BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified
in the Oklahoma Statutes as Section 7.2 of Title 5, unless there is
created a duplication in numbering, reads as follows:

A. In class actions, in making an award of attorney fees for
class counsel, the court shall conduct an evidentiary hearing to
determine the fairness and reasonableness of the proposed attorney
fees. In the event the class is not represented by counsel
independent of the counsel representing the class representative or
representatives, the court may appoint disinterested counsel to
represent the interests of the class on the issues of the fairness
and reasonableness of any proposed attorney fees for counsel for the

class representative or representatives that is to be assessed against any fund in which the class is to share or is to be otherwise assessed against the class.

B. If any portion of the benefits recovered for the class in a class action are in the form of coupons or other noncash common benefits, the attorney fees awarded in the class action shall be in cash and noncash amounts in the same proportion as the recovery for the class.

C. If any portion of the benefits recovered for the class in a class action are to be payable over time or are subject to risk of diminution over time, the attorney fees awarded in the class action shall also be payable over time and subject to the same risk of diminution.

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 95.1 of Title 12, unless there is created a duplication in numbering, reads as follows:

A. As used in this section, "product liability action" means any action against a manufacturer or seller for recovery of damages or other relief for harm allegedly caused by a defective product, whether the action is based in strict tort liability, strict products liability, negligence, misrepresentation, breach of express or implied warranty, or any other theory or combination of theories, and whether the relief sought is recovery of damages or any other legal or equitable relief, including, but not limited to, an action for:

1. Injury or damage to or loss of real or personal property;
2. Personal injury;
3. Wrongful death;
4. Economic loss; or
5. Declaratory, injunctive, or other equitable relief.

B. Except as provided by subsections C, D and E of this section, a plaintiff must commence a product liability action

against a manufacturer or seller of a product before the end of ten (10) years after the date of the sale of the product by the defendant.

C. If a manufacturer or seller expressly warrants in writing that the product has a useful safe life of longer than ten (10) years, a plaintiff must commence a product liability action against that manufacturer or seller of the product before the end of the number of years warranted after the date of the sale of the product by that seller.

D. This section shall not apply to a product liability action in which damages are sought for personal injury or wrongful death if the plaintiff alleges:

1. The plaintiff was exposed to the product that is the subject of the action before the end of ten (10) years after the date the product was first sold to the plaintiff;

2. Exposure to the product caused a disease or injury that is the basis of the action; and

3. The symptoms of the disease or the cause of the injury were not, before the end of ten (10) years after the date of the first sale of the product by the defendant, manifest to a degree and for a duration that would put a reasonable person on notice that the person suffered some injury or that the product was subject to some defect.

E. This section shall not reduce a limitations period for a cause of action described by subsection D of this section that accrues before the end of the limitations period under this section.

F. This section shall not extend the limitations period within which a products liability action involving the product may be commenced under any other law.

G. This section applies only to the sale and not to the lease of a product.

H. This section shall not apply to any claim to which the General Aviation Revitalization Act of 1994 (Pub. L. No. 103-298), 108 Stat. 1552 (1994), 49 U.S.C., Section 40101 or its exceptions are applicable.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 130.1 of Title 12, unless there is created a duplication in numbering, reads as follows:

A medical liability action brought pursuant to the Affordable Access to Health Care Act shall be brought only in the county where the cause of action arose.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 144 of Title 12, unless there is created a duplication in numbering, reads as follows:

A. In class actions, if the court, upon motion by a party, finds that in the interest of justice and for the convenience of the parties a claim or action would be more properly heard in another forum, the court may decline to exercise jurisdiction under the doctrine of forum non conveniens and shall stay or dismiss the claim or action.

B. In determining whether to grant a motion to stay or dismiss an action pursuant to this section, the court may consider:

1. Whether an alternate forum exists in which the claim or action may be tried;

2. Whether the alternate forum provides an adequate remedy;

3. Whether maintenance of the claim in the court in which the case is filed would work a substantial injustice to the moving party;

4. Whether the alternate forum can exercise jurisdiction over all the defendants properly joined in the claim of the plaintiff;

5. Whether the balance of the private interests of the parties and the public interest of the state predominate in favor of the claim or action being brought in an alternate forum; and

6. Whether the stay or dismissal would prevent unreasonable duplication or proliferation of litigation.

SECTION 5. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 683.1 of Title 12, unless there is created a duplication in numbering, reads as follows:

Except as provided in Section 7 of this act, an action may be dismissed, without prejudice to a future action:

1. By the plaintiff, before the final submission of the case to the jury, or to the court, where the trial is by the court;
2. By the court, where the plaintiff fails to appear on the trial;
3. By the court, for the want of necessary parties;
4. By the court, on the application of some of the defendants, where there are others whom the plaintiff fails to prosecute with diligence;
5. By the court, for disobedience by the plaintiff of an order concerning the proceedings in the action; and
6. In all other cases, upon the trial of the action, the decision must be upon the merits.

SECTION 6. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 684.2 of Title 12, unless there is created a duplication in numbering, reads as follows:

A. Except as provided in Section 7 of this act, an action may be dismissed on the payment of costs and without an order of court by the plaintiff at any time before a petition of intervention or answer praying for affirmative relief against the plaintiff is filed in the action. A plaintiff may, at any time before the trial is commenced, on payment of the costs and without any order of court, dismiss the action after the filing of a petition of intervention or answer praying for affirmative relief, but such dismissal shall not prejudice the right of the intervenor or defendant to proceed with the action. Any defendant or intervenor may, in like manner,

dismiss an action against the plaintiff, without an order of court, at any time before the trial is begun, on payment of the costs made on the claim filed by the defendant or intervenor. All parties to a civil action may at any time before trial, without an order of court, and on payment of costs, by agreement, dismiss the action.

B. Such dismissal shall be in writing and signed by the party or the attorney for the party, and shall be filed with the clerk of the district court where the action is pending, who shall note the fact on the proper record: Provided, such dismissal shall be held to be without prejudice, unless the words "with prejudice" be expressed therein.

C. When an action is dismissed after a jury in the action is empanelled and the case is subsequently refiled, the court, at the conclusion of the subsequent action, may assess costs and attorney fees incurred in the previous action by the defendants subsequent to the jury being empanelled.

SECTION 7. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 684.3 of Title 12, unless there is created a duplication in numbering, reads as follows:

A. A medical liability action brought pursuant to the Affordable Access to Health Care Act shall only be dismissed by the plaintiff without order of court:

1. By filing a notice of dismissal at any time before service of an answer by the defendant or service of a motion for summary judgment on the plaintiff, whichever first occurs; or

2. By filing a stipulation of dismissal signed by all parties who have appeared in the action.

B. Unless otherwise stated in the notice of dismissal or stipulation, the dismissal is without prejudice, except that a notice of dismissal operates as an adjudication upon the merits when filed by a plaintiff who has once dismissed in any court an action based on or including the same claim.

SECTION 8. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 727.3 of Title 12, unless there is created a duplication in numbering, reads as follows:

POSTJUDGMENT INTEREST

A. 1. Except as otherwise provided by this section, all judgments of courts of record, including costs and attorney fees authorized by statute or otherwise and allowed by the court, shall bear interest at a rate prescribed pursuant to this section.

2. Costs and attorney fees allowed by the court shall bear interest from the earlier of the date the judgment or order is pronounced, if expressly stated in the written judgment or order awarding the costs and attorney fees, or the date the judgment or order is filed with the court clerk.

B. Judgments, including costs and attorney fees authorized by statute or otherwise and allowed by the court, against this state or its political subdivisions, including counties, municipalities, school districts, and public trusts of which this state or a political subdivision of this state is a beneficiary, shall bear interest during the term of judgment at a rate prescribed pursuant to this section, but not to exceed ten percent (10%), from the date of rendition. No judgment against this state or its political subdivisions, including counties, municipalities, school districts, and public trusts of which this state or a political subdivision of this state is a beneficiary, inclusive of postjudgment interest, shall exceed the total amount of liability of the governmental entity pursuant to The Governmental Tort Claims Act.

C. The postjudgment interest authorized by subsection A or subsection B of this section shall accrue from the earlier of the date the judgment is rendered as expressly stated in the judgment, or the date the judgment is filed with the court clerk, and shall initially accrue at the rate in effect for the calendar year during which the judgment is rendered until the end of the calendar year in

which the judgment was rendered, or until the judgment is paid, whichever first occurs. Beginning on the first day of January of the next succeeding calendar year until the end of that calendar year, or until the judgment is paid, whichever first occurs, the judgment, together with postjudgment interest previously accrued, shall bear interest at the rate in effect for judgments rendered during that calendar year as certified by the Administrative Director of the Courts pursuant to subsection I of this section. For each succeeding calendar year, or part of a calendar year, during which a judgment remains unpaid, the judgment, together with postjudgment interest previously accrued, shall bear interest at the rate in effect for judgments rendered during that calendar year as certified by the Administrative Director of the Courts pursuant to subsection I of this section. A separate computation using the interest rate in effect for judgments as provided by subsection I of this section shall be made for each calendar year, or part of a calendar year, during which the judgment remains unpaid in order to determine the total amount of interest for which the judgment debtor is liable. The postjudgment interest rate for each calendar year or part of a calendar year a judgment remains unpaid shall be multiplied by the original amount of the judgment, including any prejudgment interest, together with postjudgment interest previously accrued. Interest shall accrue on a judgment in the manner prescribed by this subsection until the judgment is satisfied or released.

D. If a rate of interest is specified in a contract, the rate specified shall apply and be stated in the journal entry of judgment. The rate of interest shall not exceed the lawful rate for that obligation. Postjudgment interest shall be calculated and accrued in the same manner as prescribed in subsection C of this section.

PREJUDGMENT INTEREST

E. Except as provided by subsection F of this section, if a verdict for damages by reason of personal injuries or injury to personal rights including, but not limited to, injury resulting from bodily restraint, personal insult, defamation, invasion of privacy, injury to personal relations, or detriment due to an act or omission of another is accepted by the trial court, the court in rendering judgment shall add interest on the verdict at a rate prescribed pursuant to subsection I of this section from the date the suit resulting in the judgment was commenced to the earlier of the date the verdict is accepted by the trial court as expressly stated in the judgment, or the date the judgment is filed with the court clerk. The interest rate for computation of prejudgment interest shall begin with the rate prescribed by subsection I of this section which is in effect for the calendar year in which the suit resulting in the judgment is commenced. This rate shall be in effect until the end of the calendar year in which the suit resulting in judgment was filed or until the date judgment is filed, whichever first occurs. Beginning on the first day of January of the next succeeding calendar year until the end of that calendar year, or until the date the judgment is filed, whichever first occurs, and for each succeeding calendar year thereafter, the prejudgment interest rate shall be the rate in effect for judgments rendered during each calendar year as certified by the Administrative Director of the Courts pursuant to subsection I of this section. After the computation of all prejudgment interest has been completed, the total amount of prejudgment interest shall be added to the amount of the judgment rendered pursuant to the trial of the action, and the total amount of the resulting judgment shall become the amount upon which postjudgment interest is computed pursuant to subsection A of this section.

F. If a verdict of the type described by subsection E of this section is rendered against this state or its political

subdivisions, including counties, municipalities, school districts, and public trusts of which this state or a political subdivision of this state is a beneficiary, the judgment shall bear interest at the rate prescribed pursuant to subsection I of this section, but not to exceed ten percent (10%) from the date the suit was commenced to the earlier of the date the verdict is accepted by the trial court as expressly stated in the judgment or the date the judgment is filed with the court clerk. The interest rate for computation of prejudgment interest shall begin with the rate prescribed by subsection I of this section which is in effect for the calendar year in which the suit resulting in the judgment is commenced. This rate shall be in effect until the end of the calendar year in which the suit resulting in judgment was filed or until the date the judgment is rendered as expressly stated in the judgment, whichever first occurs. Beginning on the first day of January of the next succeeding calendar year until the end of that calendar year, or until the date judgment is rendered, whichever first occurs, and for each succeeding calendar year thereafter, the prejudgment interest rate shall be the rate in effect for judgments rendered during each calendar year as certified by the Administrative Director of the Courts pursuant to subsection I of this section. After the computation of prejudgment interest has been completed, the amount shall be added to the amount of the judgment rendered pursuant to the trial of the action, and the total amount of the resulting judgment shall become the amount upon which postjudgment interest is computed pursuant to subsection B of this section. No award of prejudgment interest against this state or its political subdivisions, including counties, municipalities, school districts, and public trusts of which this state or a political subdivision of this state is a beneficiary, including the amount of the judgment awarded pursuant to trial of the action, shall exceed the total

amount of liability of the governmental entity pursuant to The Governmental Tort Claims Act.

G. If exemplary or punitive damages are awarded in an action for personal injury or injury to personal rights including, but not limited to, injury resulting from bodily restraint, personal insult, defamation, invasion of privacy, injury to personal relations, or detriment due to an act or omission of another, the interest on that award shall begin to accrue from the earlier of the date the judgment is rendered as expressly stated in the judgment, or the date the judgment is filed with the court clerk.

H. If a judgment is rendered establishing the existence of a lien against property and no rate of interest exists, the court shall allow prejudgment interest at a rate prescribed pursuant to subsection I of this section from the date the lien is filed to the date of verdict.

I. For purposes of computing either postjudgment interest or prejudgment interest as authorized by this section, interest shall be determined using a rate equal to the average United States Treasury Bill rate of the preceding calendar year as certified to the Administrative Director of the Courts by the State Treasurer on the first regular business day in January of each year, plus four percentage points.

J. For purposes of computing postjudgment interest, the provisions of this section, including the amendments prescribed by Chapter 320, O.S.L. 1997, shall be applicable to all judgments of the district courts rendered on or after January 1, 2000 but before January 1, 2006. Until January 1, 2006, the method for computing postjudgment interest prescribed by this section shall be applicable to all judgments remaining unpaid rendered prior to January 1, 2000.

K. For purposes of computing prejudgment interest, the provisions of this section, including the amendments prescribed by Chapter 320, O.S.L. 1997, shall be applicable to all actions which

are filed in the district courts on or after January 1, 2000, but before January 1, 2006, for which an award of prejudgment interest is authorized by the provisions of this section.

SECTION 9. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 727.3 of Title 12, unless there is created a duplication in numbering, reads as follows:

POSTJUDGMENT INTEREST

A. 1. Except as otherwise provided by this section, all judgments of courts of record, including costs and attorney fees authorized by statute or otherwise and allowed by the court, shall bear interest at a rate prescribed pursuant to this section.

2. Costs and attorney fees allowed by the court shall bear interest from the earlier of the date the judgment or order is pronounced, if expressly stated in the written judgment or order awarding the costs and attorney fees, or the date the judgment or order is filed with the court clerk.

B. Judgments, including costs and attorney fees authorized by statute or otherwise and allowed by the court, against this state or its political subdivisions, including counties, municipalities, school districts, and public trusts of which this state or a political subdivision of this state is a beneficiary, shall bear interest during the term of judgment at a rate prescribed pursuant to this section from the date of rendition. No judgment against this state or its political subdivisions, including counties, municipalities, school districts, and public trusts of which this state or a political subdivision of this state is a beneficiary, inclusive of postjudgment interest, shall exceed the total amount of liability of the governmental entity pursuant to the Governmental Tort Claims Act.

