred Option Plan shall not be implemented until October 1, 1990, or when the Board obtains a ruling from the Internal Revenue Service which affirmatively states that said plan shall be treated as a qualified plan for federal income tax purposes, which ever comes last.

SECTION 7. AMENDATORY 47 O.S. 2001, Section 2-305.4, is amended to read as follows:

Section 2-305.4 A. Notwithstanding any other provision contained herein to the contrary, the benefits payable to a member in the System shall be subject to the limitations of Section 415 of the Internal Revenue Code of 1986, as amended, in accordance with the provisions of subsections B and C of this section.

B. Except as provided in paragraphs 3 through 7 of this subsection, any accrued retirement benefit payable to a member shall not exceed the lesser of:

1. ~~Ninety Thousand Dollars (\$90,000.00)~~ One Hundred Sixty Thousand Dollars (\$160,000.00), effective January 1, 2002, adjusted for increases in the cost of living, as prescribed by the Secretary of the Treasury or his delegate, effective January 1 of each calendar year and applicable to the limitation year ending with or within such calendar year; or

2. For limitation years beginning prior to January 1, 1995, one hundred percent (100%) of the average earnings of the member for the three (3) consecutive calendar years, while a member in the System, in which the member's earnings were the highest. For purposes of this paragraph, earnings for any limitation year shall be the earned income of the member, wages, salaries, fees for professional services, and other amounts received for personal services actually rendered in the course of employment with a participating employer, provided such amounts are actually paid or includable in gross income during such year. Earnings shall exclude the following:

- a. contributions by a participating employer to a plan of deferred compensation which are not included in the gross income of the member for the taxable year in which contributed or any distributions from a funded plan of deferred compensation, and
- b. other amounts which received special tax benefits, or contributions made by a participating employer, whether or not under a salary reduction agreement, towards the purchase of an annuity described in Section 403(b) of the Internal Revenue Code of 1986, whether or not the amounts are actually excludable from the gross income of the member;

3. Except as provided in paragraph 5 of this subsection, the limitations specified in paragraphs 1 and 2 of this subsection shall not be applicable with respect to any member whose total annual accrued retirement benefit payable from the System is less than Ten Thousand Dollars (\$10,000.00) and who has not at any time participated in any contribution plan, within the meaning of Section

415(k) of the Internal Revenue Code of 1986, as amended, maintained by a participating employer;

4. If a member has less than ten (10) years of participation in the System and all predecessor pension and retirement systems, the dollar limitation otherwise applicable under paragraph 1 of this subsection shall be reduced by multiplying such limitation by a fraction, the numerator of which is the number of the years of participation in the System of the member, but never less than one (1), and the denominator of which is ten (10). This paragraph, to the extent required by the Secretary of the Treasury, shall be applied separately to each change in benefit structure hereunder;

5. Effective for limitation years beginning on or after January 1, 1995, if a member has been credited with less than ten (10) years of credited service, the dollar amount otherwise applicable under paragraph 3 of this subsection shall be reduced by multiplying such dollar amount by a fraction, the numerator of which is the number of the years of credited service of the member, but never less than one (1), and the denominator of which is ten (10);

6. The limitations specified in this section shall apply to a straight life annuity with no ancillary benefits and to an annuity that constitutes a qualified joint and survivor annuity. If payment is in a different form, the amount thereof shall be adjusted to be the actuarial equivalent of a single life annuity and the limitations shall be applied to such adjusted amount. Such adjustment shall be based on the mortality tables and interest rates described in divisions (1) ~~and~~, (2) and (3) of subparagraph a of this paragraph.

a. If payment begins before the member reaches sixty-two (62) years of age, the limitation in paragraph 1 of this subsection shall be reduced on an actuarially equivalent basis; provided however, prior to January 1, 2002, if such payment begins after the member reaches fifty-five (55) years of age, the reduced limit shall not be less than Seventy-five Thousand Dollars (\$75,000.00) and, if payment begins prior to the member reaching fifty-five (55) years of age, the reduced limit shall not be less than the actuarial equivalent of the Seventy-five Thousand Dollar (\$75,000.00) limit for age fifty-five (55); provided further, that in no event shall such amount be reduced below Fifty Thousand Dollars (\$50,000.00), adjusted for increases in the cost of living, as prescribed by the Secretary of Treasury, or his delegate.

(1) For limitation years beginning before January 1, 1999, the interest rate to be used to determine such actuarial equivalent amount in this subparagraph shall be the rate specified in the actuarial tables adopted by the Board; however, the interest rate used in determining an actuarially equivalent pre-age-sixty-two (62) amount shall not be less than five percent (5%).

(2) Effective for limitation years beginning on or after January 1, 1999, the actuarial equivalent adjustments in this subparagraph shall be

determined using the prevailing Commissioner's standard table (described in Section 807(d)(5)(A) of the Internal Revenue Code of 1986, as amended), without regard to any other subparagraph of Section 807(d)(5), used to determine reserves for group annuity contracts issued on the date as of which the payment is being determined. ~~(The current table is set forth in Revenue Ruling 95-6 and is based upon a fixed blend of fifty percent (50%) of the male mortality rates and fifty percent (50%) of the female mortality rates from the 1983 Group Annuity Mortality Table.)~~ Notwithstanding any other System provisions to the contrary, for distributions with annuity starting dates on or after December 31, 2002, the applicable mortality table used for purposes of adjusting any benefit or limitation under Sections 415(b)(2)(B), (C) or (D) of the Internal Revenue Code of 1986, as amended, is the table described in Rev. Rul. 2001-62. The interest rate shall be five percent (5%).

