BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 42 O.S. 2001, Section 91, as last amended by Section 1, Chapter 247, O.S.L. 2006 (42 O.S. Supp. 2007, Section 91), is amended to read as follows:

Section 91. A. 1. This section applies to every vehicle, all-terrain vehicle, utility vehicle, manufactured home, motorcycle, boat, outboard motor, or trailer that has a certificate of title issued by the Oklahoma Tax Commission or by a federally recognized Indian tribe in the State of Oklahoma, except as otherwise provided in subsection D of this section. This section does not apply to farm equipment as defined in Section 91.2 of this title. The items of personal property to which this section applies are collectively referred to as "Section 91 Personal Property". If personal property is apparently covered both by this section and by Sections 191

through 200 of this title, the procedures set out in this section shall apply instead of Sections 191 through 200.

2. Any person who, while lawfully in possession of an article of Section 91 Personal Property, renders any service to the owner thereof by furnishing storage, rental space, material, labor or skill for the protection, improvement, safekeeping, towing, right to occupy space, storage or carriage thereof, has a special lien thereon, dependent on possession, for the compensation, if any, which is due to such person from the owner for such service.

3. This special lien shall be subordinate to any perfected security interest unless the claimant complies with the requirements of this section.

4. Any person claiming the special lien provided in paragraph 2 of this subsection shall mail a notice of such lien, no later than sixty (60) days after the first services are rendered, by regular, first class United States mail, and by certified mail, to all interested parties who reside at separate locations. (If services provided are pursuant to a contract primarily for the purpose of storage or rental of space, the beginning date of the sixty-day period provided in the previous sentence shall be the first day of the first period or partial period for which rental or storage charges remain unpaid.) The notice shall be in writing and shall contain, but not be limited to, the following:

- a. a statement that the notice is a notice of a possessory lien,
- b. the complete legal name, physical and mailing address, and telephone number of the claimant,
- c. the complete legal name, physical and mailing address of the person who requested that the claimant render service to the owner by furnishing material, labor or skill, storage, or rental space, or the date the property was abandoned if the claimant did not render any other service,

- d. a description of the article of personal property and the complete physical and mailing address of the location of the article of personal property,
- e. an itemized statement describing the date or dates the labor or services were performed and material furnished, and the amount of the compensation claimed,
- f. a statement by the claimant that the materials, labor or skill furnished, or arrangement for storage or rental of space, was authorized by the owner of the personal property and was in fact provided or performed, or that the property was abandoned by the owner if the claimant did not render any other service, and that storage or rental fees will accrue as allowed by law, and
- g. the signature of the claimant which shall be notarized and, if applicable, the signature of the claimant's attorney. If the claimant is a business, then the name of the contact person must be shown. In place of an original signature and notary seal, a digital or electronic signature or seal shall be accepted.

5. For services rendered or vehicles abandoned on or after November 1, 2005, storage charges or charges for rental of space (unless agreed to by contract as part of an overall transaction or arrangement that was primarily for the purpose of storage of the Section 91 Personal Property or rental of space) may only be assessed beginning with the day that the Notice of Possessory Lien is mailed as evidenced by certified mail. Provided, however, in the case of contractual charges incurred for storage or rental of space in an overall transaction primarily for the purpose of storage or rental, charges subject to the special lien may only be assessed beginning with a date not more than sixty (60) days prior to the day that the Notice of Possessory Lien is mailed, and shall accrue only at the regular periodic rate for storage or rental as provided in the contract, adjusted for partial periods of storage or rental. The maximum allowable compensation for storage shall not exceed the fees specified pursuant to Section 953.2 of Title 47 of the Oklahoma Statutes.

