

STATE OF OKLAHOMA

1st Session of the 50th Legislature (2005)

SENATE CONCURRENT
RESOLUTION 2

By: Brogdon

AS INTRODUCED

A Concurrent Resolution memorializing the President of the United States and the United States Congress to take immediate measures to withdraw the membership of the United States of America from the United Nations; and directing distribution.

WHEREAS, the United States is the greatest nation in the world and is known for its compassionate people who are generous and kind in caring for the needs of those in other countries and whose resources are used worldwide to alleviate hunger and poverty;

WHEREAS, the United States is called upon to defend the rights and freedoms of people in other nations as only we have the capacity to do so as a world superpower;

WHEREAS, these responsibilities create an immense burden on the citizens of this country, many of whom are in need and living in poverty themselves;

WHEREAS, United States military forces are called upon to bear the brunt of any conflicts that may arise while other nations stay on the sidelines and expect the United States to fight its battles;

WHEREAS, the United States provides the largest share of the financial burden for the United Nations, paying hundreds of millions of dollars each year that could be used to address many of the nation's challenges, including homelessness, education, law enforcement, poverty, a strong military, and the war against terrorism; and

WHEREAS, many of the members of the United Nations are not friendly to the United States and support many things that are

detrimental to the country and against its interests, yet expect the United States to provide the finances and manpower to solve all of the world's problems, even putting the lives of the nation's military forces in danger.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE 1ST SESSION OF THE 50TH OKLAHOMA LEGISLATURE, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:

THAT the State of Oklahoma respectfully requests that the President of the United States and the United States Congress take immediate measures to dissolve the membership of the United States in the United Nations, thereby freeing the nation from a large financial burden and retaining its sovereignty to decide what is best for the country and the steps that it considers appropriate as the leader of the free world, with full control of its armed forces and destiny.

THAT copies of this resolution shall be distributed to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Oklahoma congressional delegation.
