Section 8B. Despite any provision to the contrary, the fair cash value of any parcel of locally assessed real property shall not increase by more than ~~five percent (5%)~~ two percent (2%) in any taxable year. and thereafter for counties which are in compliance with the applicable law or administrative regulations governing valuation of locally assessed real property as of such date. The provisions of this section shall not apply to any personal property which may be taxed ad valorem or any property which may be valued or assessed by the State Board of Equalization.

THE GIST OF THE PROPOSITION IS AS FOLLOWS:

This measure amends the Oklahoma Constitution. It amends Section 8B of Article 10. The law limits the amount by which the value of locally assessed real property can be increased for property tax purposes. Currently, the limit is five percent (5%) each year. This measure would change the limit to two percent (2%) each year. This change would be effective for assessments made in 2005 and thereafter. There are exceptions to this rule now. The exceptions would still be applicable. The rule would not apply if improvements are made to property. The rule would not apply if the property is sold.

AGAINST THE PROPOSAL — NO _____

SECTION 3. The Chief Clerk of the House of Representatives, immediately after the passage of this resolution, shall prepare and file one copy thereof, including the Ballot Title set forth in SECTION 2 hereof, with the Secretary of State and one copy with the Attorney General.
