7 month's pay per month for two (2) months;

8 (3) a fine of not more than one (1) month's pay;

10 the grade from which demoted is within the promotion authority of  
11 the officer imposing the reduction or any officer subordinate to the  
12 one who imposes the reduction, but an enlisted member in a pay grade  
13 above E-4 may not be reduced more than two (2) pay grades;

14 (5) extra duties, including fatigue or other duties, for not  
15 more than forty-five (45) days which need not be consecutive; and

16 (6) restriction to certain specified limits, with or without

18 not be consecutive.

19 (d) The Governor, The Adjutant General, an officer exercising  
20 general court-martial convening authority, or an officer of a

4 (A) any punishment authorized in subsection (c).

5 (e) Whenever any of those punishments are combined to run  
6 consecutively, the total length of the combined punishment cannot  
7 exceed the authorized duration of the longest punishment in the  
8 combination, and there must be an apportionment of punishments so  
9 that no single punishment in the combination exceeds its authorized  
10 length under this article.

11 (f) Prior to the offer of non-judicial punishment, the  
12 commanding officer shall determine whether arrest in quarters or  
13 restriction shall be considered as punishments. Should the  
14 commanding officer determine that the punishment options may include  
15 arrest in quarters or restriction, the accused shall be notified of  
16 the right to demand trial by court-martial. Should the commanding  
17 officer determine that the punishment options will not include  
18 arrest in quarters or restriction, the accused shall be notified  
19 that there is no right to trial by courts-martial in lieu of non-  
20 judicial punishment.

21 (g) The officer who imposes the punishment, or the successor in  
22 command, may, at any time, suspend, set aside, mitigate, or remit  
23 any part or amount of the punishment and restore all rights,  
24 privileges, and property affected. The officer also may:

- 1 (1) mitigate reduction in grade to forfeiture of pay;
- 2 (2) mitigate arrest in quarters to restriction; or
- 3 (3) mitigate extra duties to restriction.

4 The mitigated punishment shall not be for a greater period than  
5 the punishment mitigated. When mitigating reduction in grade to  
6 forfeiture of pay, the amount of the forfeiture shall not be greater  
7 than the amount that could have been imposed initially under this  
8 article by the officer who imposed the punishment mitigated.

10 punishment unjust or disproportionate to the offense may, through  
11 the proper channel, appeal to the Joint Chief of Staff within  
12 fifteen (15) days after the punishment is either announced or sent  
13 to the accused, as the commander may determine. The appeal shall be  
14 promptly forwarded and decided, and the person may not be punished  
15 until the appeal is decided. The Joint Chief of Staff may exercise  
16 the same powers with respect to the punishment imposed as may be  
17 exercised under subsection (g) by the officer who imposed the  
18 punishment. Before acting on an appeal from a punishment, the Joint  
19 Chief of Staff may refer the case to a judge advocate for  
20 consideration and advice.

21 (i) The imposition and enforcement of disciplinary punishment  
22 under this article for any act or omission is not a bar to trial by  
23 court-martial or a civilian court of competent jurisdiction for a  
24 serious crime or offense growing out of the same act or omission and

1 not properly punishable under this section; but the fact that a  
2 disciplinary punishment has been enforced may be shown by the  
3 accused upon trial and, when so shown, it shall be considered in  
4 determining the measure of punishment to be adjudged in the event of  
5 a finding of guilty.

6 (j) Whenever a punishment of forfeiture of pay is imposed under  
7 this article, the forfeiture may apply to pay accruing before, on,  
8 or after the date that punishment is imposed.

9 (k) Regulations may prescribe the form of records to be kept of  
10 proceedings under this article and may prescribe that certain  
11 categories of those proceedings shall be in writing.

16 The three kinds of courts-martial in the state military forces  
17 are:

18 (1) general courts-martial, consisting of:

19 (A) a military judge and not less than five (5) members; or

20 (B) only a military judge, if before the court is assembled the  
21 accused, knowing the identity of the military judge and after  
22 consultation with defense counsel, requests orally on the record or  
23 in writing a court composed only of a military judge and the  
24 military judge approves;

1 (2) special courts-martial, consisting of:

2 (A) a military judge and not less than three (3) members; or

3 (B) only a military judge, if one has been detailed to the  
4 court, and the accused under the same conditions as those prescribed  
5 in subsection (1) (B) so requests; and

6 (3) summary courts-martial, consisting of one (1) commissioned  
7 officer.

8 SECTION 19. NEW LAW A new section of law to be codified  
9 in the Oklahoma Statutes as Section 3232 of Title 44, unless there  
10 is created a duplication in numbering, reads as follows:

11 Each component of the state military forces has court-martial  
12 jurisdiction over all members of the particular component who are  
13 subject to this code. Additionally, the Army and Air National Guard  
14 state military forces have court-martial jurisdiction over all  
15 members subject to this code.

16 SECTION 20. NEW LAW A new section of law to be codified  
17 in the Oklahoma Statutes as Section 3233 of Title 44, unless there  
18 is created a duplication in numbering, reads as follows:

19 Subject to Section 19 of this act, general courts-martial have  
20 jurisdiction to try persons subject to this code for any offense  
21 made punishable by this code, and may, under such limitations as the

23 code.

1           SECTION 21.           NEW LAW           A new section of law to be codified  
2 in the Oklahoma Statutes as Section 3234 of Title 44, unless there  
3 is created a duplication in numbering, reads as follows:

4           Subject to Section 19 of this act, special courts-martial have  
5 jurisdiction to try persons subject to this code for any offense  
6 made punishable by this code, and may, under such limitations as the  
7 Governor may prescribe, adjudge any punishment not forbidden by this  
8 code except dishonorable discharge, dismissal, confinement for more  
9 than one (1) year, forfeiture of pay exceeding two-thirds (2/3) pay  
10 per month, or forfeiture of pay for more than one (1) year.

11           SECTION 22.           NEW LAW           A new section of law to be codified  
12 in the Oklahoma Statutes as Section 3235 of Title 44, unless there  
13 is created a duplication in numbering, reads as follows:

14           (a) Subject to Section 19 of this act, summary courts-martial  
15 have jurisdiction to try persons subject to this code, except  
16 officers, cadets, candidates, and midshipmen, for any offense made  
17 punishable by this code under such limitations as the Governor may  
18 prescribe.

19           (b) No person with respect to whom summary courts-martial have  
20 jurisdiction may be brought to trial before a summary court-martial  
21 if that person objects thereto. If objection to trial by summary  
22 court-martial is made by an accused, trial by special or general  
23 court-martial may be ordered, as may be appropriate. Summary  
24 courts-martial may, under such limitations as the Governor may

1 prescribe, adjudge any punishment not forbidden by this code except  
2 dismissal, dishonorable or bad-conduct discharge, confinement for  
3 more than one (1) month, restriction to specified limits for more  
4 than two (2) months, or forfeiture of more than two-thirds (2/3) of  
5 one (1) month's pay.

6 SECTION 23. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 3236 of Title 44, unless there  
8 is created a duplication in numbering, reads as follows:

10 PART V. APPOINTMENT AND COMPOSITION OF COURTS-MARTIAL

11 SECTION 24. NEW LAW A new section of law to be codified

13 is created a duplication in numbering, reads as follows:

14 (a) General courts-martial may be convened by—

15 (1) The Governor, or;

16 (2) The Adjutant General;

17 (3) the commanding officer of a force of the state military  
18 forces; or

19 (4) the commanding officer of a division or a separate brigade;

20 or

21 (5) the commanding officer of a separate wing.

22 (b) If any such commanding officer is an accuser, the court  
23 shall be convened by superior competent authority and may in any  
24

1 case be convened by such superior authority if considered desirable  
2 by such authority.

3 SECTION 25. NEW LAW A new section of law to be codified  
4 in the Oklahoma Statutes as Section 3242 of Title 44, unless there  
5 is created a duplication in numbering, reads as follows:

6 (a) Special courts-martial may be convened by:

7 (1) any person who may convene a general court-martial;

8 (2) the commanding officer of a garrison, fort, post, camp,  
9 station, Air National Guard base, or naval base or station;

10 (3) the commanding officer of a brigade, regiment, detached  
11 battalion, or corresponding unit of the Army;

12 (4) the commanding officer of a wing, group, separate squadron,  
13 or corresponding unit of the Air Force; or

14 (5) the commanding officer or officer in charge of any other  
15 command when empowered by The Adjutant General.

16 (b) If any such officer is an accuser, the court shall be  
17 convened by superior competent authority and may in any case be  
18 convened by such superior authority if considered desirable by such  
19 authority.

20 SECTION 26. NEW LAW A new section of law to be codified  
21 in the Oklahoma Statutes as Section 3243 of Title 44, unless there  
22 is created a duplication in numbering, reads as follows:

23 (a) Summary courts-martial may be convened by:  
24

1 (1) any person who may convene a general or special court-  
2 martial;

3 (2) the commanding officer of a detached company or other  
4 detachment, or corresponding unit of the Army;

5 (3) the commanding officer of a detached squadron or other  
6 detachment, or corresponding unit of the Air Force; or

7 (4) the commanding officer or officer in charge of any other  
8 command when empowered by The Adjutant General.

9 (b) When only one commissioned officer is present with a  
10 command or detachment that officer shall be the summary court-  
11 martial of that command or detachment and shall hear and determine  
12 all summary court-martial cases. Summary courts-martial may,  
13 however, be convened in any case by superior competent authority if  
14 considered desirable by such authority.