- (3) For limitation years beginning on or after January 1, 1997, if payment begins before the member reached age sixty-two (62), the reductions in the limitations in this subparagraph shall not apply to a member who is a "qualified participant" as defined in Section 415(b)(2)(H) of the Internal Revenue Code of 1986, as amended.
- b. If payment begins after the member reaches sixty-five (65) years of age, the limitation in paragraph 1 of this subsection shall be the actuarial equivalent of such amount otherwise applicable at the member reaching sixty-five (65) years of age.
- (1) For limitation years beginning before January 1, 1999, the interest rate to be used to determine such actuarial equivalent amount in this subparagraph shall be the rate specified in the actuarial tables adopted by the Board; however, the interest rate used in determining an actuarially equivalent post-age-sixty-five (65) amount shall not be greater than five percent (5%).
 - (2) Effective for limitation years beginning on or after January 1, 1999, the actuarial equivalent adjustments in this subparagraph shall use the mortality and interest rate basis provided in division (2) of subparagraph a of this paragraph.

7. In no event shall the maximum annual accrued retirement benefit of a member allowable under this section be less than the annual amount of such accrued retirement benefit, including early pension and qualified joint and survivor annuity amounts, duly accrued by the member as of the last day of the limitation year beginning in 1982, or as of the last day of the limitation year beginning in 1986, whichever is greater, disregarding any plan

changes or cost-of-living adjustments occurring after July 1, 1982, as to the 1982 accrued amount, and May 5, 1986, as to the 1986 accrued amount.

8. Effective for years beginning after December 31, 1997, if a member purchases service under Section 2-307.5 and/or Section 2-307.7 of this title, which qualifies as "permissive service credit" pursuant to Section 415(n) of the Internal Revenue Code of 1986, as amended, the limitations of Section 415 of the Internal Revenue Code of 1986, as amended, may be met by either:

- a. treating the accrued benefit derived from such contributions as an annual benefit under this section, or
- b. treating all such contributions as annual additions for purposes of Section 415(c) of the Internal Revenue Code of 1986, as amended.

9. Effective for years beginning after December 31, 1997, if a member repays to the System any amounts received because of his prior termination pursuant to paragraph 3 of subsection (b) of Section 2-307 of this title, such repayment shall not be taken into account for purposes of Section 415 of the Internal Revenue Code of 1986, as amended, pursuant to Section 415(k)(3) of the Internal Revenue Code of 1986, as amended.

For limitation years beginning on or after January 1, 1995, paragraphs 4, 5 and 6 of this subsection shall not apply to a benefit paid under the System as a result of the member becoming disabled by reason of personal injuries or sickness, or amounts received by the beneficiaries, survivors or estate of the member as the result of the death of the member.

~~C. For distributions made in limitation years beginning prior to January 1, 2000, if a member also participates, or has participated, in one or more defined contribution plans, within the meaning of Section 415(k) on or after January 1, 2000, the combined limit of repealed Section 415(e) of the Internal Revenue Code of 1986, maintained by a participating employer, the sum of the defined benefit plan fraction and defined contribution plan fraction, as defined in paragraphs 1 and 2 of this subsection, shall not exceed one. If, in any limitation year, the sum of the defined benefit plan fraction and the defined contribution plan fraction for a member would exceed one without adjustment of the amount of the maximum annual accrued retirement benefit that can be paid to such member pursuant to subsection B of this section, the amount of the maximum annual accrued retirement benefit that can be paid to such member pursuant to subsection B of this section shall be reduced to the extent necessary to reduce the sum of the defined benefit plan fraction and the defined contribution plan fraction for the member to one, or the Board may take such other action as will cause the sum to equal one or less. As used in this subsection:~~

~~1. "Defined benefit fraction" means a fraction:~~

- ~~a. the numerator of which is the projected annual accrued retirement benefit of the member from the System, determined as of the close of the limitation year, and~~

~~b. the denominator of which is the lesser of one hundred twenty-five percent (125%) of the dollar limitation under Section 415(b)(1)(A) of the Internal Revenue Code of 1986, as amended, or one hundred forty percent (140%) of the percentage limitation under Section 415(b)(1)(B) of the Internal Revenue Code of 1986, as amended, for the year of determination, taking into account the effect of Section 235(g)(4) of the Tax Equity and Fiscal Responsibility Act of 1982;~~

~~2. "Defined contribution fraction" means a fraction:~~

~~a. the numerator of which is the sum of the annual additions, as defined in Section 415(c)(2) of the Internal Revenue Code of 1986, as amended, to the accounts of the member under all defined contribution plans maintained by the participating municipalities as of the close of the limitation year, subject to reduction to the extent permitted under the transition rule in Section 235(g)(3) of the Tax Equity and Fiscal Responsibility Act of 1982, and~~

~~b. the denominator of which is the sum of the lesser of one hundred twenty-five percent (125%) of the dollar limitation under Section 415(c)(1)(A) of the Internal Revenue Code of 1986, as amended, or one hundred forty percent (140%) of the percentage limitation under Section 415(c)(1)(B) of the Internal Revenue Code of 1986, as amended, for such limitation year and for all prior limitation years during which the member was employed by an eligible employer. At the option of the Board, the denominator may be increased by using for limitation years ending prior to January 1, 1983, an amount equal to the denominator in effect for the limitation year ending in 1982, multiplied by the transition fraction provided in Section 415(c)(6)(B) of the Internal Revenue Code of 1986, as amended, shall not apply.~~

D. The Board is hereby authorized to revoke the special election previously made under Internal Revenue Code Section 415(b)(10).

