Nothing in this subsection shall be construed as prohibiting the Board from offering additional medical plans, provided that any medical plan offered to participants shall meet or exceed the benefits provided in the medical portion of the basic plan.

C. In lieu of electing any of the preceding medical benefit plans, a participant may elect medical coverage by any health

maintenance organization made available to participants by the Council. The benefit price of any health maintenance organization shall be determined on a competitive bid basis. Contracts for said plans shall not be subject to the provisions of the Oklahoma Central Purchasing Act, Section 85.1 et seq. of this title. The Council shall promulgate rules establishing appropriate competitive bidding criteria and procedures for contracts awarded for flexible benefits plans. All plans offered by health maintenance organizations meeting the bid requirements as determined by the Council shall be accepted. shall end no later than thirty (30) days before the beginning of the plan year.

Each such employee shall make an irrevocable advance election for the plan year or the remainder thereof pursuant to such procedures as the Council shall prescribe. Any such employee who fails to make a proper election under the plan shall, nevertheless, be a participant in the plan and shall be deemed to have purchased the default benefits described in this section.

F. The Council shall prescribe the forms that participants will be required to use in making their elections, and may prescribe deadlines and other procedures for filing the elections.

G. Any participant who, in the first year for which he or she is eligible to participate in the plan, fails to make a proper election under the plan in conformance with the procedures set forth in this section or as prescribed by the Council shall be deemed automatically to have purchased the default benefits. The default benefits shall be the same as the basic plan benefits. Any participant who, after having participated in the plan during the previous plan year, fails to make a proper election under the plan in conformance with the procedures set forth in this section or prescribed by the Council, shall be deemed automatically to have purchased the same benefits which the participant purchased in the immediately preceding plan year, except that the participant shall not be deemed to have elected coverage under the health care reimbursement account plan or the dependent care reimbursement account plan.

H. Benefit plan contracts with the Board, health maintenance organizations, and other third party insurance vendors shall provide for a risk adjustment factor for adverse selection that may occur, as determined by the Council, based on generally accepted actuarial principles.

SECTION 10. AMENDATORY Section 1, Chapter 501, O.S.L. 2002, as last amended by Section 1, Chapter 310, O.S.L. 2004 (74 O.S. Supp. 2005, Section 1374), is amended to read as follows:

Section 1374. For the plan year beginning January 1, 2005, and for each year thereafter, it shall be the fiduciary responsibility of the Oklahoma State Employees Benefits Council and the State and Education Employees Group Insurance Board to ensure that participants have the option to choose which vision plan best meets their individual needs by offering every vision plan that notifies the Employees Benefits Council and the State and Education Employees Group Insurance Board of their desire to participate no later than July 1 of each year and meets or exceeds the following criteria:

"Providers", for purposes of this section, means Optometrists (OD), Ophthalmologists (MD), and Ophthalmologists (DO) which shall be counted once regardless of the number of locations where they may practice. The company offering the vision plan must have a direct relationship with each provider on its panel, and may not lease, borrow, or otherwise obtain use of a provider panel from another company. Providers must be actively engaged in providing each and every one of the required services offered under the vision plan they represent;

2. Has operated in Oklahoma for at least five (5) years;

4. Presents accurate product information in a reproducible format not to exceed two pages;

5. ~~Requires anyone electing a vision plan to submit an annual election form thereby prohibiting default enrollment~~ Providers shall provide each and every one of the required vision plan services from their office or practice facility, which include, but are not limited to, an examination, frames and lenses, and contact lenses;
and

6. Vision plans must provide an examination, frames and lenses, and/or contact lenses and some form of indemnified payment to the contracted providers for each component of the benefits, i.e., the exam, frames and lenses and/or contact lenses. This does not eliminate discounted supplementary benefits under a qualified plan.

Any administrative fees imposed by the Oklahoma State Employees Benefits Council or the State and Education Employees Group Insurance Board shall be applied equally to all qualified vision plans. There shall be no additional requirements imposed on a vision plan other than the proper licensing or certification by the appropriate state agency.

SECTION 11. This act shall become effective July 1, 2006.

SECTION 12. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