6. The lien may be foreclosed by a sale of such personal property upon the notice and in the manner following: The notice of sale shall contain:

- a. a statement that the notice is a Notice of Sale,
- b. the names of all interested parties known to the claimant,
- c. a description of the property to be sold,
- d. a notarized statement of the nature of the work, labor or service performed, material furnished, or storage or rental of space, and the date thereof, and the name of the person who authorized the work, labor or service performed, or the storage or rental arrangement, or that the property was abandoned if the claimant did not render any other service,
- e. the date, time and exact physical location of sale, and
- f. the name, complete physical address and telephone number of the party foreclosing such lien. If the claimant is a business, then the name of the contact person must be shown. In place of an original signature and notary seal, a digital or electronic signature or seal shall be accepted.

7. Such notice of sale shall be posted in three public places in the county where the property is to be sold at least ten (10) days before the time therein specified for such sale, and a copy of the notice shall be mailed to all interested parties at their last-known post office address, by regular, first class United States mail and by certified mail on the day of posting. If the item of personal property is a manufactured home, notice shall also be sent by certified mail to the county treasurer and to the county assessor of the county where the manufactured home is located.

8. Interested parties shall include all owners of the article of personal property as indicated by the certificate of title issued by the Oklahoma Tax Commission or by a federally recognized Indian

tribe in the State of Oklahoma; lien debtors, if any, other than the owners; any lienholder whose lien is noted on the face of the certificate of title; and any other person having any interest in the article of personal property, of whom the claimant has actual notice.

9. Any interested party shall be permitted to inspect and verify the services rendered by the claimant prior to the sale of the article of personal property during normal business hours, unless the property was abandoned and the claimant did not render any other service.

10. The claimant or any other person may in good faith become a purchaser of the property sold.

11. Proceedings for foreclosure under this act shall be commenced within thirty (30) days after the Notice of Possessory Lien has been mailed as evidenced by certified mail. The date actually sold shall be within sixty (60) days from the date of the Notice of Sale as evidenced by certified mail.

B. 1. a. Any person who is induced by means of a check or other form of written order for immediate payment of money to deliver up possession of an article of personal property on which the person has a special lien created by subsection A of this section, which check or other written order is dishonored, or is not paid when presented, shall have a lien for the amount thereof upon the personal property.

b. The person claiming such lien shall, within thirty (30) days from the date of dishonor of the check or other written order for payment of money, file in the office of the county clerk of the county in which the property is situated a sworn statement that:

(1) the check or other written order for immediate payment of money, copy thereof being attached, was received for labor, material or supplies for producing or repairing an article of personal property, or for other specific property-related services covered by this section,

- (2) the check or other written order was not paid,
and
 - (3) the uttering of the check or other written order constituted the means for inducing the person, one possessed of a special lien created by subsection A of this section upon the described article of personal property, to deliver up the said article of personal property.
2. a. Any person who renders service to the owner of an article of personal property by furnishing storage, rental space, material, labor, or skill for the protection, improvement, safekeeping, towing, right to occupy space, storage, or carriage thereof shall have a special lien on such property pursuant to this section if such property is removed from the person's possession, without such person's written consent or without payment for such service.
 - b. The person claiming such lien shall, within five (5) days of such nonauthorized removal, file in the office of the county clerk of the county in which the property is located, a sworn statement including:
 - (1) that services were rendered on or in relation to the article of personal property by the person claiming such lien,
 - (2) that the property was in the possession of the person claiming the lien but such property was removed without his or her written consent,
 - (3) an identifying description of the article of personal property on which the service was rendered, and
 - (4) that the debt for the services rendered on or in relation to the article of personal property was not paid. Provided, if the unpaid total amount of the debt for services rendered on or in

relation to the article of personal property is unknown, an approximated amount of the debt due and owing shall be included in the sworn statement but such approximated debt may be amended within thirty (30) days of such filing to reflect the actual amount of the debt due and owing.

3. The enforcement of the lien shall be within sixty (60) days after filing the lien in the manner provided by law for enforcing the lien of a security agreement and provided that the lien shall not affect the rights of innocent, intervening purchasers without notice.