SECTION 8. AMENDATORY 47 O.S. 2001, Section 2-307, is amended to read as follows:

Section 2-307. (a) In the event a member of the System obtains a leave of absence, of not to exceed ninety (90) days at any one time, because of injury or illness or for any personal reason other than the acceptance of other employment, his membership in the System shall not terminate and the period of such leave shall be counted toward retirement for length of service if, during such leave of absence or at the end thereof, he shall pay to the Fund an amount equal to the contributions which would have been deducted from his salary during such period if such leave of absence had not been obtained, but if such contributions are not paid during such leave or made up within thirty (30) days after the end of such leave, or if such leave of absence extends for more than ninety (90) days at any one time, the period of such leave shall not be counted toward length of service for retirement nor in computing the amount

of any pension or any retirement pay or any other benefits hereunder.

(b) In the event a member of the System obtains a leave of absence for the purpose of accepting other employment, or if a member resigns and during such resignation accepts other employment, his membership in the System shall terminate as of the date of the beginning of such leave. Provided, that if the membership of a member of the System shall have been terminated either by such leave of absence or by termination of employment, and such former member is reemployed, the Board, upon application therefor made in the same manner as an original application for membership in the System, may reinstate such membership. Such reinstated member shall be allowed full credit toward retirement for all service credit accrued up to the time of termination of membership if, but only if:

1. Such application for reinstatement is made within three (3) years from the date of such termination of such membership; and

2. Such reinstated member remains a member of the System for a period of five (5) consecutive years after reinstatement of membership; and

3. Such reinstated member reimburses the Fund, at the time application for reinstatement is made, with the amount of any portion of his membership contribution which has been refunded to him under the provisions of Section 2-308 of this title; and

4. Effective January 1, 2002, a lump-sum payment for repayment of any amount received because of a member's prior termination may be repaid by trustee-to-trustee transfers from a Section 403(b) annuity, an eligible Section 457(b) plan, and/or a Section 401(a) qualified plan.

The provisions of this subsection shall not apply to absences caused by such military service as may be considered as service for retirement for length of service under the provisions of subsection (c) of this section.

(c) In determining the eligibility of a member for retirement based upon length of service, any service in the Armed Forces of the United States or any component thereof between the 16th day of September, 1940, and the 30th day of June, 1954, and any service in the Armed Forces of the United States or any component thereof upon call of the President of the United States or of the Governor of the State of Oklahoma, together with such prior service, as would have been otherwise considered as service for retirement for length of service, shall be considered as service for length of service, provided that the member returns and files application for reinstatement as a member of the System within ninety (90) days after his release, or opportunity for release, from such Armed Forces or component thereof. If such member shall have been refunded any portion of his membership contributions as provided in Section 2-308 of this title, he shall be required to reimburse the Fund with the same amount at the time of his application for reinstatement in the System, before the reinstated member is given credit for accrued prior service. Provided, that in no event shall a member of the System who has entered such Armed Forces or component thereof prior to retirement be or become eligible for retirement for length of service unless he shall thereafter have

been reinstated as a member of the System as provided for herein, and thereafter remained a member for at least one (1) year after such reinstatement.

(d) Time spent on involuntary furlough by members pursuant to the rules of the Office of Personnel Management shall be credited.

(e) Notwithstanding any provisions herein to the contrary, contributions, benefits and service credit with respect to qualified military service shall be provided in accordance with Section 414(u) of the Internal Revenue Code of 1986, as amended.

SECTION 9. AMENDATORY 47 O.S. 2001, Section 2-307.1, is amended to read as follows:

Section 2-307.1 A. A member may receive service credit for not to exceed five (5) years of participating service accumulated by the member while an employee of a state agency if the member is not receiving or eligible to receive retirement benefits or credit for said service from the Oklahoma Public Employees Retirement System. B. As used in this section, "military service" means service in the Armed Forces of the United States in time of war or national emergency by honorably discharged persons who served as follows:

1. In the Armed Forces of the United States at any time during the period from April 6, 1917, to November 11, 1918, both dates inclusive;

b. August 5, 1964, and ended on May 7, 1975, in all other cases,

except that such period shall be deemed to have ended on December 31, 1976, when determining eligibility for education and training benefits; or

SECTION 12. AMENDATORY 47 O.S. 2001, Section 2-307.5, is amended to read as follows:

Section 2-307.5 A. The Board shall adopt rules for computation of the purchase price for transferred credited service. These rules shall base the purchase price for each year purchased on the actuarial cost of the incremental projected benefits to be purchased. The purchase price shall represent the present value of the incremental projected benefits discounted according to the member's age at the time of purchase. Incremental projected benefits shall be the difference between the projected benefit said member would receive without purchasing the transferred credited service and the projected benefit after purchase of the transferred credited service computed as of the earliest age at which the member would be able to retire. Said computation shall assume an unreduced benefit and be computed using interest and mortality assumptions consistent with the actuarial assumptions adopted by the Board for purposes of preparing the annual actuarial evaluation.

B. In the event that the member is unable to pay the purchase price provided for in this section by the due date, the Board shall permit the members to amortize the purchase price over a period not to exceed sixty (60) months. Said payments shall be made by payroll deductions unless the Board permits an alternate payment source. The amortization shall include interest in an amount not to exceed the actuarially assumed interest rate adopted by the Board for investment earnings each year. Any member who ceases to make payment, terminates, retires or dies before completing the payments provided for in this section shall receive prorated service credit for only those payments made, unless the unpaid balance is paid by said member, his or her estate or successor in interest within six (6) months after said member's death, termination of employment or retirement, provided no retirement benefits shall be payable until the unpaid balance is paid, unless said member or beneficiary affirmatively waives the additional six-month period in which to pay the unpaid balance. Notwithstanding anything herein to the contrary, effective January 1, 2002, lump-sum payments for transferred credited service purchases may be made by trustee-to-trustee transfers from a Section 403(b) annuity, an eligible Section 457(b) plan, and/or a Section 401(a) qualified plan. Members making installment payments on or after January 1, 2002, shall have the option of making lump-sum payments for the balance of the remaining payments by trustee-to-trustee transfers from a Section 403(b)

annuity, an eligible Section 457(b) plan, and/or a Section 401(a) qualified plan. The Board shall promulgate such rules as are necessary to implement the provisions of this subsection.

