3           2.    Upon enlisted members of the officer's command: any  
4 punishment authorized in subsection C of this section.

5           E.    Whenever any of those punishments are combined to run  
6 consecutively, the total length of the combined punishment cannot  
7 exceed the authorized duration of the longest punishment in the  
8 combination, and there must be an apportionment of punishments so  
9 that no single punishment in the combination exceeds its authorized  
10 length under this article.

11          F.    Prior to the offer of nonjudicial punishment, the commanding  
12 officer shall determine whether arrest in quarters or restriction  
13 shall be considered as punishments. Should the commanding officer  
14 determine that the punishment options may include arrest in quarters  
15 or restriction, the accused shall be notified of the right to demand  
16 trial by court-martial. Should the commanding officer determine  
17 that the punishment options will not include arrest in quarters or  
18 restriction, the accused shall be notified that there is no right to  
19 trial by court-martial in lieu of nonjudicial punishment.

20          G.    The officer who imposes the punishment, or the successor in  
21 command, may, at any time, suspend, set aside, mitigate, or remit  
22 any part or amount of the punishment and restore all rights,  
23 privileges, and property affected. The officer also may:

24          1.    Mitigate reduction in grade to forfeiture of pay;

1        2. Mitigate arrest in quarters to restriction; or

2        3. Mitigate extra duties to restriction.

3        The mitigated punishment shall not be for a greater period than  
4 the punishment mitigated. When mitigating reduction in grade to  
5 forfeiture of pay, the amount of the forfeiture shall not be greater  
6 than the amount that could have been imposed initially under this  
7 article by the officer who imposed the punishment mitigated.

8        H. A person punished under this article who considers the  
9 punishment unjust or disproportionate to the offense may, through  
10 the proper channel, appeal to the Joint Chiefs of Staff within  
11 fifteen (15) days after the punishment is either announced or sent  
12 to the accused, as the commander may determine. The appeal shall be  
13 promptly forwarded and decided, and the person may not be punished  
14 until the appeal is decided. The Joint Chiefs of Staff may exercise  
15 the same powers with respect to the punishment imposed as may be  
16 exercised under subsection G of this section by the officer who  
17 imposed the punishment. Before acting on an appeal from a  
18 punishment, the Joint Chief of Staff may refer the case to a judge  
19 advocate for consideration and advice.

20        I. The imposition and enforcement of disciplinary punishment  
21 under this article for any act or omission is not a bar to trial by  
22 court-martial or a civilian court of competent jurisdiction for a  
23 serious crime or offense growing out of the same act or omission and  
24 not properly punishable under this section; but the fact that a

1 disciplinary punishment has been enforced may be shown by the  
2 accused upon trial and, when so shown, it shall be considered in  
3 determining the measure of punishment to be adjudged in the event of  
4 a finding of guilty.

5 J. Whenever a punishment of forfeiture of pay is imposed under  
6 this article, the forfeiture may apply to pay accruing before, on,  
7 or after the date that punishment is imposed.

8 K. Regulations may prescribe the form of records to be kept of  
9 proceedings under this article and may prescribe that certain  
10 categories of those proceedings shall be in writing.

11 PART IV. COURT-MARTIAL JURISDICTION

12 SECTION 18. NEW LAW A new section of law to be codified  
13 in the Oklahoma Statutes as Section 3231 of Title 44, unless there  
14 is created a duplication in numbering, reads as follows:

15 The three kinds of courts-martial in the state military forces  
16 are:

17 1. General courts-martial, consisting of:

18 a. a military judge and not less than five members, or

19 b. only a military judge, if before the court is

20 assembled the accused, knowing the identity of the

21 military judge and after consultation with defense

22 counsel, requests orally on the record or in writing a

23 court composed only of a military judge and the

24 military judge approves;

1        2. Special courts-martial, consisting of:

2            a. a military judge and not less than three members, or

3            b. only a military judge, if one has been detailed to the  
4            court, and the accused under the same conditions as  
5            those prescribed in subparagraph b of paragraph 1 of  
6            this section so requests; and

7        3. Summary courts-martial, consisting of one commissioned  
8 officer.

9        SECTION 19.        NEW LAW        A new section of law to be codified  
10 in the Oklahoma Statutes as Section 3232 of Title 44, unless there  
11 is created a duplication in numbering, reads as follows:

12        Each component of the state military forces has court-martial  
13 jurisdiction over all members of the particular component who are  
14 subject to this code. Additionally, the Army and Air National Guard  
15 state military forces have court-martial jurisdiction over all  
16 members subject to this code.

17        SECTION 20.        NEW LAW        A new section of law to be codified  
18 in the Oklahoma Statutes as Section 3233 of Title 44, unless there  
19 is created a duplication in numbering, reads as follows:

20        Subject to Section 19 of this act, general courts-martial have  
21 jurisdiction to try persons subject to this code for any offense  
22 made punishable by this code, and may, under such limitations as the  
23 Governor may prescribe, adjudge any punishment not forbidden by this  
24 code.

1 SECTION 21. NEW LAW A new section of law to be codified  
2 in the Oklahoma Statutes as Section 3234 of Title 44, unless there  
3 is created a duplication in numbering, reads as follows:

4 Subject to Section 19 of this act, special courts-martial have  
5 jurisdiction to try persons subject to this code for any offense  
6 made punishable by this code, and may, under such limitations as the  
7 Governor may prescribe, adjudge any punishment not forbidden by this  
8 code except dishonorable discharge, dismissal, confinement for more  
9 than one (1) year, forfeiture of pay exceeding two-thirds (2/3) pay  
10 per month, or forfeiture of pay for more than one (1) year.

11 SECTION 22. NEW LAW A new section of law to be codified  
12 in the Oklahoma Statutes as Section 3235 of Title 44, unless there  
13 is created a duplication in numbering, reads as follows:

14 A. Subject to Section 19 of this act, summary courts-martial  
15 have jurisdiction to try persons subject to this code, except  
16 officers, cadets, candidates, and midshipmen, for any offense made  
17 punishable by this code under such limitations as the Governor may  
18 prescribe.

19 B. No person with respect to whom summary courts-martial have  
20 jurisdiction may be brought to trial before a summary court-martial  
21 if that person objects thereto. If objection to trial by summary  
22 court-martial is made by an accused, trial by special or general  
23 court-martial may be ordered, as may be appropriate. Summary  
24 courts-martial may, under such limitations as the Governor may

1 prescribe, adjudge any punishment not forbidden by this code except  
2 dismissal, dishonorable or bad-conduct discharge, confinement for  
3 more than one (1) month, restriction to specified limits for more  
4 than two (2) months, or forfeiture of more than two-thirds (2/3) of  
5 one (1) month's pay.

6 SECTION 23. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 3236 of Title 44, unless there  
8 is created a duplication in numbering, reads as follows:

9 RESERVED.

10 PART V. APPOINTMENT AND COMPOSITION OF COURTS-MARTIAL

11 SECTION 24. NEW LAW A new section of law to be codified  
12 in the Oklahoma Statutes as Section 3241 of Title 44, unless there  
13 is created a duplication in numbering, reads as follows:

14 A. General courts-martial may be convened by:

15 1. The Governor;

16 2. The Adjutant General;

17 3. The commanding officer of a force of the state military  
18 forces;

19 4. The commanding officer of a division or a separate brigade;

20 or

21 5. The commanding officer of a separate wing.

22 B. If any such commanding officer is an accuser, the court  
23 shall be convened by superior competent authority and may in any  
24

1 case be convened by such superior authority if considered desirable  
2 by such authority.

3 SECTION 25. NEW LAW A new section of law to be codified  
4 in the Oklahoma Statutes as Section 3242 of Title 44, unless there  
5 is created a duplication in numbering, reads as follows:

6 A. Special courts-martial may be convened by:

7 1. Any person who may convene a general court-martial;

8 2. The commanding officer of a garrison, fort, post, camp,  
9 station, Air National Guard base, or naval base or station;

10 3. The commanding officer of a brigade, regiment, detached  
11 battalion, or corresponding unit of the Army;

12 4. The commanding officer of a wing, group, separate squadron,  
13 or corresponding unit of the Air Force; or

14 5. The commanding officer or officer in charge of any other  
15 command when empowered by the Adjutant General.

16 B. If any such officer is an accuser, the court shall be  
17 convened by superior competent authority and may in any case be  
18 convened by such superior authority if considered desirable by such  
19 authority.

20 SECTION 26. NEW LAW A new section of law to be codified  
21 in the Oklahoma Statutes as Section 3243 of Title 44, unless there  
22 is created a duplication in numbering, reads as follows:

23 A. Summary courts-martial may be convened by:  
24

1        1. Any person who may convene a general or special court-  
2 martial;

3        2. The commanding officer of a detached company or other  
4 detachment, or corresponding unit of the Army;

5        3. The commanding officer of a detached squadron or other  
6 detachment, or corresponding unit of the Air Force; or

7        4. The commanding officer or officer in charge of any other  
8 command when empowered by the Adjutant General.

9        B. When only one commissioned officer is present with a command  
10 or detachment that officer shall be the summary court-martial of  
11 that command or detachment and shall hear and determine all summary  
12 court-martial cases. Summary courts-martial may, however, be  
13 convened in any case by superior competent authority if considered  
14 desirable by such authority.