4. If a person claiming a special lien pursuant to this section fails to substantially comply with any of the requirements of this section, any interested party may proceed against the person claiming such lien for all damages arising therefrom, including conversion, if the article of personal property has been sold. If the notice or notices required by this section shall be shown to be knowingly false or fraudulent, the interested party shall be entitled to treble damages. The prevailing party shall be entitled to all costs, including a reasonable attorney fee.

C. If the person who renders service to the owner of an article of personal property to which this section applies relinquishes or loses possession of the article due to circumstances described in subparagraph a of paragraph 1 or subparagraph a of paragraph 2 of subsection B of this section, the person claiming the lien shall be entitled to possession of the article until the amount due is paid, unless the article is possessed by a person who became a bona fide purchaser. Entitlement to possession shall be in accordance with the following:

1. The claimant may take possession of an article pursuant to this subsection only if the person obligated under the contract for services has signed an acknowledgement of receipt of a notice that the article may be subject to repossession. The notice and acknowledgement pursuant to this subsection shall be:

- a. in writing and separate from the written contract for services, or

- b. printed on the written contract for services, credit agreement or other document which displays the notice in bold-faced, capitalized and underlined type, or is separated from surrounding written material so as to be conspicuous with a separate signature line;

2. The claimant may require the person obligated under the contract for services to pay the costs of repossession as a condition for reclaiming the article only to the extent of the reasonable fair market value of the services required to take possession of the article;

3. The claimant shall not transfer to a third party or to a person who performs repossession services, a check, money order, or credit card transaction that is received as payment for services with respect to an article and that is returned to the claimant because of insufficient funds or no funds, because the person writing the check, issuing the money order, or credit cardholder has no account or because the check, money order, or credit card account has been closed. A person violating this paragraph shall be guilty of a misdemeanor; and

4. An article that is repossessed pursuant to this subsection shall be promptly delivered to the location where the services were performed. The article shall remain at the services location at all times until the article is lawfully returned to the record owner or a lienholder or is disposed of pursuant to this section.

D. 1. If a vehicle, all-terrain vehicle, utility vehicle, manufactured home, motorcycle, boat, outboard motor, or trailer has a certificate of title issued by the Oklahoma Tax Commission or by a federally recognized Indian tribe in the State of Oklahoma, but there is no active lien recorded on the certificate of title, Section 91A of this title will apply instead of this section. Likewise, if there is an active lien recorded on the certificate of title but the lien is over fifteen (15) years old and the property is not a manufactured home, Section 91A will apply instead of this section.

2. If personal property that otherwise would be covered by this section has been registered by the Oklahoma Tax Commission or by a

federally recognized Indian tribe in the State of Oklahoma, and there is a lien of record but no certificate of title has been issued, Section 91A of this title will apply instead of this section.

3. If personal property otherwise would be covered by this section, but the services were rendered or the property was abandoned prior to November 1, 2005, Section 91A of this title will apply instead of this section.

4. Salvage pools as defined in Section 591.2 of Title 47 of the Oklahoma Statutes and class AA licensed wrecker operators in their capacity as wrecker operators shall not be subject to the provisions of this section. Salvage pools as defined in Section 591.2 of Title 47 of the Oklahoma Statutes and class AA licensed wrecker operators shall be subject to Section 91A of this title.

E. For purposes of this section:

1. "Possession" includes actual possession and constructive possession; and

2. "Constructive possession" means possession by a person who, although not in actual possession, does not have an intention to abandon property, knowingly has both power and the intention at a given time to exercise dominion or control over the property, and who holds claim to such thing by virtue of some legal right.

SECTION 2. AMENDATORY Section 2, Chapter 477, O.S.L. 2005, as amended by Section 2, Chapter 247, O.S.L. 2006 (42 O.S. Supp. 2007, Section 91A), is amended to read as follows:

Section 91A. A. 1. a. This section applies to all types of personal property other than:

- (1) farm equipment as defined in Section 91.2 of this title, and
- (2) "Section 91 Personal Property" as defined in Section 91 of this title.