SECTION 13. AMENDATORY 47 O.S. 2001, Section 2-307.7, is amended to read as follows:

Section 2-307.7 A. A member of the Oklahoma Law Enforcement Retirement System who has ten (10) or more years of full-time-equivalent employment with a participating employer, and who is terminated by a state agency or other state governmental entity because the member's position is eliminated through a reduction-in-force after July 1, 1998, and is within three (3) years of a normal retirement date as defined in paragraph 7 of Section 2-300 of ~~Title 47 of the Oklahoma Statutes~~ this title may purchase termination credit of a period not to exceed the lesser of three (3) years or the number of years or months or both years and months required in order for the member to reach normal retirement date in the same period of time and with the same service credit which would have otherwise accrued if the termination had not occurred.

B. In order to receive the termination credit authorized by this section, the member shall be required to file an election with the System indicating an intent to purchase the credit. The member shall have a period of six (6) months from the date the member is terminated as described in subsection A of this section within which to file the election.

C. To purchase the termination credit, the member shall be required to make payment to the System of an amount equal to both the employer and employee contributions which would have been paid to the System based upon the actual paid base salary as defined in paragraph 8 of Section 2-300 of ~~Title 47 of the Oklahoma Statutes~~ this title, which was received by the member in the last full month that the member was employed by the state agency or other state governmental entity multiplied by the number of months required in order for the combination of the participating service and member's age to equal the amount required for the member to reach normal retirement date with an unreduced benefit as if the member had not been terminated.

D. The member must make full payment to the System of all required contribution amounts within sixty (60) days of filing the election to purchase the credit. The member must vest his or her benefits with a declared future retirement date as of the first month the member is eligible for normal retirement. Failure to make the full payment to the System of the required contribution amounts, for any reason, within the time prescribed, shall result in cancellation of the election provided pursuant to this section, and return of the purchase amount tendered, without interest. Notwithstanding anything herein to the contrary, effective January 1, 2002, lump-sum payments for termination credit purchases may be made by trustee-to-trustee transfers from a Section 403(b) annuity, an eligible Section 457(b) plan, and/or a Section 401(a) qualified plan. Members making installment payments on or after January 1, 2002, shall have the option of making lump-sum payments for all or part of the balance of the remaining payments by trustee-to-trustee transfers from a Section 403(b) annuity, an eligible Section 457(b) plan, and/or a Section 401(a) qualified plan.

E. Purchased termination credit may only be used as service credit to qualify the member for normal retirement.

F. If the member chooses to retire at any time prior to the member's normal retirement date or returns to employment with a participating employer of the System at any time prior to retirement, the purchase of termination credit pursuant to this section shall be void and the System will return the purchase amount tendered, without interest.

G. In the event of the death of the member prior to retirement, the member's spouse, if otherwise eligible for benefits pursuant to Section 2-306 of ~~Title 47 of the Oklahoma Statutes~~ this title, may elect to receive benefits which include the termination credit on the member's declared future retirement date, or may elect to receive a return of the purchase amount tendered, without interest.

SECTION 14. AMENDATORY 20 O.S. 2001, Section 1102.2, is amended to read as follows:

Section 1102.2 A. Any active member of the Uniform Retirement System for Justices and Judges who served in the Armed Forces of the United States, as defined in paragraph (23) of Section 902 of Title 74 of the Oklahoma Statutes, prior to membership in the Uniform Retirement System for Justices and Judges shall be granted service credit, not to exceed five (5) years, for those periods of active military service during which the member was a war veteran. Any active member of the Uniform Retirement System for Justices and Judges whose initial membership in the System began on or after July 1, 2000, may receive up to five (5) years of prior military service credit as otherwise provided in this section, only upon payment of the amount determined by the Board pursuant to Section 1103G of this title. For a person becoming a member of the System on or after July 1, 2003, if the military service credit authorized by this section is used to compute the retirement benefit of the member and the member retires from the System, such military service credit shall not be used to compute the retirement benefit in any other retirement system created pursuant to the Oklahoma Statutes and the member may receive credit for such service only in the retirement system from which the member first retires.

B. Effective December 12, 1994, and thereafter, a leave of absence on account of a period of qualified military service in the uniformed services of the United States within the meaning of Section 414(u)(5) of the federal Internal Revenue Code, followed by a return to service as a Justice or judge within ninety (90) days after completion of the period of service may be eligible for service credit under this System. Any member who served in the Armed Forces of the United States, as defined in paragraph (23) of Section 902 of this title, prior to membership in the Oklahoma Public Employees Retirement System shall be granted prior service credit, not to exceed five (5) years, for those periods of active military service during which he or she was a war veteran. For a member of the System hired on or

after July 1, 2003, if the military service credit authorized by this paragraph is used to compute the retirement benefit of the member and the member retires from the System, such military service credit shall not be used to compute the retirement benefit in any other retirement system created pursuant to the Oklahoma Statutes and the member may receive credit for such service only in the retirement system from which the member first retires;