15 SECTION 27. NEW LAW A new section of law to be codified  
16 in the Oklahoma Statutes as Section 3244 of Title 44, unless there  
17 is created a duplication in numbering, reads as follows:

18 (a) Any commissioned officer of the state military forces is  
19 eligible to serve on all courts-martial for the trial of any person  
20 subject to this code.

21 (b) Any warrant officer of the state military forces is  
22 eligible to serve on general and special courts-martial for the  
23 trial of any person subject to this code, other than a commissioned  
24 officer.

1 (c) Any enlisted member of the state military forces who is not  
2 a member of the same unit as the accused is eligible to serve on  
3 general and special courts-martial for the trial of any enlisted  
4 member subject to this code, but that member shall serve as a member  
5 of a court only if, before the conclusion of a session called by the  
6 military judge under Section 42 of this act prior to trial or, in  
7 the absence of such a session, before the court is assembled for the  
8 trial of the accused, the accused personally has requested orally on  
9 the record or in writing that enlisted members serve on it. After  
10 such a request, the accused may not be tried by a general or special  
11 court-martial the membership of which does not include enlisted  
12 members in a number comprising at least one-third (1/3) of the total  
13 membership of the court, unless eligible enlisted members cannot be  
14 obtained on account of physical conditions or military exigencies.  
15 If such members cannot be obtained, the court may be assembled and  
16 the trial held without them, but the convening authority shall make  
17 a detailed written statement, to be appended to the record, stating  
18 why they could not be obtained. In this article, "unit" means any  
19 regularly organized body of the state military forces not larger  
20 than a company, a squadron, a division of the naval militia, or a  
21 body corresponding to one of them.

22 (d) When it can be avoided, no person subject to this code may  
23 be tried by a court-martial any member of which is junior to the  
24 accused in rank or grade.

1 (e) When convening a court-martial, the convening authority  
2 shall detail as members thereof such members of the state military  
3 forces as, in the convening authority's opinion, are best qualified  
4 for the duty by reason of age, education, training, experience,  
5 length of service, and judicial temperament. No member of the state  
6 military forces is eligible to serve as a member of a general or  
7 special court-martial when that member is the accuser, a witness, or  
8 has acted as investigating officer or as counsel in the same case.

9 (f) Before a court-martial is assembled for the trial of a  
10 case, the convening authority may excuse a member of the court from  
11 participating in the case. The convening authority may delegate the  
12 authority under this subsection to a judge advocate or to any other  
13 principal assistant.

14 SECTION 28. NEW LAW A new section of law to be codified  
15 in the Oklahoma Statutes as Section 3245 of Title 44, unless there  
16 is created a duplication in numbering, reads as follows:

17 RESERVED.

18 SECTION 29. NEW LAW A new section of law to be codified  
19 in the Oklahoma Statutes as Section 3246 of Title 44, unless there  
20 is created a duplication in numbering, reads as follows:

21 (a) A military judge shall be detailed to each general and  
22 special court-martial. The military judge shall preside over each  
23 open session of the court-martial to which the military judge has  
24 been detailed.

1 (b) A military judge shall be:

2 (1) an active or retired commissioned officer of an organized  
3 state military force;

4 (2) a member in good standing of the bar of the highest court  
5 of a State or a member of the bar of a Federal court for at least  
6 five (5) years; and

7 (3) certified as qualified for duty as a military judge by the  
8 senior force judge advocate which is the same force as the accused.

9 (c) In the instance when a military judge is not a member of  
10 the bar of the highest court of the State, the military judge shall  
11 be deemed admitted pro hac vice, subject to filing a certificate  
12 with the senior force judge advocate which is the same force as the  
13 accused setting forth such qualifications provided in subsection  
14 (b).

15 (d) The military judge of a general or special court-martial  
16 shall be designated by the senior force judge advocate which is the  
17 same force as the accused, or a designee, for detail by the  
18 convening authority. Neither the convening authority nor any staff  
19 member of the convening authority shall prepare or review any report  
20 concerning the effectiveness, fitness, or efficiency of the military  
21 judge so detailed, which relates to performance of duty as a  
22 military judge.

1 (e) No person is eligible to act as military judge in a case if  
2 that person is the accuser or a witness, or has acted as  
3 investigating officer or a counsel in the same case.

4 (f) The military judge of a court-martial may not consult with  
5 the members of the court except in the presence of the accused,  
6 trial counsel, and defense counsel nor vote with the members of the  
7 court.

8 SECTION 30. NEW LAW A new section of law to be codified  
9 in the Oklahoma Statutes as Section 3247 of Title 44, unless there  
10 is created a duplication in numbering, reads as follows:

11 (a) (1) For each general and special court-martial the  
12 authority convening the court shall detail trial counsel, defense  
13 counsel, and such assistants as are appropriate.

14 (2) No person who has acted as investigating officer, military  
15 judge, witness or court member in any case may act later as trial  
16 counsel, assistant trial counsel, or, unless expressly requested by  
17 the accused, as defense counsel or assistant or associate defense  
18 counsel in the same case. No person who has acted for the  
19 prosecution may act later in the same case for the defense nor may  
20 any person who has acted for the defense act later in the same case  
21 for the prosecution.

22 (b) Except as provided in subsection (c), trial counsel or  
23 defense counsel detailed for a general or special court-martial must  
24 be:

1 (1) a judge advocate as defined in Section 2 of this act; and  
2 (2) in the case of trial counsel, a member in good standing of the  
3 bar of the highest court of the State where the court-martial is  
4 held.

5 (c) In the instance when a defense counsel is not a member of  
6 the bar of the highest court of the State, the defense counsel shall  
7 be deemed admitted pro hac vice, subject to filing a certificate  
8 with the military judge setting forth the qualifications that  
9 counsel is:

10 (1) a commissioned officer of the armed forces of the United  
11 States or a component thereof; and

12 (2) a member in good standing of the bar of the highest court  
13 of a state; and

14 (3) certified as a judge advocate in the Judge Advocate  
15 General's Corps of the Army, Air Force, Navy, or the Marine Corps;  
16 or

17 (4) a judge advocate as defined in Section 2 of this act.

18 SECTION 31. NEW LAW A new section of law to be codified  
19 in the Oklahoma Statutes as Section 3248 of Title 44, unless there  
20 is created a duplication in numbering, reads as follows:

21 Under such regulations as may be prescribed, the convening  
22 authority of a general or special court-martial or court of inquiry  
23 shall detail or employ qualified court reporters, who shall record  
24

1 the proceedings of and testimony taken before that court and may  
2 detail or employ interpreters who shall interpret for the court.

3 SECTION 32. NEW LAW A new section of law to be codified  
4 in the Oklahoma Statutes as Section 3249 of Title 44, unless there  
5 is created a duplication in numbering, reads as follows:

6 (a) No member of a general or special court-martial may be  
7 absent or excused after the court has been assembled for the trial  
8 of the accused unless excused as a result of a challenge, excused by  
9 the military judge for physical disability or other good cause, or  
10 excused by order of the convening authority for good cause.

11 (b) Whenever a general court-martial, other than a general  
12 court-martial composed of a military judge only, is reduced below  
13 five (5) members, the trial may not proceed unless the convening  
14 authority details new members sufficient in number to provide not  
15 less than the applicable minimum number of five (5) members. The  
16 trial may proceed with the new members present after the recorded  
17 evidence previously introduced before the members of the court has  
18 been read to the court in the presence of the military judge, the  
19 accused, and counsel for both sides.

20 (c) Whenever a special court-martial, other than a special  
21 court-martial composed of a military judge only, is reduced below  
22 three (3) members, the trial may not proceed unless the convening  
23 authority details new members sufficient in number to provide not  
24 less than three (3) members. The trial shall proceed with the new

1 members present as if no evidence had been introduced previously at  
2 the trial, unless a verbatim record of the evidence previously  
3 introduced before the members of the court or a stipulation thereof  
4 is read to the court in the presence of the military judge, the  
5 accused, and counsel for both sides.

6 (d) If the military judge of a court-martial composed of a  
7 military judge only is unable to proceed with the trial because of  
8 physical disability, as a result of a challenge, or for other good  
9 cause, the trial shall proceed, subject to any applicable conditions  
10 of Section 18 of this act, after the detail of a new military judge  
11 as if no evidence had previously been introduced, unless a verbatim  
12 record of the evidence previously introduced or a stipulation  
13 thereof is read in court in the presence of the new military judge,  
14 the accused, and counsel for both sides.

15 PART VI. PRE-TRIAL PROCEDURE

16 SECTION 33. NEW LAW A new section of law to be codified  
17 in the Oklahoma Statutes as Section 3251 of Title 44, unless there  
18 is created a duplication in numbering, reads as follows:

19 (a) Charges and specifications shall be signed by a person  
20 subject to this code under oath before a commissioned officer  
21 authorized by Section 150 of this act to administer oaths and shall  
22 state:

23 (1) that the signer has personal knowledge of, or has  
24 investigated, the matters set forth therein; and

1 (2) that they are true in fact to the best of the signer's  
2 knowledge and belief.

3 (b) Upon the preferring of charges, the proper authority shall  
4 take immediate steps to determine what disposition should be made  
5 thereof in the interest of justice and discipline, and the person  
6 accused shall be informed of the charges as soon as practicable.

7 SECTION 34. NEW LAW A new section of law to be codified  
8 in the Oklahoma Statutes as Section 3252 of Title 44, unless there  
9 is created a duplication in numbering, reads as follows:

10 (a) No person subject to this code may compel any person to  
11 incriminate himself or to answer any question the answer to which  
12 may tend to incriminate him.

13 (b) No person subject to this code may interrogate or request  
14 any statement from an accused or a person suspected of an offense  
15 without first informing that person of the nature of the accusation  
16 and advising that person that the person does not have to make any  
17 statement regarding the offense of which the person is accused or  
18 suspected and that any statement made by the person may be used as  
19 evidence against the person in a trial by court-martial.

20 (c) No person subject to this code may compel any person to  
21 make a statement or produce evidence before any military court if  
22 the statement or evidence is not material to the issue and may tend  
23 to degrade the person.

24

1 (d) No statement obtained from any person in violation of this  
2 article or through the use of coercion, unlawful influence, or  
3 unlawful inducement may be received in evidence against the person  
4 in a trial by court-martial.

5 SECTION 35. NEW LAW A new section of law to be codified  
6 in the Oklahoma Statutes as Section 3253 of Title 44, unless there  
7 is created a duplication in numbering, reads as follows:

8 (a) No charge or specification may be referred to a general  
9 court-martial for trial until a thorough and impartial investigation  
10 of all the matters set forth therein has been made. This  
11 investigation shall include inquiry as to the truth of the matter  
12 set forth in the charges, consideration of the form of charges, and  
13 a recommendation as to the disposition which should be made of the  
14 case in the interest of justice and discipline.

15 (b) The accused shall be advised of the charges against the  
16 accused and of the right to be represented at that investigation by  
17 counsel. The accused has the right to be represented at that  
18 investigation as provided in Section 41 of this act and in  
19 regulations prescribed under that section. At that investigation,  
20 full opportunity shall be given to the accused to cross-examine  
21 witnesses against the accused, if they are available, and to present  
22 anything the accused may desire in the accused's own behalf, either  
23 in defense or mitigation, and the investigating officer shall  
24 examine available witnesses requested by the accused. If the

1 charges are forwarded after the investigation, they shall be  
2 accompanied by a statement of the substance of the testimony taken  
3 on both sides and a copy thereof shall be given to the accused.

4 (c) If an investigation of the subject matter of an offense has  
5 been conducted before the accused is charged with the offense, and  
6 if the accused was present at the investigation and afforded the  
7 opportunities for representation, cross-examination, and  
8 presentation prescribed in subsection (b), no further investigation  
9 of that charge is necessary under this article unless it is demanded  
10 by the accused after the accused is informed of the charge. A  
11 demand for further investigation entitles the accused to recall  
12 witnesses for further cross-examination and to offer any new  
13 evidence in the accused's own behalf.

14 (d) If evidence adduced in an investigation under this article  
15 indicates that the accused committed an uncharged offense, the  
16 investigating officer may investigate the subject matter of that  
17 offense without the accused having first been charged with the  
18 offense if the accused:

19 (1) is present at the investigation;

20 (2) is informed of the nature of each uncharged offense  
21 investigated; and

22 (3) is afforded the opportunities for representation, cross-  
23 examination, and presentation prescribed in subsection (b).

24

1 (e) The requirements of this article are binding on all persons  
2 administering this code but failure to follow them does not  
3 constitute jurisdictional error.

4 SECTION 36. NEW LAW A new section of law to be codified  
5 in the Oklahoma Statutes as Section 3254 of Title 44, unless there  
6 is created a duplication in numbering, reads as follows:

7 When a person is held for trial by general court-martial, the  
8 commanding officer shall within eight (8) days after the accused is  
9 ordered into arrest or confinement, if practicable, forwards the  
10 charges, together with the investigation and allied papers, to the  
11 person exercising general court-martial jurisdiction. If that is  
12 not practicable, the commanding officer shall report in writing to  
13 that person the reasons for delay.

14 SECTION 37. NEW LAW A new section of law to be codified  
15 in the Oklahoma Statutes as Section 3255 of Title 44, unless there  
16 is created a duplication in numbering, reads as follows:

17 (a) Before directing the trial of any charge by general court-  
18 martial, the convening authority shall refer it to a judge advocate  
19 for consideration and advice. The convening authority may not refer  
20 a specification under a charge to a general court-martial for trial  
21 unless the convening authority has been advised in writing by a  
22 judge advocate that:

23 (1) the specification alleges an offense under this code;

24

1 (2) the specification is warranted by the evidence indicated in  
2 the report of investigation under Section 35 of this act, if there  
3 is such a report; and

4 (3) a court-martial would have jurisdiction over the accused  
5 and the offense.

6 (b) The advice of the judge advocate under subsection (a) with  
7 respect to a specification under a charge shall include a written  
8 and signed statement by the judge advocate:

9 (1) expressing conclusions with respect to each matter set  
10 forth in subsection (a); and

11 (2) recommending action that the convening authority take  
12 regarding the specification.

13 If the specification is referred for trial, the recommendation  
14 of the judge advocate shall accompany the specification.

15 (c) If the charges or specifications are not correct formally  
16 or do not conform to the substance of the evidence contained in the  
17 report of the investigating officer, formal corrections, and such  
18 changes in the charges and specifications as are needed to make them  
19 conform to the evidence, may be made.

20 SECTION 38. NEW LAW A new section of law to be codified  
21 in the Oklahoma Statutes as Section 3256 of Title 44, unless there  
22 is created a duplication in numbering, reads as follows:

23 The trial counsel shall serve or cause to be served upon the  
24 accused a copy of the charges. No person may, against the person's

1 objection, be brought to trial before a general court-martial case  
2 within a period of five (5) days after the service of charges upon  
3 the accused, or in a special court-martial, within a period of three  
4 (3) days after the service of charges upon the accused.

5 PART VII. TRIAL PROCEDURE

6 SECTION 39. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 3261 of Title 44, unless there  
8 is created a duplication in numbering, reads as follows:

9 Pretrial, trial and post-trial procedures, including modes of  
10 proof, for courts-martial cases arising under this code, and for  
11 courts of inquiry, may be prescribed by the Governor or the Adjutant  
12 General by regulations, or as otherwise provided by law, which shall  
13 apply the principles of law and the rules of evidence generally  
14 recognized in military criminal cases in the courts of the armed  
15 forces but which may not be contrary to or inconsistent with this  
16 code.

17 SECTION 40. NEW LAW A new section of law to be codified  
18 in the Oklahoma Statutes as Section 3262 of Title 44, unless there  
19 is created a duplication in numbering, reads as follows:

20 (a) No authority convening a general, special, or summary  
21 court-martial, nor any other commanding officer, or officer serving  
22 on the staff thereof, may censure, reprimand, or admonish the court  
23 or any member, the military judge, or counsel thereof, with respect  
24 to the findings or sentence adjudged by the court or with respect to

1 any other exercise of its or their functions in the conduct of the  
2 proceedings. No person subject to this code may attempt to coerce  
3 or, by any unauthorized means, influence the action of a court-  
4 martial or court of inquiry or any member thereof, in reaching the  
5 findings or sentence in any case, or the action of any convening,  
6 approving, or reviewing authority with respect to their judicial  
7 acts. The foregoing provisions of the subsection shall not apply  
8 with respect to (1) general instructional or informational courses  
9 in military justice if such courses are designed solely for the  
10 purpose of instructing members of a command in the substantive and  
11 procedural aspects of courts-martial or (2) to statements and  
12 instructions given in open court by the military judge, summary  
13 court-martial officer, or counsel.

14 (b) In the preparation of an effectiveness, fitness, or  
15 efficiency report, or any other report or document used in whole or  
16 in part for the purpose of determining whether a member of the state  
17 military forces is qualified to be advanced in grade, or in  
18 determining the assignment or transfer of a member of the state  
19 military forces, or in determining whether a member of the state  
20 military forces should be retained on active status, no person  
21 subject to this code may, in preparing any such report, (1) consider  
22 or evaluate the performance of duty of any such member as a member  
23 of a court-martial or witness therein or (2) give a less favorable

24

1 rating or evaluation of any counsel of the accused because of  
2 zealous representation before a court-martial.

3 SECTION 41. NEW LAW A new section of law to be codified  
4 in the Oklahoma Statutes as Section 3263 of Title 44, unless there  
5 is created a duplication in numbering, reads as follows:

6 (a) The trial counsel of a general or special court-martial  
7 shall be a member in good standing of the State bar and shall  
8 prosecute in the name of the State, and shall, under the direction  
9 of the court, prepare the record of the proceedings.

10 (b) (1) The accused has the right to be represented in defense  
11 before a general or special court-martial or at an investigation  
12 under Section 35 of this act as provided in this subsection.

13 (2) The accused may be represented by civilian counsel at the  
14 provision and expense of the accused.

15 (3) The accused may be represented:

16 (A) by military counsel detailed under Section 30 of this act;  
17 or

18 (B) by military counsel of the accused's own selection if that  
19 counsel is reasonably available as determined under paragraph (7).

20 (4) If the accused is represented by civilian counsel, military  
21 counsel detailed or selected under paragraph (3) shall act as  
22 associate counsel unless excused at the request of the accused.

23 (5) Except as provided under paragraph (6), if the accused is  
24 represented by military counsel of his own selection under paragraph

1 (3) (B), any military counsel detailed under paragraph (3) (A) shall  
2 be excused.

3 (6) The accused is not entitled to be represented by more than  
4 one military counsel. However, the person authorized under  
5 regulations prescribed under Section 30 of this act to detail  
6 counsel, in that person's sole discretion:

7 (A) may detail additional military counsel as assistant defense  
8 counsel; and

9 (B) if the accused is represented by military counsel of the  
10 accused's own selection under paragraph (3) (B), may approve a  
11 request from the accused that military counsel detailed under  
12 paragraph (3) (A) act as associate defense counsel.

13 (7) The senior force judge advocate of the same force of which  
14 the accused is a member, shall determine whether the military  
15 counsel selected by an accused is reasonably available.

16 (c) In any court-martial proceeding resulting in a conviction,  
17 the defense counsel:

18 (1) may forward for attachment to the record of proceedings a  
19 brief of such matters as counsel determines should be considered in  
20 behalf of the accused on review, including any objection to the  
21 contents of the record which counsel considers appropriate;

22 (2) may assist the accused in the submission of any matter  
23 under Section 68 of this act; and

24 (3) may take other action authorized by this code.

1           SECTION 42.           NEW LAW           A new section of law to be codified  
2 in the Oklahoma Statutes as Section 3264 of Title 44, unless there  
3 is created a duplication in numbering, reads as follows:

4           (a) At any time after the service of charges which have been  
5 referred for trial to a court-martial composed of a military judge  
6 and members, the military judge may, subject to Section 38 of this  
7 act, call the court into session without the presence of the members  
8 for the purpose of:

9           (1) hearing and determining motions raising defenses or  
10 objections which are capable of determination without trial of the  
11 issues raised by a plea of not guilty;

12           (2) hearing and ruling upon any matter which may be ruled upon  
13 by the military judge under this code, whether or not the matter is  
14 appropriate for later consideration or decision by the members of  
15 the court;

16           (3) holding the arraignment and receiving the pleas of the  
17 accused; and

18           (4) performing any other procedural function which does not  
19 require the presence of the members of the court under this code.

20           These proceedings shall be conducted in the presence of the  
21 accused, the defense counsel, and the trial counsel and shall be  
22 made a part of the record. These proceedings may be conducted  
23 notwithstanding the number of court members and without regard to  
24 Section 32 of this act.

1 (b) When the members of a court-martial deliberate or vote,  
2 only the members may be present. All other proceedings, including  
3 any other consultation of the members of the court with counsel or  
4 the military judge, shall be made a part of the record and shall be  
5 in the presence of the accused, the defense counsel, the trial  
6 counsel, and the military judge.

7 SECTION 43. NEW LAW A new section of law to be codified  
8 in the Oklahoma Statutes as Section 3265 of Title 44, unless there  
9 is created a duplication in numbering, reads as follows:

10 The military judge of a court-martial or a summary court-martial  
11 may, for reasonable cause, grant a continuance to any party for such  
12 time, and as often, as may appear to be just.

13 SECTION 44. NEW LAW A new section of law to be codified  
14 in the Oklahoma Statutes as Section 3266 of Title 44, unless there  
15 is created a duplication in numbering, reads as follows:

16 (a) (1) The military judge and members of a general or special  
17 court-martial may be challenged by the accused or the trial counsel  
18 for cause stated to the court. The military judge or the court  
19 shall determine the relevancy and validity of challenges for cause  
20 and may not receive a challenge to more than one person at a time.  
21 Challenges by the trial counsel shall ordinarily be presented and  
22 decided before those by the accused are offered.

23 (2) If exercise of a challenge for cause reduces the court  
24 below the minimum number of members required by Section 18 of this

1 act, all parties shall, notwithstanding Section 32 of this act,  
2 either exercise or waive any challenge for cause then apparent  
3 against the remaining members of the court before additional members  
4 are detailed to the court. However, peremptory challenges shall not  
5 be exercised at that time.

6 (b) (1) Each accused and the trial counsel are entitled  
7 initially to one (1) peremptory challenge of members of the court.  
8 The military judge may not be challenged except for cause.

9 (2) If exercise of a peremptory challenge reduces the court  
10 below the minimum number of members required by Section 18 of this  
11 act, the parties shall, notwithstanding Section 32 of this act,  
12 either exercise or waive any remaining peremptory challenge, not  
13 previously waived, against the remaining members of the court before  
14 additional members are detailed to the court.

15 (3) Whenever additional members are detailed to the court, and  
16 after any challenges for cause against such additional members are  
17 presented and decided, each accused and the trial counsel are  
18 entitled to one (1) peremptory challenge against members not  
19 previously subject to peremptory challenge.

20 SECTION 45. NEW LAW A new section of law to be codified  
21 in the Oklahoma Statutes as Section 3267 of Title 44, unless there  
22 is created a duplication in numbering, reads as follows:

23 (a) Before performing their respective duties, military judges,  
24 general and special courts-martial members, trial counsel, defense

1 counsel, reporters, and interpreters shall take an oath or  
2 affirmation in the presence of the accused to perform their duties  
3 faithfully. The form of the oath or affirmation, the time and place  
4 of the taking thereof, the manner of recording the same, and whether  
5 the oath or affirmation shall be taken for all cases in which these  
6 duties are to be performed or for a particular case, shall be as  
7 prescribed in regulation or as provided by law. These regulations  
8 may provide that an oath or affirmation to perform faithfully the  
9 duties as a military judge, trial counsel, or defense counsel may be  
10 taken at any time by any judge advocate or other person certified or  
11 designated to be qualified or competent for the duty, and if such an  
12 oath or affirmation is taken, it need not again be taken at the time  
13 the judge advocate or other person is detailed to that duty.

14 (b) Each witness before a court-martial shall be examined under  
15 oath or affirmation.

16 SECTION 46. NEW LAW A new section of law to be codified  
17 in the Oklahoma Statutes as Section 3268 of Title 44, unless there  
18 is created a duplication in numbering, reads as follows:

19 (a) Except as otherwise provided in this article, a person  
20 charged with any offense is not liable to be tried by court-martial  
21 or punished under Section 17 of this act if the offense was  
22 committed more than three (3) years before the receipt of sworn  
23 charges and specifications by an officer exercising court-martial  
24

1 jurisdiction over the command or before the imposition of punishment  
2 under Section 17 of this act.

3 (b) Periods in which the accused is absent without authority or  
4 fleeing from justice shall be excluded in computing the period of  
5 limitation prescribed in this article.

6 (c) Periods in which the accused was absent from territory in  
7 which the State has the authority to apprehend him, or in the  
8 custody of civil authorities, or in the hands of the enemy, shall be  
9 excluded in computing the period of limitation prescribed in this  
10 article.

11 (d) When the United States is at war, the running of any  
12 statute of limitations applicable to any offense under this code:

13 (1) involving fraud or attempted fraud against the United  
14 States, any state, or any agency of either in any manner, whether by  
15 conspiracy or not;

16 (2) committed in connection with the acquisition, care,  
17 handling, custody, control, or disposition of any real or personal  
18 property of the United States or any state; or

19 (3) committed in connection with the negotiation, procurement,  
20 award, performance, payment, interim financing, cancellation, or  
21 other termination or settlement, of any contract, subcontract, or  
22 purchase order which is connected with or related to the prosecution  
23 of the war, or with any disposition of termination inventory by any  
24 war contractor or Government agency;

1 is suspended until two (2) years after the termination of  
2 hostilities as proclaimed by the President or by a joint resolution  
3 of Congress.

4 (e) (1) If charges or specifications are dismissed as  
5 defective or insufficient for any cause and the period prescribed by  
6 the applicable statute of limitations:

7 (A) has expired; or will be met.

8 (B) will expire within 180 days after the date of dismissal of  
9 the charges and specifications,

10 trial and punishment under new charges and specifications are  
11 not barred by the statute of limitations if the conditions specified  
12 in paragraph (2) are met.

13 (2) The conditions referred to in paragraph (1) are that the new  
14 charges and specifications must:

15 (A) be received by an officer exercising summary court-martial  
16 jurisdiction over the command within 180 days after the dismissal of  
17 the charges or specifications; and

18 (B) allege the same acts or omissions that were alleged in the  
19 dismissed charges or specifications (or allege acts or omissions  
20 that were included in the dismissed charges or specifications).

21 SECTION 47. NEW LAW A new section of law to be codified  
22 in the Oklahoma Statutes as Section 3269 of Title 44, unless there  
23 is created a duplication in numbering, reads as follows:

24

1 (a) No person may, without his consent, be tried a second time  
2 for the same offense.

3 (b) No proceeding in which an accused has been found guilty by  
4 a court-martial upon any charge or specification is a trial in the  
5 sense of this article until the finding of guilty has become final  
6 after review of the case has been fully completed.

7 (c) A proceeding which, after the introduction of evidence but  
8 before a finding, is dismissed or terminated by the convening  
9 authority or on motion of the prosecution for failure of available  
10 evidence or witnesses without any fault of the accused is a trial in  
11 the sense of this article.

12 SECTION 48. NEW LAW A new section of law to be codified  
13 in the Oklahoma Statutes as Section 3270 of Title 44, unless there  
14 is created a duplication in numbering, reads as follows:

15 (a) If an accused after arraignment makes an irregular  
16 pleading, or after a plea of guilty sets up matter inconsistent with  
17 the plea, or if it appears that the accused has entered the plea of  
18 guilty improvidently or through lack of understanding of its meaning  
19 and effect, or if the accused fails or refuses to plead, a plea of  
20 not guilty shall be entered in the record, and the court shall  
21 proceed as though the accused had pleaded not guilty.

22 (b) With respect to any charge or specification to which a plea  
23 of guilty has been made by the accused and accepted by the military  
24 judge or by a court-martial without a military judge, a finding of

1 guilty of the charge or specification may be entered immediately  
2 without vote. This finding shall constitute the finding of the  
3 court unless the plea of guilty is withdrawn prior to announcement  
4 of the sentence, in which event, the proceedings shall continue as  
5 though the accused had pleaded not guilty.

6 SECTION 49. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 3271 of Title 44, unless there  
8 is created a duplication in numbering, reads as follows:

9 The trial counsel, the defense counsel, and the court-martial  
10 shall have equal opportunity to obtain witnesses and other evidence  
11 as prescribed by regulations and provided by law. Process issued in  
12 court-martial cases to compel witnesses to appear and testify and to  
13 compel the production of other evidence shall apply the principles  
14 of law and the rules of courts-martial generally recognized in  
15 military criminal cases in the courts of the armed forces of the  
16 United States, but which may not be contrary to or inconsistent with  
17 this code. Process shall run to any part of the United States, or  
18 the Territories, Commonwealths, and possessions, and may be executed  
19 by civil officers as prescribed by the laws of the place where the  
20 witness or evidence is located or of the United States.

21 SECTION 50. NEW LAW A new section of law to be codified  
22 in the Oklahoma Statutes as Section 3272 of Title 44, unless there  
23 is created a duplication in numbering, reads as follows:

24 (a) Any person not subject to this code who:

1 (1) has been duly subpoenaed to appear as a witness or to  
2 produce books and records before a court-martial or court of  
3 inquiry, or before any military or civil officer designated to take  
4 a deposition to be read in evidence before such a court;

5 (2) has been duly paid or tendered the fees and mileage of a  
6 witness at the rates allowed to witnesses attending a criminal court  
7 of the State; and

8 (3) willfully neglects or refuses to appear, or refuses to  
9 qualify as a witness or to testify or to produce any evidence which  
10 that person may have been legally subpoenaed to produce;

11 may be punished by the military court in the same manner as a  
12 criminal court of the State.

13 (b) The fees and mileage of witnesses shall be advanced or paid  
14 out of the appropriations for the compensation of witnesses.

15 SECTION 51. NEW LAW A new section of law to be codified  
16 in the Oklahoma Statutes as Section 3273 of Title 44, unless there  
17 is created a duplication in numbering, reads as follows:

18 A military judge or summary court-martial officer may punish for  
19 contempt any person who uses any menacing word, sign, or gesture in  
20 its presence, or who disturbs its proceedings by any riot or  
21 disorder.

22 (a) A person subject to this code may be punished for contempt  
23 by confinement not to exceed thirty (30) days or a fine of one  
24 hundred dollars (\$100), or both.

1 A person not subject to this code may be punished for contempt  
2 by a military court in the same manner as a criminal court of the  
3 State.

4 SECTION 52. NEW LAW A new section of law to be codified  
5 in the Oklahoma Statutes as Section 3274 of Title 44, unless there  
6 is created a duplication in numbering, reads as follows:

7 (a) At any time after charges have been signed as provided in  
8 Section 33 of this act, any party may take oral or written  
9 depositions unless the military judge or summary court-martial  
10 officer hearing the case or, if the case is not being heard, an  
11 authority competent to convene a court-martial for the trial of  
12 those charges forbids it for good cause.

13 (b) The party at whose instance a deposition is to be taken  
14 shall give to every other party reasonable written notice of the  
15 time and place for taking the deposition.

16 (c) Depositions may be taken before and authenticated by any  
17 military or civil officer authorized by the laws of the State or by  
18 the laws of the place where the deposition is taken to administer  
19 oaths.

20 (d) A duly authenticated deposition taken upon reasonable  
21 notice to the other parties, so far as otherwise admissible under  
22 the rules of evidence, may be read in evidence or, in the case of  
23 audiotape, videotape, digital image or file, or similar material,  
24 may be played in evidence before any military court, if it appears:

1 (1) that the witness resides or is beyond the State in which  
2 the court is ordered to sit, or beyond one hundred (100) miles from  
3 the place of trial or hearing Section 848, Art. 48;

4 (2) that the witness by reason of death, age, sickness, bodily  
5 infirmity, imprisonment, military necessity, non amenability to  
6 process, or other reasonable cause, is unable or refuses to appear  
7 and testify in person at the place of trial or hearing; or

8 (3) that the present whereabouts of the witness is unknown.

9 SECTION 53. NEW LAW A new section of law to be codified  
10 in the Oklahoma Statutes as Section 3275 of Title 44, unless there  
11 is created a duplication in numbering, reads as follows:

12 (a) In any case not extending to the dismissal of a  
13 commissioned officer, the sworn testimony, contained in the duly  
14 authenticated record of proceedings of a court of inquiry, of a  
15 person whose oral testimony cannot be obtained, may, if otherwise  
16 admissible under the rules of evidence, be read in evidence by any  
17 party before a court-martial if the accused was a party before the  
18 court of inquiry and if the same issue was involved or if the  
19 accused consents to the introduction of such evidence.

20 (b) Such testimony may be read in evidence only by the defense  
21 in cases extending to the dismissal of a commissioned officer.

22 (c) Such testimony may also be read in evidence before a court  
23 of inquiry.

24

1           SECTION 54.           NEW LAW           A new section of law to be codified  
2 in the Oklahoma Statutes as Section 3276 of Title 44, unless there  
3 is created a duplication in numbering, reads as follows:

4           (a) It is an affirmative defense in a trial by court-martial  
5 that, at the time of the commission of the acts constituting the  
6 offense, the accused, as a result of a severe mental disease or  
7 defect, was unable to appreciate the nature and quality or the  
8 wrongfulness of the acts. Mental disease or defect does not  
9 otherwise constitute a defense.

10           (b) The accused has the burden of proving the defense of lack  
11 of mental responsibility by clear and convincing evidence.

12           (c) Whenever lack of mental responsibility of the accused with  
13 respect to an offense is properly at issue, the military judge shall  
14 instruct the members of the court as to the defense of lack of  
15 mental responsibility under this article and charge them to find the  
16 accused:

17           (1) guilty;

18           (2) not guilty; or

19           (3) not guilty only by reason of lack of mental responsibility.

20           (d) Subsection (c) does not apply to a court-martial composed  
21 of a military judge only. In the case of a court-martial composed  
22 of a military judge only or a summary court-martial officer,  
23 whenever lack of mental responsibility of the accused with respect  
24

1 to an offense is properly at issue, the military judge or summary  
2 court-martial officer shall find the accused:

3 (1) guilty;

4 (2) not guilty; or

5 (3) not guilty only by reason of lack of mental responsibility.

6 (e) Notwithstanding the provisions of Section 56 of this act,  
7 the accused shall be found not guilty only by reason of lack of  
8 mental responsibility if:

9 (1) a majority of the members of the court-martial present at  
10 the time the vote is taken determines that the defense of lack of  
11 mental responsibility has been established; or

12 (2) in the case of a court-martial composed of a military judge  
13 only or a summary court-martial officer, the military judge or  
14 summary court-martial officer determines that the defense of lack of  
15 mental responsibility has been established.

16 SECTION 55. NEW LAW A new section of law to be codified  
17 in the Oklahoma Statutes as Section 3277 of Title 44, unless there  
18 is created a duplication in numbering, reads as follows:

19 (a) Voting by members of a general or special court-martial on  
20 the findings and on the sentence shall be by secret written ballot.  
21 The junior member of the court shall count the votes. The count  
22 shall be checked by the president, who shall forthwith announce the  
23 result of the ballot to the members of the court.

24

1 (b) The military judge shall rule upon all questions of law and  
2 all interlocutory questions arising during the proceedings. Any  
3 such ruling made by the military judge upon any question of law or  
4 any interlocutory question other than the factual issue of mental  
5 responsibility of the accused is final and constitutes the ruling of  
6 the court. However, the military judge may change the ruling at any  
7 time during the trial. Unless the ruling is final, if any member  
8 objects thereto, the court shall be cleared and closed and the  
9 question decided by a voice vote as provided in Section 56 of this  
10 act, beginning with the junior in rank.

11 (c) Before a vote is taken on the findings, the military judge  
12 shall, in the presence of the accused and counsel, instruct the  
13 members of the court as to the elements of the offense and charge  
14 them:

15 (1) that the accused must be presumed to be innocent until his  
16 guilt is established by legal and competent evidence beyond  
17 reasonable doubt;

18 (2) that in the case being considered, if there is a reasonable  
19 doubt as to the guilt of the accused, the doubt must be resolved in  
20 favor of the accused and the accused must be acquitted;

21 (3) that, if there is a reasonable doubt as to the degree of  
22 guilt, the finding must be in a lower degree as to which there is no  
23 reasonable doubt; and  
24

1 (4) that the burden of proof to establish the guilt of the  
2 accused beyond reasonable doubt is upon the State.

3 (d) Subsections (a), (b), and (c) do not apply to a court-  
4 martial composed of a military judge only. The military judge of  
5 such a court-martial shall determine all questions of law and fact  
6 arising during the proceedings and, if the accused is convicted,  
7 adjudge an appropriate sentence. The military judge of such a  
8 court-martial shall make a general finding and shall in addition, on  
9 request, find the facts specially. If an opinion or memorandum of  
10 decision is filed, it will be sufficient if the findings of fact  
11 appear therein.

