AUTHOR: Add the following House Coauthor: Brown

AMENDMENT NO. 1. Strike the title, enacting clause and entire bill and insert

"An Act relating to schools; requiring vision screening for certain students within certain timeframe; specifying screening be conducted by certain personnel; providing for notification of certain information; establishing an advisory committee; stating purpose; providing composition; directing State Board of Health to adopt certain rules; requiring State Department of Health to maintain a statewide registry; recommending certain students receive certain eye examination; requiring certain person to forward written report to certain parties; specifying contents of report; allowing school attendance in event of failure of certain parties to furnish certain report; providing for school districts to notify certain parents of certain requirements; directing the State Board of Education to adopt certain rules; directing the State Department of Education to issue certain annual report; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1210.284 of Title 70, unless there is created a duplication in numbering, reads as follows:

A. 1. Beginning in the 2007-08 school year, the parent or guardian of each student enrolled in kindergarten at a public school in this state shall provide certification to school personnel that the student passed a vision screening within the previous twelve (12) months or during the school year. Such screening shall be conducted by personnel listed on the statewide registry as maintained by the State Department of Health.

2. Beginning in the 2007-08 school year, the parent or guardian of each student enrolled in first or third grade at a public school in this state shall provide within thirty (30) days of the beginning of the school year certification to school personnel that the student passed a vision screening within the previous twelve (12) months. Such screening shall be conducted by personnel listed on the statewide registry as maintained by the State Department of Health.

3. The parent or guardian of each student who receives a vision screening as required by this section shall receive notification that a vision screening is not the equivalent of a comprehensive eye exam.

B. The State Department of Health shall form an advisory committee to make recommendations to the Board of Health for vision screening standards pursuant to this section. The advisory committee shall provide a list of qualified screeners to the State Department of Health. The advisory committee shall be comprised of: One licensed Oklahoma optometrist, one licensed Oklahoma ophthalmologist, one representative of the State Department of Health, one representative of the State Department of Education and one representative of a statewide organization for the prevention of

blindness. The State Board of Health shall adopt rules to establish vision screening standards pursuant to this section and the State Department of Health shall establish and thereafter maintain a statewide registry, available via the Internet, which shall contain a list of qualified screeners.

C. 1. The parent or guardian of each student who fails the vision screening required in subsection A of this section shall receive a recommendation to undergo a comprehensive eye examination performed by an ophthalmologist or optometrist.

2. The ophthalmologist or optometrist shall forward a written report of the results of the comprehensive eye examination to the student's school, parent or guardian, and primary health care provider designated by the parent or guardian. The report shall include, but not be limited to:

- a. date of report,
- b. name, address and date of birth of the student,
- c. name of the student's school,
- d. type of examination,
- e. a summary of significant findings, including diagnoses, medication used, duration of action of medication, treatment, prognosis, whether or not a return visit is recommended and, if so when,
- f. recommended educational adjustments for the child, if any, which may include: preferential seating in the classroom, eyeglasses for full-time use in school, eyeglasses for part-time use in school, sight-saving eyeglasses, and any other recommendations, and
- g. name, address and signature of the examiner;

D. No student shall be prohibited from attending school for a parent's or guardian's failure to furnish a report of the student's vision screening or an examiner's failure to furnish the results of a student's comprehensive eye examination required by this section.

E. School districts shall notify parents or guardians of students who enroll in kindergarten, first, or third grade for the 2007-08 school year and each year thereafter of the requirements of this section.

F. The State Board of Education shall adopt rules for the implementation of this section except as provided in subsection B of this section. The State Department of Education shall issue a report annually on the impact and effectiveness of this section.

SECTION 2. This act shall become effective November 1, 2006."

Passed the House of Representatives the 19th day of April, 2006.

Presiding Officer of the House of
Representatives

Passed the Senate the ____ day of _____, 2006.
