The policy shall address education for students subject to the provisions of subsection D of this section and whether participation in extracurricular activities shall be permitted.

Until the school in which such student subsequently enrolls or re-enrolls determines that the student no longer poses a threat to self, other students or faculty, the school may provide education services through an

alternative school setting, home-based instruction, or other appropriate setting. If the school provides education services to such student at a district school facility, the school shall notify any student or faculty victims of such student, when known, and shall ensure that the student will not be allowed in the general vicinity of or contact with a victim of the student, provided such victim notifies the school of the victim's desire to refrain from contact with the offending student.

H. A student who has been suspended for a violent offense which is directed towards a classroom teacher shall not be allowed to return to that teacher's classroom without the approval of that teacher.

I. No school board, administrator or teacher may be held civilly liable for any action taken in good faith which is authorized by this section.