C. The postjudgment interest authorized by subsection A or subsection B of this section shall accrue from the earlier of the date the judgment is rendered as expressly stated in the judgment,

or the date the judgment is filed with the court clerk, and shall initially accrue at the rate in effect for the calendar year during which the judgment is rendered until the end of the calendar year in which the judgment was rendered, or until the judgment is paid, whichever first occurs. Beginning on January 1 of the next succeeding calendar year until the end of that calendar year, or until the judgment is paid, whichever first occurs, the judgment, together with postjudgment interest previously accrued, shall bear interest at the rate in effect for judgments rendered during that calendar year as certified by the Administrative Director of the Courts pursuant to subsection I of this section. For each succeeding calendar year, or part of a calendar year, during which a judgment remains unpaid, the judgment, together with postjudgment interest previously accrued, shall bear interest at the rate in effect for judgments rendered during that calendar year as certified by the Administrative Director of the Courts pursuant to subsection I of this section. A separate computation using the interest rate in effect for judgments as provided by subsection I of this section shall be made for each calendar year, or part of a calendar year, during which the judgment remains unpaid in order to determine the total amount of interest for which the judgment debtor is liable. The postjudgment interest rate for each calendar year or part of a calendar year a judgment remains unpaid shall be multiplied by the original amount of the judgment, including any prejudgment interest, together with postjudgment interest previously accrued. Interest shall accrue on a judgment in the manner prescribed by this subsection until the judgment is satisfied or released.

D. If a rate of interest is specified in a contract, the rate specified shall apply and be stated in the journal entry of judgment. The rate of interest shall not exceed the lawful rate for that obligation. Postjudgment interest shall be calculated and

accrued in the same manner as prescribed in subsection C of this section.

PREJUDGMENT INTEREST

E. Except as provided by subsection F of this section or Section 1-1708.1G of Title 63 of the Oklahoma Statutes, if a verdict for damages by reason of personal injuries or injury to personal rights including, but not limited to, injury resulting from bodily restraint, personal insult, defamation, invasion of privacy, injury to personal relations, or detriment due to an act or omission of another is accepted by the trial court, the court in rendering judgment shall add interest on the verdict at a rate prescribed pursuant to subsection I of this section from the date the suit resulting in the judgment was commenced to the earlier of the date the verdict is accepted by the trial court as expressly stated in the judgment, or the date the judgment is filed with the court clerk. Prejudgment interest shall not be added to an award of future damages. The interest rate for computation of prejudgment interest shall begin with the rate prescribed by subsection I of this section which is in effect for the calendar year in which the suit resulting in the judgment is commenced. This rate shall be in effect until the end of the calendar year in which the suit resulting in judgment was filed or until the date judgment is filed, whichever first occurs. Beginning on January 1 of the next succeeding calendar year until the end of that calendar year, or until the date the judgment is filed, whichever first occurs, and for each succeeding calendar year thereafter, the prejudgment interest rate shall be the rate in effect for judgments rendered during each calendar year as certified by the Administrative Director of the Courts pursuant to subsection I of this section. After the computation of all prejudgment interest has been completed, the total amount of prejudgment interest shall be added to the amount of the judgment rendered pursuant to the trial of the

action, and the total amount of the resulting judgment shall become the amount upon which postjudgment interest is computed pursuant to subsection A of this section.

F. If a verdict of the type described by subsection E of this section is rendered against this state or its political subdivisions, including counties, municipalities, school districts, and public trusts of which this state or a political subdivision of this state is a beneficiary, the judgment shall bear interest at the rate prescribed pursuant to subsection I of this section from the date the suit was commenced to the earlier of the date the verdict is accepted by the trial court as expressly stated in the judgment or the date the judgment is filed with the court clerk. The interest rate for computation of prejudgment interest shall begin with the rate prescribed by subsection I of this section which is in effect for the calendar year in which the suit resulting in the judgment is commenced. This rate shall be in effect until the end of the calendar year in which the suit resulting in judgment was filed or until the date the judgment is rendered as expressly stated in the judgment, whichever first occurs. Beginning on January 1 of the next succeeding calendar year until the end of that calendar year, or until the date judgment is rendered, whichever first occurs, and for each succeeding calendar year thereafter, the prejudgment interest rate shall be the rate in effect for judgments rendered during each calendar year as certified by the Administrative Director of the Courts pursuant to subsection I of this section. After the computation of prejudgment interest has been completed, the amount shall be added to the amount of the judgment rendered pursuant to the trial of the action, and the total amount of the resulting judgment shall become the amount upon which postjudgment interest is computed pursuant to subsection B of this section. No award of prejudgment interest against this state or its political subdivisions, including counties, municipalities, school

districts, and public trusts of which this state or a political subdivision of this state is a beneficiary, including the amount of the judgment awarded pursuant to trial of the action, shall exceed the total amount of liability of the governmental entity pursuant to the Governmental Tort Claims Act.

G. If exemplary or punitive damages are awarded in an action for personal injury or injury to personal rights including, but not limited to, injury resulting from bodily restraint, personal insult, defamation, invasion of privacy, injury to personal relations, or detriment due to an act or omission of another, the interest on that award shall begin to accrue from the earlier of the date the judgment is rendered as expressly stated in the judgment, or the date the judgment is filed with the court clerk.

H. If a judgment is rendered establishing the existence of a lien against property and no rate of interest exists, the court shall allow prejudgment interest at a rate prescribed pursuant to subsection I of this section from the date the lien is filed to the date of verdict.

I. For purposes of computing either postjudgment interest or prejudgment interest as authorized by this section, interest shall be:

1. The average for the preceding calendar year for the bank prime loan rate, as published by the Federal Reserve Bank of New York and as certified to the Administrative Director of the Courts by the State Treasurer on the first regular business day in January of each year;

2. Five percent (5%), if the average bank prime loan rate for the preceding calendar year is less than five percent (5%); or

3. Fifteen percent (15%), if the average bank prime loan rate for the preceding calendar year is more than fifteen percent (15%).

J. For purposes of computing postjudgment interest, the provisions of this section shall be applicable to all judgments of

the district courts rendered on or after January 1, 2006. Effective January 1, 2006, the method for computing postjudgment interest prescribed by this section shall be applicable to all judgments remaining unpaid rendered prior to January 1, 2006.

K. For purposes of computing prejudgment interest, the provisions of this section shall be applicable to all actions which are filed in the district courts on or after January 1, 2006, for which an award of prejudgment interest is authorized by the provisions of this section.

SECTION 10. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 990.6 of Title 12, unless there is created a duplication in numbering, reads as follows:

A. Except as provided in subsection C of this section, a party may obtain a stay of the enforcement of a judgment, decree or final order:

1. While a post-trial motion is pending;
2. During the time in which an appeal may be commenced; or
3. While an appeal is pending.

Such stay may be obtained by filing with the court clerk a written undertaking and the posting of a supersedeas bond or other security as provided in this section. In the undertaking the appellant shall agree to satisfy the judgment, decree or final order, and pay the costs and interest on appeal, if it is affirmed. The undertaking and supersedeas bond or security may be given at any time. The stay is effective when the bond and the sufficiency of the sureties are approved by the trial court or the security is deposited with the court clerk. The enforcement of the judgment, decree or order shall no longer be stayed, and the judgment, decree or order may be enforced against any surety on the bond or other security:

1. If neither a post-trial motion nor a petition in error is filed, and the time for appeal has expired;

2. If a post-trial motion is no longer pending, no petition in error has been filed, and the time for appeal has expired; or

3. If an appeal is no longer pending.

B. The amount of the bond or other security shall be as follows:

1. When the judgment, decree or final order is for payment of money:

a. the bond shall be double the amount of the judgment, decree or final order, unless the bond is executed or guaranteed by a surety as hereinafter provided. The bond shall be for the amount of the judgment, decree or order including costs and interest on appeal where it is executed or guaranteed by an entity with suretyship powers as provided by the laws of Oklahoma. On a showing by the judgment debtor that the judgment debtor is likely to suffer substantial economic harm if required to post bond in the amount required by this paragraph, the court shall balance the likely substantial economic harm to the judgment debtor with the ability of the judgment creditor to collect the judgment in the event the judgment is affirmed on appeal and may lower the bond accordingly.

"Substantial economic harm" means insolvency or creating a significant risk of insolvency. The court shall not lower a bond as provided in this paragraph to the extent there is in effect an insurance policy, or agreement under which a third party is liable to satisfy part or all of the judgment entered and such party is required to post all or part of the bond. Upon lowering the bond as provided in this paragraph, the court shall enter an order enjoining a judgment debtor from dissipating or transferring assets to

avoid satisfaction of the judgment, but the court shall not make any order that interferes with the judgment debtor's use of assets in the normal course of business, and

- b. instead of filing a supersedeas bond, the appellant may obtain a stay by depositing cash with the court clerk in the amount of the judgment or order plus an amount that the court determines will cover costs and interest on appeal. The court shall have discretion to accept United States Treasury notes or general obligation bonds of the State of Oklahoma in lieu of cash. If the court accepts such notes or bonds, it shall make appropriate orders for their safekeeping and maintenance during the stay;

2. When the judgment, decree or final order directs execution of a conveyance or other instrument, the amount of the bond shall be determined by the court. Instead of posting a supersedeas bond or other security, the appellant may execute the conveyance or other instrument and deliver it to the clerk of the court for deposit with a public or private entity for safekeeping, as directed by the court in writing;

3. When the judgment, decree or final order directs the delivery of possession of real or personal property, the bond shall be in an amount, to be determined by the court, that will protect the interests of the parties. The court may consider the value of the use of the property, any waste that may be committed on or to the property during the pendency of the stay, the value of the property, and all costs. When the judgment, decree or final order is for the sale of mortgaged premises and the payment of a deficiency arising from the sale, the bond must also provide for the payment of the deficiency;

4. When the judgment or final order directs the assignment or delivery of documents, they may be placed in the custody of the clerk of the court in which the judgment or order was rendered, for deposit with a public or private entity for safekeeping during the pendency of the stay, as directed by the court in writing, or the bond shall be in such sum as may be prescribed by the court; or

5. In order to protect any monies payable to the Tobacco Settlement Fund as set forth in Section 50 of Title 62 of the Oklahoma Statutes, the bond in any action or litigation involving a tobacco product manufacturer that is a party to the Master Settlement Agreement dated November 23, 1998, or a party to the Smokeless Tobacco Master Settlement Agreement, also dated November 23, 1998, shall be in an amount not to exceed one hundred percent (100%) of the judgment, exclusive of interest and costs, or Twenty-five Million Dollars (\$25,000,000.00), whichever is less. However, if it is proved by a preponderance of the evidence that the appellant for whom the bond has been limited pursuant to this paragraph is intentionally dissipating or diverting assets outside of the ordinary course of its business for the purpose of avoiding payment of the judgment, the court shall enter such orders as are necessary to prevent dissipation or diversion, including, but not limited to, requiring that a bond be posted equal to the full amount of security required pursuant to this section. For purposes of this paragraph, "Master Settlement Agreement" and "tobacco product manufacturer" shall have the same meanings as those terms are defined in paragraphs 5 and 9 of Section 600.22 of Title 37 of the Oklahoma Statutes, and "Smokeless Tobacco Master Settlement Agreement" means the settlement agreement and related documents entered into on November 23, 1998, by this state and leading United States smokeless tobacco product manufacturers.

C. Subsections A and B of this section shall not apply in actions involving temporary or permanent injunctions, actions for

divorce, separate maintenance, annulment, paternity, custody, adoption, or termination of parental rights, or in juvenile matters, post-decree matrimonial proceedings or habeas corpus proceedings. The trial or appellate court, in its discretion, may stay the enforcement of any provision in a judgment, decree or final order in any of the types of actions or proceedings listed in this subsection during the pendency of the appeal or while any post-trial motion is pending upon such terms as to bond or otherwise as it considers proper for the security of the rights of the parties. If a temporary or permanent injunction is denied or dissolved, the trial or appellate court, in its discretion, may restore or grant an injunction during the pendency of the appeal and while any post-trial motions are pending upon such terms as to bond or otherwise as it considers proper for the security of the rights of the parties.

D. In any action not provided for in subsections A, B or C, the court may stay the enforcement of any judgment, decree or final order during the pendency of the appeal or while any post-trial motion is pending upon such terms as to bond or otherwise as it considers proper for the security of the rights of the parties.

E. The trial court shall have continuing jurisdiction during the pendency of any post-trial motion and appeal to modify any order it has entered regarding security or other conditions in connection with a stay.

F. The execution of a supersedeas bond shall not be a condition for the granting of a stay of judgment, decree or final order of any judicial tribunal against any county, municipality, or other political subdivision of the State of Oklahoma.

G. Executors, administrators and guardians who have given bond in this state, with sureties, according to law, are not required to provide a supersedeas bond if they are granted a stay of enforcement of a judgment, decree or final order.

H. After an appeal has been decided, but before the mandate has issued, a party whose trial court judgment has been affirmed, may move the appellate court to order judgment on the bond or other security in the amount of the judgment plus interest, appeals costs and allowable appeal-related attorney fees. After mandate has issued, a party who has posted a bond or other security may move for exoneration of the bond or other security only in the trial court; and all motions concerning the bond or other security must be addressed to the trial court.

SECTION 11. AMENDATORY 12 O.S. 2001, Section 993, is amended to read as follows:

Section 993. A. When an order:

1. Discharges, vacates, or modifies or refuses to discharge, vacate, or modify an attachment;

2. Denies a temporary or permanent injunction, grants a temporary or permanent injunction except where granted at an ex parte hearing, or discharges, vacates, or modifies or refuses to discharge, vacate, or modify a temporary or permanent injunction;

3. Discharges, vacates, or modifies or refuses to discharge, vacate, or modify a provisional remedy which affects the substantial rights of a party;

4. Appoints a receiver except where the receiver was appointed at an ex parte hearing, refuses to appoint a receiver, or vacates or refuses to vacate the appointment of a receiver;

5. Directs the payment of money pendente lite except where granted at an ex parte hearing, refuses to direct the payment of money pendente lite, or vacates or refuses to vacate an order directing the payment of money pendente lite;

6. Certifies or refuses to certify an action to be maintained as a class action; ~~or~~

7. Denies a motion in a class action asserting lack of jurisdiction because an agency of this state has exclusive or

primary jurisdiction of the action or a part of the action, or asserting that a party has failed to exhaust administrative remedies; or

8. Grants a new trial or opens or vacates a judgment or order, the party aggrieved thereby may appeal the order to the Supreme Court without awaiting the final determination in said cause, by filing the petition in error and the record on appeal with the Supreme Court within thirty (30) days after the order prepared in conformance with Section 696.3 of this title, is filed with the court clerk. If the appellant did not prepare the order, and Section 696.2 of this title required a copy of the order to be mailed to the appellant, and the court records do not reflect the mailing of a copy of the order to the appellant within three (3) days, exclusive of weekends and holidays, after the filing of the order, the petition in error may be filed within thirty (30) days after the earliest date on which the court records show that a copy of the order was mailed to the appellant. The Supreme Court may extend the time for filing the record upon good cause shown.

