- c. health care services for indigent and nonindigent populations;

2. Act as a vehicle for securing funds for education, indigent medical care, trauma, emergency and other health care services and

graduate medical education within the hospital district served by a public trust authority and for graduate medical education, if a medical school is within the hospital district served by a public trust authority; and

3. Coordinate the delivery and efficiency of health care services within the hospital district established pursuant to the Oklahoma Community Hospitals Public Trust Authorities Act.

F. Each public trust authority may contract for medically indigent health care services with participating health care systems.

G. No appropriation of state funds shall be made to any public trust authority. Each public trust authority may receive the funds it may be entitled to receive pursuant to the Medicaid program as administered by the Oklahoma Health Care Authority.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3250.4 of Title 63, unless there is created a duplication in numbering, reads as follows:

Hospitals within their participating health care system:

1. Shall be licensed by the State Department of Health and shall meet the standards, requirements and essentials of the Joint Commission of Accreditation of Health Care Organizations and the American Osteopathic Association. Provided, the State Commissioner of Health may waive any such standards, requirements and essentials as the Commissioner deems necessary;

2. May provide services and receive payments therefor pursuant to Titles XVIII and XIX of the federal Social Security Act, and may participate in other federal medical programs; and

3. Shall be available as teaching and training hospitals for Oklahoma State University College of Osteopathic Medicine and the University of Oklahoma College of Medicine, and other health and educational facilities, and shall provide indigent patient health care consistent with their past policies and performance.
