B. The Level of Services Inventory (LSI), or another assessment and evaluation instrument designed to predict risk to recidivate approved by the Department of Corrections, shall be required to determine eligibility for any offender sentenced pursuant to the Oklahoma Community Sentencing Act. The completed assessment accompanied by a written supervision plan shall be presented to and reviewed by the court prior to determining any punishment for the offense. The purpose of the assessment shall be to identify the extent of ~~the defendant's~~ deficiencies and pro-social needs of the defendant, the potential risk to commit additional offenses that threaten public safety, and the appropriateness of various community punishments.

C. F. The court is not required to sentence any offender to a community punishment regardless of an eligible score on the LSI. Any felony offender scoring in the low risk/need levels on the LSI may be sentenced to a suspended sentence with minimal, if any, conditions of the sentence to be paid by the offender. If the LSI or another assessment has been conducted, the evaluation report shall accompany the judgment and sentence.