12 SECTION 56. NEW LAW A new section of law to be codified  
13 in the Oklahoma Statutes as Section 3278 of Title 44, unless there  
14 is created a duplication in numbering, reads as follows:

15 (a) No person may be convicted of an offense except as provided  
16 in Section 48 of this act or by the concurrence of two-thirds (2/3)  
17 of the members present at the time the vote is taken.

18 (b) All other questions to be decided by the members of a  
19 general or special court-martial shall be determined by a majority  
20 vote, but a determination to reconsider a finding of guilty or to  
21 reconsider a sentence, with a view toward decreasing it, may be made  
22 by any lesser vote which indicates that the reconsideration is not  
23 opposed by the number of votes required for that finding or  
24 sentence. A tie vote on a challenge disqualifies the member

1 challenged. A tie vote on a motion relating to the question of the  
2 accused's sanity is a determination against the accused. A tie vote  
3 on any other question is a determination in favor of the accused.

4 SECTION 57. NEW LAW A new section of law to be codified  
5 in the Oklahoma Statutes as Section 3279 of Title 44, unless there  
6 is created a duplication in numbering, reads as follows:

7 A court-martial shall announce its findings and sentence to the  
8 parties as soon as determined.

9 SECTION 58. NEW LAW A new section of law to be codified  
10 in the Oklahoma Statutes as Section 3280 of Title 44, unless there  
11 is created a duplication in numbering, reads as follows:

12 (a) Each general and special court-martial shall keep a  
13 separate record of the proceedings in each case brought before it,  
14 and the record shall be authenticated by the signature of the  
15 military judge. If the record cannot be authenticated by the  
16 military judge by reason of his death, disability, or absence, it  
17 shall be authenticated by the signature of the trial counsel or by  
18 that of a member, if the trial counsel is unable to authenticate it  
19 by reason of his death, disability, or absence. In a court-martial  
20 consisting of only a military judge, the record shall be  
21 authenticated by the court reporter under the same conditions which  
22 would impose such a duty on a member under this subsection.

23

24

1 (b) (1) A complete verbatim record of the proceedings and  
2 testimony shall be prepared in each general and special court-  
3 martial case resulting in a conviction; and

4 (2) In all other court-martial cases, the record shall contain  
5 such matters as may be prescribed by regulations.

6 (c) Each summary court-martial shall keep a separate record of  
7 the proceedings in each case, and the record shall be authenticated  
8 in the manner as may be prescribed by regulations.

9 (d) A copy of the record of the proceedings of each general and  
10 special court-martial shall be given to the accused as soon as it is  
11 authenticated.

12 PART VIII. SENTENCES

13 SECTION 59. NEW LAW A new section of law to be codified  
14 in the Oklahoma Statutes as Section 3291 of Title 44, unless there  
15 is created a duplication in numbering, reads as follows:

16 Punishment by flogging, or by branding, marking or tattooing on  
17 the body, or any other cruel or unusual punishment may not be  
18 adjudged by a court-martial or inflicted upon any person subject to  
19 this code. The use of irons, single or double, except for the  
20 purpose of safe custody, is prohibited.

21 SECTION 60. NEW LAW A new section of law to be codified  
22 in the Oklahoma Statutes as Section 3292 of Title 44, unless there  
23 is created a duplication in numbering, reads as follows:

1 (a) The punishment which a court-martial may direct for an  
2 offense may not exceed such limits as prescribed by this code, but  
3 in no instance may a sentence exceed more than ten (10) years for a  
4 military offense, nor shall a sentence of death be adjudged. A  
5 conviction by general court-martial of any military offense for  
6 which an accused may receive a sentence of confinement for more than  
7 one (1) year is a felony offense. Except for convictions by a  
8 summary court-martial, all other military offenses are misdemeanors.  
9 Any conviction by a summary court-martial is not a criminal  
10 conviction.

11 (b) The limits of punishment for violations of the punitive  
12 articles prescribed herein shall be lesser of the sentences  
13 prescribed by the manual for courts-martial of the United States in  
14 effect on January 1, 2004, and the State manual for courts-martial,  
15 but in no instance shall any punishment exceed that authorized by  
16 this code.

17 SECTION 61. NEW LAW A new section of law to be codified  
18 in the Oklahoma Statutes as Section 3293 of Title 44, unless there  
19 is created a duplication in numbering, reads as follows:

20 RESERVED.

21 SECTION 62. NEW LAW A new section of law to be codified  
22 in the Oklahoma Statutes as Section 3294 of Title 44, unless there  
23 is created a duplication in numbering, reads as follows:

24

1 (a) Whenever a sentence of a court-martial as lawfully adjudged  
2 and approved includes a forfeiture of pay or allowances in addition  
3 to confinement not suspended, the forfeiture may apply to pay or  
4 allowances becoming due on or after the date the sentence is  
5 approved by the convening authority. No forfeiture may extend to  
6 any pay or allowances accrued before that date.

7 (b) Any period of confinement included in a sentence of a  
8 court-martial begins to run from the date the sentence is adjudged  
9 by the court-martial, but periods during which the sentence to  
10 confinement is suspended or deferred shall be excluded in computing  
11 the service of the term of confinement.

12 (c) All other sentences of courts-martial are effective on the  
13 date ordered executed.

14 SECTION 63. NEW LAW A new section of law to be codified  
15 in the Oklahoma Statutes as Section 3295 of Title 44, unless there  
16 is created a duplication in numbering, reads as follows:

17 (a) On application by an accused who is under sentence to  
18 confinement that has not been ordered executed, the convening  
19 authority or, if the accused is no longer under that person's  
20 jurisdiction, the person exercising general court-martial  
21 jurisdiction over the command to which the accused is currently  
22 assigned, may in that person's sole discretion defer service of the  
23 sentence to confinement. The deferment shall terminate when the  
24 sentence is ordered executed. The deferment may be rescinded at any

1 time by the person who granted it or, if the accused is no longer  
2 under that person's jurisdiction, by the person exercising general  
3 court-martial jurisdiction over the command to which the accused is  
4 currently assigned.

5 (b) (1) In any case in which a court-martial sentences an  
6 accused referred to in paragraph (2) to confinement, the convening  
7 authority may defer the service of the sentence to confinement,  
8 without the consent of the accused, until after the accused has been  
9 permanently released to the state military forces by a State, the  
10 United States, or a foreign country referred to in that paragraph.

11 (2) Paragraph (1) applies to a person subject to this code who:

12 (A) while in the custody of a State, the United States, or a  
13 foreign country is temporarily returned by that State, the United  
14 States, or a foreign country to the state military forces for trial  
15 by court-martial; and

16 (B) after the court-martial, is returned to that State, the  
17 United States, or a foreign country under the authority of a mutual  
18 agreement or treaty, as the case may be.

19 (3) In this subsection, the term "State" includes the District  
20 of Columbia and any Commonwealth, Territory, or possession of the  
21 United States.

22 (c) In any case in which a court-martial sentences an accused  
23 to confinement and the sentence to confinement has been ordered  
24 executed, but in which review of the case under Section 76 of this

1 act is pending, The Adjutant General may defer further service of  
2 the sentence to confinement while that review is pending.

3 SECTION 64. NEW LAW A new section of law to be codified  
4 in the Oklahoma Statutes as Section 3296 of Title 44, unless there  
5 is created a duplication in numbering, reads as follows:

6 (a) A sentence of confinement adjudged by a court-martial,  
7 whether or not the sentence includes discharge or dismissal, and  
8 whether or not the discharge or dismissal has been executed, may be  
9 carried into execution by confinement in any place authorized by  
10 this code. Persons so confined are subject to the same discipline  
11 and treatment as persons regularly confined or committed to that  
12 place of confinement.

13 (b) The omission of 'hard labor' as a sentence authorized under  
14 this code does not deprive the state confinement facility from  
15 employing it, if it otherwise is within the authority of that  
16 facility to do so.

17 (c) No place of confinement may require payment of any fee or  
18 charge for so receiving or confining a person except as otherwise  
19 provided by law.

20 SECTION 65. NEW LAW A new section of law to be codified  
21 in the Oklahoma Statutes as Section 3297 of Title 44, unless there  
22 is created a duplication in numbering, reads as follows:

23  
24

1 (a) A court-martial sentence of an enlisted member in a pay  
2 grade above E-1, as approved by the convening authority, that  
3 includes:

- 4 (1) a dishonorable or bad-conduct discharge; or
- 5 (2) confinement;

6 reduces that member to pay grade E-1, effective on the date of  
7 that approval.

8 (b) If the sentence of a member who is reduced in pay grade  
9 under subsection (a) is set aside or disapproved, or, as finally  
10 approved, does not include any punishment named in subsection (a)  
11 (1) or (2), the rights and privileges of which the person was  
12 deprived because of that reduction shall be restored, including pay  
13 and allowances.

14 SECTION 66. NEW LAW A new section of law to be codified  
15 in the Oklahoma Statutes as Section 3298 of Title 44, unless there  
16 is created a duplication in numbering, reads as follows:

17 (a) (1) A court-martial sentence described in paragraph (2)  
18 shall result in the forfeiture of pay, or of pay and allowances, due  
19 that member during any period of confinement or parole. The  
20 forfeiture pursuant to this article shall take effect on the date  
21 determined under Section 62 of this act and may be deferred as  
22 provided by that section. The pay and allowances forfeited, in the  
23 case of a general court-martial, shall be all pay and allowances due  
24 that member during such period and, in the case of a special court-

1 martial, shall be two-thirds (2/3) of all pay due that member during  
2 such period.

