5. In the event an owner's policy also provides liability coverage which meets the requirements of an operator's policy, the carrier may also issue to each person entitled thereto an operator's security verification form as provided in this section.

B. Every carrier, upon issuing an owner's policy, a renewal thereof, or a binder, shall also issue a decal to an owner for each insured vehicle that shall be affixed to the license plate of the insured vehicle by the owner upon receiving the decal from the carrier. SECTION 2. AMENDATORY 47 O.S. 2001, Section 1113, as last amended by Section 4, Chapter 534, O.S.L. 2004 (47 O.S. Supp. 2004, Section 1113), is amended to read as follows:

Section 1113. A. 1. Upon the filing of a registration application and the payment of the fees provided for in the Oklahoma Vehicle License and Registration Act, the Oklahoma Tax Commission shall assign to the vehicle described in the application a distinctive number, and issue to the owner of the vehicle a certificate of registration, one license plate and a yearly decal. For each subsequent registration year, the Tax Commission shall issue a yearly decal to be affixed to the license plate. The yearly decal shall have an identification number and the last two numbers of the registration year for which it shall expire. Except as provided by Section 1113A of this title, the license plate shall be affixed to the exterior of the vehicle until a replacement license plate is applied for. If the owner applies for a replacement license plate, the Tax Commission shall charge the fee provided for in Section 1114 of this title. The yearly decal will validate the

The license plate and decal shall be of such size, color, design and numbering as the Tax Commission may direct. However, yearly decals issued to the owner of a vehicle who has filed an affidavit with the appropriate motor license agent in accordance with Section 7-607 of this title shall be a separate and distinct color from all other decals issued under this section.

2. The license plate shall be securely attached to the rear of the vehicle, except truck-tractor plates which shall be attached to the front of the vehicle. The Tax Commission may, with the concurrence of the Department of Public Safety, by Joint Rule, change and direct the manner, place and location of display of any vehicle license plate when such action is deemed in the public interest. The license plate, ~~decal~~ all decals required to be displayed and all letters and numbers shall be clearly visible at all times. The operation of a vehicle in this state, regardless of where such vehicle is registered, upon which the license plate is covered, overlaid or otherwise screened with any material, whether such material be clear, translucent, tinted or opaque, shall be a violation of this paragraph.

3. Upon payment of the annual registration fee provided in Section 1133 of this title, the Tax Commission or a motor license agent may issue a permanent nonexpiring license plate to an owner of one hundred or more commercial motor vehicles and for vehicles registered under the provisions of Section 1120 of this title. Upon payment of the annual registration fee, the Tax Commission shall issue a certificate of registration that shall be carried at all times in the vehicle for which it is issued. Provided, if the registrant submits its application through electronic means, such qualified owners of one hundred or more commercial motor vehicles, properly registered pursuant to the provisions of Section 1133 of this title, may elect to receive a permanent certificate of

registration that shall be carried at all times in the vehicle for which it is issued.

B. The license plates required under the provisions of this title shall conform to the requirements and specifications listed hereinafter:

1. Each license plate shall have a space for the placement of the yearly decals or any other decals required to be displayed for each succeeding year of registration after the initial issue;

2. The provisions of the Oklahoma Vehicle License and Registration Act regarding the issuance of yearly decals shall not apply to the issuance of apportioned license plates, including license plates for state vehicles, and exempt plates for governmental entities and fire departments organized pursuant to Section 592 of Title 18 of the Oklahoma Statutes;

3. Within the limits herein prescribed the Tax Commission shall redesign the official vehicle license plates which currently bear the legend "Oklahoma OK" or "Oklahoma is OK!" and substitute therefor the legend "Oklahoma Native America" as further described in this paragraph. Except for personalized license plates and license plates issued for motorcycles and mopeds, the emblem on the state flag of Oklahoma as provided for in Section 91 of Title 25 of the Oklahoma Statutes shall be a part of all license plates issued after December 31, 1988. The Tax Commission may continue to issue license plates with the legend "Oklahoma is OK!" or "Oklahoma OK" until any inventory of such license plates is depleted but the Tax Commission shall not produce or cause to be produced any additional license plates with these legends. Except for personalized license plates, license plates issued for commercial vehicles, and license plates issued for motorcycles and mopeds, the "Oklahoma Native America" emblem shall be a part of all license plates issued after December 31, 1993. The specifications for lettering style and appearance for the legend "Oklahoma Native America" shall be

provided to the Tax Commission by the Oklahoma Tourism and Recreation Department. The license plates shall be issued with the letters and numerals in the colors of green and white. All license plates and required decals shall be made with reflectorized material as a background to the letters, numbers and characters impressed thereon. The reflectorized material shall be of such a nature as to provide effective and dependable brightness during the service period for which the license plate or decal is issued;

4. Except as otherwise provided in this subsection, the Tax Commission shall design appropriate official license plates for all state vehicles. Such license plates shall be permanent in nature and designed in such manner as to remain with the vehicle for the duration of the vehicle's life span or until the title is transferred to a nongovernmental owner;