B. If the order discharges or modifies an attachment or temporary injunction and it becomes operative, the undertaking given upon the allowance of an attachment or temporary injunction shall stay the enforcement of said order and remain in full force until final order of discharge shall take effect.

C. Where a receiver shall be or has been appointed, upon the appellant filing an appeal bond, with sufficient sureties, in such sum as may have been required of the receiver by the court or a judge thereof, conditioned for the due prosecution of the appeal and the payment of all costs or damages that may accrue to the state or any officer or person by reason thereof, the authority of the receiver shall be suspended until the final determination of the appeal, and if the receiver has taken possession of any property,

real or personal, it shall be returned and surrendered to the appellant upon the filing and approval of the bonds.

D. During the pendency of an appeal pursuant to paragraph 6 or 7 of subsection A of this section, the action in the trial court shall be stayed in all respects. Following adjudication on appeal, if the class is not certified, the stay in the trial court shall automatically dissolve and the trial court may proceed to adjudicate any remaining individual claims or defenses. If after such appeal, the class is to be certified, the stay shall dissolve and the trial court shall proceed with adjudication on the merits; provided, the trial court shall at all times prior to entry of a final order retain jurisdiction to revisit the certification issues, upon motion of a party, and to order decertification of the class if during the litigation of the case it becomes evident to the court that the action is no longer reasonably maintainable as a class action.

SECTION 12. AMENDATORY 12 O.S. 2001, Section 1101, is amended to read as follows:

Section 1101. The defendant, in an action for the recovery of money only, may, at any time before the trial, serve upon the plaintiff or ~~his~~ the attorney for the plaintiff an offer, in writing, to allow judgment to be taken against ~~him~~ the defendant for the sum specified therein. If the plaintiff accept the offer and give notice thereof to the defendant or ~~his~~ the attorney for the defendant, within five (5) days after the offer was served, the offer, and an affidavit that the notice of acceptance was delivered within the time limited, may be filed by the plaintiff, or the defendant may file the acceptance, with a copy of the offer, verified by affidavit; and in either case, the offer and acceptance shall be noted in the journal, and judgment shall be rendered accordingly. If the notice of acceptance be not given in the period limited, the offer shall be deemed withdrawn, and shall not be given in evidence or mentioned on the trial. If the plaintiff fails to

obtain judgment for more than was offered by the defendant, ~~he~~ the plaintiff shall pay the defendant's costs from the time of the offer.

SECTION 13. AMENDATORY 12 O.S. 2001, Section 1101.1, as amended by Section 7, Chapter 468, O.S.L. 2002 (12 O.S. Supp. 2004, Section 1101.1), is amended to read as follows:

Section 1101.1 A. Actions for personal injury, wrongful death, and certain specified actions.

1. Subject to the provisions of paragraph 5 of this subsection, after a civil action is brought for the recovery of money as the result of a claim for personal injury, wrongful death, or pursuant to Chapter 21 of Title 25 of the Oklahoma Statutes or Section 5 of Title 85 of the Oklahoma Statutes, any defendant may file with the court, at any time more than ten (10) days prior to trial, an offer of judgment for a sum certain to any plaintiff with respect to the action or any claim or claims asserted in the action. An offer of judgment shall be deemed to include any costs or attorney fees otherwise recoverable unless it expressly provides otherwise. If an offer of judgment is filed, each plaintiff to whom an offer of judgment is made shall, within ten (10) days, file:

- a. a written acceptance or rejection of such offer, or
- b. a counteroffer of judgment, as described in paragraph 2 of this subsection.

If the plaintiff fails to file a timely response, the offer of judgment shall be deemed rejected. The fact an offer of judgment is made but not accepted or is deemed rejected does not preclude subsequent timely offers of judgment.

2. In the event a defendant files an offer of judgment, the plaintiff may, within ten (10) days, file with the court a counteroffer of judgment directed to each defendant who has filed an offer of judgment. If a counteroffer of judgment is filed, each defendant to whom the counteroffer of judgment is made shall, within

ten (10) days, file a written acceptance or rejection of the counteroffer of judgment. If a defendant fails to file a timely response, the counteroffer of judgment shall be deemed rejected. The fact a counteroffer of judgment is made but not accepted or deemed rejected does not preclude subsequent counteroffers of judgment if subsequent offers of judgment are made.

3. In the event the plaintiff rejects the offer(s) of judgment and the judgment awarded the plaintiff is less than the final offer of judgment, then the defendant filing the offer of judgment shall be entitled to recover reasonable litigation costs and reasonable attorney fees incurred by that defendant from the date of filing of the final offer of judgment until the date of the verdict. Such costs and fees may be offset from the judgment entered against the offering defendant; provided, however, that prior to any such offset, the plaintiff's attorney may:

- a. exercise any attorneys lien claimed in an amount not to exceed twenty-five percent (25%) of the judgment, and
- b. recover the plaintiff's reasonable litigation costs, not to exceed an additional fifteen percent (15%) of the judgment or Five Thousand Dollars (\$5,000.00), whichever is greater.

4. In the event a defendant rejects the counteroffer(s) of judgment and the judgment awarded to the plaintiff is greater than the final counteroffer of judgment, the plaintiff shall be entitled to recover reasonable litigation costs and reasonable attorney fees incurred by the plaintiff from the date of filing of the final counteroffer of judgment until the date of the verdict. Such costs and fees may be added to the judgment entered in favor of the plaintiff.

5. The provisions of this subsection shall apply only where the plaintiff demands in a pleading or in trial proceedings more than

One Hundred Thousand Dollars (\$100,000.00), or where the defendant makes an offer of judgment more than One Hundred Thousand Dollars (\$100,000.00). Any offer of judgment may precede the demand.

B. Other actions.

1. After a civil action is brought for the recovery of money or property in an action other than for personal injury, wrongful death or pursuant to Chapter 21 of Title 25 of the Oklahoma Statutes or Section 5 of Title 85 of the Oklahoma Statutes, any defendant may file with the court, at any time more than ten (10) days prior to trial, an offer of judgment for a sum certain to any plaintiff with respect to the action or any claim or claims asserted in the action. An offer of judgment shall be deemed to include any costs and attorney fees otherwise recoverable unless it expressly provides otherwise. If an offer of judgment is filed, the plaintiff or plaintiffs to whom the offer of judgment is made shall, within ten (10) days, file:

- a. a written acceptance or rejection of the offer, or
- b. a counteroffer of judgment, as described in paragraph 2 of this subsection.

If a plaintiff fails to file a timely response, the offer of judgment shall be deemed rejected. The fact an offer of judgment is made but not accepted or is deemed rejected does not preclude subsequent timely offers of judgment.

2. In the event a defendant files an offer of judgment, the plaintiff may, within ten (10) days, file with the court a counteroffer of judgment to each defendant who has filed an offer of judgment and the claim or claims which are the subject thereof. If a counteroffer of judgment is filed, each defendant to whom a counteroffer of judgment is made shall, within ten (10) days, file a written acceptance or rejection of the counteroffer of judgment. If a defendant fails to file a timely response, the counteroffer of judgment shall be deemed rejected. The fact a counteroffer of

judgment is made but not accepted or is deemed rejected does not preclude subsequent counteroffers of judgment if subsequent offers of judgment are made.

3. If no offer of judgment or counteroffer of judgment is accepted and the judgment awarded the plaintiff is less than one or more offers of judgment, the defendant shall be entitled to reasonable litigation costs and reasonable attorney fees incurred by the defendant with respect to the action or the claim or claims included in the offer of judgment from and after the date of the first offer of judgment which is greater than the judgment until the date of the judgment. Such costs and fees may be offset from the judgment entered against the offering defendant.

4. If no offer of judgment or counteroffer of judgment is accepted and the judgment awarded the plaintiff is greater than one or more counteroffers of judgment, the plaintiff shall be entitled to recover the reasonable litigation costs and reasonable attorney fees incurred by the plaintiff with respect to the action or the claim or claims included in the counteroffer of judgment from and after the date of the first counteroffer of judgment which is less than the judgment until the date of the judgment. Such costs and fees may be added to the judgment entered in favor of the plaintiff.

5. An award of reasonable litigation costs and reasonable attorneys fees under paragraph 3 of this subsection shall not preclude an award under paragraph 4 of this subsection, and an award under paragraph 4 of this subsection shall not preclude an award under paragraph 3 of this subsection.

6. This subsection shall not apply to actions brought pursuant to Chapter 21 of Title 25 of the Oklahoma Statutes or Section 5 of Title 85 of the Oklahoma Statutes.

C. For purposes of comparing the amount of a judgment with the amount of an offer under paragraph 3 or 4 of subsection A of this section or paragraph 3 or 4 of subsection B of this section,

attorney fees and costs otherwise recoverable shall be included in the amount of the compared judgment only if the offer was inclusive of attorney fees and costs. Fees or costs recoverable for work performed after the date of the offer shall not be included in the amount of the judgment for purposes of comparison.

D. Evidence of an offer of judgment or a counteroffer of judgment shall not be admissible in any action or proceeding for any purpose except in proceedings to enforce a settlement arising out of an offer of judgment or counteroffer of judgment or to determine reasonable ~~attorneys~~ attorney fees and reasonable litigation costs under this section.

E. This section shall apply whether or not litigation costs or attorneys fees are otherwise recoverable.

F. The provisions of this section are severable, and if any part or provision thereof shall be held void, the decision of the court shall not affect or impair any of the remaining parts or provisions thereof.

G. This section shall apply to all civil actions filed after ~~the effective date of this act~~ August 25, 1995, and before November 1, 2005.

SECTION 14. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1101.2 of Title 12, unless there is created a duplication in numbering, reads as follows:

A. Actions for personal injury, wrongful death, and certain specified actions.

1. Subject to the provisions of paragraph 5 of this subsection, after a civil action is brought for the recovery of money as the result of a claim for personal injury, wrongful death, discrimination pursuant to Chapter 21 of Title 25 of the Oklahoma Statutes, or unlawful discharge of an employee pursuant to Section 5 of Title 85 of the Oklahoma Statutes, any defendant may file with the court, at any time more than ten (10) days prior to trial, an

offer of judgment for a sum certain to any plaintiff with respect to the action or any claim or claims asserted in the action. The offer of judgment shall be directed to all parties to whom the settlement offer is made. If an offer of judgment is filed, each plaintiff to whom an offer of judgment is made shall, within ten (10) days, file:

- a. a written acceptance or rejection of such offer, or
- b. a counteroffer of judgment, as described in paragraph 2 of this subsection.

If the plaintiff fails to file a timely response, the offer of judgment shall be deemed rejected. The fact an offer of judgment is made but not accepted or is deemed rejected does not preclude subsequent timely offers of judgment.

2. In the event a defendant files an offer of judgment, the plaintiff may, within ten (10) days, file with the court a counteroffer of judgment directed to each defendant who has filed an offer of judgment. If a counteroffer of judgment is filed, each defendant to whom the counteroffer of judgment is made shall, within ten (10) days, file a written acceptance or rejection of the counteroffer of judgment. If a defendant fails to file a timely response, the counteroffer of judgment shall be deemed rejected. The fact a counteroffer of judgment is made but not accepted or deemed rejected does not preclude subsequent counteroffers of judgment if subsequent offers of judgment are made.

3. If the plaintiff rejects a final offer of judgment and the judgment awarded the plaintiff is less than eighty percent (80%) of the final offer of judgment, the defendant filing the offer of judgment shall be entitled to recover reasonable litigation costs and reasonable attorney fees incurred by that defendant from the date of filing of the final offer of judgment until the date of the verdict. Such costs and fees may be offset from the judgment entered against the offering defendant; provided, however, that prior to any such offset, the attorney for the plaintiff may:

- a. exercise any attorneys lien claimed in an amount not to exceed twenty-five percent (25%) of the judgment, and
- b. recover the reasonable litigation costs of the plaintiff, not to exceed an additional fifteen percent (15%) of the judgment or Five Thousand Dollars (\$5,000.00), whichever is greater.

4. If a defendant rejects a final counteroffer of judgment and the judgment awarded to the plaintiff is greater than one hundred twenty percent (120%) of the final counteroffer of judgment, the plaintiff shall be entitled to recover reasonable litigation costs and reasonable attorney fees incurred by the plaintiff from the date of filing of the final counteroffer of judgment until the date of the verdict. Such costs and fees may be added to the judgment entered in favor of the plaintiff.

5. The provisions of this subsection shall apply only if the plaintiff demands in a pleading or in trial proceedings more than One Hundred Thousand Dollars (\$100,000.00), or if the defendant makes an offer of judgment of more than One Hundred Thousand Dollars (\$100,000.00). Any offer of judgment may precede the demand.

B. Other actions.

1. After a civil action is brought for the recovery of money or property in an action other than for personal injury, wrongful death, discrimination pursuant to Chapter 21 of Title 25 of the Oklahoma Statutes, or unlawful discharge of an employee pursuant to Section 5 of Title 85 of the Oklahoma Statutes, any defendant may file with the court, at any time more than ten (10) days prior to trial, an offer of judgment for a sum certain to any plaintiff with respect to the action or any claim or claims asserted in the action. If an offer of judgment is filed, the plaintiff or plaintiffs to whom the offer of judgment is made shall, within ten (10) days, file:

- a. a written acceptance or rejection of the offer, or
- b. a counteroffer of judgment, as described in paragraph 2 of this subsection.

If a plaintiff fails to file a timely response, the offer of judgment shall be deemed rejected. The fact an offer of judgment is made but not accepted or is deemed rejected does not preclude subsequent timely offers of judgment.

2. If a defendant files an offer of judgment, the plaintiff may, within ten (10) days, file with the court a counteroffer of judgment to each defendant who has filed an offer of judgment and the claim or claims which are the subject thereof. If a counteroffer of judgment is filed, each defendant to whom a counteroffer of judgment is made shall, within ten (10) days, file a written acceptance or rejection of the counteroffer of judgment. If a defendant fails to file a timely response, the counteroffer of judgment shall be deemed rejected. The fact a counteroffer of judgment is made but not accepted or is deemed rejected does not preclude subsequent counteroffers of judgment if subsequent offers of judgment are made.

3. If no offer of judgment or counteroffer of judgment is accepted and the judgment awarded the plaintiff is less than eighty percent (80%) of one or more offers of judgment, the defendant shall be entitled to reasonable litigation costs and reasonable attorney fees incurred by the defendant with respect to the action or the claim or claims included in the offer of judgment from and after the date of the first offer of judgment which is greater than the judgment until the date of the judgment. Such costs and fees may be offset from the judgment entered against the offering defendant.