15        SECTION 27.        NEW LAW        A new section of law to be codified  
16 in the Oklahoma Statutes as Section 3244 of Title 44, unless there  
17 is created a duplication in numbering, reads as follows:

18        A. Any commissioned officer of the state military forces is  
19 eligible to serve on all courts-martial for the trial of any person  
20 subject to this code.

21        B. Any warrant officer of the state military forces is eligible  
22 to serve on general and special courts-martial for the trial of any  
23 person subject to this code, other than a commissioned officer.

24

1 C. Any enlisted member of the state military forces who is not  
2 a member of the same unit as the accused is eligible to serve on  
3 general and special courts-martial for the trial of any enlisted  
4 member subject to this code, but that member shall serve as a member  
5 of a court only if, before the conclusion of a session called by the  
6 military judge under Section 42 of this act prior to trial or, in  
7 the absence of such a session, before the court is assembled for the  
8 trial of the accused, the accused personally has requested orally on  
9 the record or in writing that enlisted members serve on it. After  
10 such a request, the accused may not be tried by a general or special  
11 court-martial the membership of which does not include enlisted  
12 members in a number comprising at least one-third (1/3) of the total  
13 membership of the court, unless eligible enlisted members cannot be  
14 obtained on account of physical conditions or military exigencies.  
15 If such members cannot be obtained, the court may be assembled and  
16 the trial held without them, but the convening authority shall make  
17 a detailed written statement, to be appended to the record, stating  
18 why they could not be obtained. In this article, "unit" means any  
19 regularly organized body of the state military forces not larger  
20 than a company, a squadron, a division of the naval militia, or a  
21 body corresponding to one of them.

22 D. When it can be avoided, no person subject to this code may  
23 be tried by a court-martial any member of which is junior to the  
24 accused in rank or grade.

1 E. When convening a court-martial, the convening authority  
2 shall detail as members thereof such members of the state military  
3 forces as, in the convening authority's opinion, are best qualified  
4 for the duty by reason of age, education, training, experience,  
5 length of service, and judicial temperament. No member of the state  
6 military forces is eligible to serve as a member of a general or  
7 special court-martial when that member is the accuser, a witness, or  
8 has acted as investigating officer or as counsel in the same case.

9 F. Before a court-martial is assembled for the trial of a case,  
10 the convening authority may excuse a member of the court from  
11 participating in the case. The convening authority may delegate the  
12 authority under this subsection to a judge advocate or to any other  
13 principal assistant.

14 SECTION 28. NEW LAW A new section of law to be codified  
15 in the Oklahoma Statutes as Section 3245 of Title 44, unless there  
16 is created a duplication in numbering, reads as follows:

17 RESERVED.

18 SECTION 29. NEW LAW A new section of law to be codified  
19 in the Oklahoma Statutes as Section 3246 of Title 44, unless there  
20 is created a duplication in numbering, reads as follows:

21 A. A military judge shall be detailed to each general and  
22 special court-martial. The military judge shall preside over each  
23 open session of the court-martial to which the military judge has  
24 been detailed.

1 B. A military judge shall be:

2 1. An active or retired commissioned officer of an organized  
3 state military force;

4 2. A member in good standing of the bar of the highest court of  
5 a state or a member of the bar of a federal court for at least five  
6 (5) years; and

7 3. Certified as qualified for duty as a military judge by the  
8 senior force judge advocate which is the same force as the accused.

9 C. In the instance when a military judge is not a member of the  
10 bar of the highest court of the state, the military judge shall be  
11 deemed admitted pro hac vice, subject to filing a certificate with  
12 the senior force judge advocate which is the same force as the  
13 accused setting forth such qualifications provided in subsection B  
14 of this section.

15 D. The military judge of a general or special court-martial  
16 shall be designated by the senior force judge advocate which is the  
17 same force as the accused, or a designee, for detail by the  
18 convening authority. Neither the convening authority nor any staff  
19 member of the convening authority shall prepare or review any report  
20 concerning the effectiveness, fitness, or efficiency of the military  
21 judge so detailed, which relates to performance of duty as a  
22 military judge.

1 E. No person is eligible to act as military judge in a case if  
2 that person is the accuser or a witness, or has acted as  
3 investigating officer or a counsel in the same case.

4 F. The military judge of a court-martial may not consult with  
5 the members of the court except in the presence of the accused,  
6 trial counsel, and defense counsel nor vote with the members of the  
7 court.

8 SECTION 30. NEW LAW A new section of law to be codified  
9 in the Oklahoma Statutes as Section 3247 of Title 44, unless there  
10 is created a duplication in numbering, reads as follows:

11 A. 1. For each general and special court-martial the authority  
12 convening the court shall detail trial counsel, defense counsel, and  
13 such assistants as are appropriate.

14 2. No person who has acted as investigating officer, military  
15 judge, witness or court member in any case may act later as trial  
16 counsel, assistant trial counsel, or, unless expressly requested by  
17 the accused, as defense counsel or assistant or associate defense  
18 counsel in the same case. No person who has acted for the  
19 prosecution may act later in the same case for the defense nor may  
20 any person who has acted for the defense act later in the same case  
21 for the prosecution.

22 B. Except as provided in subsection C of this section, trial  
23 counsel or defense counsel detailed for a general or special court-  
24 martial must be:

1 1. A judge advocate as defined in Section 2 of this act; and

2 2. In the case of trial counsel, a member in good standing of  
3 the bar of the highest court of the state where the court-martial is  
4 held.

5 C. In the instance when a defense counsel is not a member of  
6 the bar of the highest court of the state, the defense counsel shall  
7 be deemed admitted pro hac vice, subject to filing a certificate  
8 with the military judge setting forth the qualifications that  
9 counsel is:

10 1. A commissioned officer of the armed forces of the United  
11 States or a component thereof;

12 2. A member in good standing of the bar of the highest court of  
13 a state; and

14 3. Certified as a judge advocate in the Judge Advocate  
15 General's Corps of the Army, Air Force, Navy, Marine Corps, or a  
16 judge advocate as defined in Section 2 of this act.

17 SECTION 31. NEW LAW A new section of law to be codified  
18 in the Oklahoma Statutes as Section 3248 of Title 44, unless there  
19 is created a duplication in numbering, reads as follows:

20 Under such regulations as may be prescribed, the convening  
21 authority of a general or special court-martial or court of inquiry  
22 shall detail or employ qualified court reporters, who shall record  
23 the proceedings of and testimony taken before that court and may  
24 detail or employ interpreters who shall interpret for the court.

1           SECTION 32.           NEW LAW           A new section of law to be codified  
2 in the Oklahoma Statutes as Section 3249 of Title 44, unless there  
3 is created a duplication in numbering, reads as follows:

4           A. No member of a general or special court-martial may be  
5 absent or excused after the court has been assembled for the trial  
6 of the accused unless excused as a result of a challenge, excused by  
7 the military judge for physical disability or other good cause, or  
8 excused by order of the convening authority for good cause.

9           B. Whenever a general court-martial, other than a general  
10 court-martial composed of a military judge only, is reduced below  
11 five members, the trial may not proceed unless the convening  
12 authority details new members sufficient in number to provide not  
13 less than the applicable minimum number of five members. The trial  
14 may proceed with the new members present after the recorded evidence  
15 previously introduced before the members of the court has been read  
16 to the court in the presence of the military judge, the accused, and  
17 counsel for both sides.

18           C. Whenever a special court-martial, other than a special  
19 court-martial composed of a military judge only, is reduced below  
20 three members, the trial may not proceed unless the convening  
21 authority details new members sufficient in number to provide not  
22 less than three members. The trial shall proceed with the new  
23 members present as if no evidence had been introduced previously at  
24 the trial, unless a verbatim record of the evidence previously

1 introduced before the members of the court or a stipulation thereof  
2 is read to the court in the presence of the military judge, the  
3 accused, and counsel for both sides.

4 D. If the military judge of a court-martial composed of a  
5 military judge only is unable to proceed with the trial because of  
6 physical disability, as a result of a challenge, or for other good  
7 cause, the trial shall proceed, subject to any applicable conditions  
8 of Section 18 of this act, after the detail of a new military judge  
9 as if no evidence had previously been introduced, unless a verbatim  
10 record of the evidence previously introduced or a stipulation  
11 thereof is read in court in the presence of the new military judge,  
12 the accused, and counsel for both sides.

13 PART VI. PRETRIAL PROCEDURE

14 SECTION 33. NEW LAW A new section of law to be codified  
15 in the Oklahoma Statutes as Section 3251 of Title 44, unless there  
16 is created a duplication in numbering, reads as follows:

17 A. Charges and specifications shall be signed by a person  
18 subject to this code under oath before a commissioned officer  
19 authorized by Section 150 of this act to administer oaths and shall  
20 state:

21 1. That the signer has personal knowledge of, or has  
22 investigated, the matters set forth therein; and

23 2. That they are true in fact to the best of the signer's  
24 knowledge and belief.

1 B. Upon the preferring of charges, the proper authority shall  
2 take immediate steps to determine what disposition should be made  
3 thereof in the interest of justice and discipline, and the person  
4 accused shall be informed of the charges as soon as practicable.

5 SECTION 34. NEW LAW A new section of law to be codified  
6 in the Oklahoma Statutes as Section 3252 of Title 44, unless there  
7 is created a duplication in numbering, reads as follows:

8 A. No person subject to this code may compel any person to  
9 incriminate himself or to answer any question the answer to which  
10 may tend to incriminate him.