5. Within the limits prescribed in this section, the Tax Commission shall design appropriate official license plates for vehicles of the Oklahoma Highway Patrol. The license plates shall have the legend "Oklahoma OK" and shall contain the letters "OHP" followed by the state seal and the badge number of the Highway Patrol officer to whom the vehicle is assigned. The words "Oklahoma Highway Patrol" shall also be included on such license plates; and

6. Within the limits prescribed in this section, the Tax Commission shall design appropriate official license plates for vehicles of the Oklahoma Military Department. Such license plates shall have the legend "Oklahoma OK" and shall contain the letters "OMD" followed by the state seal and three numbers or letters as designated by the Adjutant General. The words "Oklahoma Military Department" shall also be included on such license plates.

C. Where the applicant has satisfactorily shown that the applicant owns the vehicle sought to be registered but is unable to produce documentary evidence of the ownership, a license plate may be issued upon approval by the Tax Commission. In such instances

the reason for not issuing a certificate of title shall be indicated on the receipt given to the applicant. It shall still be the duty of the applicant to immediately take all necessary steps to obtain the Oklahoma certificate of title and it shall be unlawful for the applicant to sell the vehicle until the certificate has been obtained in the applicant's name.

D. The certificate of registration provided for in this section shall be in convenient form, and the certificate of registration, or a certified copy or photostatic copy thereof, duly authenticated by the Tax Commission, shall be carried at all times in or upon commercial vehicles so registered, in such manner as to permit a ready examination thereof upon demand by any peace officer of the state or duly authorized employee of the Department of Public Safety. Any such officer or agent may seize and hold such commercial vehicle when the operator of the same does not have the registration certificate in the operator's possession or when any such officer or agent determines that the registration certificate has been obtained by misrepresentation of any essential or material fact or when any number or identifying information appearing on such certificate has been changed, altered, obliterated or concealed in any way, until the proper registration or identification of such vehicle has been made or produced by the owner thereof.

E. The purchaser of a new or used manufactured home shall, within thirty (30) days of the date of purchase, register the home with the Tax Commission or a motor license agent pursuant to the provisions of Section 1117 of this title. For a new manufactured home, it shall be the responsibility of the dealer selling the home to place a temporary license plate on the home in the same manner as provided in Section 1128 of this title for other new motor vehicles. For the first year that any manufactured home is registered in this state, the Tax Commission shall issue a metal license plate which shall be affixed to the manufactured home. The temporary dealer

license plate or the metal license plate shall be displayed on the manufactured home at all times when upon a public roadway; provided, a repossession affidavit issued pursuant to Sections 1110 and 1126 of this title shall be permissible in lieu of a current license plate and decal for the purposes of removing a repossessed manufactured home to a secure location. Manufactured homes previously registered and subject to ad valorem taxation as provided by law shall have a decal affixed at the time ad valorem taxes are paid for such manufactured home; provided, for a manufactured home permanently affixed to real estate, no decal or license plate shall be required to be affixed and the owner thereof shall be given a receipt upon payment of ad valorem taxes due on the home. The Tax Commission shall make sufficient plates and decals available to the various motor license agents of the state in order for an owner of a manufactured home to acquire the plate or decal. A One Dollar (\$1.00) fee shall be charged for issuance of any plate or decal. The fee shall be apportioned each month to the General Revenue Fund of the State Treasury.

F. The manufactured home license plate shall be designed so that it is easily visible for purposes of verification by a county assessor that the manufactured home is properly assessed for ad valorem taxation. The plate shall be designed for a yearly decal. In the first year of registration, a decal shall be issued for placement on the license plate indicating payment of applicable registration fees and excise taxes. In the second and all subsequent years for which the manufactured home is subject to ad valorem taxation, an annual decal shall be affixed to the license plate as evidence of payment of ad valorem taxes. The Tax Commission shall issue decals to the various county treasurers of the state in order for a manufactured home owner to obtain such decal each year. Upon presentation of a valid ad valorem tax

receipt, the manufactured home owner shall be issued the annual decal.

G. Upon the registration of a manufactured home in this state for the first time or upon discovery of a manufactured home previously registered within this state for which the information required by this subsection is not known, the Tax Commission shall obtain:

1. The name of the owner of the manufactured home;
2. The serial number or identification number of the manufactured home;
3. A legal description or address of the location for the home;
4. The actual retail selling price of the manufactured home excluding Oklahoma taxes;
5. The certificate of title number for the home; and
6. Any other information which the Tax Commission deems to be necessary.

The application for registration shall also include the school district in which the manufactured home is located or is to be located. The information shall be entered into a computer data system which shall be used by the Tax Commission to provide information to county assessors upon request by the assessor. The assessor may request any information from the system in order to properly assess a manufactured home for ad valorem taxation.

SECTION 3. This act shall become effective November 1, 2005.
