SECTION 3. AMENDATORY 26 O.S. 2001, Section 14-115.1, is amended to read as follows:

Section 14-115.1 A registered voter who becomes incapacitated after 5:00 p.m. on Tuesday preceding an election, is unable to vote in person at the appropriate precinct on the day of the election may make a written request for an absentee ballot. The person transmitting said request on behalf of the voter may be anyone of the voter's choosing at least sixteen (16) years of age; provided, said person is not employed by nor related within the third degree of consanguinity or affinity to any person whose name appears on the ballot. The person becomes the voter's agent for purposes of voting by absentee ballot. The voter's request must be accompanied by a sworn statement by a duly licensed physician.

Expected or likely confinement for childbirth on election day is sufficient cause to entitle a voter to vote absentee pursuant to this section. The statement must attest to the fact that the voter is in fact unable to vote in person at the appropriate precinct on the day of the election because of a physical incapacity and that ~~said~~ the physical incapacity originated after 5:00 p.m. on Tuesday preceding an election. The ballots and proof of identification must be returned by the agent to the secretary of the county election board no later than 7:00 p.m. on the day of the election. No person may be the agent for more than one voter at any election. Upon return of the absentee ballots, the secretary of the county election board shall cause ~~said~~ such ballots to be processed in the same manner as is prescribed for other absentee ballots. A photocopy of a valid driver license, passport, or state identification card may be used as proof of identity.

SECTION 4. AMENDATORY 26 O.S. 2001, Section 14-115.4, as last amended by Section 8, Chapter 307, O.S.L. 2004 (26 O.S. Supp. 2004, Section 14-115.4), is amended to read as follows:

Section 14-115.4 A. A registered voter may apply for an in-person absentee ballot at a location designated by the secretary of the county election board from 8 a.m. to 6 p.m. on Friday and Monday immediately preceding any election and from 8 a.m. to 1 p.m. on Saturday immediately preceding a state or federal election. As part of the application for an in-person absentee ballot such registered voter shall swear or affirm that the voter has not voted a regular mail absentee ballot and that the voter will not vote at the regular polling place in the election for which the in-person absentee ballot is requested. The voter also shall provide proof of

identity. A photocopy of a valid driver license, passport, or state identification card may be used as proof of identity.

B. One or more absentee voting boards shall be on duty from 8 a.m. to 6 p.m. at the in-person absentee polling place on Friday and Monday immediately preceding any election and from 8 a.m. to 1 p.m. on Saturday immediately preceding a state or federal election. If the secretary of a county election board receives an application from a registered voter requesting to vote by in-person absentee ballot the secretary shall cause to be implemented the following procedures:

1. An absentee voting board shall provide to each registered voter who applies for an in-person absentee ballot appropriate ballots and materials as may be necessary to vote;

2. The voter must sign an in-person absentee voter record, and the signature of the voter on such record must be certified by both members of the absentee voting board, except that the secretary of the county election board and one other member of the absentee voting board may certify the signature of another member of the absentee voting board;

3. The voter must mark the ballots of the voter in the manner provided by law in the presence of the absentee voting board, but in such a manner as to make it impossible for any person other than the voter to ascertain how said ballots are marked. Insofar as is possible, the voting procedure shall be the same as if the voter were casting a vote in person at a precinct;

4. The voter shall then deposit the ballot in a voting device designated for in-person absentee voting by the secretary of the county election board;

5. When the in-person polling place is closed on each day of in-person absentee voting the in-person absentee voting board shall, without obtaining a printout of results, remove the vote data pack from the voting device and seal ballots counted that day in a

transfer case which shall be secured by the sheriff of the county in the same manner as provided in Section 8-110 of this title. The vote data pack shall be sealed in a container prescribed by the Secretary of the State Election Board. The sheriff shall secure the sealed vote data pack container and return it to the in-person absentee voting board no later than 7:45 a.m. on the next day of in-person absentee voting or to the secretary of the county election board at the time of the county election board meeting to count absentee ballots on election day;

6. The vote data pack or packs used for in-person absentee voting shall be used by the county election board to count absentee ballots on election day as provided in Section 14-125 of this title; and

7. If there is a malfunction in such a way that the vote data pack used for in-person absentee voting will not function, the sheriff is authorized to return the transfer cases containing in-person absentee ballots to the county election board to be recounted as provided in Section 7-134.1 of this title.

SECTION 5. This act shall become effective July 1, 2005.

SECTION 6. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