11 B. No person subject to this code may interrogate or request  
12 any statement from an accused or a person suspected of an offense  
13 without first informing that person of the nature of the accusation  
14 and advising that person that the person does not have to make any  
15 statement regarding the offense of which the person is accused or  
16 suspected and that any statement made by the person may be used as  
17 evidence against the person in a trial by court-martial.

18 C. No person subject to this code may compel any person to make  
19 a statement or produce evidence before any military court if the  
20 statement or evidence is not material to the issue and may tend to  
21 degrade the person.

22 D. No statement obtained from any person in violation of this  
23 article or through the use of coercion, unlawful influence, or  
24

1 unlawful inducement may be received in evidence against the person  
2 in a trial by court-martial.

3 SECTION 35. NEW LAW A new section of law to be codified  
4 in the Oklahoma Statutes as Section 3253 of Title 44, unless there  
5 is created a duplication in numbering, reads as follows:

6 A. No charge or specification may be referred to a general  
7 court-martial for trial until a thorough and impartial investigation  
8 of all the matters set forth therein has been made. This  
9 investigation shall include inquiry as to the truth of the matter  
10 set forth in the charges, consideration of the form of charges, and  
11 a recommendation as to the disposition which should be made of the  
12 case in the interest of justice and discipline.

13 B. The accused shall be advised of the charges against the  
14 accused and of the right to be represented at that investigation by  
15 counsel. The accused has the right to be represented at that  
16 investigation as provided in Section 41 of this act and in  
17 regulations prescribed under that section. At that investigation,  
18 full opportunity shall be given to the accused to cross-examine  
19 witnesses against the accused, if they are available, and to present  
20 anything the accused may desire in the accused's own behalf, either  
21 in defense or mitigation, and the investigating officer shall  
22 examine available witnesses requested by the accused. If the  
23 charges are forwarded after the investigation, they shall be

24

1 accompanied by a statement of the substance of the testimony taken  
2 on both sides and a copy thereof shall be given to the accused.

3 C. If an investigation of the subject matter of an offense has  
4 been conducted before the accused is charged with the offense, and  
5 if the accused was present at the investigation and afforded the  
6 opportunities for representation, cross-examination, and  
7 presentation prescribed in subsection B of this section, no further  
8 investigation of that charge is necessary under this article unless  
9 it is demanded by the accused after the accused is informed of the  
10 charge. A demand for further investigation entitles the accused to  
11 recall witnesses for further cross-examination and to offer any new  
12 evidence in the accused's own behalf.

13 D. If evidence adduced in an investigation under this article  
14 indicates that the accused committed an uncharged offense, the  
15 investigating officer may investigate the subject matter of that  
16 offense without the accused having first been charged with the  
17 offense if the accused:

18 1. Is present at the investigation;

19 2. Is informed of the nature of each uncharged offense  
20 investigated; and

21 3. Is afforded the opportunities for representation, cross-  
22 examination, and presentation prescribed in subsection B of this  
23 section.

24

1 E. The requirements of this article are binding on all persons  
2 administering this code but failure to follow them does not  
3 constitute jurisdictional error.

4 SECTION 36. NEW LAW A new section of law to be codified  
5 in the Oklahoma Statutes as Section 3254 of Title 44, unless there  
6 is created a duplication in numbering, reads as follows:

7 When a person is held for trial by general court-martial, the  
8 commanding officer shall within eight (8) days after the accused is  
9 ordered into arrest or confinement, if practicable, forward the  
10 charges, together with the investigation and allied papers, to the  
11 person exercising general court-martial jurisdiction. If that is  
12 not practicable, the commanding officer shall report in writing to  
13 that person the reasons for delay.

14 SECTION 37. NEW LAW A new section of law to be codified  
15 in the Oklahoma Statutes as Section 3255 of Title 44, unless there  
16 is created a duplication in numbering, reads as follows:

17 A. Before directing the trial of any charge by general court-  
18 martial, the convening authority shall refer it to a judge advocate  
19 for consideration and advice. The convening authority may not refer  
20 a specification under a charge to a general court-martial for trial  
21 unless the convening authority has been advised in writing by a  
22 judge advocate that:

- 23 1. The specification alleges an offense under this code;

24

1           2. The specification is warranted by the evidence indicated in  
2 the report of investigation under Section 35 of this act, if there  
3 is such a report; and

4           3. A court-martial would have jurisdiction over the accused and  
5 the offense.

10 in subsection A of this section; and

11           2. Recommending action that the convening authority take  
12 regarding the specification.

13           If the specification is referred for trial, the recommendation  
14 of the judge advocate shall accompany the specification.

15           C. If the charges or specifications are not correct formally or  
16 do not conform to the substance of the evidence contained in the  
17 report of the investigating officer, formal corrections, and such  
18 changes in the charges and specifications as are needed to make them  
19 conform to the evidence, may be made.

20           SECTION 38.       NEW LAW       A new section of law to be codified

22 is created a duplication in numbering, reads as follows:

23           The trial counsel shall serve or cause to be served upon the  
24 accused a copy of the charges. No person may, against the person's

1 objection, be brought to trial before a general court-martial case

3 the accused, or in a special court-martial, within a period of three  
4 (3) days after the service of charges upon the accused.

5 PART VII. TRIAL PROCEDURE

6 SECTION 39. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 3261 of Title 44, unless there  
8 is created a duplication in numbering, reads as follows:

9 Pretrial, trial and posttrial procedures, including modes of  
10 proof, for courts-martial cases arising under this code, and for  
11 courts of inquiry, may be prescribed by the Governor or the Adjutant  
12 General by regulations, or as otherwise provided by law, which shall  
13 apply the principles of law and the rules of evidence generally  
14 recognized in military criminal cases in the courts of the armed  
15 forces but which may not be contrary to or inconsistent with this  
16 code.

17 SECTION 40. NEW LAW A new section of law to be codified  
18 in the Oklahoma Statutes as Section 3262 of Title 44, unless there  
19 is created a duplication in numbering, reads as follows:

20 A. No authority convening a general, special, or summary court-  
21 martial, nor any other commanding officer, or officer serving on the  
22 staff thereof, may censure, reprimand, or admonish the court or any  
23 member, the military judge, or counsel thereof, with respect to the  
24 findings or sentence adjudged by the court or with respect to any

1 other exercise of its or their functions in the conduct of the  
2 proceedings. No person subject to this code may attempt to coerce  
3 or, by any unauthorized means, influence the action of a court-  
4 martial or court of inquiry or any member thereof, in reaching the  
5 findings or sentence in any case, or the action of any convening,  
6 approving, or reviewing authority with respect to their judicial  
7 acts. The foregoing provisions of this subsection shall not apply  
8 with respect to:

9 1. General instructional or informational courses in military  
10 justice if such courses are designed solely for the purpose of  
11 instructing members of a command in the substantive and procedural  
12 aspects of courts-martial; or

13 2. Statements and instructions given in open court by the  
14 military judge, summary court-martial officer, or counsel.

15 B. In the preparation of an effectiveness, fitness, or  
16 efficiency report, or any other report or document used in whole or  
17 in part for the purpose of determining whether a member of the state  
18 military forces is qualified to be advanced in grade, or in  
19 determining the assignment or transfer of a member of the state  
20 military forces, or in determining whether a member of the state  
21 military forces should be retained on active status, no person  
22 subject to this code may, in preparing any such report:

23 1. Consider or evaluate the performance of duty of any such  
24 member as a member of a court-martial or witness therein; or

1           2. Give a less favorable rating or evaluation of any counsel of  
2 the accused because of zealous representation before a court-  
3 martial.

4           SECTION 41.           NEW LAW           A new section of law to be codified  
5 in the Oklahoma Statutes as Section 3263 of Title 44, unless there  
6 is created a duplication in numbering, reads as follows:

7           A. The trial counsel of a general or special court-martial  
8 shall be a member in good standing of the state bar and shall  
9 prosecute in the name of the state, and shall, under the direction  
10 of the court, prepare the record of the proceedings.

11           B. 1. The accused has the right to be represented in defense  
12 before a general or special court-martial or at an investigation  
13 under Section 35 of this act as provided in this subsection.

14           2. The accused may be represented by civilian counsel at the  
15 provision and expense of the accused.

16           3. The accused may be represented:

17           a. by military counsel detailed under Section 30 of this  
18 act, or

19           b. by military counsel of the accused's own selection if  
20 that counsel is reasonably available as determined  
21 under paragraph 7 of this subsection.

22           4. If the accused is represented by civilian counsel, military  
23 counsel detailed or selected under paragraph 3 of this subsection  
24

1 shall act as associate counsel unless excused at the request of the  
2 accused.

3 5. Except as provided under paragraph 6 of this subsection, if  
4 the accused is represented by military counsel of his own selection  
5 under subparagraph b of paragraph 3 of this subsection, any military  
6 counsel detailed under subparagraph a of paragraph 3 of this  
7 subsection shall be excused.