- b. This section applies to any vehicle, all-terrain vehicle, utility vehicle, manufactured home, motorcycle, boat, outboard motor, or trailer that is excluded from coverage under subsection A of Section 91 of this title because the personal property:
- (1) does not have a certificate of title, or
 - (2) has a certificate of title but does not have an active lien recorded on the certificate of title, or
 - (3) has a certificate of title that is not issued by the Oklahoma Tax Commission or by a federally recognized Indian tribe in the State of Oklahoma, or
 - (4) is otherwise excluded by subsection D of Section 91 of this title.
- c. If personal property has a certificate of title, or would be required to have a certificate of title under Oklahoma law, and is apparently covered both by this section and by Sections 191 through 200 of this title, the procedures set out in this section shall apply instead of Sections 191 through 200 of this title. If personal property without a certificate of title and not required to be titled under Oklahoma law is covered both by this section and Sections 191 through 200 of this title, the procedures set out in Sections 191 through 200 of this title shall apply instead of this section.

2. Any person who, while lawfully in possession of an article of personal property to which this section applies, renders any service to the owner thereof by furnishing storage, rental space, material, labor or skill for the protection, improvement, safekeeping, towing, right to occupy space, storage or carriage thereof, has a special lien thereon, dependent on possession, for the compensation, if any, which is due to such person from the owner for such service. Charges owed under a contract primarily for the purpose of storage or rental of space shall be accrued only at the

regular periodic rate for storage or rental as provided in the contract, adjusted for partial periods of storage or rental.

3. The lien may be foreclosed by a sale of such personal property upon the notice and in the manner following: The notice shall contain:

- a. the names of the owner and any other known party or parties who may claim any interest in the property,
 - b. a description of the property to be sold,
 - c. the nature of the work, labor or service performed, material furnished, or the storage or rental arrangement, and the date thereof,
 - d. the time and place of sale, and
 - e. the name of the party, agent or attorney foreclosing such lien. If the claimant is a business, then the name of the contact person must be shown. In place of an original signature and notary seal, a digital or electronic signature or seal shall be accepted.
4. a. Such notice shall be posted in three public places in the county where the property is to be sold at least ten (10) days before the time therein specified for such sale, and a copy of the notice shall be mailed to the owner and any other party claiming any interest in the property if known, at their last-known post office address, by certified mail on the day of posting. If the item of personal property is a manufactured home, notice shall also be sent by certified mail to the county treasurer and to the county assessor of the county where the manufactured home is located.
- b. In the case of any item of personal property without a certificate of title and not required to be titled under Oklahoma law, a party who claims any interest in the property shall include all owners of the property; any secured party who has an active financing statement on file with the county clerk of Oklahoma

County listing one or more owners of the property by legal name as debtors and indicating a collateral description that would include the property; and any other person having any interest in the personal property, of whom the claimant has actual notice.

- c. In the case of personal property subject to this section for which a certificate of title has been issued by any jurisdiction, a party who claims any interest in the property shall include all owners of the article of personal property as indicated by the certificate of title; lien debtors, if any, other than the owners; any lienholder whose lien is noted on the face of the certificate of title; and any other person having any interest in the article of personal property, of whom the claimant has actual notice.
- d. When the jurisdiction of titling for a vehicle, all-terrain vehicle, motorcycle, boat, outboard motor, or trailer that is five (5) model years old or newer, or a manufactured home that is fifteen (15) model years old or newer, cannot be determined by ordinary means, the claimant, the agent of the claimant, or the attorney of the claimant, shall request, in writing, that the Oklahoma Tax Commission Motor Vehicle Division ascertain the jurisdiction where the vehicle or manufactured home is titled. The Oklahoma Tax Commission Motor Vehicle Division shall, within fourteen (14) days from the date the request is received, provide information as to the jurisdiction where the personal property is titled. If the Oklahoma Tax Commission Motor Vehicle Division is unable to provide the information, it shall provide notice that the record is not available.
- e. When personal property is of a type that Oklahoma law requires to be titled, the owner of record of that property is unknown, and the jurisdiction of titling and owner of record cannot be determined by ordinary means (and also, if applicable, cannot be determined in accordance with the preceding subparagraph), then the special lien may be foreclosed by publication of a