4. An elective state, county, city or town official who is ineligible for membership as a result of any applicable state law or constitutional provision making him or her ineligible solely because of his or her being such an official at the time of his or her eligibility for membership at the time his or her employer becomes a participating employer shall nevertheless not forfeit the prior service credit to which he or she would be entitled except for such ineligibility, provided that he or she either:

- a. becomes an employee of a participating employer within four (4) calendar months of the expiration of his or her term of office current at the time of his or her eligibility except for his or her being an elective state or county official, or
- b. within a period of four (4) years after the expiration of his or her term of office current at the time of his or her eligibility except for his or her being an elective state or county official, is elected as a state or county official and thereupon becomes a member of the System, or

5. Beginning July 1, 1965, all employees of the Department of Human Services shall participate in the Oklahoma Public Employees Retirement System to the same extent as other employees of participating employers in such System. Provided, that any employee performing teaching services in the Oklahoma School for the Deaf or the Oklahoma School for the Blind may elect to participate in the Teachers' Retirement System of Oklahoma in lieu of the Oklahoma Public Employees Retirement System; and any other employee at each such institution or any other institution under the jurisdiction of the Department of Human Services, participating in the Teachers' Retirement System of Oklahoma, may elect to continue to participate in such system in lieu of the Oklahoma Public Employees Retirement System. All employees who shall have participated in the Teachers' Retirement System of Oklahoma and not continuing therein shall have the right to withdraw their membership from the Teachers' Retirement System of Oklahoma on the same terms as other members withdrawing from such System before retirement. Provided, all persons employed at the Oklahoma School for the Blind and Oklahoma School for the Deaf on June 30, 1965, who became subject to the Oklahoma Public Employees Retirement System, on July 1, 1965, shall receive credit for prior service and be eligible for participation, regardless of age;

6. A member employed as a temporary employee by the Legislative Service Bureau or its predecessors, the State Senate or the House of

Representatives for the full duration of a regular legislative session prior to the member's eligibility for membership in the System shall receive six (6) months of prior service credit for each such full regular legislative session if the employee is employed by the Legislative Service Bureau or its predecessors, the State Senate or the House of Representatives as either a full-time or temporary employee for a minimum of six (6) full regular legislative sessions beginning January 1, 1983. For purposes of this subsection, the determination of whether an employee is employed for the full duration of a regular legislative session shall be made by the Legislative Service Bureau if such employee is employed by the Legislative Service Bureau, the State Senate if such employee is employed by the State Senate, or by the House of Representatives if such employee is employed by the House of Representatives;

7. A member of the System shall receive prior service credit for any years of service after January 1, 1975, the member had with a participating employer if the member is not receiving or eligible to receive such prior service credit for the same time in any other state or county retirement system authorized by law. To receive the service credit, the member shall pay the amount determined by the Board pursuant to Section 913.5 of this title~~;~~ and

8. Any member who is a state employee and receives temporary total disability benefits during the period of absence with a participating employer due to a work-related injury or illness incurred while engaged in a governmental function for said participating employer pursuant to the Workers' Compensation Act shall receive credit for participating service during said period of absence subject to the following requirements:

- a. the member was employed by the participating employer immediately prior to and during the period of absence,
- b. the member must notify the System in writing not later than four (4) months after the member's return to his or her job duties with the participating employer, or termination of employment with the participating employer, or termination of the temporary total disability benefits, whichever is earlier, of the member's desire to receive participating service credit for the period of absence,
- c. the participating employer must certify to the System in writing the dates during which temporary total disability benefits payments were paid to the member, and
- d. the member and the participating employer shall each pay their respective contributions required for the period of absence without interest within sixty (60) days of invoicing by the System, or with interest of seven and one-half percent (7 1/2%) compounded annually if paid after said sixty (60) days.

B. Participating service shall be credited as follows:

1. A member shall receive credit for participating service with a participating employer in accordance with the rules and regulations established by the Board; provided, however, that a

member who is not a full-time employee shall receive prorated credit for actual hours worked;

2. Leaves of absence shall not count as a break in continuous employment provided the member leaves his or her accumulated contribution on deposit with the fund; however, the leaves of absence shall not be credited except that involuntary furloughs established by Office of Personnel Management rules shall be credited;

3. Any member who has served in the Armed Forces of the United States, as defined in paragraph (23) of Section 902 of this title, shall be granted participating service for those periods of active military service during which he or she was a war veteran provided this service is immediately preceded by a period of employment with a participating employer and is followed by return to employment as an employee with the same or another participating employer within ninety (90) days immediately following discharge from such military service provided the member leaves his or her accumulated contributions on deposit with the fund;

4. A period of total disability under the System immediately followed by employment with a participating employer, shall not count as a break in continuous employment; provided, that such periods while not employed shall not be credited except that involuntary furloughs established by Office of Personnel Management Rule 6.13, shall be credited;

5. Termination of employment with a participating employer followed by employment with the same or another participating employer within four (4) calendar months shall not constitute a break in continuous employment; provided, that such period while not employed shall not be credited as participating service;

6. Provided, however, that all employee contributions required by this act made by employees prior to June 30, 1977, will entitle the employee to additional years of participating service in accordance with the following schedule.

Employee accumulated contributions:

More than \$1.00 up to \$500 = 1 year participating service

More than \$500 up to \$1,000 = 2 years participating service

More than \$1,000 up to \$1,500 = 3 years participating service

More than \$1,500 up to \$2,000 = 4 years participating service

More than \$2,000 = 5 years participating service

In no event shall the employee be entitled to more than five (5) additional years of participating service as provided hereunder.

