An Act relating to revenue and taxation; authorizing income tax credit for purchase of poultry litter; specifying amount of credit; prescribing requirements for credit eligibility; providing for timing of claim for credit; requiring compliance with Animal Waste Management Plan; authorizing carryover of credit; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2357.66 of Title 68, unless there is created a duplication in numbering, reads as follows:

A. For taxable years beginning after December 31, 2003, and ending on or before December 31, 2008, there shall be allowed a credit against the tax imposed by Section 2355 of Title 68 of the Oklahoma Statutes for the purchase of poultry litter. The credit shall be available to the purchaser of the poultry litter and shall equal Five Dollars (\$5.00) per ton purchased. In order to qualify for this credit:

1. The poultry litter shall be purchased from a poultry operation registered with the State Board of Agriculture and located within an environmentally sensitive and nutrient-limited watershed area as defined in the most recent Oklahoma Water Quality Standards;

2. The poultry litter shall be used or spread in a watershed that is not environmentally sensitive and nutrient-limited as defined in the most recent Oklahoma Water Quality Standards; and

3. The poultry litter shall be applied by a certified poultry waste applicator as defined by Section 10-9.1 of Title 2 of the Oklahoma Statutes and in accordance with the provisions of Sections 10-9.16 through 10-9.21 of Title 2 of the Oklahoma Statutes and any rules promulgated by the Oklahoma Department of Agriculture, Food, and Forestry.

B. The credit allowed by this section shall be available to the taxpayer in the year in which the poultry litter was purchased, provided the taxpayer is found by the Oklahoma Department of Agriculture, Food, and Forestry to have applied the poultry litter in a manner consistent with an Animal Waste Management Plan, as defined in Section 10-9.1 of Title 2 of the Oklahoma Statutes, specifically designed to restore and protect beneficial uses from impairment from nutrients. If the credit exceeds the amount of income taxes due or if there are no state income taxes due on the income of the taxpayer, the amount of the credit not used as an offset against the income taxes for a year may be carried forward as a credit against subsequent income tax liability for a period not to exceed five (5) years.

SECTION 2. This act shall become effective January 1, 2004.
