Senate Bill No. 308
As Amended

SENATE BILL NO. 308 - By: EASLEY of the Senate and RICE of the House.

[Oklahoma Municipal Power Authority - Oklahoma Municipal Power Authority Act - modifying definition - emergency]

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 11 O.S. 2001, Section 24-105, is amended to read as follows:

Section 24-105. Definitions. As used in this act the following words shall have the following meanings unless the context clearly indicates otherwise:

(a) "Authority" shall mean the Oklahoma Municipal Power Authority hereby created and any successor or successors thereto. Any change in name or composition of the Authority shall in no way affect the vested rights of any person under the provisions of this act or impair the obligations of any contracts existing under this act.

(b) "Board of Directors" shall mean the Board of Directors elected by the election committee as set forth in Section 4 of this act which shall exercise all the powers and manage and control all the affairs and property of the Authority unless otherwise

1 specifically provided herein or in the bylaws of the Authority as in
2 effect from time to time.

3 (c) "Bonds" shall mean any revenue bonds, notes or other
4 evidences of obligations of the Authority issued by the Authority
5 under the provisions of this act, including, without limitation,
6 bond anticipation notes and refunding bonds.

7 (d) "Eligible public agency" shall mean any municipality,
8 authority or other public body which owns, maintains or operates an
9 electrical energy generation, transmission or distribution system
10 within the State of Oklahoma ~~on the date on which this act becomes~~
11 ~~law.~~

12 (e) "Person" shall mean (i) any natural person; (ii) any
13 eligible public agency as defined herein; (iii) any public trust as
14 defined herein; (iv) the United States, any state, any municipality,
15 political subdivision, municipal corporation, unit of local
16 government, governmental unit or public corporation created by or
17 pursuant to the laws of the United States or any state, or any
18 board, corporation or other entity or body declared by the laws of
19 the United States or any state to be a department, agency or
20 instrumentality thereof; (v) any corporation, not for profit
21 corporation, firm, partnership, cooperative association, electric
22 cooperative or business trust of any nature whatsoever organized and
23 existing under the laws of the United States or any state; or (vi)

1 any foreign country, any political subdivision or governmental unit
2 of any foreign country or any corporation, not for profit
3 corporation, firm, partnership, cooperative association, electric
4 cooperative or business trust of any nature whatsoever organized and
5 existing under the laws of any foreign country or of any political
6 subdivision or governmental entity thereof.

7 (f) "Project" shall mean any plant, works, system, facilities
8 and real and personal property of any nature whatsoever, together
9 with all parts thereof and appurtenances thereto, located within or
10 without the State of Oklahoma, used or useful in the generation,
11 production, transmission, purchase, sale, exchange or interchange of
12 electrical energy and in the acquisition, extraction, processing,
13 transportation or storage or of fuel of any kind for any such
14 purposes or any interest in, or right to the use, services, output
15 or capacity, of any such plant, works, system or facilities;
16 provided, however, a project shall not include (i) any interest in
17 any plant for the generation of electrical energy which is to be
18 owned jointly with any investor-owned utility if such plant is not
19 existing on May 10, 1981, or (ii) any interest in any nuclear
20 powered generating plant. For purposes of this definition, a plant
21 shall be considered to be existing if construction shall have been
22 commenced at the plant site, if orders have been placed for major
23 components of equipment or if the plant is to consist of an

1 additional unit at the site of an already existing unit which will
2 use in common any of the existing facilities at such site.

3 (g) "Public trust" shall mean any public trust created and
4 existing under the provisions of the Trusts for Furtherance of
5 Public Functions Law, as provided by Sections 176 et seq. of Title
6 60 of the Oklahoma Statutes, and the Oklahoma Trust Act, as provided
7 by Sections 175 et seq. of Title 60 of the Oklahoma Statutes, which
8 has as its beneficiary a municipality and which owns, maintains or
9 operates an electrical energy generation, transmission or
10 distribution system serving the residents and consumers of such
11 municipality and existing on the date on which this act becomes law
12 or created hereafter with an eligible public agency as the
13 beneficiary.

14 SECTION 2. It being immediately necessary for the preservation
15 of the public peace, health and safety, an emergency is hereby
16 declared to exist, by reason whereof this act shall take effect and
17 be in full force from and after its passage and approval.