Provided further, that upon termination of employment prior to retirement, the accumulated contributions will be credited as above indicated to establish a vested benefit if so elected by any such employee; and

7. The total participating service credit of a member who retires or terminates employment and elects a vested benefit shall include not to exceed one hundred thirty (130) days of unused sick leave accumulated subsequent to August 1, 1959, during the member's employment with any participating employer. Such credit shall be added in terms of whole months. Twenty (20) days of unused sick leave shall equal one (1) month for purposes of participating service credit. If unused sick leave entitles a member to an additional year of service credit, the member's employer shall reimburse the System for the cost of funding the additional reserve. Each participating employer shall provide the System with adequate and timely information necessary to determine additional benefits and its cost under this paragraph. This paragraph shall apply to members retiring or vesting on or after July 1, 1984.

C. In determining the number of years of credited service, a fractional year of six (6) months or more shall be considered as one (1) year, and less than six (6) months shall be disregarded.

D. A member may receive credit for those years of credited service accumulated by the member while a member of the Oklahoma Firefighters Pension and Retirement System, the Oklahoma Police Pension and Retirement System, the Uniform Retirement System for Justices and Judges, the Oklahoma Law Enforcement Retirement System, or the Teachers' Retirement System of Oklahoma, if the member is not receiving or eligible to receive retirement credit or benefits from said service in any other public retirement system. To receive the service credit, the member shall pay the amount determined by the Board pursuant to Section 913.5 of this title.

E. A member may receive credit for those years of service accumulated by the member as an elected official if the member is not receiving or eligible to receive retirement credit or benefits from said service in any public retirement system. Prior to January 1, 1991, to receive the service credit, the member shall pay to the Board for each year of service purchased pursuant to this subsection a sum equal to the employee and employer contribution rate that would have been applicable to the member as determined by the Board and interest of not to exceed five percent (5%), and effective January 1, 1991, to receive the service credit, the member shall pay the amount determined by the Board pursuant to Section 913.5 of this title.

F. Effective December 12, 1994, and thereafter, a leave of absence on account of a period of qualified military service in the uniformed services of the United States within the meaning of Section 414(u)(5) of the federal Internal Revenue Code, followed by a return to employment with the participating employer within ninety (90) days after completion of the period of service may be eligible for credited service under this System. Notwithstanding any provision of this plan to the contrary, contributions, benefits and service credit with respect to qualified military service will be allowed in accordance with Section 414(u) of the federal Internal Revenue Code.

G. 1. An active member of the Oklahoma Public Employees Retirement System may receive credit for those years of service accumulated by the member while a member of the Teachers' Retirement System of Oklahoma if:

- a. the member is an active member of the Oklahoma Public Employees Retirement System, and
- b. the member provides notice to the Teachers' Retirement System of Oklahoma and the Oklahoma Public Employees Retirement System of the member's election to transfer said retirement credit. The notice shall include a list of the years to be transferred, and
- c. the member is not receiving or eligible to receive retirement credit or benefits from said service in any other public retirement system, notwithstanding the years of service sought to be transferred under this subsection.

Members electing to take advantage of the transfer authorized by this subsection who are receiving or eligible to receive retirement credit or benefits from said service in any other public retirement system shall have all service credit with the Teachers' Retirement System of Oklahoma canceled which is not transferred to the Oklahoma Public Employees Retirement System or used as a cash offset in such a transfer pursuant to subparagraph d of paragraph 2 of this subsection. Service credit transferred to the Teachers' Retirement System of Oklahoma under this subsection shall also be canceled with the Oklahoma Public Employees Retirement System.

2. For purposes of this subsection, the "sending system" shall mean the Teachers' Retirement System of Oklahoma. The "receiving system" shall mean the Oklahoma Public Employees Retirement System.

- a. Within thirty (30) days notification of an intent to transfer is received by the sending system, the sending system shall, according to its own rules and regulations:
 - (1) for members who have vested with the sending system, determine the present value of the member's earned benefits attributable to the years of service sought to be transferred, discounted according to the member's age at the time of transfer and computed as of the earliest age at which the member would be able to retire. Said computation shall assume an unreduced benefit and be computed using interest and mortality assumptions consistent with the actuarial assumptions adopted by the Board of Trustees for purposes of preparing the annual actuarial evaluation but shall not make any projections regarding future salary. For vested employees the sending system shall use the product of this calculation for purposes of determining the transfer fee to be paid by the employee under subparagraph c of this paragraph so long as it is greater than the product of the calculation in this division, and
 - (2) determine the sum of the employee and employer contributions applicable to the years of service sought to be transferred plus interest consistent with the actuarial assumptions adopted by the

Board of Trustees for purposes of preparing the annual actuarial evaluation. For all nonvested members, and for vested members if the product of this calculation is greater than the product of the calculation in division (1) of this subparagraph, the sending system shall use the product of this calculation for purposes of determining the amount to be transferred by the sending system under subparagraph c of this paragraph and any transfer fee to be paid by the members under subparagraph d of this paragraph.

- b. Within thirty (30) days notification of an intent to transfer is received by the receiving system, the receiving system shall determine, according to the system's own rules and regulations, the present value of the member's incremental projected benefits discounted according to the member's age at the time of the transfer. Incremental projected benefits shall be the difference between the projected benefit said member would receive without transferring the service credit and the projected benefit after transfer of service credit computed as of the earliest age at which the member would be able to retire. Said computation shall assume an unreduced benefit and be computed using interest, salary projections and mortality assumptions consistent with the actuarial assumptions adopted by the Board of Trustees for purposes of preparing the annual actuarial evaluation.
- c. The sending system shall, within sixty (60) days from the date notification of an intent to transfer is received by the sending system, transfer to the receiving system the amount determined in subparagraph a of this paragraph. Except, if the cost under subparagraph a of this paragraph for the same years of service to the sending system is greater than the actuarial value of the incremental benefit in the receiving system, as established in subparagraph b of this paragraph, the sending system shall send the receiving system an amount equal to the actuarial value of the incremental projected benefit in the receiving system.
- d. In order to receive the credit provided for in paragraph 1 of this subsection, if the cost of the actuarial value of the incremental benefit to the receiving system is greater than the cost as calculated under subparagraph a of this paragraph for the same years of service to the sending system as established in subparagraphs a and b of this paragraph, the employee shall elect to:
 - (1) pay any difference to receive full credit for the years sought to be transferred, or
 - (2) receive prorated service credit for only the amount received from the Teachers' Retirement System of Oklahoma pursuant to this subsection.