8 6. The accused is not entitled to be represented by more than  
9 one military counsel. However, the person authorized under  
10 regulations prescribed under Section 30 of this act to detail  
11 counsel, in that person's sole discretion:

12 a. may detail additional military counsel as assistant  
13 defense counsel, and

14 b. if the accused is represented by military counsel of  
15 the accused's own selection under subparagraph b of  
16 paragraph 3 of this subsection, may approve a request  
17 from the accused that military counsel detailed under  
18 subparagraph a of paragraph 3 of this subsection act  
19 as associate defense counsel.

20 7. The senior force judge advocate of the same force of which  
21 the accused is a member, shall determine whether the military  
22 counsel selected by an accused is reasonably available.

23 C. In any court-martial proceeding resulting in a conviction,  
24 the defense counsel:

1           1. May forward for attachment to the record of proceedings a  
2 brief of such matters as counsel determines should be considered in  
3 behalf of the accused on review, including any objection to the  
4 contents of the record which counsel considers appropriate;

5           2. May assist the accused in the submission of any matter under  
6 Section 68 of this act; and

7           3. May take other action authorized by this code.

8           SECTION 42.           NEW LAW           A new section of law to be codified  
9 in the Oklahoma Statutes as Section 3264 of Title 44, unless there  
10 is created a duplication in numbering, reads as follows:

11           A. At any time after the service of charges which have been  
12 referred for trial to a court-martial composed of a military judge  
13 and members, the military judge may, subject to Section 38 of this  
14 act, call the court into session without the presence of the members  
15 for the purpose of:

16           1. Hearing and determining motions raising defenses or  
17 objections which are capable of determination without trial of the  
18 issues raised by a plea of not guilty;

19           2. Hearing and ruling upon any matter which may be ruled upon  
20 by the military judge under this code, whether or not the matter is  
21 appropriate for later consideration or decision by the members of  
22 the court;

23           3. Holding the arraignment and receiving the pleas of the  
24 accused; and

1 4. Performing any other procedural function which does not  
2 require the presence of the members of the court under this code.

3 These proceedings shall be conducted in the presence of the  
4 accused, the defense counsel, and the trial counsel and shall be  
5 made a part of the record. These proceedings may be conducted  
6 notwithstanding the number of court members and without regard to  
7 Section 32 of this act.

8 B. When the members of a court-martial deliberate or vote, only  
9 the members may be present. All other proceedings, including any  
10 other consultation of the members of the court with counsel or the  
11 military judge, shall be made a part of the record and shall be in  
12 the presence of the accused, the defense counsel, the trial counsel,  
13 and the military judge.

14 SECTION 43. NEW LAW A new section of law to be codified  
15 in the Oklahoma Statutes as Section 3265 of Title 44, unless there  
16 is created a duplication in numbering, reads as follows:

17 The military judge of a court-martial or a summary court-martial  
18 may, for reasonable cause, grant a continuance to any party for such  
19 time, and as often, as may appear to be just.

20 SECTION 44. NEW LAW A new section of law to be codified  
21 in the Oklahoma Statutes as Section 3266 of Title 44, unless there  
22 is created a duplication in numbering, reads as follows:

23 A. 1. The military judge and members of a general or special  
24 court-martial may be challenged by the accused or the trial counsel

1 for cause stated to the court. The military judge or the court  
2 shall determine the relevancy and validity of challenges for cause  
3 and may not receive a challenge to more than one person at a time.  
4 Challenges by the trial counsel shall ordinarily be presented and  
5 decided before those by the accused are offered.

6 2. If exercise of a challenge for cause reduces the court below  
7 the minimum number of members required by Section 18 of this act,  
8 all parties shall, notwithstanding Section 32 of this act, either  
9 exercise or waive any challenge for cause then apparent against the  
10 remaining members of the court before additional members are  
11 detailed to the court. However, peremptory challenges shall not be  
12 exercised at that time.

13 B. 1. Each accused and the trial counsel are entitled  
14 initially to one peremptory challenge of members of the court. The  
15 military judge may not be challenged except for cause.

16 2. If exercise of a peremptory challenge reduces the court  
17 below the minimum number of members required by Section 18 of this  
18 act, the parties shall, notwithstanding Section 32 of this act,  
19 either exercise or waive any remaining peremptory challenge, not  
20 previously waived, against the remaining members of the court before  
21 additional members are detailed to the court.

22 3. Whenever additional members are detailed to the court, and  
23 after any challenges for cause against such additional members are  
24 presented and decided, each accused and the trial counsel are

1 entitled to one peremptory challenge against members not previously  
2 subject to peremptory challenge.

3 SECTION 45. NEW LAW A new section of law to be codified  
4 in the Oklahoma Statutes as Section 3267 of Title 44, unless there  
5 is created a duplication in numbering, reads as follows:

6 A. Before performing their respective duties, military judges,  
7 general and special courts-martial members, trial counsel, defense  
8 counsel, reporters, and interpreters shall take an oath or  
9 affirmation in the presence of the accused to perform their duties  
10 faithfully. The form of the oath or affirmation, the time and place  
11 of the taking thereof, the manner of recording the same, and whether  
12 the oath or affirmation shall be taken for all cases in which these  
13 duties are to be performed or for a particular case, shall be as  
14 prescribed in regulation or as provided by law. These regulations  
15 may provide that an oath or affirmation to perform faithfully the  
16 duties as a military judge, trial counsel, or defense counsel may be  
17 taken at any time by any judge advocate or other person certified or  
18 designated to be qualified or competent for the duty, and if such an  
19 oath or affirmation is taken, it need not again be taken at the time  
20 the judge advocate or other person is detailed to that duty.

21 B. Each witness before a court-martial shall be examined under  
22 oath or affirmation.

23

24

1 SECTION 46. NEW LAW A new section of law to be codified  
2 in the Oklahoma Statutes as Section 3268 of Title 44, unless there  
3 is created a duplication in numbering, reads as follows:

4 A. Except as otherwise provided in this article, a person  
5 charged with any offense is not liable to be tried by court-martial  
6 or punished under Section 17 of this act if the offense was  
7 committed more than three (3) years before the receipt of sworn  
8 charges and specifications by an officer exercising court-martial  
9 jurisdiction over the command or before the imposition of punishment  
10 under Section 17 of this act.

11 B. Periods in which the accused is absent without authority or  
12 fleeing from justice shall be excluded in computing the period of  
13 limitation prescribed in this article.

14 C. Periods in which the accused was absent from territory in  
15 which the state has the authority to apprehend him, or in the  
16 custody of civil authorities, or in the hands of the enemy, shall be  
17 excluded in computing the period of limitation prescribed in this  
18 article.

19 D. When the United States is at war, the running of any statute  
20 of limitations applicable to any offense under this code:

21 1. Involving fraud or attempted fraud against the United  
22 States, any state, or any agency of either in any manner, whether by  
23 conspiracy or not;

3 property of the United States or any state; or

4           3. Committed in connection with the negotiation, procurement,  
5 award, performance, payment, interim financing, cancellation, or  
6 other termination or settlement, of any contract, subcontract, or  
7 purchase order which is connected with or related to the prosecution  
8 of the war, or with any disposition of termination inventory by any  
9 war contractor or government agency,  
10 is suspended until two (2) years after the termination of  
11 hostilities as proclaimed by the President or by a joint resolution  
12 of Congress.

13           E. 1. If charges or specifications are dismissed as defective  
14 or insufficient for any cause and the period prescribed by the  
15 applicable statute of limitations:

16               a. has expired, or

17               b. will expire within one hundred eighty (180) days after  
18               the date of dismissal of the charges and  
19               specifications,

20 trial and punishment under new charges and specifications are not  
21 barred by the statute of limitations if the conditions specified in  
22 paragraph 2 of this subsection are met.

23           2. The conditions referred to in paragraph 1 are that the new  
24 charges and specifications must:

1 a. be received by an officer exercising summary court-  
2 martial jurisdiction over the command within one  
3 hundred eighty (180) days after the dismissal of the  
4 charges or specifications, and

5 b. allege the same acts or omissions that were alleged in  
6 the dismissed charges or specifications or allege acts  
7 or omissions that were included in the dismissed  
8 charges or specifications.

9 SECTION 47. NEW LAW A new section of law to be codified  
10 in the Oklahoma Statutes as Section 3269 of Title 44, unless there  
11 is created a duplication in numbering, reads as follows:

12 A. No person may, without his consent, be tried a second time  
13 for the same offense.

14 B. No proceeding in which an accused has been found guilty by a  
15 court-martial upon any charge or specification is a trial in the  
16 sense of this article until the finding of guilty has become final  
17 after review of the case has been fully completed.

18 C. A proceeding which, after the introduction of evidence but  
19 before a finding, is dismissed or terminated by the convening  
20 authority or on motion of the prosecution for failure of available  
21 evidence or witnesses without any fault of the accused is a trial in  
22 the sense of this article.

1           SECTION 48.           NEW LAW           A new section of law to be codified  
2 in the Oklahoma Statutes as Section 3270 of Title 44, unless there  
3 is created a duplication in numbering, reads as follows:

4           A. If an accused after arraignment makes an irregular pleading,  
5 or after a plea of guilty sets up matter inconsistent with the plea,  
6 or if it appears that the accused has entered the plea of guilty  
7 improvidently or through lack of understanding of its meaning and  
8 effect, or if the accused fails or refuses to plead, a plea of not  
9 guilty shall be entered in the record, and the court shall proceed  
10 as though the accused had pleaded not guilty.

