

STATE OF OKLAHOMA

2nd Session of the 50th Legislature (2006)

SENATE BILL 1379

By: Kerr

AS INTRODUCED

An Act relating to professions and occupations; amending 59 O.S. 2001, Section 46.3, as amended by Section 1, Chapter 77, O.S.L. 2005 (59 O.S. Supp. 2005, Section 46.3), which relates to the State Architectural Act; updating outline; modifying definition; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 59 O.S. 2001, Section 46.3, as amended by Section 1, Chapter 77, O.S.L. 2005 (59 O.S. Supp. 2005, Section 46.3), is amended to read as follows:

Section 46.3 ~~A.~~ As used in the State Architectural Act:

1. "Architect" means any person who engages in the practice of architecture ~~as hereinafter defined.;~~

~~B. The "practice~~ 2. "Practice of architecture" ~~shall be defined as~~ means rendering or offering to render certain services, in connection with the design and construction, enlargement or alteration of a building or a group of buildings and the space surrounding such buildings, including buildings which have as their principal purpose human occupancy or habitation; the services referred to include planning, providing preliminary studies, designs, drawings, specifications and other technical submissions, the administration of construction contracts, and the coordination of any elements of technical submissions prepared by others including, as appropriate and without limitation, consulting engineers and landscape architects; provided, that the practice of architecture shall include such other professional services as may

be necessary for the rendering of or offering to render architectural services-;

~~C.~~ 3. "Licensed architect" means an architect holding a current license or certificate of registration issued by the Board-;

~~D.~~ 4. "Registration or licensure" means a certificate of registration or licensure issued by the Board to a person. The definition of "license" or "registration" shall be synonymous-;

~~E. A "building"~~ 5. "Building" means a structure consisting of a foundation, walls, roof, with or without other parts; provided, however, nothing in The State Architectural Act shall be held or construed to have any application to any building, or to the repairing or remodeling of any building, to be used for one-family residential purposes, duplexes, or apartment houses not exceeding two stories in height, to any warehouse, maintenance building, garage or storage building not exceeding two stories in height, or to a hotel, lodge or fraternal building not exceeding two stories in height, or to any farm improvements, or industrial or commercial buildings not exceeding two stories in height, nor to any school building where the reasonably estimated total cost for the construction, where structural changes are being made in remodeling or repairing of such school building does not exceed the sum of Forty Thousand Dollars (\$40,000.00). A basement is not to be counted as a story for the purpose of counting stories of a building for height regulations. Provided, however, except in all towns with a population of two thousand five hundred (2,500) or less according to the latest Federal Decennial Census, where volunteers are to rehabilitate a building in the community or are to erect a metal building in the community from a building kit that has been approved or signed-off on by a registered engineer, it shall be unlawful for any person other than an architect duly licensed as provided in The State Architectural Act to engage in the planning, designing and preparation of drawings and specifications for the alteration or

construction of any building to be used as an armory, auditorium, assembly hall, convention hall, church, educational building, convent, dormitory, gymnasium, hospital, library, bonded warehouse, passenger station, power house, municipal building, county building, state building, federal building, radio or television station, stadium or theater where the reasonably estimated total cost for construction, remodeling or repairing of such building exceeds the sum of ~~Forty Thousand Dollars (\$40,000.00)~~. ~~F.~~ 6. "Board" means The Board of Governors of the Licensed Architects and Landscape Architects of Oklahoma.;

~~G.~~ 7. "Certificate of authority" means the authorization granted by the Board for persons to practice or offer to practice architecture or landscape architecture through a partnership, firm, association, corporation, limited liability company or limited liability partnership.;

~~H.~~ 8. "Technical submissions" means designs, drawings, specifications, studies and other technical reports prepared in the course of practicing architecture.;

~~I.~~ 9. "Responsible control" means the amount of control and detailed knowledge of the content of technical submissions during their preparation as is ordinarily exercised by licensed architects applying the required professional standard of care.;

~~J.~~ 10. "Landscape architect" means a person registered to practice landscape architecture as provided in The State Architectural Act.; and

~~K.~~ 11. "Landscape architecture" means the performance of professional services defined as teaching, consultations, investigations, reconnaissance, research, planning, design, preparation of construction drawings and specifications, and construction observation in connection with the planning and arranging of land and the elements thereon for public and private

use and enjoyment, including the design and layout of roadways, service areas, parking areas, walkways, steps, ramps, pools, the location and siting of improvements including buildings and other structures, and the grading of the land, surface and subsoil drainage, erosion control, planting, reforestation, and the preservation of the natural landscape, in accordance with accepted professional standards, and to the extent that the dominant purpose of such services or creative works is the preservation, conservation, enhancement, or determination of proper land uses, natural land features, ground cover and plantings, or naturalistic and aesthetic values.

The practice of landscape architecture shall include the location and arrangement of tangible objects and features as are incidental and necessary to the purpose outlined for landscape architecture. The practice of landscape architecture shall not include the design of structures or facilities with separate and self--contained purposes for habitation or industry, or the design of public streets, highways, utilities, storm and sanitary sewers and sewage treatment facilities, that are statutorily defined as the practice of engineering or architecture.

SECTION 2. This act shall become effective November 1, 2006.