4. If no offer of judgment or counteroffer of judgment is accepted and the judgment awarded the plaintiff is greater than one hundred twenty percent (120%) of one or more counteroffers of judgment, the plaintiff shall be entitled to recover the reasonable

litigation costs and reasonable attorney fees incurred by the plaintiff with respect to the action or the claim or claims included in the counteroffer of judgment from and after the date of the first counteroffer of judgment which is less than the judgment until the date of the judgment. Such costs and fees may be added to the judgment entered in favor of the plaintiff.

5. An award of reasonable litigation costs and reasonable attorneys fees under paragraph 3 of this subsection shall not preclude an award under paragraph 4 of this subsection, and an award under paragraph 4 of this subsection shall not preclude an award under paragraph 3 of this subsection.

C. For purposes of comparing the amount of a judgment with the amount of an offer under paragraph 3 or 4 of subsection A of this section or paragraph 3 or 4 of subsection B of this section, attorney fees and costs otherwise recoverable shall be included in the amount of the compared judgment only if the offer was inclusive of attorney fees and costs. Fees or costs recoverable for work performed after the date of the offer shall not be included in the amount of the judgment for purposes of comparison.

D. The litigation costs that may be awarded pursuant to this section shall not be greater than an amount computed by:

1. Determining the sum of:

- a. fifty percent (50%) of the economic damages to be awarded to the plaintiff in the judgment,
- b. one hundred percent (100%) of the noneconomic damages to be awarded to the plaintiff in the judgment, and
- c. one hundred percent (100%) of the punitive damages to be awarded to the plaintiff in the judgment; and

2. Subtracting from the amount determined under paragraph 1 of this subsection the amount of any statutory or contractual lines in connection with the occurrences or incidents giving rise to the claim.

E. If a plaintiff or defendant is entitled to recover attorney fees and costs pursuant to another law, the plaintiff or defendant shall not recover attorney fees and litigation costs pursuant to this section in addition to the fees and costs that are recoverable under the other law.

F. Evidence of an offer of judgment or a counteroffer of judgment shall not be admissible in any action or proceeding for any purpose except in proceedings to enforce a settlement arising out of an offer of judgment or counteroffer of judgment or to determine reasonable attorney fees and reasonable litigation costs under this section.

G. This section shall apply whether or not litigation costs or attorney fees are otherwise recoverable.

H. This section shall apply to all civil actions filed on or after November 1, 2004.

SECTION 15. AMENDATORY 12 O.S. 2001, Section 1102, is amended to read as follows:

Section 1102. The making of an offer, pursuant to the provisions contained in ~~the foregoing section~~ Sections 1101 and 1101.1 of this title or Section 14 of this act, shall not be a cause for a continuance of an action or a postponement of the trial.

SECTION 16. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2011.2 of Title 12, unless there is created a duplication in numbering, reads as follows:

SIGNING OF PLEADINGS

A. SIGNATURE. Every pleading, written motion, and other paper shall be signed by at least one attorney of record in his individual name, whose Oklahoma Bar Association identification number shall be stated, or, if the party is not represented by an attorney, shall be signed by the party. Each paper shall state the address of the signer and telephone number, if any. Except when otherwise specifically provided by rule or statute, pleadings need not be

verified or accompanied by affidavit. An unsigned paper shall be stricken unless the omission of the signature is corrected promptly after being called to the attention of the attorney or party.

B. REPRESENTATIONS TO COURT. By presenting to the court, whether by signing, filing, submitting, or later advocating, a pleading, written motion, or other paper, an attorney or unrepresented party is certifying that to the best of the person's knowledge, information, and belief, formed after an inquiry reasonable under the circumstances:

1. It is not being presented for any improper or frivolous purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

2. The claims, defenses and other legal contentions therein are warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;

3. The allegations and other factual contentions have evidentiary support or, if specifically so identified, are likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; and

4. The denials of factual contentions are warranted on the evidence or, if specifically so identified, are reasonably based on a lack of information or belief.

C. SANCTIONS. If, after notice and a reasonable opportunity to respond, the court determines that subsection B of this section has been violated, the court shall, subject to the conditions stated below, impose an appropriate sanction upon the attorneys, law firms, or parties that have violated subsection B of this section or are responsible for the violation.

1. HOW INITIATED.

a. By Motion. A motion for sanctions under this rule shall be made separately from other motions or

requests and shall describe the specific conduct alleged to violate subsection B of this section. It shall be served as provided in Section 2005 of Title 12 of the Oklahoma Statutes, but shall not be filed with or presented to the court unless, within twenty-one (21) days after service of the motion or such other period as the court may prescribe, the challenged paper, claim, defense, contention, allegation, or denial is not withdrawn or appropriately corrected. If warranted, the court may award to the party prevailing on the motion the reasonable expenses and attorneys fees incurred in presenting or opposing the motion. Absent exceptional circumstances, a law firm shall be held jointly responsible for violations committed by its partners, associates, and employees.

- b. On Court's Initiative. On its own initiative, the court may enter an order describing the specific conduct that appears to violate subsection B of this section and directing an attorney, law firm, or party to show cause why it has not violated subsection B of this section with respect thereto.

2. NATURE OF SANCTIONS; LIMITATIONS. A sanction imposed for violation of this section shall be limited to what is sufficient to deter repetition of such conduct or comparable conduct by others similarly situated. Subject to the limitations in subparagraphs a, b and c of this paragraph, the sanction may consist of, or include, directives of a nonmonetary nature, an order to pay a penalty into court, or, if imposed on motion and warranted for effective deterrence, an order directing payment to the movant of some or all of the reasonable attorneys fees and other expenses incurred as a direct result of the violation.

- a. Monetary sanctions shall not be awarded against a represented party for a violation of paragraph 2 of subsection B of this section.
- b. Monetary sanctions shall not be awarded on the court's initiative unless the court issues its order to show cause before a voluntary dismissal or settlement of the claims made by or against the party which is, or whose attorneys are, to be sanctioned.
- c. Monetary sanctions shall be awarded for any violations of paragraph 1 of subsection B of this section. The sanctions shall consist of an order directing payment of reasonable costs, including attorney fees, incurred by the movant with respect to the conduct for which the sanctions are imposed. In addition, the court may impose any other sanctions authorized by this paragraph.

3. ORDER. When imposing sanctions, the court shall describe the conduct determined to constitute a violation of this section and explain the basis for the sanction imposed.

D. INAPPLICABILITY TO DISCOVERY. This section does not apply to disclosures and discovery requests, responses, objections, and motions that are subject to the provisions of Sections 3226 through 3237 of Title 12 of the Oklahoma Statutes.

E. DEFINITION. As used in this section, "frivolous" means the action or pleading was knowingly asserted in bad faith, was unsupported by any credible evidence, was not grounded in fact, or was unwarranted by existing law or a good faith argument for the extension, modification, or reversal of existing law or the establishment of new law.

SECTION 17. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2020.1 of Title 12, unless there is created a duplication in numbering, reads as follows:

PERMISSIVE JOINDER OF PARTIES

A. PERMISSIVE JOINDER.

1. All persons may join in one action as plaintiffs if they assert any right to relief jointly, severally, or in the alternative:

- a. in respect of or arising out of the same transaction or occurrence, or
- b. if the claims arise out of a series of transactions or occurrences and any question of law or fact common to all these persons will arise in the action, or
- c. if the claims are connected with the subject matter of the action.

2. All persons may be joined in one action as defendants if there is asserted against them jointly, severally, or in the alternative:

- a. any right to relief in respect of or arising out of the same transaction or occurrence, or
- b. if the claims arise out of a series of transactions or occurrences and any question of law or fact common to all defendants will arise in the action, or
- c. if the claims are connected with the subject matter of the action.

3. A plaintiff or defendant need not be interested in obtaining or defending against all the relief demanded. Judgment may be given for one or more of the plaintiffs according to their respective rights to relief, and against one or more defendants according to their respective liabilities.

B. ACTIONS INVOLVING PROPERTY. In actions to quiet title or actions to enforce mortgages or other liens, persons who assert an interest in the property that is the subject of the action may be joined although their interest does not arise from the same

transaction or occurrence. The court may order separate trials to prevent delay or prejudice.

C. SEPARATE TRIALS. The court may make such orders as will prevent a party from being embarrassed, delayed, or put to expense by the inclusion of a party against whom he asserts no claim and who asserts no claim against him, and may order separate trials or make other orders to prevent delay or prejudice. In determining whether to allow joinder under this section or to order separate trials, the court shall consider if in the interest of justice such action provides a fair and convenient forum for all parties.

SECTION 18. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 2021.1 of Title 12, unless there is created a duplication in numbering, reads as follows:

MISJOINDER AND NONJOINDER OF PARTIES

Misjoinder of parties is not ground for dismissal of an action. Parties may be dropped or added by order of the court on motion of any party or of its own initiative at any stage of the action and on such terms as are just. Any claim against a party may be severed and proceeded with separately. In determining whether to add or drop parties under this section, the court shall consider if in the interest of justice such action provides a fair and convenient forum for all parties.

SECTION 19. AMENDATORY 12 O.S. 2001, Section 2023, is amended to read as follows:

Section 2023.

CLASS ACTIONS

A. PREREQUISITES TO A CLASS ACTION. One or more members of a class may sue or be sued as representative parties on behalf of all only if:

1. The class is so numerous that joinder of all members is impracticable;
2. There are questions of law or fact common to the class;

3. The claims or defenses of the representative parties are typical of the claims or defenses of the class; and

4. The representative parties will fairly and adequately protect the interests of the class.

B. CLASS ACTIONS MAINTAINABLE. An action may be maintained as a class action if the prerequisites of subsection A of this section are satisfied and in addition:

1. The prosecution of separate actions by or against individual members of the class would create a risk of:

a. inconsistent or varying adjudications with respect to individual members of the class which would establish incompatible standards of conduct for the party opposing the class, or

b. adjudications with respect to individual members of the class which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests; or

2. The party opposing the class has acted or refused to act on grounds generally applicable to the class, thereby making appropriate final injunctive relief or corresponding declaratory relief with respect to the class as a whole; or

3. The court finds that the questions of law or fact common to the members of the class predominate over any questions affecting only individual members, and that a class action is superior to other available methods for the fair and efficient adjudication of the controversy. The matters pertinent to the findings include:

a. the interest of members of the class in individually controlling the prosecution or defense of separate actions,

- b. the extent and nature of any litigation concerning the controversy already commenced by or against members of the class,
- c. the desirability or undesirability of concentrating the litigation of the claims in the particular forum, and
- d. the difficulties likely to be encountered in the management of a class action.

C. CLASS ACTIONS INVOLVING JURISDICTION OF STATE AGENCY; STATE AGENCY WITH EXCLUSIVE OR PRIMARY JURISDICTION.

Before hearing or deciding a motion to certify a class action, the court shall hear and rule on all pending motions asserting lack of jurisdiction because an agency of this state has exclusive or primary jurisdiction of the action or a part of the action, or asserting that a party has failed to exhaust administrative remedies. The ruling of the court shall be reflected in a written order. If a motion provided for in this subsection is denied and a class is subsequently certified, a person may obtain appellate review of the order denying the motion as part of an appeal of the order certifying the class action.

D. DETERMINATION BY ORDER WHETHER CLASS ACTION TO BE MAINTAINED; NOTICE; JUDGMENT; ACTIONS CONDUCTED PARTIALLY AS CLASS ACTIONS.

1. As soon as practicable after the commencement of an action brought as a class action, the court shall determine by order whether it is to be so maintained. An order under this subsection may be conditional, and may be altered or amended before the decision on the merits.

2. In any class action maintained under paragraph 3 of subsection B of this section, the court shall direct to the members of the class the best notice practicable under the circumstances, including individual notice to all members who can be identified

through reasonable effort. The notice shall advise each member that:

- a. the court will exclude him from the class if he so requests by a specified date,
- b. the judgment, whether favorable or not, will include all members who do not request exclusion, and
- c. any member who does not request exclusion may, if he desires, enter an appearance through his counsel.

Where the class contains more than five hundred (500) members who can be identified through reasonable effort, it shall not be necessary to direct individual notice to more than five hundred (500) members, but the members to whom individual notice is not directed shall be given notice in such manner as the court shall direct, which may include publishing notice in newspapers, magazines, trade journals or other publications, posting it in appropriate places, and taking other steps that are reasonably calculated to bring the notice to the attention of such members, provided that the cost of giving such notice shall be reasonable in view of the amounts that may be recovered by the class members who are being notified. Members to whom individual notice was not directed may request exclusion from the class at any time before the issue of liability is determined, and commencing an individual action before the issue of liability is determined shall be the equivalent of requesting exclusion from the class.

3. The judgment in an action maintained as a class action under ~~paragraphs~~ paragraph 1 or 2 of subsection B of this section, whether or not favorable to the class, shall include and describe those whom the court finds to be members of the class. The judgment in an action maintained as a class action under paragraph 3 of subsection B of this section, whether or not favorable to the class, shall include and specify or describe those to whom the notice provided in paragraph 2 of this subsection ~~C of this section~~ was directed, and

who have not requested exclusion, and whom the court finds to be members of the class.

4. When appropriate:

- a. an action may be brought or maintained as a class action with respect to particular issues, or
- b. a class may be divided into subclasses and each subclass treated as a class.

The provisions of this section shall then be construed and applied accordingly.

~~D.~~ E. ORDERS IN CONDUCT OF ACTIONS. In the conduct of actions to which this section applies, the court may make appropriate orders:

1. Determining the course of proceedings or prescribing measures to prevent undue repetition or complication in the presentation of evidence or argument;
2. Requiring, for the protection of the members of the class or otherwise for the fair conduct of the action, that notice be given in such manner as the court may direct to some or all of the members of any step in the action, or of the proposed extent of the judgment, or of the opportunity of members to signify whether they consider the representation fair and adequate, to intervene and present claims or defenses, or otherwise to come into the action;
3. Imposing conditions on the representative parties or on intervenors;
4. Requiring that the pleadings be amended to eliminate therefrom allegations as to representation of absent persons, and that the action proceed accordingly; and
5. Dealing with similar procedural matters.

The orders may be combined with an order under Section ~~16~~ 2016 of this ~~act~~ title and may be altered or amended as may be desirable from time to time.

~~E.~~ F. DISMISSAL OR COMPROMISE. A class action shall not be dismissed or compromised without the approval of the court, and notice of the proposed dismissal or compromise shall be given to all members of the class in such manner as the court directs.

SECTION 20. AMENDATORY 12 O.S. 2001, Section 2702, is amended to read as follows:

Section 2702. If scientific, technical or other specialized knowledge will assist the trier of fact to understand the evidence or to determine a fact in issue, a witness qualified as an expert by knowledge, skill, experience, training or education may testify in the form of an opinion or otherwise, if:

1. The testimony is based upon sufficient facts or data;

2. The testimony is the product of reliable principles and methods; and

3. The witness has applied the principles and methods reliably to the facts of the case.

SECTION 21. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3226.2 of Title 12, unless there is created a duplication in numbering, reads as follows:

A. DISCOVERY METHODS. Parties may obtain discovery by one or more of the following methods: Depositions upon oral examination or written questions; written interrogatories; production of documents or things or permission to enter upon land or other property, for inspection and other purposes; physical and mental examinations; and requests for admission. Unless the court orders otherwise under this section, the frequency of use of these methods is not limited.

