

STATE OF OKLAHOMA

2nd Session of the 50th Legislature (2006)

SENATE BILL 1795

By: Paddack

AS INTRODUCED

An Act relating to schools; requiring vision screening for certain students within certain timeframe; specifying screening be conducted by certain personnel; directing State Department of Health to adopt certain rules; requiring certain students to undergo certain eye examination; requiring examiner to forward written report to certain parties; specifying contents of report; stating no student shall be prohibited from attending school for failure of certain parties to furnish certain report; providing for school districts to notify certain parents of certain requirements; directing the State Board of Education to adopt certain rules; directing the State Department of Education to issue certain annual report; providing for codification; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1210.284 of Title 70, unless there is created a duplication in numbering, reads as follows:

A. 1. Beginning in the 2007-08 school year, the parent or guardian of each student enrolled in kindergarten at a public school in this state shall provide within thirty (30) days of the beginning of the school year certification to school personnel that the student passed a vision screening within the previous twelve (12) months. Such screening shall be conducted by personnel approved by the State Department of Health.

2. Beginning in the 2007-08 school year, the parent or guardian of each student enrolled in first or third grade at a public school in this state shall provide within thirty (30) days of the beginning of the school year certification to school personnel that the student passed a vision screening within the previous six (6)

months. Such screening shall be conducted by personnel approved by the State Department of Health.

B. The State Department of Health shall adopt rules to establish vision screening standards pursuant to this section.

C. 1. Each student who fails the vision screening required in subsection A of this section shall be required to undergo a comprehensive eye examination performed by an ophthalmologist or optometrist.

2. The examiner shall forward a written report of the results of the comprehensive eye examination to the student's school, parent or guardian, and primary health care provider designated by the parent or guardian. The report shall include, but not be limited to:

- a. date of report,
- b. name, address and date of birth of the student,
- c. name of the student's school,
- d. type of examination,
- e. a summary of significant findings, including diagnoses, medication used, duration of action of medication, treatment, prognosis, whether or not a return visit is recommended and, if so when,
- f. recommended educational adjustments for the child, if any, which may include: preferential seating in the classroom, eyeglasses for full-time use in school, eyeglasses for part-time use in school, sight-saving eyeglasses, and any other recommendations, and
- g. name, address and signature of the examiner;

D. No student shall be prohibited from attending school for a parent's or guardian's failure to furnish a report of the student's vision screening or an examiner's failure to furnish the results of a student's comprehensive ophthalmologic examination required by this section.

E. School districts shall notify parents or guardians of students who enroll in kindergarten, first, or third grade for the 2007-08 school year and each year thereafter of the requirements of this section.

F. The State Board of Education shall adopt rules for the implementation of this section except as provided in subsection B. The State Department of Education shall issue a report annually on the impact and effectiveness of this section.

SECTION 2. This act shall become effective November 1, 2006.