legal notice in a legal newspaper in the county where the personal property is located, as defined in Section 106 of Title 25 of the Oklahoma Statutes. Such notice shall include the description of the property by year, make, vehicle identification number (if available from the property), the name of the individual who may be contacted for information, and the telephone number of that person or the address where the vehicle is located. The legal notice shall be published once per week for three (3) consecutive weeks. As soon as circumstances exist as described in the first sentence of this subparagraph, the first date of publication may occur. The first date available for public sale of the vehicle is the day following publication of the final notice. When the owner of record is unknown, the Notice of Sale nevertheless must be completed and mailed to any known interested party by certified mail. For purposes of this paragraph, interested parties shall include all persons described in subparagraph b or subparagraph c of this paragraph, whichever is applicable, with the exception of any owner who is unknown. Except in circumstances described in paragraph 7 of this subsection that provide for a shorter time period, the Notice of Sale shall be posted in three public places in the county where the property is to be sold at least ten (10) days before the time therein specified for such sale, and the Notice of Sale shall not be mailed until at least thirty (30) days after said lien has accrued.

5. The lienor or any other person may in good faith become a purchaser of the property sold.

6. Proceedings for foreclosure under this act shall not be commenced until thirty (30) days after said lien has accrued, except as provided elsewhere in Oklahoma law.

7. Notwithstanding any other provision of law, proceedings for foreclosures for the storage of junk vehicles towed and stored pursuant to Section 955 of Title 47 of the Oklahoma Statutes by Class AA wreckers listed with the Motor Vehicle Division of the

Department of Public Safety, may be commenced five (5) days after the lien has accrued. For purposes of this paragraph, "junk vehicles" means any vehicle that is more than ten (10) years old if the cost of a comparable vehicle would be less than Three Hundred Dollars (\$300.00) as quoted in the latest edition of the National Automobile Dealers Association Official Used Car Guide or latest monthly edition of any other nationally recognized published guidebook, adjusting to the condition of the vehicle.

B. 1. a. Any person who is induced by means of a check or other form of written order for immediate payment of money to deliver up possession of an article of personal property on which the person has a special lien created by subsection A of this section, which check or other written order is dishonored, or is not paid when presented, shall have a lien for the amount thereof upon the personal property.

b. The person claiming such lien shall, within thirty (30) days from the date of dishonor of the check or other written order for payment of money, file in the office of the county clerk of the county in which the property is situated a sworn statement that:

(1) the check or other written order for immediate payment of money, copy thereof being attached, was received for labor, material or supplies for producing or repairing an article of personal property, or for other specific property-related services covered by this section,

(2) the check or other written order was not paid, and

(3) the uttering of the check or other written order constituted the means for inducing the person, one possessed of a special lien created by subsection A of this section upon the described article of personal property, to deliver up the said article of personal property.

2. a. Any person who renders service to the owner of an article of personal property by furnishing storage, rental space, material, labor, or skill for the protection, improvement, safekeeping, towing, right to occupy space, storage, or carriage thereof shall have a special lien on such property pursuant to this section if such property is removed from the person's possession, without such person's written consent or without payment for such service.
- b. The person claiming such lien shall, within five (5) days of such nonauthorized removal, file in the office of the county clerk of the county in which the property is located, a sworn statement including:
 - (1) that services were rendered on or in relation to the article of personal property by the person claiming such lien,
 - (2) that the property was in the possession of the person claiming the lien but such property was removed without his written consent,
 - (3) an identifying description of the article of personal property on or in relation to which the service was rendered, and
 - (4) that the debt for the services rendered on or in relation to the article of personal property was not paid. Provided, if the unpaid total amount of the debt for services rendered on or in relation to the article of personal property is unknown, an approximated amount of the debt due and owing shall be included in the sworn statement but such approximated debt may be amended within thirty (30) days of such filing to reflect the actual amount of the debt due and owing.

