BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 6-210.1 of Title 70, unless there is created a duplication in numbering, reads as follows:

This act shall be known and may be cited as the "Oklahoma Educator Protection Act".

SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 6-210.2 of Title 70, unless there is created a duplication in numbering, reads as follows:

The Legislature finds that ensuring the quality of public education is a compelling state interest. The educational

environment of students is often not conducive to learning. Violence is sometimes a threat, while other times educators may lack the authority to maintain safety and discipline in the public schools. The filing of meritless lawsuits against school districts, teachers, administrators, and other school employees interferes with attempts to ensure the quality of public education, particularly where such lawsuits arise out of the good-faith efforts of educators to maintain classroom discipline or address threats to student safety. Meritless litigation also diverts financial and personnel resources to litigation defense activities and reduces the availability of such resources for educational opportunities for students. The Legislature finds that legislation to deter meritless lawsuits and sanction deliberately false reports against educators is a rational and appropriate method to address this compelling public interest.

SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 6-210.3 of Title 70, unless there is created a duplication in numbering, reads as follows:
