other services or punishments subsequently added and funded during a

1 plan year. The options may not be utilized for offenders not  
2 meeting the eligibility criteria of programs and score requirements  
3 for the Level of Services Inventory (LSI) or other approved  
4 assessment. Each local system shall strive to have available to the  
5 court all of the following services for eligible offenders:

- 6 1. Community service with or without compensation to the  
7 offender;
- 8 2. Substance abuse treatment and availability for periodic drug  
9 testing of offenders following treatment;

11 Corrections probation officers or another qualified supervision  
12 source;
- 13 4. Education and literacy provided by the State Department of  
14 Education, the county library system, the local school board, or  
15 another qualified source;
- 16 5. Employment opportunities and job skills training provided by

3 a suspended sentence.

4 C. In all cases in which an offender is sentenced to a  
5 community punishment, the offender shall be ordered as part of the  
6 terms and conditions of the sentence to pay for the court ordered  
7 sanction, based upon ability to pay. Payments may be as provided by  
8 court order or pursuant to periodic payment schedules established by

16 available, the court may enter a written order requiring the  
17 Department of Public Safety to stay any and all such actions against

19 shall not be construed to grant driving privileges to an offender  
20 who has not been issued a driver license by the Department or whose  
21 Oklahoma driver license has expired, in which case the offender  
22 shall be required to apply for and be found eligible for a driver  
23 license, pass all examinations, if applicable, and pay all statutory