3. The enforcement of the lien shall be within sixty (60) days after filing the lien in the manner provided by law for enforcing the lien of a security agreement and provided that the lien shall

not affect the rights of innocent, intervening purchasers without notice.

C. If the person who renders service to the owner of an article of personal property to which this section applies relinquishes or loses possession of the article due to circumstances described in subparagraph a of paragraph 1 or subparagraph a of paragraph 2 of subsection B of this section, the person claiming the lien shall be entitled to possession of the article until the amount due is paid, unless the article is possessed by a person who became a bona fide purchaser. Entitlement to possession shall be in accordance with the following:

1. The claimant may take possession of an article pursuant to this subsection only if the person obligated under the contract for services has signed an acknowledgment of receipt of a notice that the article may be subject to repossession. The notice and acknowledgment pursuant to this subsection shall be:

- a. in writing and separate from the written contract for services, or
- b. printed on the written contract for services, credit agreement or other document which displays the notice in bold-faced, capitalized and underlined type, or is separated from surrounding written material so as to be conspicuous with a separate signature line;

2. The claimant may require the person obligated under the contract for services to pay the costs of repossession as a condition for reclaiming the article only to the extent of the reasonable fair market value of the services required to take possession of the article;

3. The claimant shall not transfer to a third party or to a person who performs repossession services, a check, money order, or credit card transaction that is received as payment for services with respect to an article and that is returned to the claimant because of insufficient funds or no funds, because the person writing the check, issuing the money order, or credit cardholder has no account or because the check, money order, or credit card account

has been closed. A person violating this paragraph shall be guilty of a misdemeanor; and

4. An article that is repossessed pursuant to this subsection shall be promptly delivered to the location where the services were performed. The article shall remain at the services location at all times until the article is lawfully returned to the record owner or a lienholder or is disposed of pursuant to this section.

D. 1. This section applies if a vehicle, all-terrain vehicle, manufactured home, motorcycle, boat, outboard motor, or trailer has a certificate of title issued by the Oklahoma Tax Commission or by a federally recognized Indian tribe in Oklahoma, but there is no active lien recorded on the certificate of title.

2. This section applies if a vehicle, all-terrain vehicle, utility vehicle, motorcycle, boat, outboard motor or trailer has a certificate of title issued by the Oklahoma Tax Commission or by a federally recognized Indian tribe in Oklahoma, and there is an active lien recorded on the certificate of title, but the lien is over fifteen (15) years old.

3. This section applies if personal property to which Section 91 of this title otherwise would apply has been registered by the Oklahoma Tax Commission or by a federally recognized Indian tribe in the State of Oklahoma, and there is a lien of record but no certificate of title has been issued.

4. This section applies if personal property to which Section 91 of this title otherwise would apply has not been registered by either the Oklahoma Tax Commission or a federally recognized Indian tribe in the State of Oklahoma, and no certificate of title has been issued, but there is a lien of record.

5. This section applies to personal property that otherwise would be covered by Section 91 of this title, except that the services were rendered or the property was abandoned prior to November 1, 2005.

6. This section applies to a vehicle, all-terrain vehicle, utility vehicle, manufactured home, motorcycle, boat, outboard motor, or trailer for which ownership cannot be determined by

ordinary means or by the Oklahoma Tax Commission Motor Vehicle Division, as provided in subparagraphs d and e of paragraph 4 of subsection A of this section, as applicable.

7. This section applies to items of personal property that are not required by Oklahoma law to be titled, and that do not have a certificate of title.

8. This section applies to salvage pools as defined in Section 591.2 of Title 47 of the Oklahoma Statutes.

9. This section applies to class AA licensed wrecker operators in their capacity as wrecker operators with respect to all types of personal property, regardless of whether that personal property has a certificate of title.