B. DISCOVERY SCOPE AND LIMITS. Unless otherwise limited by order of the court in accordance with the Oklahoma Discovery Code, the scope of discovery is as follows:

1. IN GENERAL. Parties may obtain discovery regarding any matter, not privileged, which is relevant to the subject matter involved in the pending action, whether it relates to the claim or

defense of the party seeking discovery or to the claim or defense of any other party, including the existence, description, nature, custody, condition and location of any books, documents or other tangible things and the identity and location of persons having knowledge of any discoverable matter. It is not a ground for objection that the information sought will be inadmissible at the trial if the information sought appears reasonably calculated to lead to the discovery of admissible evidence.

2. TRIAL PREPARATION: MATERIALS. Subject to the provisions of paragraph 3 of this subsection, discovery may be obtained of documents and tangible things otherwise discoverable under paragraph 1 of this subsection and prepared in anticipation of litigation or for trial by or for another party or by or for the representative of that other party, including his attorney, consultant, surety, indemnitor, only upon a showing that the party seeking discovery has substantial need of the materials in the preparation of his case and that he is unable, without undue hardship, to obtain the substantial equivalent of the materials by other means. In ordering discovery of such materials when the required showing has been made, the court shall protect against disclosure of the mental impressions, conclusions, opinions or legal theories of an attorney or other representative of a party concerning the litigation.

A party may obtain, without the required showing provided for in this paragraph, a statement concerning the action or its subject matter previously made by that party. Upon request, a person not a party may obtain without the required showing a statement concerning the action or its subject matter previously made by that person. If the request is refused, the person may move for a court order. The provisions of paragraph 4 of subsection A of Section 3237 of Title 12 of the Oklahoma Statutes apply to the award of expenses incurred in relation to the motion. For purposes of this paragraph, a statement previously made is:

- a. A written statement signed or otherwise adopted or approved by the person making it, or
- b. A stenographic, mechanical, electrical, or other recording, or a transcription thereof, which substantially recites an oral statement by the person making it and contemporaneously recorded.

3. TRIAL PREPARATION: EXPERTS.

- a. Discovery of facts known and opinions held by experts, otherwise discoverable under the provisions of paragraph 1 of this subsection and acquired or developed in anticipation of litigation or for trial, may be obtained only as follows:

(1) A party may, through interrogatories, require any other party to identify each person whom that other party expects to call as an expert witness at trial and give the address at which that expert witness may be located.

(2) After disclosure of the names and addresses of the expert witnesses, the other party expects to call as witnesses, the party, who has requested disclosure, may depose any such expert witnesses subject to scope of this section. Prior to taking the deposition the party must give notice as required in subsections A and C of Section 3230 of Title 12 of the Oklahoma Statutes. If any documents are provided to such disclosed expert witnesses, the documents shall not be protected from disclosure by privilege or work product protection and they may be obtained through discovery.

(3) In addition to taking the depositions of expert witnesses the party may, through interrogatories,

require the party who expects to call the expert witnesses to state the subject matter on which each expert witness is expected to testify; the substance of the facts and opinions to which the expert is expected to testify and a summary of the grounds for each opinion; the qualifications of each expert witness, including a list of all publications authored by the expert witness within the preceding ten (10) years; the compensation to be paid to the expert witness for the testimony and preparation for the testimony; and a listing of any other cases in which the expert witness has testified as an expert at trial or by deposition within the preceding four (4) years. An interrogatory seeking the information specified above shall be treated as a single interrogatory for purposes of the limitation on the number of interrogatories in Section 3233 of Title 12 of the Oklahoma Statutes.

- b. A party may discover facts known or opinions held by an expert who has been retained or specially employed by another party in anticipation of litigation or preparation for trial and who is not expected to be called as a witness at trial, only upon motion, when the court may order discovery as provided in Section 3235 of Title 12 of the Oklahoma Statutes or upon a showing of exceptional circumstances under which it is impracticable for the party seeking discovery to obtain facts or opinions on the same subject by any other means.
- c. Unless manifest injustice would result:

- (1) The court shall require that the party seeking discovery pay the expert a reasonable fee for time spent in responding to discovery under division (2) of subparagraph a of this paragraph and subparagraph b of this paragraph.
- (2) The court shall require that the party seeking discovery with respect to discovery obtained under subparagraph b of this paragraph, pay the other party a fair portion of the fees and expenses reasonably incurred by the latter party in obtaining facts and opinions from the expert.

4. CLAIMS OF PRIVILEGE OR PROTECTION OF TRIAL PREPARATION MATERIALS. When a party withholds information otherwise discoverable under the Oklahoma Discovery Code by claiming that it is privileged or subject to protection as trial preparation material, the party shall make the claim expressly and shall describe the nature of the documents, communications, or things not produced or disclosed in a manner that, without revealing information itself privileged or protected, will enable other parties to assess the applicability of the privilege or protection.

C. PROTECTIVE ORDERS.

1. Upon motion by a party or by the person from whom discovery is sought, accompanied by a certification that the movant has in good faith conferred or attempted to confer, either in person or by telephone, with other affected parties in an effort to resolve the dispute without court action, and for good cause shown, the court in which the action is pending or on matters relating to a deposition, the district court in the county where the deposition is to be taken may enter any order which justice requires to protect a party or person from annoyance, harassment, embarrassment, oppression or undue delay, burden or expense, including one or more of the following:

- a. that the discovery not be had,
- b. that the discovery may be had only on specified terms and conditions, including a designation of the time or place,
- c. that the discovery may be had only by a method of discovery other than that selected by the party seeking discovery,
- d. that certain matters not be inquired into, or that the scope of the disclosure or discovery be limited to certain matters,
- e. that discovery be conducted with no one present except persons designated by the court,
- f. that a deposition after being sealed be opened only by order of the court,
- g. that a trade secret or other confidential research, development or commercial information not be disclosed or be disclosed only in a designated way, and
- h. that the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the court;

2. If the motion for a protective order is denied in whole or in part, the court may, on such terms and conditions as are just, order that any party or person provide or permit discovery. The provisions of paragraph 4 of subsection A of Section 3237 of Title 12 of the Oklahoma Statutes apply to the award of expenses incurred in relation to the motion. Any protective order of the court which has the effect of removing any material obtained by discovery from the public record shall contain the following:

- a. a statement that the court has determined it is necessary in the interests of justice to remove the material from the public record,

- b. specific identification of the material which is to be removed or withdrawn from the public record, or which is to be filed but not placed in the public record, and
- c. a requirement that any party obtaining a protective order place the protected material in a sealed manila envelope clearly marked with the caption and case number and is clearly marked with the word "CONFIDENTIAL", and stating the date the order was entered and the name of the judge entering the order;

3. No protective order entered after the filing and microfilming of documents of any kind shall be construed to require the microfilm record of such filing to be amended in any fashion;

4. The party or counsel which has received the protective order shall be responsible for promptly presenting the order to appropriate court clerk personnel for appropriate action;

5. All documents produced or testimony given under a protective order shall be retained in the office of counsel until required by the court to be filed in the case;

6. Counsel for the respective parties shall be responsible for informing witnesses, as necessary, of the contents of the protective order; and

7. When a case is filed in which a party intends to seek a protective order removing material from the public record, the plaintiff(s) and defendant(s) shall be initially designated on the petition under pseudonym such as "John or Jane Doe", or "Roe", and the petition shall clearly indicate that the party designations are fictitious. The party seeking confidentiality or other order removing the case, in whole or in part, from the public record, shall immediately present application to the court, seeking instructions for the conduct of the case, including confidentiality of the records.

D. SEQUENCE AND TIMING OF DISCOVERY. Unless the court upon motion, for the convenience of parties and witnesses and in the interests of justice, orders otherwise, methods of discovery may be used in any sequence. The fact that a party is conducting discovery, whether by deposition or otherwise, shall not operate to delay discovery by any other party.

E. SUPPLEMENTATION OF RESPONSES. A party who has responded to a request for discovery with a response that was complete when it was made is under no duty to supplement the response to include information thereafter acquired, except as follows:

1. A party is under a duty seasonably to supplement the response with respect to any question directly addressed to:

- a. the identity and location of persons having knowledge of discoverable matters, and
- b. the identity of each person expected to be called as an expert witness at trial, the subject matter on which the person is expected to testify, and the substance of the testimony of the person.

2. A party is under a duty seasonably to amend a prior response to an interrogatory, request for production, or request for admission if the party obtains information upon the basis of which:

- a. (i) the party knows that the response was incorrect in some material respect when made, or
(ii) the party knows that the response, which was correct when made, is no longer true in some material respect; and
- b. the additional or corrective information has not otherwise been made known to the other parties during the discovery process or in writing.

3. A duty to supplement responses may be imposed by order of the court, agreement of the parties, or at any time prior to trial through new requests for supplementation of prior responses.

F. DISCOVERY CONFERENCE. At any time after commencement of an action, the court may direct the attorneys for the parties to appear for a conference on the subject of discovery. The court shall do so upon motion by the attorney for any party if the motion includes:

1. A statement of the issues as they then appear;
2. A proposed plan and schedule of discovery;
3. Any limitations proposed to be placed on discovery;
4. Any other proposed orders with respect to discovery; and
5. A statement showing that the attorney making the motion has made a reasonable effort to reach agreement with opposing attorneys on the matters set forth in the motion.

Each party and his attorney are under a duty to participate in good faith in the framing of a discovery plan if a plan is proposed by the attorney for any party. Notice of the motion shall be served on all parties. Objections or additions to matters set forth in the motion shall be served not later than ten (10) days after service of the motion.

Following the discovery conference, the court shall enter an order tentatively identifying the issues for discovery purposes, establishing a plan and schedule for discovery, setting limitations on discovery, if any; and determining such other matters, including the allocation of expenses, as are necessary for the proper management of discovery in the action. In preparing the plan for discovery the court shall protect the parties from excessive or abusive use of discovery. An order shall be altered or amended whenever justice so requires.

Subject to the right of a party who properly moves for a discovery conference to prompt convening of the conference, the court may combine the discovery conference with a pretrial conference.

G. SIGNING OF DISCOVERY REQUESTS, RESPONSES AND OBJECTIONS. Every request for discovery, response or objection thereto made by a

party represented by an attorney shall be signed by at least one of his attorneys of record in his individual name whose address shall be stated. A party who is not represented by an attorney shall sign the request, response or objection and state his address. The signature of the attorney or party constitutes a certification that he has read the request, response or objection, and that it is:

1. To the best of his knowledge, information and belief formed after a reasonable inquiry consistent with the Oklahoma Discovery Code and warranted by existing law or a good faith argument for the extension, modification or reversal of existing law;

2. Interposed in good faith and not primarily to cause delay or for any other improper purpose; and

3. Not unreasonable or unduly burdensome or expensive, given the nature and complexity of the case, the discovery already had in the case, the amount in controversy, and other values at stake in the litigation. If a request, response or objection is not signed, it shall be deemed ineffective.

If a certification is made in violation of the provisions of this subsection, the court, upon motion or upon its own initiative, shall impose upon the person who made the certification, the party on whose behalf the request, response or objection is made, or both, an appropriate sanction, which may include an order to pay to the amount of the reasonable expenses occasioned thereby, including a reasonable attorney fee.

SECTION 22. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 3226.3 of Title 12, unless there is created a duplication in numbering, reads as follows:

A. ABUSIVE DISCOVERY IN CLASS ACTIONS. In addition to the protective orders that a court may issue pursuant to paragraph 1 of subsection C of Section 3226 of Title 12 of the Oklahoma Statutes, upon motion by a party or the person from whom discovery is sought, accompanied by a certification that the movant has in good faith

conferred or attempted to confer, either in person or by telephone, with other affected parties in an effort to resolve the dispute without court action, and for good cause shown, the court in which the action is pending or, on matters relating to a deposition the district court where the deposition is to be taken, upon a finding that justice requires that a party or person be protected from annoyance, harassment, embarrassment, oppression or undue delay, burden, or expense, may enter a protective order authorizing the discovery.

B. AWARD OF EXPENSES OF MOTION. If the motion is granted, the court shall, after opportunity for hearing, require the party or person whose conduct necessitated the motion or the party or attorney advising such conduct or both of them to pay to the moving party the reasonable expenses incurred in obtaining the order, including attorney fees, unless the court finds that the opposition to the motion was substantially justified or that other circumstances make an award of expenses unjust.

If the motion is denied, the court shall, after opportunity for hearing, require the moving party or the attorney advising the motion or both of them to pay to the party or deponent who opposed the motion the reasonable expenses incurred in opposing the motion, including attorney fees, unless the court finds that the making of the motion was substantially justified or that other circumstances make an award of expenses unjust.

If the motion is granted in part and denied in part, the court may apportion the reasonable expenses incurred in relation to the motion among the parties and persons in a just manner.

SECTION 23. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 81.1 of Title 20, unless there is created a duplication in numbering, reads as follows:

A. There is hereby created the Judicial Panel on Multidistrict Litigation. The panel shall consist of five (5) active judges

selected by the Chief Justice of the Supreme Court. The judges may be either judges of the district court or appellate judges. The members of the panel shall serve at the pleasure of the Chief Justice.

B. The Judicial Panel on Multidistrict Litigation may transfer civil actions involving one or more common questions of fact pending in the same or different district courts to any district court for consolidated or coordinated proceedings.

C. A transfer may be made by the Judicial Panel on Multidistrict Litigation if the panel determines that the transfer shall:

1. Be for the convenience of the parties and witnesses; and
2. Promote the just and efficient conduct of actions.

D. A judge who is qualified and authorized by law to preside in the court to which an action is transferred pursuant to this section may preside over the transferred action as if the transferred action were originally filed in that court.

E. The Supreme Court shall promulgate rules for the implementation of this section.

SECTION 24. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 91.2A of Title 20, unless there is created a duplication in numbering, reads as follows:

A. To facilitate the trial and disposition of cases, actions filed in the district court shall be assigned to various dockets by the clerk of the court pursuant to the direction and supervision of the presiding judge of the district. Until changed by order of the Supreme Court, only the following dockets are established: a civil docket, a criminal docket, a traffic docket, a probate docket, a juvenile and family relations docket, a small claims docket, and a business docket for business court divisions of the court created pursuant to Section 17 of this act.

B. Whenever a district court establishes a drug court program pursuant to the provisions of Sections 471 through 471.11 of Title 22 of the Oklahoma Statutes, the judge having authority over the program shall cause to be established a drug court docket. In those cases assigned to the drug court docket, the judge shall determine what information or pleadings are to be maintained in a confidential case file which shall be closed to public inspection. The originating criminal case file shall remain open to public inspection. Nothing in this section shall prohibit the district attorney, defense attorney, or the victim-witness coordinator from advising any victim or other person regarding the assignment or disposition of a drug court case.