11           B. With respect to any charge or specification to which a plea  
12 of guilty has been made by the accused and accepted by the military  
13 judge or by a court-martial without a military judge, a finding of  
14 guilty of the charge or specification may be entered immediately  
15 without vote. This finding shall constitute the finding of the  
16 court unless the plea of guilty is withdrawn prior to announcement  
17 of the sentence, in which event, the proceedings shall continue as  
18 though the accused had pleaded not guilty.

19           SECTION 49.           NEW LAW           A new section of law to be codified  
20 in the Oklahoma Statutes as Section 3271 of Title 44, unless there  
21 is created a duplication in numbering, reads as follows:

22           The trial counsel, the defense counsel, and the court-martial  
23 shall have equal opportunity to obtain witnesses and other evidence  
24 as prescribed by regulations and provided by law. Process issued in

1 court-martial cases to compel witnesses to appear and testify and to  
2 compel the production of other evidence shall apply the principles  
3 of law and the rules of courts-martial generally recognized in  
4 military criminal cases in the courts of the armed forces of the  
5 United States, but which may not be contrary to or inconsistent with  
6 this code. Process shall run to any part of the United States, or  
7 the Territories, Commonwealths, and possessions, and may be executed  
8 by civil officers as prescribed by the laws of the place where the  
9 witness or evidence is located or of the United States.

10 SECTION 50. NEW LAW A new section of law to be codified  
11 in the Oklahoma Statutes as Section 3272 of Title 44, unless there  
12 is created a duplication in numbering, reads as follows:

13 A. Any person not subject to this code who:

14 1. Has been duly subpoenaed to appear as a witness or to  
15 produce books and records before a court-martial or court of  
16 inquiry, or before any military or civil officer designated to take  
17 a deposition to be read in evidence before such a court;

18 2. Has been duly paid or tendered the fees and mileage of a  
19 witness at the rates allowed to witnesses attending a criminal court  
20 of the state; and

21 3. Willfully neglects or refuses to appear, or refuses to  
22 qualify as a witness or to testify or to produce any evidence which  
23 that person may have been legally subpoenaed to produce,  
24

1 may be punished by the military court in the same manner as a  
2 criminal court of the state.

3 B. The fees and mileage of witnesses shall be advanced or paid  
4 out of the appropriations for the compensation of witnesses.

5 SECTION 51. NEW LAW A new section of law to be codified  
6 in the Oklahoma Statutes as Section 3273 of Title 44, unless there  
7 is created a duplication in numbering, reads as follows:

8 A. A military judge or summary court-martial officer may punish  
9 for contempt any person who uses any menacing word, sign, or gesture  
10 in its presence, or who disturbs its proceedings by any riot or  
11 disorder.

12 B. A person subject to this code may be punished for contempt  
13 by confinement not to exceed thirty (30) days or a fine of One  
14 Hundred Dollars (\$100.00), or both.

15 C. A person not subject to this code may be punished for  
16 contempt by a military court in the same manner as a criminal court  
17 of the state.

18 SECTION 52. NEW LAW A new section of law to be codified  
19 in the Oklahoma Statutes as Section 3274 of Title 44, unless there  
20 is created a duplication in numbering, reads as follows:

21 A. At any time after charges have been signed as provided in  
22 Section 33 of this act, any party may take oral or written  
23 depositions unless the military judge or summary court-martial  
24 officer hearing the case or, if the case is not being heard, an

1 authority competent to convene a court-martial for the trial of  
2 those charges, forbids it for good cause.

3 B. The party at whose instance a deposition is to be taken  
4 shall give to every other party reasonable written notice of the  
5 time and place for taking the deposition.

6 C. Depositions may be taken before and authenticated by any  
7 military or civil officer authorized by the laws of the state or by  
8 the laws of the place where the deposition is taken to administer  
9 oaths.

10 D. A duly authenticated deposition taken upon reasonable notice  
11 to the other parties, so far as otherwise admissible under the rules  
12 of evidence, may be read in evidence or, in the case of audiotape,  
13 videotape, digital image or file, or similar material, may be played  
14 in evidence before any military court, if it appears:

15 1. That the witness resides or is beyond the state in which the  
16 court is ordered to sit, or beyond one hundred (100) miles from the  
17 place of trial or hearing;

18 2. That the witness by reason of death, age, sickness, bodily  
19 infirmity, imprisonment, military necessity, nonamenability to  
20 process, or other reasonable cause, is unable or refuses to appear  
21 and testify in person at the place of trial or hearing; or

22 3. That the present whereabouts of the witness is unknown.

23

24

1 SECTION 53. NEW LAW A new section of law to be codified  
2 in the Oklahoma Statutes as Section 3275 of Title 44, unless there  
3 is created a duplication in numbering, reads as follows:

4 A. In any case not extending to the dismissal of a commissioned  
5 officer, the sworn testimony, contained in the duly authenticated  
6 record of proceedings of a court of inquiry, of a person whose oral  
7 testimony cannot be obtained, may, if otherwise admissible under the  
8 rules of evidence, be read in evidence by any party before a court-  
9 martial if the accused was a party before the court of inquiry and  
10 if the same issue was involved or if the accused consents to the  
11 introduction of such evidence.

12 B. Such testimony may be read in evidence only by the defense  
13 in cases extending to the dismissal of a commissioned officer.

14 C. Such testimony may also be read in evidence before a court  
15 of inquiry.

16 SECTION 54. NEW LAW A new section of law to be codified  
17 in the Oklahoma Statutes as Section 3276 of Title 44, unless there  
18 is created a duplication in numbering, reads as follows:

19 A. It is an affirmative defense in a trial by court-martial  
20 that, at the time of the commission of the acts constituting the  
21 offense, the accused, as a result of a severe mental disease or  
22 defect, was unable to appreciate the nature and quality or the  
23 wrongfulness of the acts. Mental disease or defect does not  
24 otherwise constitute a defense.

1 B. The accused has the burden of proving the defense of lack of  
2 mental responsibility by clear and convincing evidence.

3 C. Whenever lack of mental responsibility of the accused with  
4 respect to an offense is properly at issue, the military judge shall  
5 instruct the members of the court as to the defense of lack of  
6 mental responsibility under this article and charge them to find the  
7 accused:

- 8 1. Guilty;
- 9 2. Not guilty; or
- 10 3. Not guilty only by reason of lack of mental responsibility.

11 D. Subsection C of this section does not apply to a court-  
12 martial composed of a military judge only. In the case of a court-  
13 martial composed of a military judge only or a summary court-martial  
14 officer, whenever lack of mental responsibility of the accused with  
15 respect to an offense is properly at issue, the military judge or  
16 summary court-martial officer shall find the accused:

- 17 1. Guilty;
- 18 2. Not guilty; or
- 19 3. Not guilty only by reason of lack of mental responsibility.

20 E. Notwithstanding the provisions of Section 56 of this act,  
21 the accused shall be found not guilty only by reason of lack of  
22 mental responsibility if:

23  
24

1 1. A majority of the members of the court-martial present at  
2 the time the vote is taken determines that the defense of lack of  
3 mental responsibility has been established; or

4 2. In the case of a court-martial composed of a military judge  
5 only or a summary court-martial officer, the military judge or  
6 summary court-martial officer determines that the defense of lack of  
7 mental responsibility has been established.

8 SECTION 55. NEW LAW A new section of law to be codified  
9 in the Oklahoma Statutes as Section 3277 of Title 44, unless there  
10 is created a duplication in numbering, reads as follows:

11 A. Voting by members of a general or special court-martial on  
12 the findings and on the sentence shall be by secret written ballot.  
13 The junior member of the court shall count the votes. The count  
14 shall be checked by the president, who shall forthwith announce the  
15 result of the ballot to the members of the court.

16 B. The military judge shall rule upon all questions of law and  
17 all interlocutory questions arising during the proceedings. Any  
18 such ruling made by the military judge upon any question of law or  
19 any interlocutory question other than the factual issue of mental  
20 responsibility of the accused is final and constitutes the ruling of  
21 the court. However, the military judge may change the ruling at any  
22 time during the trial. Unless the ruling is final, if any member  
23 objects thereto, the court shall be cleared and closed and the

24

1 question decided by a vote as provided in Section 56 of this act,  
2 beginning with the junior in rank.

3 C. Before a vote is taken on the findings, the military judge  
4 shall, in the presence of the accused and counsel, instruct the  
5 members of the court as to the elements of the offense and charge  
6 them:

7 1. That the accused must be presumed to be innocent until his  
8 guilt is established by legal and competent evidence beyond  
9 reasonable doubt;

10 2. That in the case being considered, if there is a reasonable  
11 doubt as to the guilt of the accused, the doubt must be resolved in  
12 favor of the accused and the accused must be acquitted;

13 3. That, if there is a reasonable doubt as to the degree of  
14 guilt, the finding must be in a lower degree as to which there is no  
15 reasonable doubt; and

16 4. That the burden of proof to establish the guilt of the  
17 accused beyond reasonable doubt is upon the state.

18 D. Subsections A, B and C of this section do not apply to a  
19 court-martial composed of a military judge only. The military judge  
20 of such a court-martial shall determine all questions of law and  
21 fact arising during the proceedings and, if the accused is  
22 convicted, adjudge an appropriate sentence. The military judge of  
23 such a court-martial shall make a general finding and shall in  
24 addition, on request, find the facts specially. If an opinion or

1 memorandum of decision is filed, it will be sufficient if the  
2 findings of fact appear therein.