3 (2) A sentence covered by this article is any sentence that  
4 includes:

5 (A) confinement for more than six (6) months; or

6 (B) confinement for six (6) months or less and a dishonorable  
7 or bad-conduct discharge or dismissal.

8 (b) In a case involving an accused who has dependents, the  
9 convening authority or other person acting under Section 68 of this  
10 act may waive any or all of the forfeitures of pay and allowances  
11 required by subsection (a) for a period not to exceed six (6)  
12 months. Any amount of pay or allowances that, except for a waiver  
13 under this subsection, would be forfeited shall be paid, as the  
14 convening authority or other person taking action directs, to the  
15 dependents of the accused.

16 (c) If the sentence of a member who forfeits pay and allowances  
17 under subsection (a) is set aside or disapproved or, as finally  
18 approved, does not provide for a punishment referred to in  
19 subsection (a) (2), the member shall be paid the pay and allowances  
20 which the member would have been paid, except for the forfeiture,  
21 for the period during which the forfeiture was in effect.

22 PART IX. POST-TRIAL PROCEDURE AND REVIEW OF COURTS-MARTIAL  
23  
24

1           SECTION 67.           NEW LAW           A new section of law to be codified  
2 in the Oklahoma Statutes as Section 3301 of Title 44, unless there  
3 is created a duplication in numbering, reads as follows:

4           (a) A finding or sentence of a court-martial may not be held  
5 incorrect on the ground of an error of law unless the error  
6 materially prejudices the substantial rights of the accused.

7           (b) Any reviewing authority with the power to approve or affirm  
8 a finding of guilty may approve or affirm, instead, so much of the  
9 finding as includes a lesser included offense.

10          SECTION 68.           NEW LAW           A new section of law to be codified  
11 in the Oklahoma Statutes as Section 3302 of Title 44, unless there  
12 is created a duplication in numbering, reads as follows:

13          (a) The findings and sentence of a court-martial shall be  
14 reported promptly to the convening authority after the announcement  
15 of the sentence.

16          (b) (1) The accused may submit to the convening authority  
17 matters for consideration by the convening authority with respect to  
18 the findings and the sentence. Any such submission shall be in  
19 writing. Except in a summary court-martial case, such a submission  
20 shall be made within ten (10) days after the accused has been given  
21 an authenticated record of trial and, if applicable, the  
22 recommendation of a judge advocate under subsection (d). In a  
23 summary court-martial case, such a submission shall be made within  
24 seven (7) days after the sentence is announced.

1 (2) If the accused shows that additional time is required for  
2 the accused to submit such matters, the convening authority or other  
3 person taking action under this section, for good cause, may extend  
4 the applicable period under paragraph (1) for not more than an  
5 additional twenty (20) days.

6 (3) In a summary court-martial case, the accused shall be  
7 promptly provided a copy of the record of trial for use in preparing  
8 a submission authorized by paragraph (1).

9 (4) The accused may waive the right to make a submission to the  
10 convening authority under paragraph (1). Such a waiver must be made  
11 in writing and may not be revoked. For the purposes of subsection  
12 (c) (2), the time within which the accused may make a submission  
13 under this subsection shall be deemed to have expired upon the  
14 submission of such a waiver to the convening authority.

15 (c) (1) The authority under this article to modify the  
16 findings and sentence of a court-martial is a matter of command  
17 prerogative involving the sole discretion of the convening  
18 authority. If it is impractical for the convening authority to act,  
19 the convening authority shall forward the case to a person  
20 exercising general court-martial jurisdiction who may take action  
21 under this article.

22 (2) Action on the sentence of a court-martial shall be taken by  
23 the convening authority or by another person authorized to act under  
24 this article. Such action may be taken only after consideration of

1 any matters submitted by the accused under subsection (b) or after  
2 the time for submitting such matters expires, whichever is earlier.  
3 The convening authority or other person taking such action, in that  
4 person's sole discretion may approve, disapprove, commute, or  
5 suspend the sentence in whole or in part.

6 (3) Action on the findings of a court-martial by the convening  
7 authority or other person acting on the sentence is not required.

8 However, such person, in the person's sole discretion may:

9 (A) dismiss any charge or specification by setting aside a  
10 finding of guilty thereto; or

11 (B) change a finding of guilty to a charge or specification to  
12 a finding of guilty to an offense that is a lesser included offense  
13 of the offense stated in the charge or specification.

14 (d) Before acting under this article on any general or special  
15 court-martial case in which there is a finding of guilt, the  
16 convening authority or other person taking action under this article  
17 shall obtain and consider the written recommendation of a judge  
18 advocate. The convening authority or other person taking action  
19 under this article shall refer the record of trial to the judge  
20 advocate, and the judge advocate shall use such record in the  
21 preparation of the recommendation. The recommendation of the judge  
22 advocate shall include such matters as may be prescribed by  
23 regulation and shall be served on the accused, who may submit any  
24 matter in response under subsection (b). Failure to object in the

1 response to the recommendation or to any matter attached to the  
2 recommendation waives the right to object thereto.

3 (e) (1) The convening authority or other person taking action  
4 under this article, in the person's sole discretion, may order a  
5 proceeding in revision or a rehearing.

6 (2) A proceeding in revision may be ordered if there is an  
7 apparent error or omission in the record or if the record shows  
8 improper or inconsistent action by a court-martial with respect to  
9 the findings or sentence that can be rectified without material  
10 prejudice to the substantial rights of the accused. In no case,  
11 however, may a proceeding in revision:

12 (A) reconsider a finding of not guilty of any specification or  
13 a ruling which amounts to a finding of not guilty;

14 (B) reconsider a finding of not guilty of any charge, unless  
15 there has been a finding of guilty under a specification laid under  
16 that charge, which sufficiently alleges a violation of some article  
17 of this code; or

18 (C) increase the severity of the sentence unless the sentence  
19 prescribed for the offense is mandatory.

20 (3) A rehearing may be ordered by the convening authority or  
21 other person taking action under this article if that person  
22 disapproves the findings and sentence and states the reasons for  
23 disapproval of the findings. If such person disapproves the  
24 findings and sentence and does not order a rehearing, that person

1 shall dismiss the charges. A rehearing as to the findings may not  
2 be ordered where there is a lack of sufficient evidence in the  
3 record to support the findings. A rehearing as to the sentence may  
4 be ordered if the convening authority or other person taking action  
5 under this subsection disapproves the sentence.

6 SECTION 69. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 3303 of Title 44, unless there  
8 is created a duplication in numbering, reads as follows:

9 (a) In each case subject to appellate review under this code,  
10 the accused may file with the convening authority a statement  
11 expressly withdrawing the right of the accused to such appeal. Such  
12 a withdrawal shall be signed by both the accused and his defense  
13 counsel and must be filed in accordance with appellate procedures as  
14 provided by law.

15 (b) The accused may withdraw an appeal at any time in  
16 accordance with appellate procedures as provided by law.

17 SECTION 70. NEW LAW A new section of law to be codified  
18 in the Oklahoma Statutes as Section 3304 of Title 44, unless there  
19 is created a duplication in numbering, reads as follows:

20 (a) (1) In a trial by court-martial in which a punitive  
21 discharge may be adjudged, the State may appeal the following, other  
22 than a finding of not guilty with respect to the charge or  
23 specification by the members of the court-martial, or by a judge in  
24 a bench trial so long as it is not made in reconsideration:

1 (A) An order or ruling of the military judge which terminates  
2 the proceedings with respect to a charge or specification.

3 (B) An order or ruling which excludes evidence that is  
4 substantial proof of a fact material in the proceeding.

5 (C) An order or ruling which directs the disclosure of  
6 classified information.

7 (D) An order or ruling which imposes sanctions for  
8 nondisclosure of classified information.

9 (E) A refusal of the military judge to issue a protective order  
10 sought by the State to prevent the disclosure of classified  
11 information.

12 (F) A refusal by the military judge to enforce an order  
13 described in subparagraph (E) that has previously been issued by  
14 appropriate authority.

15 (2) An appeal of an order or ruling may not be taken unless the  
16 trial counsel provides the military judge with written notice of  
17 appeal from the order or ruling within seventy-two (72) hours of the  
18 order or ruling. Such notice shall include a certification by the  
19 trial counsel that the appeal is not taken for the purpose of delay  
20 and, if the order or ruling appealed is one which excludes evidence,  
21 that the evidence excluded is substantial proof of a fact material  
22 in the proceeding.

23 (3) An appeal under this article shall be diligently prosecuted  
24 as provided by law.

1 (b) An appeal under this article shall be forwarded to the  
2 court prescribed in Section 76 of this act. In ruling on an appeal  
3 under this article, that court may act only with respect to matters  
4 of law.

5 (c) Any period of delay resulting from an appeal under this  
6 article shall be excluded in deciding any issue regarding denial of  
7 a speedy trial unless an appropriate authority determines that the  
8 appeal was filed solely for the purpose of delay with the knowledge  
9 that it was totally frivolous and without merit.