SECTION 25. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 91.7A of Title 20, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma Legislature finds that, due to the complex nature of litigation involving highly technical commercial issues, there is a need for a court in Oklahoma's most populated counties with specific jurisdiction over actions involving such commercial issues.

B. The Supreme Court is authorized to create a business court division within the district court of any judicial district containing a municipality with a population in excess of three hundred thousand (300,000), according to the latest Federal Decennial Census.

C. The Supreme Court shall promulgate rules for the establishment and jurisdiction of the business court divisions.

SECTION 26. AMENDATORY 20 O.S. 2001, Section 92.8a, is amended to read as follows:

SECTION 30. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 92j of Title 20, unless there is created a duplication in numbering, reads as follows:

Beginning with the term of office commencing January 9, 2006, and for each term of office thereafter, the associate district judges for District Court Judicial District No. 7 and District Court Judicial District No. 14, except the associate district judge for Pawnee County, shall be appointed by the Governor. The Governor shall appoint each associate district judge from a list of three nominees for that office submitted by the Judicial Nominating Commission.

SECTION 31. AMENDATORY 23 O.S. 2001, Section 9.1, as amended by Section 1, Chapter 462, O.S.L. 2002 (23 O.S. Supp. 2004, Section 9.1), is amended to read as follows:

Section 9.1 A. In an action for the breach of an obligation not arising from contract, the jury, in addition to actual damages, may, subject to the provisions and limitations in subsections B, C

and D of this section, award punitive damages for the sake of example and by way of punishing the defendant based upon the following factors:

1. The seriousness of the hazard to the public arising from the defendant's misconduct;
2. The profitability of the misconduct to the defendant;
3. The duration of the misconduct and any concealment of it;
4. The degree of the defendant's awareness of the hazard and of its excessiveness;
5. The attitude and conduct of the defendant upon discovery of the misconduct or hazard;
6. In the case of a defendant which is a corporation or other entity, the number and level of employees involved in causing or concealing the misconduct; and
7. The financial condition of the defendant.

B. Category I. Where the jury finds by clear and convincing evidence that:

1. The defendant has been guilty of reckless disregard for the rights of others; or

2. An insurer has recklessly disregarded its duty to deal fairly and act in good faith with its insured; the jury, in a separate proceeding conducted after the jury has made such finding and awarded actual damages, may award punitive damages in an amount not to exceed the greater of:

- a. One Hundred Thousand Dollars (\$100,000.00), or
- b. the amount of the actual damages awarded.

Any award of punitive damages under this subsection awarded in any manner other than as required in this subsection shall be void and reversible error.

C. Category II. Where the jury finds by clear and convincing evidence that:

1. The defendant has acted intentionally and with malice towards others; or

2. An insurer has intentionally and with malice breached its duty to deal fairly and act in good faith with its insured; the jury, in a separate proceeding conducted after the jury has made such finding and awarded actual damages, may award punitive damages in an amount not to exceed the greatest of:

- a. Five Hundred Thousand Dollars (\$500,000.00),
- b. twice the amount of actual damages awarded, or
- c. the increased financial benefit derived by the defendant or insurer as a direct result of the conduct causing the injury to the plaintiff and other persons or entities.

The trial court shall reduce any award for punitive damages awarded pursuant to the provisions of subparagraph c of this paragraph by the amount it finds the defendant or insurer has previously paid as a result of all punitive damage verdicts entered in any court of this state for the same conduct by the defendant or insurer. Any award of punitive damages under this subsection awarded in any manner other than as required in this subsection shall be void and reversible error.

D. Category III. Where the jury finds by clear and convincing evidence that:

1. The defendant has acted intentionally and with malice towards others; or

2. An insurer has intentionally and with malice breached its duty to deal fairly and act in good faith with its insured; and the court finds, on the record and out of the presence of the jury, that there is evidence beyond a reasonable doubt that the defendant or insurer acted intentionally and with malice and engaged in conduct life-threatening to humans,

the jury, in a separate proceeding conducted after the jury has made such finding and awarded actual damages, may award punitive damages in any amount the jury deems appropriate, without regard to the limitations set forth in subsections B and C of this section. Any award of punitive damages under this subsection awarded in any manner other than as required in this subsection shall be void and reversible error.

E. In determining the amount, if any, of punitive damages to be awarded under either subsection B, C or D of this section, the jury shall make the award based upon the factors set forth in subsection A of this section.

F. Punitive damages shall be awarded only if the jury is unanimous in regard to finding liability for punitive damages.

G. The provisions of this section are severable, and if any part or provision thereof shall be held void, the decision of the court shall not affect or impair any of the remaining parts or provisions thereof.

~~G.—This~~ H. The provisions of this section, except subsection F of this section, shall apply to all civil actions filed after ~~the effective date of this act~~ August 25, 1995.

I. The provisions of subsection F of this section shall apply to all civil actions filed on or after November 1, 2005.

SECTION 32. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 15.1 of Title 23, unless there is created a duplication in numbering, reads as follows:

A. Except as provided in subsections B and C of this section, in any civil action based on fault and not arising out of contract, the liability for damages caused by two or more persons shall be several only and a joint tortfeasor shall be liable only for the amount of damages allocated to that tortfeasor.

B. A defendant shall be jointly and severally liable for the damages recoverable by the plaintiff if the percentage of

responsibility attributed to the defendant with respect to a cause of action is greater than fifty percent (50%).

C. If at the time the incident which gave rise to the cause of action occurred, any joint tortfeasors acted with willful and wanton conduct or with reckless disregard of the consequences of the conduct and such conduct proximately caused the damages legally recoverable by the plaintiff, the liability for damages shall be joint and several.

D. This section shall not apply to actions brought by the state or a political subdivision of the state or any action in which no comparative negligence is found to be attributable to the plaintiff. The provisions of this section shall apply to all civil actions based on fault and not arising out of contract that accrue on or after November 1, 2005.

SECTION 33. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 61A of Title 23, unless there is created a duplication in numbering, reads as follows:

A. Except as provided in subsection B of this section, in any action not arising out of contract in which a good faith offer of judgment is made pursuant to Section 14 of this act, the amount of noneconomic damages awarded shall not exceed Three Hundred Thousand Dollars (\$300,000.00), regardless of the number of parties against whom the action is brought or the number of actions brought with respect to the personal injury. As used in this subsection, a good faith offer is an offer of judgment, made pursuant to Section 14 of this act, of not less than eighty percent (80%) of the judgment awarded to the plaintiff.

B. The dollar amount prescribed by subsection A of this section shall be adjusted annually based upon any positive increase in the Consumer Price Index that measures the average changes in prices of goods and services purchased by urban wage earners and clerical workers' families and single workers living alone (CPI-W) for the

preceding calendar year. The adjustment required by this subsection shall be made on April 1 of each year or not later than thirty (30) days after the date upon which the Bureau of Labor Statistics releases the CPI-W inflationary data for the preceding calendar year, whichever date first occurs. No adjustment to the dollar amount prescribed by this section shall be made for any year in which there is a decline in the Consumer Price Index.

D. If the jury finds by clear and convincing evidence that the defendant committed negligence, the limits on noneconomic damages provided for in subsection A of this section shall not apply.

E. Nothing in this section shall apply to an action brought for wrongful death.

F. The provisions of this section shall apply only to actions that accrue on or after November 1, 2004.

As used in this section "frivolous" means the action was asserted in bad faith, was without merit, was not well grounded in fact, or was

unwarranted by existing law or a good faith argument for the extension, modification, or reversal of existing law. In any medical liability action, a person asserting a health care liability claim or an authorized agent of the person shall give written notice of the claim by certified mail, return receipt requested, to each health care provider against whom such claim is being made at least sixty (60) days before the filing of the medical liability action.

2. If the plaintiff fails to comply with paragraph 1 of this subsection, the court shall, upon motion of the defendant, unless good cause is shown for such failure, dismiss the action without prejudice to its refiling.

B. 1. In any medical liability action, except as provided in subsection ~~B~~ C of this section, the plaintiff shall attach to the petition an affidavit attesting that:

- a. the plaintiff has consulted and reviewed the facts of the claim with a qualified expert,
- b. the plaintiff has obtained a written opinion from a qualified expert that clearly identifies the plaintiff and includes the expert's determination that, based upon a review of the available medical records, facts or other relevant material, a reasonable interpretation of the facts supports a finding that the acts or omissions of the health care provider against whom the action is brought constituted professional negligence, and
- c. on the basis of the qualified expert's review and consultation, the plaintiff has concluded that the claim is meritorious and based on good cause.

2. If a medical liability action is filed:

- a. without an affidavit being attached to the petition, as required in paragraph 1 of this subsection, and
- b. no extension of time is subsequently granted by the court, pursuant to subsection ~~B~~ C of this section,

the court shall, upon motion of the defendant, dismiss the action without prejudice to its refiling.

3. The written opinion from the qualified expert shall state the acts or omissions of the defendant(s) that the expert then believes constituted professional negligence and shall include reasons explaining why the acts or omissions constituted professional negligence. The written opinion from the qualified expert shall not be admissible at trial for any purpose nor shall any inquiry be permitted with regard to the written opinion for any purpose either in discovery or at trial.

~~B.~~ C. 1. The court may, upon application of the plaintiff for good cause shown, grant the plaintiff an extension of time, not exceeding ninety (90) days after the date the petition is filed, except for good cause shown, to file in the action an affidavit attesting that the plaintiff has obtained a written opinion from a qualified expert as described in paragraph 1 of subsection ~~A~~ B of this section.

2. If on the expiration of an extension period described in paragraph 1 of this subsection, the plaintiff has failed to file in the action an affidavit as described above, the court shall, upon motion of the defendant, unless good cause is shown for such failure, dismiss the action without prejudice to its refiling.

~~C.~~ D. 1. Upon written request of any defendant in a medical liability action, the plaintiff shall, within ten (10) business days after receipt of such request, provide the defendant with:

- a. a copy of the written opinion of a qualified expert mentioned in an affidavit filed pursuant to subsection ~~A~~ B or ~~B~~ C of this section, and
- b. an authorization from the plaintiff in a form that complies with applicable state and federal laws, including the Health Insurance Portability and Accountability Act of 1996, for the release of any and

all medical records related to the plaintiff for a period commencing five (5) years prior to the incident that is at issue in the medical liability action.

2. If the plaintiff fails to comply with paragraph 1 of this subsection, the court shall, upon motion of the defendant, unless good cause is shown for such failure, dismiss the action without prejudice to its refiling.

SECTION 39. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1708.1E-1 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. In a medical liability action, a plaintiff shall, not later than one hundred twenty (120) days after the date the action was filed, serve on each party or the party's attorney one or more expert reports, with a curriculum vitae of each expert listed in the report for each health care provider against whom a liability claim is asserted. The date for serving the report may be extended by written agreement of the affected parties. Each party whose conduct is implicated in a report shall file and serve any objection to the sufficiency of the report not later than twenty-one (21) days after the date a report was served, or all objections are waived.

B. If, as to any defendant, an expert report has not been served within the period specified by subsection A of this section, the court, on the motion of the defendant, may, subject to subsection C of this section, enter an order that:

1. Awards to the affected health care provider reasonable attorney fees and costs of court incurred by the defendant; and

2. Dismisses the claim with respect to the defendant, without prejudice to the refiling of the claim.

C. If an expert report has not been served within the period specified by subsection A of this section or is found to be deficient, the court may grant one thirty-day extension to the

plaintiff in order to serve the expert report or cure the deficiency.

D. A plaintiff may satisfy any requirement of this section for serving an expert report by serving reports of separate experts regarding different health care providers or regarding different issues arising from the conduct of a health care provider, such as issues of liability and causation. Nothing in this section shall be construed to mean that a single expert must address all liability and causation issues with respect to all health care providers or with respect to both liability and causation issues for a health care provider.

E. Nothing in this section shall be construed to require the serving of an expert report regarding any issue other than an issue relating to liability or causation.

F. Subject to subsection J of this section, an expert report served under this section:

1. Is not admissible in evidence by any party;
2. Shall not be used in a deposition, trial, or other proceeding; and
3. Shall not be referred to by any party during the course of the action for any purpose.

G. A court shall grant a motion challenging the adequacy of an expert report only if it appears to the court, after hearing, that the report does not represent an objective good faith effort to comply with the definition of an expert report provided in subsection H of this section.

H. "Expert report" means a written report by an expert that provides a fair summary of the opinions of the expert as of the date of the report regarding applicable standards of care, the manner in which the care rendered by the health care provider failed to meet the standards, and the causal relationship between that failure and the injury, harm, or damages claimed.

I. Until a plaintiff has served the expert report and curriculum vitae as required by subsection A of this section, all discovery in a health care liability claim is stayed except for the acquisition by the plaintiff of information, including medical or hospital records or other documents or tangible things, related to the patient's health care and the standard sets of interrogatories and requests for production as provided for in Section 40 of this act.

J. If an expert report is used by the plaintiff in the course of the action for any purpose other than to meet the service requirement of subsection A of this section, the restrictions imposed by subsection F of this section on use of the expert report by any party are waived.

SECTION 40. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1708.1E-2 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. In every medical liability action, the plaintiff shall within forty-five (45) days after the date of filing of the original petition serve on the defendant's attorney or, if no attorney has appeared for the defendant, on the defendant, full and complete answers to the appropriate standard set of interrogatories and full and complete responses to the appropriate standard set of requests for production of documents and things promulgated by the Health Care Discovery Panel, established by subsection I of this section.

B. Every health care provider who is a defendant in a health care liability claim shall within forty-five (45) days after the date on which an answer to the petition was due serve on the plaintiff's attorney or, if the plaintiff is not represented by an attorney, on the plaintiff, full and complete answers to the appropriate standard set of interrogatories and complete responses to the standard set of requests for production of documents and things promulgated by the Health Care Discovery Panel.

C. Except on motion and for good cause shown, no objection may be asserted regarding any standard interrogatory or request for production of documents and other items, but no response shall be required if a particular interrogatory or request is clearly inapplicable under the circumstances of the case.

D. Failure to file full and complete answers and responses to standard interrogatories and requests for production of documents and other items in accordance with subsections A and B of this section or the making of a groundless objection under subsection C of this section shall be grounds for sanctions by the court in accordance with Section 3237 of Title 12 of the Oklahoma Statutes.

E. The time limits imposed under subsections A and B of this section may be extended by the court on the motion of a responding party for good cause shown and shall be extended if agreed in writing between the responding party and all opposing parties. In no event shall an extension be for a period of more than an additional thirty (30) days.

F. If a party is added by an amended pleading, intervention, or otherwise, the new party shall file full and complete answers to the appropriate standard set of interrogatories and full and complete responses to the standard set of requests for production of documents and things no later than forty-five (45) days after the date of filing of the pleading by which the party first appeared in the action.

G. If information or documents required to provide full and complete answers and responses as required by this section are not in the possession of the responding party or attorney when the answers or responses are filed, the party shall supplement the answers and responses.

H. Nothing in this section shall preclude any party from taking additional nonduplicative discovery of any other party. The standard sets of interrogatory and requests for production provided

for by this section shall not limit the number of interrogatories and requests for production allowed by the Oklahoma Discovery Code.