3 SECTION 56. NEW LAW A new section of law to be codified  
4 in the Oklahoma Statutes as Section 3278 of Title 44, unless there  
5 is created a duplication in numbering, reads as follows:

6 A. No person may be convicted of an offense except as provided  
7 in Section 48 of this act or by the concurrence of two-thirds (2/3)  
8 of the members present at the time the vote is taken.

9 B. All other questions to be decided by the members of a  
10 general or special court-martial shall be determined by a majority  
11 vote, but a determination to reconsider a finding of guilty or to  
12 reconsider a sentence, with a view toward decreasing it, may be made  
13 by any lesser vote which indicates that the reconsideration is not  
14 opposed by the number of votes required for that finding or  
15 sentence. A tie vote on a challenge disqualifies the member  
16 challenged. A tie vote on a motion relating to the question of the  
17 accused's sanity is a determination against the accused. A tie vote  
18 on any other question is a determination in favor of the accused.

19 SECTION 57. NEW LAW A new section of law to be codified  
20 in the Oklahoma Statutes as Section 3279 of Title 44, unless there  
21 is created a duplication in numbering, reads as follows:

22 A court-martial shall announce its findings and sentence to the  
23 parties as soon as determined.

24

1 SECTION 58. NEW LAW A new section of law to be codified  
2 in the Oklahoma Statutes as Section 3280 of Title 44, unless there  
3 is created a duplication in numbering, reads as follows:

4 A. Each general and special court-martial shall keep a separate  
5 record of the proceedings in each case brought before it, and the  
6 record shall be authenticated by the signature of the military  
7 judge. If the record cannot be authenticated by the military judge  
8 by reason of his death, disability, or absence, it shall be  
9 authenticated by the signature of the trial counsel or by that of a  
10 member, if the trial counsel is unable to authenticate it by reason  
11 of his death, disability, or absence. In a court-martial consisting  
12 of only a military judge, the record shall be authenticated by the  
13 court reporter under the same conditions which would impose such a  
14 duty on a member under this subsection.

15 B. 1. A complete verbatim record of the proceedings and  
16 testimony shall be prepared in each general and special court-  
17 martial case resulting in a conviction.

18 2. In all other court-martial cases, the record shall contain  
19 such matters as may be prescribed by regulations.

20 C. Each summary court-martial shall keep a separate record of  
21 the proceedings in each case, and the record shall be authenticated  
22 in the manner as may be prescribed by regulations.

23

24

1 D. A copy of the record of the proceedings of each general and  
2 special court-martial shall be given to the accused as soon as it is  
3 authenticated.

4 PART VIII. SENTENCES

5 SECTION 59. NEW LAW A new section of law to be codified  
6 in the Oklahoma Statutes as Section 3291 of Title 44, unless there  
7 is created a duplication in numbering, reads as follows:

8 Punishment by flogging, or by branding, marking or tattooing on  
9 the body, or any other cruel or unusual punishment may not be  
10 adjudged by a court-martial or inflicted upon any person subject to  
11 this code. The use of irons, single or double, except for the  
12 purpose of safe custody, is prohibited.

13 SECTION 60. NEW LAW A new section of law to be codified  
14 in the Oklahoma Statutes as Section 3292 of Title 44, unless there  
15 is created a duplication in numbering, reads as follows:

16 A. The punishment which a court-martial may direct for an  
17 offense may not exceed such limits as prescribed by this code, but  
18 in no instance may a sentence exceed more than ten (10) years for a  
19 military offense, nor shall a sentence of death be adjudged. A  
20 conviction by general court-martial of any military offense for  
21 which an accused may receive a sentence of confinement for more than  
22 one (1) year is a felony offense. Except for convictions by a  
23 summary court-martial, all other military offenses are misdemeanors.

1 Any conviction by a summary court-martial is not a criminal  
2 conviction.

3 B. The limits of punishment for violations of the punitive  
4 articles prescribed herein shall be the lesser of the sentences  
5 prescribed by the manual for courts-martial of the United States in  
6 effect on January 1, 2004, and the state manual for courts-martial,  
7 but in no instance shall any punishment exceed that authorized by  
8 this code.

9 SECTION 61. NEW LAW A new section of law to be codified  
10 in the Oklahoma Statutes as Section 3293 of Title 44, unless there  
11 is created a duplication in numbering, reads as follows:

12 RESERVED.

13 SECTION 62. NEW LAW A new section of law to be codified  
14 in the Oklahoma Statutes as Section 3294 of Title 44, unless there  
15 is created a duplication in numbering, reads as follows:

16 A. Whenever a sentence of a court-martial as lawfully adjudged  
17 and approved includes a forfeiture of pay or allowances in addition  
18 to confinement not suspended, the forfeiture may apply to pay or  
19 allowances becoming due on or after the date the sentence is  
20 approved by the convening authority. No forfeiture may extend to  
21 any pay or allowances accrued before that date.

22 B. Any period of confinement included in a sentence of a court-  
23 martial begins to run from the date the sentence is adjudged by the  
24 court-martial, but periods during which the sentence to confinement

1 is suspended or deferred shall be excluded in computing the service  
2 of the term of confinement.

3 C. All other sentences of courts-martial are effective on the  
4 date ordered executed.

5 SECTION 63. NEW LAW A new section of law to be codified  
6 in the Oklahoma Statutes as Section 3295 of Title 44, unless there  
7 is created a duplication in numbering, reads as follows:

8 A. On application by an accused who is under sentence to  
9 confinement that has not been ordered executed, the convening  
10 authority or, if the accused is no longer under that person's  
11 jurisdiction, the person exercising general court-martial  
12 jurisdiction over the command to which the accused is currently  
13 assigned, may in that person's sole discretion defer service of the  
14 sentence to confinement. The deferment shall terminate when the  
15 sentence is ordered executed. The deferment may be rescinded at any  
16 time by the person who granted it or, if the accused is no longer  
17 under that person's jurisdiction, by the person exercising general  
18 court-martial jurisdiction over the command to which the accused is  
19 currently assigned.

20 B. 1. In any case in which a court-martial sentences an  
21 accused referred to in paragraph 2 of this subsection to  
22 confinement, the convening authority may defer the service of the  
23 sentence to confinement, without the consent of the accused, until  
24 after the accused has been permanently released to the state

1 military forces by a state, the United States, or a foreign country  
2 referred to in that paragraph.

3 2. Paragraph 1 of this subsection applies to a person subject  
4 to this code who:

- 5 a. while in the custody of a state, the United States, or  
6 a foreign country is temporarily returned by that  
7 state, the United States, or a foreign country to the  
8 state military forces for trial by court-martial, and
- 9 b. after the court-martial, is returned to that state,  
10 the United States, or a foreign country under the  
11 authority of a mutual agreement or treaty, as the case  
12 may be.

13 3. In this subsection, the term "state" includes the District  
14 of Columbia and any Commonwealth, Territory, or possession of the  
15 United States.

16 C. In any case in which a court-martial sentences an accused to  
17 confinement and the sentence to confinement has been ordered  
18 executed, but in which review of the case under Section 76 of this  
19 act is pending, the Adjutant General may defer further service of  
20 the sentence to confinement while that review is pending.

21 SECTION 64. NEW LAW A new section of law to be codified  
22 in the Oklahoma Statutes as Section 3296 of Title 44, unless there  
23 is created a duplication in numbering, reads as follows:

24

1       A. A sentence of confinement adjudged by a court-martial,  
2 whether or not the sentence includes discharge or dismissal, and  
3 whether or not the discharge or dismissal has been executed, may be  
4 carried into execution by confinement in any place authorized by  
5 this code. Persons so confined are subject to the same discipline  
6 and treatment as persons regularly confined or committed to that  
7 place of confinement.

8       B. The omission of "hard labor" as a sentence authorized under  
9 this code does not deprive the state confinement facility from  
10 employing it, if it otherwise is within the authority of that  
11 facility to do so.

12       C. No place of confinement may require payment of any fee or  
13 charge for so receiving or confining a person except as otherwise  
14 provided by law.

15       SECTION 65.       NEW LAW       A new section of law to be codified  
16 in the Oklahoma Statutes as Section 3297 of Title 44, unless there  
17 is created a duplication in numbering, reads as follows:

18       A. A court-martial sentence of an enlisted member in a pay  
19 grade above E-1, as approved by the convening authority, that  
20 includes:

- 21       1. A dishonorable or bad-conduct discharge; or
  - 22       2. Confinement,
- 23 reduces that member to pay grade E-1, effective on the date of that  
24 approval.

1 B. If the sentence of a member who is reduced in pay grade  
2 under subsection A of this section is set aside or disapproved, or,  
3 as finally approved, does not include any punishment named in  
4 paragraph 1 or 2 of subsection A of this section, the rights and  
5 privileges of which the person was deprived because of that  
6 reduction shall be restored, including pay and allowances.

7 SECTION 66. NEW LAW A new section of law to be codified  
8 in the Oklahoma Statutes as Section 3298 of Title 44, unless there  
9 is created a duplication in numbering, reads as follows:

10 A. 1. A court-martial sentence described in paragraph 2 of  
11 this subsection shall result in the forfeiture of pay, or of pay and  
12 allowances, due that member during any period of confinement or  
13 parole. The forfeiture pursuant to this article shall take effect  
14 on the date determined under Section 62 of this act and may be  
15 deferred as provided by that section. The pay and allowances  
16 forfeited, in the case of a general court-martial, shall be all pay  
17 and allowances due that member during such period and, in the case  
18 of a special court-martial, shall be two-thirds (2/3) of all pay due  
19 that member during such period.