Such an election shall be made in writing, filed with the System prior to receiving the credit provided for in paragraph 1 of this subsection, and shall be irrevocable.

3. Within sixty (60) days of successfully completing all of the requirements for transfer under this subsection, the sending system shall pay the receiving system any amount due under this subsection. Within sixty (60) days of successfully completing all of the requirements for transfer under this subsection, the member shall pay the receiving system any amount due under this subsection. In the event that the member is unable to pay the transfer fee provided for in this subsection by the due date, the Board of Trustees of the receiving system shall permit the member to amortize the transfer fee over a period not to exceed sixty (60) months. Said payments shall be made by payroll deductions unless the Board of Trustees permits an alternate payment source. The amortization shall include interest in an amount not to exceed the actuarially assumed interest rate adopted by the Board of Trustees for investment earnings each year. Any member who ceases to make payment, terminates, retires or dies before completing the payments provided for in this section shall receive prorated service credit for only those payments made, unless the unpaid balance is paid by said member, his or her estate or successor in interest within six (6) months after said member's death, termination of employment or retirement, provided no retirement benefits shall be payable until the unpaid balance is paid, unless said member or beneficiary affirmatively waives the additional six-month period in which to pay the unpaid balance.

4. Years of service transferred pursuant to this subsection shall be used both in determining the member's retirement benefit and in determining the years of service for retirement and/or vesting purposes. Years of service rendered as a member of the Teachers' Retirement System of Oklahoma prior to July 1, 1992, if any, shall be deemed to be years of service rendered as a member of the Oklahoma Public Employees Retirement System prior to July 1, 1992, and shall qualify such person as a member of the Oklahoma Public Employees Retirement System before July 1, 1992.

5. Notwithstanding the requirements of Section 17-104 of Title 70 of the Oklahoma Statutes, members electing to take advantage of the transfer authorized by this subsection who have withdrawn their contributions from the sending system shall remit to the sending system the amount of the accumulated contributions the member has withdrawn plus simple interest of ten percent (10%) per annum prior to making said election or the election shall be deemed invalid and the transfer shall be canceled. If such an election is deemed invalid and the transfer is canceled, the accumulated contribution remitted to the sending system by the member who originally withdrew their contributions shall be returned to the member. The member's rights and obligations regarding any service credit reestablished in the sending system due to a failure to satisfy the requirements of this subsection shall be determined by the sending system in accordance with Section 17-101 et seq. of Title 70 of the Oklahoma Statutes.

6. If any member fails for any reason to satisfy the requirements of this subsection, the election to transfer retirement credit shall be void and of no effect, and any retirement credited as a result of this transfer shall be canceled. If such retirement

credit is canceled, the years of canceled retirement credit which were unsuccessfully transferred to the receiving system from the sending system shall be reestablished in the sending system. The member's rights and obligations regarding any retirement credit reestablished in the sending system due to a failure to satisfy the requirements of this subsection shall be determined by the sending in accordance with Section 17-101 et seq. of Title 70 of the Oklahoma Statutes.

7. The Board of Trustees shall promulgate such rules as are necessary to implement the provisions of this subsection.

H. 1. A member of the Teachers' Retirement System of Oklahoma whose last service with the Teachers' Retirement System of Oklahoma was with an entity or institution within The Oklahoma State System of Higher Education, State Board of Education, State Board of Vocational and Technical Education, Oklahoma Department of Vocational and Technical Education, Oklahoma School of Science and Mathematics, Oklahoma Center for the Advancement of Science and Technology, State Department of Rehabilitation Services, Oklahoma State Regents for Higher Education, Department of Corrections, State Department of Education, Oklahoma Board of Private Vocational Schools, Board of Regents of Oklahoma Colleges, Oklahoma Student Loan Authority, or the Teachers' Retirement System of Oklahoma, may elect to receive credit for those years of service accumulated by the member in the Teachers' Retirement System of Oklahoma, pursuant to this subsection. A member shall be eligible to elect to transfer credit for such years of service from the Teachers' Retirement System of Oklahoma to the Oklahoma Public Employees Retirement System if:

- a. the member is an active member of the Oklahoma Public Employees Retirement System,
- b. the member provides notice to the Teachers' Retirement System of Oklahoma and the Oklahoma Public Employees Retirement System of the member's election to transfer such retirement credit. The notice shall include a list of the years to be transferred, and
- c. the member is not receiving or eligible to receive retirement credit or benefits from such service in any other public retirement system, notwithstanding the years of service sought to be transferred under this subsection.

Members electing to take advantage of the transfer authorized by this subsection shall have all service credit with the Teachers' Retirement System of Oklahoma canceled which is transferred to the Oklahoma Public Employees Retirement System.

2. For purposes of this subsection, the "sending system" shall mean the Teachers' Retirement System of Oklahoma. The "receiving system" shall mean the Oklahoma Public Employees Retirement System.