10 SECTION 71. NEW LAW A new section of law to be codified  
11 in the Oklahoma Statutes as Section 3305 of Title 44, unless there  
12 is created a duplication in numbering, reads as follows:

13 Each rehearing under this code shall take place before a court-  
14 martial composed of members not members of the court-martial which  
15 first heard the case. Upon a rehearing the accused may not be tried  
16 for any offense of which he was found not guilty by the first court-  
17 martial, and no sentence in excess of or more severe than the  
18 original sentence may be approved, unless the sentence is based upon  
19 a finding of guilty of an offense not considered upon the merits in  
20 the original proceedings, or unless the sentence prescribed for the  
21 offense is mandatory. If the sentence approved after the first  
22 court-martial was in accordance with a pretrial agreement and the  
23 accused at the rehearing changes a plea with respect to the charges  
24 or specifications upon which the pretrial agreement was based, or

1 otherwise does not comply with the pretrial agreement, the approved  
2 sentence as to those charges or specifications may include any  
3 punishment not in excess of that lawfully adjudged at the first  
4 court-martial.

5 SECTION 72. NEW LAW A new section of law to be codified  
6 in the Oklahoma Statutes as Section 3306 of Title 44, unless there  
7 is created a duplication in numbering, reads as follows:

8 (a) Each general and special court-martial case in which there  
9 has been a finding of guilty shall be reviewed by the senior force  
10 judge advocate, or a designee. The senior force judge advocate, or  
11 designee, may not review a case under this subsection if that person  
12 has acted in the same case as an accuser, investigating officer,  
13 member of the court, military judge, or counsel or has otherwise  
14 acted on behalf of the prosecution or defense. The senior force  
15 judge advocate 's review shall be in writing and shall contain the  
16 following:

17 (1) Conclusions as to whether:

18 (A) the court had jurisdiction over the accused and the  
19 offense;

20 (B) the charge and specification stated an offense; and

21 (C) the sentence was within the limits prescribed as a matter  
22 of law.

23 (2) A response to each allegation of error made in writing by  
24 the accused.

1 (3) If the case is sent for action under subsection (b), a  
2 recommendation as to the appropriate action to be taken and an  
3 opinion as to whether corrective action is required as a matter of  
4 law.

5 (b) The record of trial and related documents in each case  
6 reviewed under subsection (a) shall be sent for action to The  
7 Adjutant General, if:

8 (1) the judge advocate who reviewed the case recommends  
9 corrective action;

10 (2) the sentence approved under Section 68 of this act extends  
11 to dismissal, a bad-conduct or dishonorable discharge, or  
12 confinement for more than six (6) months; or

13 (3) such action is otherwise required by regulations of The  
14 Adjutant General.

15 (c) (1) The Adjutant General may:

16 (A) disapprove or approve the findings or sentence, in whole or  
17 in part;

18 (B) remit, commute, or suspend the sentence in whole or in  
19 part;

20 (C) except where the evidence was insufficient at the trial to  
21 support the findings, order a rehearing on the findings, on the  
22 sentence, or on both; or

23 (D) dismiss the charges.  
24

1 (2) If a rehearing is ordered but the convening authority finds  
2 a rehearing impracticable, the convening authority shall dismiss the  
3 charges.

4 (3) If the opinion of the senior force judge advocate, or  
5 designee, in the senior force judge advocate's review under  
6 subsection (a) is that corrective action is required as a matter of  
7 law and if The Adjutant General does not take action that is at  
8 least as favorable to the accused as that recommended by the judge  
9 advocate, the record of trial and action thereon shall be sent to  
10 the Governor for review and action as deemed appropriate.

11 (d) The senior force judge advocate, or a designee, may review  
12 any case in which there has been a finding of not guilty of all  
13 charges and specifications. The senior force judge advocate, or  
14 designee, may not review a case under this subsection if that person  
15 has acted in the same case as an accuser, investigating officer,  
16 member of the court, military judge, or counsel or has otherwise  
17 acted on behalf of the prosecution or defense. The senior force  
18 judge advocate's review shall be limited to questions of subject  
19 matter jurisdiction.

20 (e) The record of trial and related documents in each case  
21 reviewed under subsection (d) shall be sent for action to The  
22 Adjutant General.

23 (1) The Adjutant General may:  
24

1 (A) when subject matter jurisdiction is found to be lacking,  
2 void the court-martial ab initio, with or without prejudice to the  
3 Government, as The Adjutant General deems appropriate; or

4 (B) return the record of trial and related documents to the  
5 senior force judge advocate for appeal by the Government as provided  
6 by law.

7 SECTION 73. NEW LAW A new section of law to be codified  
8 in the Oklahoma Statutes as Section 3307 of Title 44, unless there  
9 is created a duplication in numbering, reads as follows:

10 Except as otherwise required by this code, all records of trial  
11 and related documents shall be transmitted and disposed of as  
12 prescribed by regulation and provided by law.

13 SECTION 74. NEW LAW A new section of law to be codified  
14 in the Oklahoma Statutes as Section 3308 of Title 44, unless there  
15 is created a duplication in numbering, reads as follows:

16 RESERVED.

17 SECTION 75. NEW LAW A new section of law to be codified  
18 in the Oklahoma Statutes as Section 3309 of Title 44, unless there  
19 is created a duplication in numbering, reads as follows:

20 RESERVED.

21 SECTION 76. NEW LAW A new section of law to be codified  
22 in the Oklahoma Statutes as Section 3310 of Title 44, unless there  
23 is created a duplication in numbering, reads as follows:

24

1 Decisions of a court-martial are from a court with jurisdiction  
2 to issue felony convictions and appeals are to the court provided by  
3 the law of the state in which the court-martial was held. The  
4 appellate procedures to be followed shall be those provided by law  
5 for the appeal of criminal cases thereto.

6 SECTION 77. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 3311 of Title 44, unless there  
8 is created a duplication in numbering, reads as follows:

9 RESERVED.

10 SECTION 78. NEW LAW A new section of law to be codified  
11 in the Oklahoma Statutes as Section 3312 of Title 44, unless there  
12 is created a duplication in numbering, reads as follows:

13 RESERVED.

14 SECTION 79. NEW LAW A new section of law to be codified  
15 in the Oklahoma Statutes as Section 3313 of Title 44, unless there  
16 is created a duplication in numbering, reads as follows:

17 (a) The senior force judge advocate shall detail a judge  
18 advocate as appellate Government counsel to represent the State in  
19 the review or appeal of cases specified in Section 76 of this act  
20 and before any Federal court when requested to do so by the State  
21 Attorney General. Appellate Government counsel must be a member in  
22 good standing of the bar of the highest court of the State to which  
23 the appeal is taken.

24

1 (b) Upon an appeal by the State, an accused has the right to be  
2 represented by detailed military counsel before any reviewing  
3 authority and before any appellate court.

4 (c) Upon the appeal by an accused, the accused has the right to  
5 be represented by military counsel before any reviewing authority.

8 advocate to represent the accused in the review or appeal of cases  
9 specified in subsections (b) and (c) of this article.

10 (e) An accused may be represented by civilian appellate counsel  
11 at no expense to the State.

22 (b) The record of the hearing and the recommendation of the  
23 officer having special court-martial jurisdiction shall be sent for  
24 action to the officer exercising general court-martial jurisdiction

21 unexecuted part of any sentence, including all uncollected  
22 forfeitures other than a sentence approved by the Governor.

23  
24

3 executed in accordance with the sentence of a court-martial.

4 SECTION 84. NEW LAW A new section of law to be codified

11 trial or rehearing is ordered and such executed part is included in  
12 a sentence imposed upon the new trial or rehearing.

16 administrative issuance unless the accused is to serve out the  
17 remainder of the accused's enlistment.

18 (c) If a previously executed sentence of dismissal is not  
19 imposed on a new trial, the Governor may substitute therefore a form  
20 of discharge authorized for administrative issue, and the

22 by the Governor alone to such commissioned grade and with such rank  
23 as in the opinion of the Governor that former officer would have  
24 attained had he not been dismissed. The reappointment of such a

1 former officer shall be without regard to the existence of a vacancy  
2 and shall affect the promotion status of other officers only insofar  
3 as the Governor may direct. All time between the dismissal and the  
4 reappointment shall be considered as actual service for all  
5 purposes, including the right to pay and allowances.

6 SECTION 85. NEW LAW A new section of law to be codified  
7 in the Oklahoma Statutes as Section 3319 of Title 44, unless there

5 unsuspended dishonorable or bad-conduct discharge. The accused may  
6 be required to begin such leave on the date on which the sentence is  
7 approved under Section 68 of this act or at any time after such  
8 date, and such leave may be continued until the date on which action  
9 under this article is completed or may be terminated at any earlier  
10 time.

11 SECTION 87. NEW LAW A new section of law to be codified  
12 in the Oklahoma Statutes as Section 3321 of Title 44, unless there

20 the general court-martial convening authority for that person shall  
21 commit the person to the custody of the State Attorney General.

22 (2) The State Attorney General shall take action in accordance  
23 with the state statute applicable to persons incompetent to stand

9 understand the nature of the proceedings against the person and to  
10 conduct or cooperate intelligently in the defense of the case, the  
11 director shall promptly transmit a notification of that

2 another due to a present mental disease or defect:

3 (A) the general court-martial convening authority may commit  
4 the person to the custody of the State Attorney General; and

6 that commanding officer, is refused redress, may complain to any  
7 superior commissioned officer, who shall forward the complaint to  
8 the officer exercising general court-martial jurisdiction over the  
9 officer against whom it is made. The officer exercising general