20 2. A sentence covered by this article is any sentence that  
21 includes:

- 22 a. confinement for more than six (6) months, or
- 23 b. confinement for six (6) months or less and a  
24 dishonorable or bad-conduct discharge or dismissal.

1 B. In a case involving an accused who has dependents, the  
2 convening authority or other person acting under Section 68 of this  
3 act may waive any or all of the forfeitures of pay and allowances  
4 required by subsection A of this section for a period not to exceed  
5 six (6) months. Any amount of pay or allowances that, except for a  
6 waiver under this subsection, would be forfeited shall be paid, as  
7 the convening authority or other person taking action directs, to  
8 the dependents of the accused.

9 C. If the sentence of a member who forfeits pay and allowances  
10 under subsection A of this section is set aside or disapproved or,  
11 as finally approved, does not provide for a punishment referred to  
12 in paragraph 2 of subsection A of this section, the member shall be  
13 paid the pay and allowances which the member would have been paid,  
14 except for the forfeiture, for the period during which the  
15 forfeiture was in effect.

16 PART IX. POSTTRIAL PROCEDURE AND REVIEW OF COURTS-MARTIAL

17 SECTION 67. NEW LAW A new section of law to be codified  
18 in the Oklahoma Statutes as Section 3301 of Title 44, unless there  
19 is created a duplication in numbering, reads as follows:

20 A. A finding or sentence of a court-martial may not be held  
21 incorrect on the ground of an error of law unless the error  
22 materially prejudices the substantial rights of the accused.

23  
24

1 B. Any reviewing authority with the power to approve or affirm  
2 a finding of guilty may approve or affirm, instead, so much of the  
3 finding as includes a lesser included offense.

4 SECTION 68. NEW LAW A new section of law to be codified  
5 in the Oklahoma Statutes as Section 3302 of Title 44, unless there  
6 is created a duplication in numbering, reads as follows:

7 A. The findings and sentence of a court-martial shall be  
8 reported promptly to the convening authority after the announcement  
9 of the sentence.

10 B. 1. The accused may submit to the convening authority  
11 matters for consideration by the convening authority with respect to  
12 the findings and the sentence. Any such submission shall be in  
13 writing. Except in a summary court-martial case, such a submission  
14 shall be made within ten (10) days after the accused has been given  
15 an authenticated record of trial and, if applicable, the  
16 recommendation of a judge advocate under subsection D of this  
17 section. In a summary court-martial case, such a submission shall  
18 be made within seven (7) days after the sentence is announced.

19 2. If the accused shows that additional time is required for  
20 the accused to submit such matters, the convening authority or other  
21 person taking action under this section, for good cause, may extend  
22 the applicable period under paragraph 1 of this subsection for not  
23 more than an additional twenty (20) days.

24

1           3. In a summary court-martial case, the accused shall be  
2 promptly provided a copy of the record of trial for use in preparing  
3 a submission authorized by paragraph 1 of this subsection.

4           4. The accused may waive the right to make a submission to the  
5 convening authority under paragraph 1 of this subsection. Such a  
6 waiver must be made in writing and may not be revoked. For the  
7 purposes of paragraph 2 of subsection C of this section, the time  
8 within which the accused may make a submission under this subsection  
9 shall be deemed to have expired upon the submission of such a waiver  
10 to the convening authority.

11           C. 1. The authority under this article to modify the findings  
12 and sentence of a court-martial is a matter of command prerogative  
13 involving the sole discretion of the convening authority. If it is  
14 impractical for the convening authority to act, the convening  
15 authority shall forward the case to a person exercising general  
16 court-martial jurisdiction who may take action under this article.

17           2. Action on the sentence of a court-martial shall be taken by  
18 the convening authority or by another person authorized to act under  
19 this article. Such action may be taken only after consideration of  
20 any matters submitted by the accused under subsection B of this  
21 section or after the time for submitting such matters expires,  
22 whichever is earlier. The convening authority or other person  
23 taking such action, in that person's sole discretion, may approve,  
24 disapprove, commute, or suspend the sentence in whole or in part.

1           3. Action on the findings of a court-martial by the convening  
2 authority or other person acting on the sentence is not required.

3 However, such person, in the person's sole discretion, may:

4           a. dismiss any charge or specification by setting aside a  
5 finding of guilty thereto, or

6           b. change a finding of guilty to a charge or  
7 specification to a finding of guilty to an offense  
8 that is a lesser included offense of the offense  
9 stated in the charge or specification.

10           D. Before acting under this article on any general or special  
11 court-martial case in which there is a finding of guilt, the  
12 convening authority or other person taking action under this article  
13 shall obtain and consider the written recommendation of a judge  
14 advocate. The convening authority or other person taking action  
15 under this article shall refer the record of trial to the judge  
16 advocate, and the judge advocate shall use such record in the  
17 preparation of the recommendation. The recommendation of the judge  
18 advocate shall include such matters as may be prescribed by  
19 regulation and shall be served on the accused, who may submit any  
20 matter in response under subsection B of this section. Failure to  
21 object in the response to the recommendation or to any matter  
22 attached to the recommendation waives the right to object thereto.

1 E. 1. The convening authority or other person taking action  
2 under this article, in the person's sole discretion, may order a  
3 proceeding in revision or a rehearing.

4 2. A proceeding in revision may be ordered if there is an  
5 apparent error or omission in the record or if the record shows  
6 improper or inconsistent action by a court-martial with respect to  
7 the findings or sentence that can be rectified without material  
8 prejudice to the substantial rights of the accused. In no case,  
9 however, may a proceeding in revision:

10 a. reconsider a finding of not guilty of any  
11 specification or a ruling which amounts to a finding  
12 of not guilty,

13 b. reconsider a finding of not guilty of any charge,  
14 unless there has been a finding of guilty under a  
15 specification laid under that charge, which  
16 sufficiently alleges a violation of some article of  
17 this code, or

18 c. increase the severity of the sentence unless the  
19 sentence prescribed for the offense is mandatory.

20 3. A rehearing may be ordered by the convening authority or  
21 other person taking action under this article if that person  
22 disapproves the findings and sentence and states the reasons for  
23 disapproval of the findings. If such person disapproves the  
24 findings and sentence and does not order a rehearing, that person

1 shall dismiss the charges. A rehearing as to the findings may not  
2 be ordered where there is a lack of sufficient evidence in the  
3 record to support the findings. A rehearing as to the sentence may  
4 be ordered if the convening authority or other person taking action  
5 under this subsection disapproves the sentence.

6 SECTION 69. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 3303 of Title 44, unless there  
8 is created a duplication in numbering, reads as follows:

9 A. In each case subject to appellate review under this code,  
10 the accused may file with the convening authority a statement  
11 expressly withdrawing the right of the accused to such appeal. Such  
12 a withdrawal shall be signed by both the accused and his defense  
13 counsel and must be filed in accordance with appellate procedures as  
14 provided by law.

15 B. The accused may withdraw an appeal at any time in accordance  
16 with appellate procedures as provided by law.

17 SECTION 70. NEW LAW A new section of law to be codified  
18 in the Oklahoma Statutes as Section 3304 of Title 44, unless there  
19 is created a duplication in numbering, reads as follows:

20 A. 1. In a trial by court-martial in which a punitive  
21 discharge may be adjudged, the state may appeal the following, other  
22 than a finding of not guilty with respect to the charge or  
23 specification by the members of the court-martial, or by a judge in  
24 a bench trial so long as it is not made in reconsideration:

- a. an order or ruling of the military judge which terminates the proceedings with respect to a charge or specification,
- b. an order or ruling which excludes evidence that is substantial proof of a fact material in the proceeding,
- c. an order or ruling which directs the disclosure of classified information,
- d. an order or ruling which imposes sanctions for nondisclosure of classified information,
- e. a refusal of the military judge to issue a protective order sought by the state to prevent the disclosure of classified information, and
- f. a refusal by the military judge to enforce an order described in subparagraph e of this section that has previously been issued by appropriate authority.

2. An appeal of an order or ruling may not be taken unless the trial counsel provides the military judge with written notice of appeal from the order or ruling within seventy-two (72) hours of the order or ruling. Such notice shall include a certification by the trial counsel that the appeal is not taken for the purpose of delay and, if the order or ruling appealed is one which excludes evidence, that the evidence excluded is substantial proof of a fact material in the proceeding.

1           3. An appeal under this article shall be diligently prosecuted  
2 as provided by law.

3           B. An appeal under this article shall be forwarded to the court  
4 prescribed in Section 76 of this act. In ruling on an appeal under  
5 this article, that court may act only with respect to matters of  
6 law.

7           C. Any period of delay resulting from an appeal under this  
8 article shall be excluded in deciding any issue regarding denial of  
9 a speedy trial unless an appropriate authority determines that the  
10 appeal was filed solely for the purpose of delay with the knowledge  
11 that it was totally frivolous and without merit.