10. For a vehicle abandoned at a salvage pool, if the cost of repairing the vehicle for safe operation on the highway does not exceed sixty percent (60%) of the fair market value of the vehicle as defined in Section 1111 of Title 47 of the Oklahoma Statutes, a salvage title shall not be required.

The fee for the inspection shall be Four Dollars (\$4.00). The motor license agent shall retain Three Dollars (\$3.00) of the fee. Fees received by a motor license agent or an authorized employee thereof shall be handled and accounted for in the manner as prescribed by law for any other fees paid to or received by a motor license agent. Out-of-state vehicles brought into this state by a person licensed in another state to sell new or used vehicles to be sold within this state at a motor vehicle auction which is limited to dealer to dealer transactions shall not be required to be inspected, unless the vehicle is purchased by an Oklahoma dealer. Any person licensed in another state to sell new or used motor vehicles, who offers a motor vehicle for sale within this state at a motor vehicle auction which is limited to dealer-to-dealer transactions, shall not be within the definition of "owner" in Section 1102 of this title, for purposes of Section 1101 et seq. of this title.

Upon recovery of the vehicle, the ownership shall be transferred by an original title, salvage title, or junked title, as may be appropriate based upon an estimate of the amount of loss submitted by the insurer.

P. The owner of any vehicle which is incapable of operation or use on the public roads and has no resale value, except as parts, scrap or junk, may deliver the certificate of title to the vehicle to the Tax Commission for cancellation. The prescribed ownership form shall include the names and addresses of the buyer and seller, the driver license number or social security number of the seller, the make and model of the vehicle, and the public vehicle identification number. If there is no public vehicle identification number, the vehicle shall be inspected by a law enforcement officer to verify the absence of the number on the vehicle and the prescribed ownership form shall include a signed statement, by such officer, verifying the absence of the number.

The certificate of ownership shall be completed in triplicate. The buyer and seller shall each retain a copy. Within thirty (30) days of the transaction, the seller shall submit one copy to the Tax Commission or a motor license agent accompanied with a fee of Four Dollars (\$4.00). One Dollar (\$1.00) shall be retained by the motor license agent and Three Dollars (\$3.00) shall be deposited in the Oklahoma Tax Commission Reimbursement Fund in the State Treasury.

Upon receipt of the certificate, the Tax Commission shall verify that any perfected lien upon the vehicle has been released. If the lien is not released, the Tax Commission shall mail notice of the transfer to the lienholder at the lienholder's last-known address. If a certificate of title has been issued, it shall be canceled and the vehicle identification number shall be preserved in the computer of the Tax Commission for at least five (5) years. The buyer of the vehicle may not be sued and shall not be liable for monetary damages to the lienholder, however, the vehicle shall be subject to a valid repossession by a lienholder.

The licensed seller shall supply the Tax Commission the title number, the vehicle identification number and the foreign buyer's bid identification number on a form prescribed by the Tax Commission. The Tax Commission shall cancel the title, and the vehicle identification number shall be preserved in the computer files of the Tax Commission for a period of not less than five (5) years.

U. The Tax Commission shall not be considered a necessary party to any lawsuit which is instigated for the purpose of determining ownership of a vehicle, wherein the Tax Commission's only involvement would be to issue title, and the court shall issue an order dismissing the Tax Commission from the pending action. In the event no other party or lien holder can be identified as to ownership or claim, the Tax Commission shall accept an affidavit of ownership from the party claiming ownership and issue proper title thereon.

Except as provided by Section 1113A of this title, the license plate shall be affixed to the exterior of the vehicle until a replacement license plate is applied for. If the owner applies for a replacement license plate, the Tax Commission shall charge the fee

provided for in Section 1114 of this title. The yearly decal will validate the license plate for each registration period other than the year the license plate is issued. The license plate and decal shall be of such size, color, design and numbering as the Tax Commission may direct. However, yearly decals issued to the owner of a vehicle who has filed an affidavit with the appropriate motor license agent in accordance with Section 7-607 of this title shall be a separate and distinct color from all other decals issued under this section.

