

STATE OF OKLAHOMA

1st Session of the 49th Legislature (2003)

SENATE BILL 598

By: Wilcoxson

AS INTRODUCED

An Act relating to schools; amending 70 O.S. 2001, Section 11-103.6, as last amended by Section 4, Chapter 453, O.S.L. 2002 (70 O.S. Supp. 2002, Section 11-103.6), which relates to high school graduation curriculum requirements; requiring contextual mathematics and science courses taught at technology center schools to be taught by teachers certified in the secondary subject area; deleting redundant terms; providing an effective date; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 70 O.S. 2001, Section 11-103.6, as last amended by Section 4, Chapter 453, O.S.L. 2002 (70 O.S. Supp. 2002, Section 11-103.6), is amended to read as follows:

Section 11-103.6 A. The State Board of Education shall adopt curricular standards for instruction of students in the public schools of this state that are necessary to ensure there is attainment of desired levels of competencies in a variety of areas to include language, mathematics, science, social studies and communication. All students shall gain literacy at the elementary and secondary levels through a core curriculum. Students must develop skills in reading, writing, speaking, computing and critical thinking. - d. Anthropology, or
- e. other social studies courses with content and/or rigor equal to or above United States History, United States Government, and Oklahoma History; and

5. Arts - 2 units or sets of competencies which may include, but are not limited to, courses in Visual Arts and General Music.

C. In addition to the ~~15~~ units or sets of competencies of core curriculum requirements established in subsection B of this section, in order to graduate from a public high school accredited by the State Board of Education students shall complete any additional course requirements or recommended elective courses as may be established by the State Board of Education and the local school board. School districts shall strongly encourage students to complete two units or sets of competencies of foreign languages.

D. No student shall receive credit for high school graduation more than once for completion of the same unit or set of competencies to satisfy the core curriculum requirements of subsection B.

E. A school district shall not be required to offer every course listed in subsection B of this section, but shall offer sufficient courses to allow a student to meet the graduation requirements during the secondary grade years of the student.

F. For purposes of this section:

1. "Contextual methodology" means academic content and skills taught by utilizing real-world problems and projects in a way that helps students understand the application of that knowledge;

2. "Qualified agricultural education courses" means courses that have been determined by the State Board of Education to offer the sets of competencies in the Priority Academic Student Skills (PASS), as adopted by the Board, for one or more science content areas and which correspond to academic science courses. Qualified agricultural education courses shall include, but are not limited to, Horticulture, Plant and Soil Science, Natural Resources and Environmental Science, and Animal Science. The courses shall be taught by teachers certified in agricultural education and comply with all rules of the Oklahoma Department of Career and Technology Education;

3. "Rigor" means a level of difficulty that is appropriate for the grade level and that meets state and/or national standards;

4. "Sets of competencies" means those skills and competencies that are specified in the Priority Academic Student Skills (PASS), as adopted by the State Board of Education, subchapter 5, Chapter 15, Title 210 of the Oklahoma Administrative Code, and other skills and competencies adopted by the Board; and

5. "Unit" means a Carnegie Unit as defined by the North Central Association's Commission on Schools.

G. 1. The State Board of Education shall adopt a plan to ensure that rigor is maintained in the content, teaching methodology, level of expectations for student achievement, and application of learning in all the courses taught to meet the graduation requirements as specified in subsection B of this section.

2. The State Board of Education shall allow as much option at the ~~local~~ district level as is possible without diminishing the rigor or undermining the intent of providing these courses. To accomplish this purpose, the State Department of Education shall work with ~~local~~ school districts in reviewing and approving courses taught by districts that are not specifically listed in subsection B of this section. ~~Local~~ District options may include, but shall not be limited to, courses taken by concurrent enrollment, advanced placement, or correspondence, or courses bearing different titles.

3. If a student enrolls in a concurrent course, the school district shall not be responsible for any costs incurred for that course, unless the school district does not offer enough course selection during the student's secondary grade years to allow the student to receive the courses needed to meet the graduation requirements of subsection B of this section. If the school district does not offer the necessary course selection during the student's secondary grade years, it shall be responsible for the

cost of resident tuition at an institution in The Oklahoma State System of Higher Education, fee, and books for the concurrent enrollment course, and providing for transportation to and from the institution to the school site.

It is the intent of the Legislature that for students enrolled in a concurrent enrollment course which is paid for by the school district pursuant to this paragraph, the institution charge only the supplementary and special service fees that are directly related to the concurrent enrollment course and enrollment procedures for that student. It is further the intent of the Legislature that fees for student activities and student service facilities, including the student health care and cultural and recreational service fees, not be charged to such students.

4. Credit for the units or sets of competencies required in subsection B of this section shall be given when such units or sets of competencies are taken in the seventh or eighth grades if the teachers are certified or authorized pursuant to Section 6-189.1 of this title to teach the subjects for high school credit and the required rigor is maintained. All units or sets of competencies required for graduation may be taken in any sequence recommended by the ~~local~~ school district.

H. As a condition of receiving accreditation from the State Board of Education, all students in grades nine through twelve shall enroll in a minimum of six periods, or the equivalent in block scheduling, of rigorous academic and/or rigorous vocational courses each day, which may include arts, vocal and instrumental music, speech classes, and physical education classes.

I. 1. Academic and vocational-technical courses designed to offer sets of competencies integrated or embedded within the course that provide for the teaching and learning of the appropriate skills and knowledge in the Priority Academic Student Skills (PASS), as adopted by the State Board of Education, may upon approval of the

Board be counted for academic credit and toward meeting the graduation requirements of subsection B of this section.

2. Internet-based courses offered by a technology center school that are taught by a certified teacher and provide for the teaching and learning of the appropriate skills and knowledge in the PASS may, upon approval of the State Board of Education and the independent district board of education, be counted for academic credit and toward meeting the graduation requirements of subsection B of this section.

3. Internet-based courses or vocational-technical courses utilizing integrated or embedded skills for which no Priority Academic Student Skills have been adopted by the State Board of Education may be approved by the Board if such courses incorporate standards of nationally recognized professional organizations and are taught by certified teachers.

J. The State Board of Education shall provide an option for high school graduation based upon attainment of the desired levels of competencies as required in tests pursuant to the provisions of Section 1210.508 of this title. Such option shall be in lieu of the amount of course credits earned.

K. The State Board of Education shall prescribe, adopt and approve a promotion system based on the attainment by students of specified levels of competencies in each area of the core curriculum.

L. ~~Children~~ Students who have individualized education programs pursuant to the Individuals with Disabilities Education Act (IDEA), and who satisfy the graduation requirements through the individualized education program for that student shall be awarded a standard diploma.

M. Students enrolled in an alternative education program who meet the requirements of their plans leading to high school

graduation developed pursuant to Section 1210.568 of this title shall be awarded a standard diploma.

N. Any student who completes the curriculum requirements of the International Baccalaureate Diploma Program shall be awarded a standard diploma.

O. Notwithstanding any other provision of law, any student who successfully completes an advanced mathematics or science course offered pursuant to Section 1210.404 of this title shall be granted academic credit toward meeting the graduation requirements pursuant to paragraphs 2 or 3, as appropriate, of subsection B of this section.

SECTION 2. This act shall become effective July 1, 2003.

SECTION 3. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