Within thirty (30) days after notification of an intent to transfer is received by the sending system, the sending system shall, according to its own rules, send to the receiving system all employer and employee contributions made on behalf of the member which were made to the sending system plus an additional amount of

earnings based on the actuarial assumed rate of the sending system. Upon receipt of these contributions by the receiving system, the receiving system shall give credit to the transferring member in an amount equal to the years of service accrued in the sending system.

3. If the transferring member's normal retirement date calculation is based upon the sum of the member's age and number of years of credited service totaling eighty (80) in the sending system, then the member shall retain such calculation in the receiving system.

4. The Board of Trustees shall promulgate such rules as are necessary to implement the provisions of this subsection.

I. A member of the System in the employment of the Governor, the State Senate or the House of Representatives, on or after July 1, 1999, may make an election prior to December 31, 2000, which shall be irrevocable and on a form prescribed for such purpose by the System, to continue participation in the System upon becoming employed by a participating employer of the Teachers' Retirement System of Oklahoma. The Board shall promulgate all rules necessary to implement the provisions of this subsection.

SECTION 18. AMENDATORY 74 O.S. 2001, Section 913.8, is amended to read as follows:

Section 913.8 A. Any active member of the Oklahoma Public Employees Retirement System whose initial membership in the System began on or after July 1, 2000, may receive up to five (5) years of prior or participating military service credit as otherwise provided in this act, only upon payment of the amount determined by the Board pursuant to Section 913.5 of this title.

B. For a member of the System hired on or after July 1, 2003, if the military service credit authorized by this section is used to compute the retirement benefit of the member and the member retires from the System, such military service credit shall not be used to compute the retirement benefit in any other retirement system created pursuant to the Oklahoma Statutes and the member may receive credit for such service only in the retirement system from which the member first retires.

SECTION 19. AMENDATORY 74 O.S. 2001, Section 917, as last amended by Section 96 of Enrolled House Bill No. 1816 of the 1st Session of the 49th Oklahoma Legislature, is amended to read as follows:

Section 917. (1) Upon termination of employment with a participating employer, not followed by employment with such participating employer, or another participating employer, within four (4) calendar months, the member shall be paid an amount equal to the amount of money he or she has paid into the System upon the filing of the proper application with the System. Payment of these accumulated contributions may be made in less than four (4) calendar months only in the event that a member is not eligible to elect a vested benefit pursuant to this section and said member is terminally ill, as evidenced by a physician's certification that the member is not expected to live beyond four (4) months.

(2) If such member has completed eight (8) years of credited service at date of termination or if the member is a legislative session employee of the Legislature or if the employee is a session employee employed by the Legislative Service Bureau, four (4) years of credited service at date of termination, he may elect a vested benefit in lieu of receiving his accumulated contributions. The amount of the vested benefit shall commence at the normal retirement date and shall be paid monthly during the lifetime of the retirant with the last payment made on the last day of the month in which death occurs.

(3) Upon death before the normal or early retirement date of a member who has elected a vested benefit, his accumulated contributions shall be paid to his beneficiary unless the spouse of the deceased member ~~is the beneficiary and~~ elects monthly benefits as provided for in Section 918 of this title.

(4) Upon death after the normal or early retirement date of a retirant who elected a vested benefit without an option, the excess, if any, of his accumulated contributions over the sum of all payments of the vested benefit made to date of death shall be paid to his beneficiary.

(5) If a former employee, who meets the eligibility requirements for membership, returns to employment after the expiration of four (4) calendar months following the termination of his employment and the employee has withdrawn his accumulated contributions, he may pay to the System the sum of the accumulated contributions he has withdrawn plus interest of not to exceed ten percent (10%), as determined by the Board, and shall receive the same benefits as if he had never withdrawn his contributions. No member shall be permitted to take advantage of the payback for restoration of creditable service more than one time. If a member, who has elected a vested benefit, or a reemployed member, who has not withdrawn the member's contributions, again becomes an employee of a participating employer, the period of absence shall not be counted as a break in service; however, the period of absence shall not be credited.

(6) Prior to January 1, 1991, members, who at the time of employment were ineligible for membership into the System due to their age, shall receive benefits for the period of ineligibility if the employer and employee contributions are paid the System for that ineligible period. No interest shall be paid on a payback of this type. However, effective January 1, 1991, to receive benefits, the member shall pay the amount determined by the Board pursuant to Section 913.5 of this title.

(7) When any error in calculation or participation coverage to a prior or current employee exists, it shall be the responsibility of the participating employer which made the error to pay the amount determined by the Board pursuant to Section 913.5 of this title. This obligation of the participating employer to pay the amount due pursuant to this section shall be considered a current obligation of the employer until the amount is paid in full, regardless of the dates of the periods of service.

(8) Upon application to the Board and payment as determined by the Board, a member of the System may receive service credit for those years of service that the member was eligible to receive

service credit from the Teachers' Retirement System of Oklahoma. To receive the service credit, the member shall pay the amount determined by the Board pursuant to Section 913.5 of this title.

(9) Upon the death of a retired member, the benefit payment for the month in which the retired member died, if not previously paid, shall be made to the beneficiary of the member or to the member's estate if there is no beneficiary. Such benefit payment shall be made in an amount equal to a full monthly benefit payment regardless of the day of the month in which the retired member died.

(10) Subject to the provisions of Sections 918 and 918.1 of this title, if there are two or more beneficiaries designated by the member, upon the member's death, the System shall pay any applicable benefits to any of the beneficiaries that have completed all required paperwork regardless of whether or not all beneficiaries have completed such paperwork.

SECTION 20. This act shall become effective July 1, 2003.

SECTION 21. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