12           SECTION 71.       NEW LAW       A new section of law to be codified  
13 in the Oklahoma Statutes as Section 3305 of Title 44, unless there  
14 is created a duplication in numbering, reads as follows:

15           Each rehearing under this code shall take place before a court-  
16 martial composed of members who were not members of the court-  
17 martial which first heard the case. Upon a rehearing the accused  
18 may not be tried for any offense of which he was found not guilty by  
19 the first court-martial, and no sentence in excess of or more severe  
20 than the original sentence may be approved, unless the sentence is  
21 based upon a finding of guilty of an offense not considered upon the  
22 merits in the original proceedings, or unless the sentence  
23 prescribed for the offense is mandatory. If the sentence approved  
24 after the first court-martial was in accordance with a pretrial

1 agreement and the accused at the rehearing changes a plea with  
2 respect to the charges or specifications upon which the pretrial  
3 agreement was based, or otherwise does not comply with the pretrial  
4 agreement, the approved sentence as to those charges or  
5 specifications may include any punishment not in excess of that  
6 lawfully adjudged at the first court-martial.

7 SECTION 72. NEW LAW A new section of law to be codified  
8 in the Oklahoma Statutes as Section 3306 of Title 44, unless there  
9 is created a duplication in numbering, reads as follows:

10 A. Each general and special court-martial case in which there  
11 has been a finding of guilty shall be reviewed by the senior force  
12 judge advocate, or a designee. The senior force judge advocate, or  
13 designee, may not review a case under this subsection if that person  
14 has acted in the same case as an accuser, investigating officer,  
15 member of the court, military judge, or counsel or has otherwise  
16 acted on behalf of the prosecution or defense. The senior force  
17 judge advocate's review shall be in writing and shall contain the  
18 following:

- 19 1. Conclusions as to whether:
- 20 a. the court had jurisdiction over the accused and the  
21 offense,
  - 22 b. the charge and specification stated an offense, and
  - 23 c. the sentence was within the limits prescribed as a  
24 matter of law;

1        2. A response to each allegation of error made in writing by  
2 the accused; and

3        3. If the case is sent for action under subsection B of this  
4 section, a recommendation as to the appropriate action to be taken  
5 and an opinion as to whether corrective action is required as a  
6 matter of law.

7        B. The record of trial and related documents in each case  
8 reviewed under subsection A of this section shall be sent for action  
9 to the Adjutant General, if:

10        1. The judge advocate who reviewed the case recommends  
11 corrective action;

12        2. The sentence approved under Section 68 of this act extends  
13 to dismissal, a bad-conduct or dishonorable discharge, or  
14 confinement for more than six (6) months; or

15        3. Such action is otherwise required by regulations of the  
16 Adjutant General.

17        C. 1. The Adjutant General may:

18            a. disapprove or approve the findings or sentence, in  
19            whole or in part,

20            b. remit, commute, or suspend the sentence in whole or in  
21            part,

22            c. except where the evidence was insufficient at the  
23            trial to support the findings, order a rehearing on  
24            the findings, on the sentence, or on both, or

1           d.    dismiss the charges.

2           2.    If a rehearing is ordered but the convening authority finds  
3 a rehearing impracticable, the convening authority shall dismiss the  
4 charges.

5           3.    If the opinion of the senior force judge advocate, or  
6 designee, in the senior force judge advocate's review under  
7 subsection A of this section is that corrective action is required  
8 as a matter of law and if the Adjutant General does not take action  
9 that is at least as favorable to the accused as that recommended by  
10 the judge advocate, the record of trial and action thereon shall be  
11 sent to the Governor for review and action as deemed appropriate.

12          D.    The senior force judge advocate, or a designee, may review

23 officer having special court-martial jurisdiction shall be sent for  
24 action to the officer exercising general court-martial jurisdiction

1 over the probationer. If the officer vacates the suspension, any  
2 unexecuted part of the sentence, except a dismissal, shall be  
3 executed, subject to applicable restrictions in this code.

20 the sentence may remit or suspend any part or amount of the  
21 unexecuted part of any sentence, including all uncollected  
22 forfeitures other than a sentence approved by the Governor.

23  
24

5 in the Oklahoma Statutes as Section 3318 of Title 44, unless there

11 trial or rehearing is ordered and such executed part is included in  
12 a sentence imposed upon the new trial or rehearing.

13 B. If a previously executed sentence of dishonorable or bad-  
14 conduct discharge is not imposed on a new trial, the Governor may  
15 substitute therefor a form of discharge authorized for  
16 administrative issuance unless the accused is to serve out the  
17 remainder of the accused's enlistment.

18 C. If a previously executed sentence of dismissal is not  
19 imposed on a new trial, the Governor may substitute therefor a form

22 by the Governor alone to such commissioned grade and with such rank  
23 as in the opinion of the Governor that former officer would have  
24 attained had he not been dismissed. The reappointment of such a

1 former officer shall be without regard to the existence of a vacancy  
2 and shall affect the promotion status of other officers only insofar  
3 as the Governor may direct. All time between the dismissal and the  
4 reappointment shall be considered as actual service for all  
5 purposes, including the right to pay and allowances.

6 SECTION 85. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 3319 of Title 44, unless there  
8 is created a duplication in numbering, reads as follows:

9 The appellate review of records of trial provided by this code,

5 unsuspended dishonorable or bad-conduct discharge. The accused may  
6 be required to begin such leave on the date on which the sentence is  
7 approved under Section 68 of this act or at any time after such  
8 date, and such leave may be continued until the date on which action  
9 under this article is completed or may be terminated at any earlier  
10 time.

11 SECTION 87. NEW LAW A new section of law to be codified  
12 in the Oklahoma Statutes as Section 3321 of Title 44, unless there  
13 is created a duplication in numbering, reads as follows:

14 A. Persons incompetent to stand trial.

15 1. In the case of a person determined under this code to be  
16 presently suffering from a mental disease or defect rendering the  
17 person mentally incompetent to the extent that the person is unable  
18 to understand the nature of the proceedings against that person or  
19 to conduct or cooperate intelligently in the defense of the case,  
20 the general court-martial convening authority for that person shall  
21 commit the person to the custody of the state Attorney General.

22 2. The state Attorney General shall take action in accordance  
23 with the state statute applicable to persons incompetent to stand  
24 trial. If at the end of the period for hospitalization provided for

1 in the state statute applicable to persons incompetent to stand  
2 trial, it is determined that the committed person's mental condition  
3 has not so improved as to permit the trial to proceed, action shall  
4 be taken in accordance with the state statute applicable to persons  
5 incompetent to stand trial.

6 3. a. When the director of a facility in which a person is  
7 hospitalized pursuant to paragraph 2 of this section  
8 determines that the person has recovered to such an  
9 extent that the person is able to understand the  
10 nature of the proceedings against the person and to  
11 conduct or cooperate intelligently in the defense of  
12 the case, the director shall promptly transmit a  
13 notification of that determination to the state  
14 Attorney General and to the general court-martial  
15 convening authority for the person. The director  
16 shall send a copy of the notification to the person's  
17 counsel.

18 b. Upon receipt of a notification, the general court-  
19 martial convening authority shall promptly take  
20 custody of the person unless the person covered by the  
21 notification is no longer subject to this code. If  
22 the person is no longer subject to this code, the  
23 state Attorney General shall take any action within  
24 the authority of the state Attorney General that the

1 state Attorney General considers appropriate regarding  
2 the person.

3 c. The director of the facility may retain custody of the  
4 person for not more than thirty (30) days after  
5 transmitting the notifications required by  
6 subparagraph a of paragraph 3 of this subsection.

7 4. In the application of the state statute applicable to  
8 persons incompetent to stand trial to a case under this subsection,  
9 references to the court that ordered the commitment of a person, and  
10 to the clerk of such court, shall be deemed to refer to the general  
11 court-martial convening authority for that person. However, if the  
12 person is no longer subject to this code at a time relevant to the  
13 application of such article to the person, the state trial court  
14 with felony jurisdiction in the county where the person is  
15 hospitalized or otherwise may be found shall be considered as the  
16 court that ordered the commitment of the person.

17 B. Persons found not guilty by reason of lack of mental  
18 responsibility.

19 1. If a person is found by a court-martial not guilty only by  
20 reason of lack of mental responsibility, the person shall be  
21 committed to a suitable facility until the person is eligible for  
22 release in accordance with this article.

1           2. The court-martial shall conduct a hearing on the mental  
2 condition in accordance with the state statute applicable to persons  
3 incompetent to stand trial.

4           3. A report of the results of the hearing shall be made to the  
5 general court-martial convening authority for the person.

6           4. If the court-martial fails to find by the standard specified  
7 in the state statute applicable to persons incompetent to stand  
8 trial, that the person's release would not create a substantial risk  
9 of bodily injury to another person or serious damage of property of  
10 another due to a present mental disease or defect:

11           a. the general court-martial convening authority may  
12           commit the person to the custody of the state Attorney  
13           General, and

14           b. the state's Attorney General shall take action in  
15           accordance with the state statute applicable to  
16           persons incompetent to stand trial.

17           5. The state statute applicable to persons incompetent to stand  
18 trial shall apply in the case of a person hospitalized pursuant to  
19 subparagraph b of paragraph 4 of this subsection, except that the  
20 state trial court with felony jurisdiction in the county where the  
21 person is hospitalized shall be considered as the court that ordered  
22 the person's commitment.