I. There is hereby created the Health Care Discovery Panel. The Panel shall develop standard sets of interrogatories and requests for documents and other items appropriate for each of the categories of plaintiffs and defendants usually involved in medical liability actions.

J. The Panel shall be composed of nine (9) members, to be appointed as follows:

1. Three attorneys licensed to practice law in this state, one physician licensed to practice medicine in this state, and one consumer advocate, to be appointed by the Governor;

2. One attorney licensed to practice law in this state and one physician licensed to practice medicine in this state, to be appointed by the Speaker of the House of Representatives; and

3. One attorney licensed to practice law in this state and one physician licensed to practice medicine in this state, to be appointed by the President Pro Tempore of the Senate.

K. Members of the Panel shall serve at the pleasure of the appointing authority. Any vacancy on the Panel shall be filled by the original appointing authority. A majority of the members present at a meeting shall constitute a quorum for the transaction of business. The Panel may elect a chair and a vice-chair. Employees of the Office of the Administrative Director of the Courts shall serve as staff for the Panel.

L. Members of the Panel shall serve without compensation but shall be entitled reimbursement for necessary expenses pursuant to the State Travel Reimbursement Act.

M. The panel shall submit the standard sets of interrogatories and requests for documents developed pursuant to subsection I of this section to the Supreme Court by February 1, 2005.

SECTION 41. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1708.1F-2 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. Except as provided in subsection B of this section, in any civil action brought against a hospital or hospital system, or its employees, officers, directors, or volunteers, for damages based on an act or omission by the hospital or hospital system, or its employees, officers, directors, or volunteers, the liability of the hospital or hospital system is limited to money damages in a maximum amount of Five Hundred Thousand Dollars (\$500,000.00) for any act or omission resulting in damage or injury to a patient if the patient or, if the patient is a minor or is otherwise legally incompetent, the person responsible for the patient, signs a written statement that acknowledges:

1. That the hospital is providing care that is not administered for or in expectation of compensation; and

2. The limitations on the recovery of damages from the hospital in exchange for receiving the health care services.

B. This section shall not apply to wrongful death actions or to an act or omission that is the result of gross negligence or willful or wanton misconduct.

SECTION 42. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1708.1H-1 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. In any medical liability action, any and all statements, affirmations, gestures, or conduct expressing apology, sympathy, commiseration, condolence, compassion, or a general sense of benevolence which are made by a health care provider or an employee of a health care provider to the plaintiff, a relative of the plaintiff, or a representative of the plaintiff and which relate solely to discomfort, pain, suffering, injury, or death as the result of the unanticipated outcome of the medical care shall be

inadmissible as evidence of an admission of liability or as evidence of an admission against interest.

B. For purposes of this section, unless context otherwise requires "relative" means a spouse, parent, grandparent, stepfather, child, grandchild, brother, sister, half-brother, half-sister or spouse's parents. The term includes said relationships that are created as a result of adoption. In addition, "relative" includes any person who has a family-type relationship with a plaintiff. "Representative" means a legal guardian, attorney, person designated to make decisions on behalf of a patient under a durable power of attorney or healthcare proxy, or any person recognized in law or custom as an agent for the plaintiff.

SECTION 43. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1708.1I-1 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. A health care provider performing charitable health care services, without expectation or actual receipt of compensation, shall not be liable for civil damages on the basis of any act or omission in providing the medical services if:

1. The health care provider was acting in good faith and within the scope of the license issued to the health care provider pursuant to Title 59 or 63 of the Oklahoma Statutes;

2. The acts or omissions were not caused by gross negligence or willful and wanton misconduct; and

3. The acts or omissions were committed in the course of providing health care services.

B. The charitable medical services provided without expectation of compensation on the part of a health care provider may be provided at any location.

C. The civil immunity for the health care provider provided in subsection A of this section does not apply unless the person receiving the charitable health care services, or the legal

representative of the person receiving the charitable health care services, provides informed consent that:

1. The health care services are being provided with no expectation of compensation on the part of the health care provider; and

2. The health care services are governed by this section providing immunity from civil damages for the health care provider.

D. The civil immunity provided for in subsection A of this section applies only to the actions taken by the health care provider during the provision of the health care services and does not confer any immunity for actions taken prior to or subsequent to the provision of health care services.

E. In any civil action in which a health care provider prevails based upon the civil immunity provided for in subsection A of this section, the court may award all reasonable attorney fees incurred by the health care provider in defending the action.

F. The provisions of this section shall not apply to actions brought for wrongful death.

SECTION 44. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1708.1J of Title 63, unless there is created a duplication in numbering, reads as follows:

A. If the plaintiff in a medical liability action has settled with one or more persons, the court shall reduce the amount of damages to be recovered by the plaintiff with respect to a cause of action by an amount equal to one of the following, as elected by the defendant:

1. The sum of the dollar amounts of all settlements; or
2. A percentage equal to each settling person's percentage of responsibility as found by the trier of fact.

B. An election made under subsection A of this section shall be made by any defendant filing a written election before the issues of the action are submitted to the trier of fact and when made, shall

be binding on all defendants. If no defendant makes this election or if conflicting elections are made, all defendants are considered to have elected the option provided for in paragraph 1 of subsection A of this section.

SECTION 45. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1708.1K of Title 63, unless there is created a duplication in numbering, reads as follows:

A. In an action for damages that involves a claim of negligence arising from the provision of emergency medical care in a hospital emergency department or obstetrical unit or in a surgical suite immediately following the evaluation or treatment of a patient in a hospital emergency department, the court shall instruct the jury to consider, together with all other relevant matters:

1. Whether the person providing care did or did not have the patient's medical history or was able or unable to obtain a full medical history, including the knowledge of preexisting medical conditions, allergies, and medications;

2. The presence or lack of a preexisting physician-patient relationship or health care provider-patient relationship;

3. The circumstances constituting the emergency; and

4. The circumstances surrounding the delivery of the emergency medical care.

B. The provisions of subsection A of this section shall not apply to medical care or treatment:

1. That occurs after the patient is stabilized and is capable of receiving medical treatment as a nonemergency patient;

2. That is unrelated to the original medical emergency; or

3. That is related to an emergency caused in whole or in part by the negligence of the defendant.

C. The provisions of this section shall apply to all actions filed on or after November 1, 2004.

SECTION 46. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1708.1L of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The court shall apply the criteria specified in subsection B of this section in determining whether an expert is qualified to offer expert testimony on the issue of whether the defendant health care provider departed from accepted standards of health care but may depart from those criteria if, under the circumstances, the court determines that there is good reason to admit the expert's testimony. The court shall state on the record the reason for admitting the testimony if the court departs from the criteria.

B. In determining whether a witness is qualified on the basis of training or experience, the court shall consider whether, at the time the claim arose or at the time the testimony is given, the witness:

1. Is certified by a licensing agency of one or more states of the United States or a national professional certifying agency, or has other substantial training or experience, in the area of health care relevant to the claim; and

2. Is actively practicing or retired from practicing health care in an area of health care services relevant to the claim.

C. This section shall not prevent a health care provider who is a defendant, or an employee of the defendant health care provider, from qualifying as an expert.

D. A pretrial objection to the qualifications of a witness under this section shall be made not later than the later of the twenty-first day after the date the objecting party receives a copy of the witness's curriculum vitae or the twenty-first day after the date of the witness's deposition. If circumstances arise after the date on which the objection must be made that could not have been reasonably anticipated by a party before that date and that the party believes in good faith provide a basis for an objection to a

witness's qualifications, and if an objection was not made previously, this subsection does not prevent the party from making an objection as soon as practicable under the circumstances. The court shall conduct a hearing to determine whether the witness is qualified as soon as practicable after the filing of an objection and, if possible, before trial. If the objecting party is unable to object in time for the hearing to be conducted before the trial, the hearing shall be conducted outside the presence of the jury. This subsection does not prevent a party from examining or cross-examining a witness at trial about the witness's qualifications.

SECTION 47. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1708.1M of Title 63, unless there is created a duplication in numbering, reads as follows:

A. As used in this section:

- b. physical pain and mental anguish, disfigurement, or physical impairment,
- c. loss of consortium, companionship, or society, or
- d. loss of earnings;

2. "Future loss of earnings" means the following losses incurred after the date of the judgment:

- a. loss of income, wages, or earning capacity and other pecuniary losses, and
- b. loss of inheritance; and

3. "Periodic payments" means the payment of money or its equivalent to the recipient of future damages at defined intervals.

B. This section applies only to a medical liability action against a health care provider in which the present value of the award of future damages, as determined by the court, equals or exceeds One Hundred Thousand Dollars (\$100,000.00).

C. At the request of a defendant or a plaintiff, the court shall order that medical, health care, or custodial services awarded in a medical liability action be paid in whole or in part in periodic payments rather than by a lump-sum payment.

D. At the request of a defendant health care provider or a plaintiff, the court may order that future damages other than medical, health care, or custodial services awarded in a health care liability claim be paid in whole or in part in periodic payments rather than by a lump-sum payment.

E. The court shall make a specific finding of the dollar amount of periodic payments that will compensate the plaintiff for the future damages.

F. The court shall specify in its judgment ordering the payment of future damages by periodic payments the:

1. Recipient of the payments;
2. Dollar amount of the payments;
3. Interval between payments; and
4. Number of payments or the period of time over which payments must be made.

G. The entry of an order for the payment of future damages by periodic payments constitutes a release of the health care liability claim filed by the plaintiff.

H. As a condition to authorizing periodic payments of future damages, the court shall require a defendant who is not adequately insured to provide evidence of financial responsibility in an amount adequate to assure full payment of damages awarded by the judgment.

I. The judgment must provide for payments to be funded by:

1. An annuity contract issued by a company licensed to do business as an insurance company, including an assignment within the meaning of Section 130, Internal Revenue Code of 1986, as amended;
2. An obligation of the United States;

3. Applicable and collectible liability insurance from one or more qualified insurers; or

4. Any other satisfactory form of funding approved by the court.

J. On termination of periodic payments of future damages, the court shall order the return of the security, or as much as remains, to the defendant.

K. On the death of the recipient, money damages awarded for loss of future earnings continue to be paid to the estate of the recipient of the award without reduction. Following the satisfaction or termination of any obligations specified in the judgment for periodic payments, any obligation of the defendant health care provider to make further payments ends and any security given reverts to the defendant.

L. For purposes of computing the award of attorney fees when the plaintiff is awarded a recovery that will be paid in periodic payments, the court shall place a total value on the payments based on the plaintiff's projected life expectancy and reduce the amount to present value.

SECTION 48. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1708.1N of Title 63, unless there is created a duplication in numbering, reads as follows:

A. No health care provider shall request or require a patient or prospective patient to execute an agreement to arbitrate a health care liability claim unless:

1. The form of agreement delivered to the patient contains a written notice in ten-point boldface type clearly and conspicuously stating:

"UNDER OKLAHOMA LAW, THIS AGREEMENT IS INVALID AND OF NO LEGAL EFFECT UNLESS IT IS ALSO SIGNED BY AN ATTORNEY OF YOUR OWN CHOOSING. THIS AGREEMENT CONTAINS A WAIVER OF IMPORTANT LEGAL RIGHTS,

INCLUDING YOUR RIGHT TO A JURY. YOU SHOULD NOT SIGN THIS AGREEMENT WITHOUT FIRST CONSULTING WITH AN ATTORNEY.”; and

2. The agreement shall be signed by the patient or prospective patient and the attorney for the patient or prospective patient.

B. A violation of this section by a physician or health care provider constitutes unprofessional conduct and shall be subject to the applicable enforcement provisions, penalties, and sanctions contained in the Oklahoma Allopathic Medical and Surgical Licensure and Supervision Act or the Oklahoma Osteopathic Medicine Act.

C. A violation of this section by a health care provider other than a physician shall constitute an unfair or deceptive trade practice, as defined by Section 752 of Title 15 of the Oklahoma Statutes, and shall be subject to an action by the Attorney General or district attorney pursuant to Section 756.1 of Title 15 of the Oklahoma Statutes and be subject to the penalties and remedies contained in the Consumer Protection Act.

D. A violation of this section renders the agreement to arbitrate unenforceable.

SECTION 49. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-1708.10 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The Oklahoma Medical Disclosure Panel is created to determine which risks and hazards related to medical care and surgical procedures must be disclosed by health care providers or physicians to their patients or persons authorized to consent for their patients and to establish the general form and substance of such disclosure.

B. The Panel shall be composed of nine (9) members to be appointed as follows:

1. Three physicians licensed to practice medicine in this state, one attorney licensed to practice law in this state and one consumer advocate to be appointed by the Governor;

2. One attorney licensed to practice law in this state and one physician licensed to practice medicine in this state to be appointed by the Speaker of the House of Representatives; and

A majority of the members present at a meeting shall constitute a quorum for the transaction of business. The Panel may elect a chair and vice-chair. Employees of the State Department of Health shall serve as staff for the Panel.

D. Members of the Panel are not entitled to compensation for their services, but shall be entitled to reimbursement of any necessary expense incurred in the performance of duties pursuant to the State Travel Reimbursement Act.

E. 1. To the extent feasible, the Panel shall identify and make a thorough examination of all medical treatments and surgical procedures in which physicians and health care providers may be involved in order to determine which of those treatments and procedures do and do not require disclosure of the risks and hazards to the patient or person authorized to consent for the patient.

2. The Panel shall prepare separate lists of those medical treatments and surgical procedures that do and do not require disclosure and, for those treatments and procedures that do require disclosure, shall establish the degree of disclosure required and the form in which the disclosure will be made.

3. Lists prepared under this section together with written explanations of the degree and form of disclosure shall be published in the Oklahoma Register.

F. At least annually, or at such other period as the Panel may determine from time to time, the Panel will identify and examine any new medical treatments and surgical procedures that have been developed since its last determination, shall assign them to the proper list, and shall establish the degree of disclosure required and the form in which the disclosure will be made. The Panel will also examine such treatments and procedures for the purpose of revising lists previously published. These determinations shall be published in the Oklahoma Register.

intervention by an operator, whether defibrillation should be performed, and

- c. upon determining that defibrillation should be performed, automatically charges and requests delivery of an electrical impulse to an individual's heart;

SECTION 60. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 16.2 of Title 76, unless there is created a duplication in numbering, reads as follows:

A. An owner, lessee or occupant of real property or any structures or improvements thereto owes no duty of care to keep the premises safe for entry or use by others or to give any warning of a dangerous condition, use, structure or activity if the entry or use by another person is unauthorized or is for the purpose of committing a criminal act.

B. The provisions of subsection A of this section provide immunity from civil liability for simple negligence but do not provide immunity for willful, wanton or malicious acts of negligence or for gross negligence.

