BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 51 O.S. 2001, Section 24A.5, as amended by Section 1, Chapter 223, O.S.L. 2005 (51 O.S. Supp. 2005, Section 24A.5), is amended to read as follows:

Section 24A.5 All records of public bodies and public officials shall be open to any person for inspection, copying, and/or mechanical reproduction during regular business hours; provided:

1. The Oklahoma Open Records Act, Section 24A.1 et seq. of this title, does not apply to records specifically required by law to be kept confidential including:

- a. records protected by a state evidentiary privilege such as the attorney-client privilege, the work product immunity from discovery and the identity of informer privileges, or
- b. records of what transpired during meetings of a public body lawfully closed to the public such as executive sessions authorized under the Oklahoma Open Meeting Act, Section 301 et seq. of Title 25 of the Oklahoma Statutes, or

- c. personal information within driver records as defined by the Driver's Privacy Protection Act, 18 United States Code, Sections 2721 through 2725, or
- d. information in the files of the Board of Medicolegal Investigations obtained pursuant to Sections 940 and 941 of Title 63 of the Oklahoma Statutes that may be hearsay, preliminary unsubstantiated investigation-related findings, or confidential medical information.

2. Any reasonably segregable portion of a record containing exempt material shall be provided after deletion of the exempt portions, provided however, the Oklahoma Department of Public Safety shall not be required to assemble for the requesting person specific information requested from the Oklahoma Department of Public Safety's Driver License file relating to persons whose names and dates of birth or whose driver license numbers are not furnished by the requesting person. The Oklahoma State Bureau of Investigation shall not be required to assemble for the requesting person any criminal history records relating to persons whose names, dates of birth, and other identifying information required by the Oklahoma State Bureau of Investigation pursuant to administrative rule are not furnished by the requesting person.

3. Any request for a record which contains individual records of persons and the cost of copying, reproducing or certifying such individual record which is otherwise prescribed by state law, the cost may be assessed for each individual record, or portion thereof requested as prescribed by state law. Otherwise, a public body may charge a fee only for recovery of the reasonable, direct costs of document copying, or mechanical reproduction. Notwithstanding any state or local provision to the contrary, in no instance shall said document copying fee exceed twenty-five cents (\$0.25) per page for documents having the dimensions of eight and one-half (8 1/2) by

fourteen (14) inches or smaller, or a maximum of One Dollar (\$1.00) per copied page for a certified copy. However, if the request:

- a. is solely for commercial purpose, or
- b. would clearly cause excessive disruption of the public body's essential functions,

then the public body may charge a reasonable fee to recover the direct cost of document search; however, publication in a newspaper or broadcast by news media for news purposes shall not constitute a resale or use of data for trade or commercial purpose and charges for providing copies of electronic data to the news media for a news purpose shall not exceed the direct cost of making the copy.

Any public body establishing fees under this act shall post a written schedule of said fees at its principal office and with the county clerk.

In no case shall a search fee be charged when the release of said documents is in the public interest, including, but not limited to, release to the news media, scholars, authors and taxpayers seeking to determine whether those entrusted with the affairs of the government are honestly, faithfully, and competently performing their duties as public servants.

The fees shall not be used for the purpose of discouraging requests for information or as obstacles to disclosure of requested information.

4. The land description tract index of all recorded instruments concerning real property required to be kept by the county clerk of any county shall be available for inspection or copying in accordance with the provisions of the Oklahoma Open Records Act; provided, however, such index shall not be copied and/or mechanically reproduced for the purpose of sale of such information.

5. A public body must provide prompt, reasonable access to its records but may establish reasonable procedures which protect the

integrity and organization of its records and to prevent excessive disruptions of its essential functions.

6. A public body shall designate certain persons who are authorized to release records of the public body for inspection, copying, or mechanical reproduction. At least one such person shall be available at all times to release records during the regular business hours of the public body.

7. Notwithstanding any other provision of law, any document required to be available for public inspection, copying or mechanical reproduction shall have any social security number blocked or removed from the document before being made available to the public.

SECTION 2. This act shall become effective November 1, 2006.
