Advising of his approval of **HB 1621** on June 7, 2005.

Advising of his veto of **HB 1911** on June 8, 2005. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Session, Fiftieth Oklahoma Legislature

Enrolled House Bill No. **HB 1911**

By: Peters of the House and Crain of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED House Bill **1911**. This legislation may violate the constitutional requirements for due process by eliminating the required certified mail notification to land owners. While the other provision in this bill is good policy, this unduly limits notification to land owners.

Advising of his approval of **HBs 1014, 1021, 1078, 1193, 1194, 1243, 1275, 1362, 1408, 1419, 1500, 1506, 1544, 1625, 1653, 1667, 1670, 1688, 1713, 1774, 1853, 1858, 1963** and **1992** on June 9, 2005.

Advising of his veto of **HB 1051** on June 9, 2005. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Session, Fiftieth Oklahoma Legislature

Enrolled House Bill No. **HB 1051**

By: Benge, et al of the House and Morgan, et al of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 12 of Article VI of the Oklahoma Constitution to approve or object to items in appropriations bills presented to me, I have VETOED House Bill **1051**. This expenditure is wasteful and duplicative. It overlaps with the duties of the State Auditor and Inspector and the Joint Legislative Oversight Committee on State Budget Performance, both of which may conduct independent analysis of the operations and administration of services provided by state agencies.

Advising of his veto of **HB 1122** on June 9, 2005. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Regular Session, Fiftieth Oklahoma Legislature

Enrolled House Bill No. **HB 1122**

By: Benge, et al of the House and Morgan, et al of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 12 of Article VI of the Oklahoma Constitution to approve or object to items in appropriations bills presented to me, I have VETOED all of Section 2 of House Bill **1122** in the amount of \$2,400,000. This is not the best use of REAP funds. The REAP funds would be better used to conduct a comprehensive water study to better prepare Oklahoma for the future. In addition, this only minimally addresses the Tourism and Recreation Department's capital needs, and all of these needs would be addressed better by a comprehensive capital bond issue.

Advising of his veto of **HJR 1003** on June 9, 2005. The veto message reads as follows:

To the Honorable Speaker of the House
and Members of the House of Representatives
First Session, Fiftieth Oklahoma Legislature

Enrolled House Bill No. **HJR 1003**

By: Cox, et al of the House and Wyrick, et al of the Senate

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI and Section 3 of Article XXIX of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED House Joint Resolution **1003**. The joint resolution disapproves Ethics Rules that are in the best interests of the citizens of Oklahoma and the public policy of this state. The Ethics Rules limit large amounts of money from out-of-state special interests and require campaigns in this state to have more accountability and disclosure.