SECTION 61. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 71 of Title 76, unless there is created a duplication in numbering, reads as follows:

A. As used in this section:

1. "Asbestos claim" means any claim, wherever or whenever made, for damages, losses, indemnification, contribution, or other relief arising out of, based on, or in any way related to asbestos, including:

- a. property damage caused by the installation, presence, or removal of asbestos,

b. the health effects of exposure to asbestos, including any claim for:

- (1) personal injury or death,
- (2) mental or emotional injury,
- (3) risk of disease or other injury, or
- (4) the costs of medical monitoring or surveillance, and

c. any claim made by or on behalf of any person exposed to asbestos, or a representative, spouse, parent, child, or other relative of the person;

2. "Corporation" means a corporation for profit, including:

- a. a domestic corporation organized under the laws of this state, or
- b. a foreign corporation organized under laws other than the laws of this state;

3. "Successor asbestos-related liabilities" means any liabilities, whether known or unknown, asserted or unasserted, absolute or contingent, accrued or unaccrued, liquidated or unliquidated, or due or to become due, that are related in any way to asbestos claims that were assumed or incurred by a corporation as a result of or in connection with a merger or consolidation, or the plan of merger or consolidation related to the merger or consolidation, with or into another corporation or that are related in any way to asbestos claims based on the exercise of control or the ownership of stock of the corporation before the merger or consolidation. The term includes liabilities that, after the time of the merger or consolidation for which the fair market value of total gross assets is determined under subsection D of this section, were or are paid or otherwise discharged, or committed to be paid or otherwise discharged, by or on behalf of the corporation, or by a successor of the corporation, or by or on behalf of a transferor, in

connection with settlements, judgments, or other discharges in this state or another jurisdiction;

4. "Successor" means a corporation that assumes or incurs, or has assumed or incurred, successor asbestos-related liabilities; and

5. "Transferor" means a corporation from which successor asbestos-related liabilities are or were assumed or incurred.

B. 1. The limitations in subsection C of this section shall apply to a domestic corporation or a foreign corporation that has had a certificate of authority to transact business in this state or has done business in this state and that is a successor or which is a successor of a successor corporation, but in the latter case only to the extent of the limitation of liability applied under paragraph 2 of subsection C of this section and subject to the limitations found in this section.

2. The limitations in subsection C of this section shall not apply to:

- a. workers' compensation benefits,
- b. any claim against a corporation that does not constitute a successor asbestos-related liability,
- c. an insurance company,
- d. any obligations under the National Labor Relations Act (29 U.S.C., Section 151 et seq.), as amended, or under any collective bargaining agreement,
- e. a successor that, after a merger or consolidation, continued in the business of mining asbestos or in the business of selling or distributing asbestos fibers or in the business of manufacturing, distributing, removing, or installing asbestos-containing products which were the same or substantially the same as those products previously manufactured, distributed, removed, or installed by the transferor,

- f. a contractual obligation existing as of November 1, 2004, that was entered into with claimants or potential claimants or their counsel and which resolves asbestos claims or potential asbestos claims,
- g. any claim made against the estate of a debtor in a bankruptcy proceeding commenced prior to November 1, 2004, under the United States Bankruptcy Code (11 U.S.C., Section 101 et seq.) by or against such debtor, or against a bankruptcy trust established under 11 U.S.C., Section 524(g) or similar provisions of the United States Code in such a bankruptcy proceeding commenced prior to such date, or
- h. a cause of action for premises liability, but only if the successor owned or controlled the premises at issue after the merger or consolidation.

C. 1. Except as further limited in paragraph 2 of this subsection, the cumulative successor asbestos-related liabilities of a corporation are limited to the fair market value of the total gross assets of the transferor determined as of the time of the merger or consolidation. The corporation shall not have any responsibility for successor asbestos-related liabilities in excess of this limitation.

2. If the transferor had assumed or incurred successor asbestos-related liabilities in connection with a prior merger or consolidation with a prior transferor, the fair market value of the total assets of the prior transferor, determined as of the time of such earlier merger or consolidation, shall be substituted for the limitation set forth in paragraph 1 of this subsection for purposes of determining the limitation of liability of a corporation.

D. 1. A corporation may establish the fair market value of total gross assets for the purpose of the limitations under

subsection C of this section through any method reasonable under the circumstances, including:

- a. by reference to the going concern value of the assets or to the purchase price attributable to or paid for the assets in an arm's-length transaction, or
- b. in the absence of other readily available information from which fair market value can be determined, by reference to the value of the assets recorded on a balance sheet.

2. Total gross assets include intangible assets.

3. Total gross assets include the aggregate coverage under any applicable liability insurance that was issued to the transferor whose assets are being valued for purposes of this section and which insurance has been collected or is collectable to cover successor asbestos-related liabilities, except compensation for liabilities arising from workers' exposure to asbestos solely during the course of their employment by the transferor. A settlement of a dispute concerning such insurance coverage entered into by a transferor or successor with the insurers of the transferor ten (10) years or more before the enactment of this section shall be determinative of the aggregate coverage of such liability insurance to be included in the calculation of the transferor's total gross assets.

4. The fair market value of total gross assets shall reflect no deduction for any liabilities arising from any asbestos claim.

E. 1. Except as otherwise provided in this section, the fair market value of total gross assets at the time of a merger or consolidation increases annually at a rate equal to the sum of:

- a. the prime rate as listed in the first edition of the Wall Street Journal published for each calendar year since the merger or consolidation, and
- b. one percent (1%).

2. The rate provided for in paragraph 1 of this subsection shall not be compounded.

3. The adjustment of fair market value of total gross assets continues as provided under paragraph 1 of this subsection until the date the adjusted value is exceeded by the cumulative amounts of successor asbestos-related liabilities paid or committed to be paid by or on behalf of the corporation or a predecessor, or by or on behalf of a transferor, after the time of the merger or consolidation for which the fair market value of total gross assets is determined.

4. No adjustment of the fair market value of total gross assets shall be applied to any liability insurance otherwise included in the definition of total gross assets.

SECTION 62. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 101 of Title 76, unless there is created a duplication in numbering, reads as follows:

Sections 62 through 66 of this act shall be known and may be cited as the "Product Liability Act".

SECTION 63. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 102 of Title 76, unless there is created a duplication in numbering, reads as follows:

In the Product Liability Act:

1. "Claimant" means a party seeking relief, including a plaintiff, counterclaimant, or cross-claimant;

2. "Product liability action" means any action against a manufacturer or seller for recovery of damages arising out of personal injury, death, or property damage allegedly caused by a defective product whether the action is based in strict tort liability, strict products liability, negligence, misrepresentation, breach of express or implied warranty, or any other theory or combination of theories;

3. "Seller" means a person who is engaged in the business of distributing or otherwise placing, for any commercial purpose, in the stream of commerce for use or consumption a product or any component part thereof; and

4. "Manufacturer" means a person who is a designer, formulator, constructor, rebuildler, fabricator, producer, compounder, processor, or assembler of any product or any component part thereof and who places the product or any component part thereof in the stream of commerce.

A. A manufacturer shall indemnify and hold harmless a seller against loss arising out of a product liability action, except for any loss caused by the seller's negligence, intentional misconduct, or other act or omission, such as negligently modifying or altering the product, for which the seller is independently liable.

B. For purposes of this section, "loss" includes court costs and other reasonable expenses, reasonable attorney fees, and any reasonable damages.

C. Damages awarded by the trier of fact shall, on final judgment, be deemed reasonable for purposes of this section.

D. For purposes of this section, a wholesale distributor or retail seller who completely or partially assembles a product in accordance with the manufacturer's instructions shall be considered a seller.

E. The duty to indemnify under this section:

1. Applies without regard to the manner in which the action is concluded; and

2. Is in addition to any duty to indemnify established by law, contract, or otherwise.

F. A seller eligible for indemnification under this section shall give reasonable notice to the manufacturer of a product claimed in a petition or complaint to be defective, unless the manufacturer has been served as a party or otherwise has actual notice of the action.

G. A seller is entitled to recover from the manufacturer court costs and other reasonable expenses, reasonable attorney fees, and any reasonable damages incurred by the seller to enforce the seller's right to indemnification under this section.

SECTION 65. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 104 of Title 76, unless there is created a duplication in numbering, reads as follows:

A. In a product liability action alleging that an injury was caused by a failure to provide adequate warnings or information with regard to a pharmaceutical product, there is a rebuttable presumption that the defendant or defendants, including a health care provider, distributor, and prescriber, are not liable with respect to the allegations involving failure to provide adequate warnings or information if:

1. The warnings or information that accompanied the product in its distribution were those approved by the United States Food and Drug Administration for a product approved under the federal Food, Drug, and Cosmetic Act (21 U.S.C., Section 301 et seq.), as amended, or Section 351, Public Health Service Act (43 U.S.C., Section 262), as amended; or

2. The warnings provided were those stated in monographs developed by the United States Food and Drug Administration for pharmaceutical products that may be distributed without an approved new drug application.

B. The claimant may rebut the presumption provided for in subsection A of this section as to each defendant by establishing that:

1. The defendant, before or after premarket approval or licensing of the product, withheld from or misrepresented to the United States Food and Drug Administration required information that was material and relevant to the performance of the product and was causally related to the claimant's injury;

2. The pharmaceutical product was sold or prescribed in the United States by the defendant after the effective date of an order of the United States Food and Drug Administration to remove the product from the market or to withdraw its approval of the product;

3. a. The defendant recommended, promoted, or advertised the pharmaceutical product for an indication not approved by the United States Food and Drug Administration,

b. The product was used as recommended, promoted, or advertised, and

c. The claimant's injury was causally related to the recommended, promoted, or advertised use of the product;

4. a. The defendant prescribed the pharmaceutical product for an indication not approved by the United States Food and Drug Administration,

b. The product was used as prescribed, and

c. The claimant's injury was causally related to the prescribed use of the product;

5. The defendant, before or after premarket approval or licensing of the product, engaged in conduct that would constitute a violation of 18 U.S.C., Section 201 and that conduct caused the warnings or instructions approved for the product by the United States Food and Drug Administration to be inadequate; or

6. The warning or information provided was inadequate to protect the public from harm.

SECTION 66. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 105 of Title 76, unless there is created a duplication in numbering, reads as follows:

A. In a product liability action brought against a product manufacturer or seller, there is a rebuttable presumption that the product manufacturer or seller is not liable for any injury to a claimant caused by some aspect of the formulation, labeling, or design of a product if the product manufacturer or seller establishes that the formula, labeling, or design for the product complied with mandatory safety standards or regulations adopted and promulgated by the appropriate regulatory agency of the federal government that were applicable to the product at the time of manufacture and that specifically related to the formula, labeling or design that directly caused harm.

B. The claimant may rebut the presumption in subsection A of this section by establishing that:

1. The mandatory federal safety standards or regulations applicable to the product were inadequate to protect the public from harm; or

2. The manufacturer, before or after marketing the product, withheld or misrepresented information or material relevant to the federal government's or agency's determination of adequacy of the safety standards or regulations at issue in the action.

C. This section does not extend to manufacturing flaws or defects even though the product manufacturer has complied with all quality control and manufacturing practices mandated by the appropriate regulatory agency of the federal government.

SECTION 67. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 33 of Title 76, unless there is created a duplication in numbering, reads as follows:

Sections 67 through 70 of this act shall be known and may be cited as the "Commonsense Consumption Act".

SECTION 68. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 34 of Title 76, unless there is created a duplication in numbering, reads as follows:

The intent of the Commonsense Consumption Act is to prevent frivolous lawsuits against manufacturers, packers, distributors, carriers, holders, sellers, marketers or advertisers of food products that comply with applicable statutory and regulatory requirements.

SECTION 69. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 35 of Title 76, unless there is created a duplication in numbering, reads as follows:

As used in the Commonsense Consumption Act:

1. "Claim" means any claim by or on behalf of a natural person, as well as any derivative or other claim arising therefrom asserted by or on behalf of any other individual, corporation, company, association, firm, partnership, society, joint-stock company, or any other entity, including any governmental entity or governmental officer, or private attorney;

2. "Generally known condition allegedly caused by or allegedly likely to result from long-term consumption" means a condition generally known to result or to likely result from the cumulative effect of consumption, and not from a single instance of consumption; and

3. "Knowing and willful" violation means that:

- a. the conduct constituting the violation was committed with the intent to deceive or injure consumers or with actual knowledge that such conduct was injurious to consumers, and
- b. the conduct constituting the violation was not required by regulations, orders, rules or other pronouncement of, or any statute administered by, a federal, state, or local government agency.

SECTION 70. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 36 of Title 76, unless there is created a duplication in numbering, reads as follows:

A. Except as provided in subsection B of this section, a manufacturer, packer, distributor, carrier, holder, seller, marketer or advertiser of a food, as defined in Section 201(f) of the Federal Food, Drug and Cosmetic Act (21 U.S.C. 321(f)), or an association of one or more such entities, shall not be subject to civil liability arising under any law of this state, including all statutes, regulations, rules, common law, public policies, court or administrative decisions or decrees, or other state action having the effect of law, for any claim arising out of weight gain, obesity, a health condition associated with weight gain or obesity, or other generally known condition allegedly caused by or allegedly likely to result from long-term consumption of food.

B. Subsection A of this section shall not preclude civil liability if the claim of weight gain, obesity, health condition associated with weight gain or obesity, or other generally known condition allegedly caused by or allegedly likely to result from long-term consumption of food is based on:

1. A material violation of an adulteration or misbranding requirement prescribed by statute or regulation of this state or the United States of America and the claimed injury was proximately caused by such violation; or

2. Any other material violation of federal or state law applicable to the manufacturing, marketing, distribution, advertising, labeling, or sale of food, provided that such violation is knowing and willful, and the claimed injury was proximately caused by such violation.

C. In any action exempted under paragraph 1 of subsection B of this section, the complaint initiating such action shall state with particularity the following: the statute, regulation or other law

of this state or of the United States that was allegedly violated; the facts that are alleged to constitute a material violation of such statute or regulation; and the facts alleged to demonstrate that such violation proximately caused actual injury to the plaintiff. In any action exempted under paragraph 2 of subsection B of this section, in addition to the foregoing pleading requirements, the complaint initiating such action shall state with particularity facts sufficient to support a reasonable inference that the violation was with intent to deceive or injure consumers or with the actual knowledge that such violation was injurious to consumers. For purposes of applying the Commonsense Consumption Act, the foregoing pleading requirements are hereby deemed part of the substantive law of this state and not merely in the nature of procedural provisions.

D. In any action exempted under subsection B of this section, all discovery and other proceedings shall be stayed during the pendency of any motion to dismiss unless the court finds upon the motion of any party that particularized discovery is necessary to preserve evidence or to prevent undue prejudice to that party. During the pendency of any stay of discovery pursuant to this subsection, unless otherwise ordered by the court, any party to the action with actual notice of the allegations contained in the complaint shall treat all documents, data compilations, including electronically recorded or stored data, and tangible objects that are in the custody or control of such party and that are relevant to the allegations, as if they were the subject of a continuing request for production of documents from an opposing party under Section 3234 of Title 12 of the Oklahoma Statutes.

E. The provisions of the Commonsense Consumption Act shall apply to all covered claims pending on November 1, 2005, and all claims filed thereafter, regardless of when the claim arose.