The license plate, decal and all letters and numbers shall be clearly visible at all times. The operation of a vehicle in this state, regardless of where such vehicle is registered, upon which the license plate is covered, overlaid or otherwise screened with any material, whether such material be clear, translucent, tinted or opaque, shall be a violation of this paragraph.

Upon payment of the annual registration fee provided in Section 1133 of this title, the Tax Commission or Corporation Commission, as applicable, or a motor license agent may issue a permanent nonexpiring license plate to an owner of one hundred or more commercial motor vehicles and for vehicles registered under the provisions of Section 1120 of this title. In such instances the reason for not issuing a certificate of title shall be indicated on the receipt given to the applicant. It shall still be the duty of the applicant to immediately take all necessary steps to obtain the Oklahoma certificate of title and it shall be unlawful for the applicant to sell the vehicle until the certificate has been obtained in the applicant's name.

D. The certificate of registration provided for in this section shall be in convenient form, and the certificate of registration, or a certified copy or photostatic copy thereof, duly authenticated by the Tax Commission or Corporation Commission, as applicable, shall

be carried at all times in or upon commercial vehicles so registered, in such manner as to permit a ready examination thereof upon demand by any peace officer of the state or duly authorized employee of the Department of Public Safety. Any such officer or agent may seize and hold such commercial vehicle when the operator of the same does not have the registration certificate in the operator's possession or when any such officer or agent determines that the registration certificate has been obtained by misrepresentation of any essential or material fact or when any number or identifying information appearing on such certificate has been changed, altered, obliterated or concealed in any way, until the proper registration or identification of such vehicle has been made or produced by the owner thereof.

2. There shall be levied an excise tax of Ten Dollars (\$10.00) for any:

- a. truck or truck-tractor registered under the provisions of subsection A of Section 1133 of Title 47 of the Oklahoma Statutes, for a laden weight or combined laden weight of fifty-four thousand one (54,001) pounds or more,

- c. frac tank, as defined by Section 54 of Title 17 of the Oklahoma Statutes, and registered under subsection C of Section 1133 of Title 47 of the Oklahoma Statutes.

Except for frac tanks, the excise tax levied pursuant to this paragraph shall not apply to special mobilized machinery, trailers, or semitrailers manufactured, modified or remanufactured for the purpose of providing services other than transporting cargo over the highways of this state. The excise tax levied pursuant to this paragraph shall also not apply to pickup trucks, vans, or sport utility vehicles.

3. The tax levied pursuant to this section shall be due at the time of the transfer of legal ownership or first registration in this state of such vehicle; provided, the tax shall not be due at the time of the issuance of a certificate of title for an all-terrain vehicle, utility vehicle or motorcycle used exclusively off roads and highways which is not required to be registered but which the owner chooses to register pursuant to the provisions of subsection B of Section 1115.3 of Title 47 of the Oklahoma Statutes, and shall be collected by the Oklahoma Tax Commission or Corporation Commission, as applicable, or an appointed motor license agent, at the time of the issuance of a certificate of title for any such vehicle. In the event an excise tax is collected on the transfer of legal ownership or use of the vehicle during any calendar year, then an additional excise tax must be collected upon all subsequent transfers of legal ownership. In computing the motor vehicle excise tax, the amount collected shall be rounded to the nearest dollar. The excise tax levied by this section shall be delinquent from and after the thirtieth day after the legal ownership or possession of any vehicle is obtained. Any person failing or refusing to pay the tax as herein provided on or before date of delinquency shall pay in addition to the tax a penalty of twenty-five cents (\$0.25) per day for each day of delinquency, but such penalty shall in no event exceed the amount of the tax.

B. The excise tax levied in subsection A of this section assessed on all commercial vehicles registered pursuant to Section 1120 of Title 47 of the Oklahoma Statutes shall be in lieu of all sales and use taxes levied pursuant to the Sales Tax Code or the Use Tax Code. The transfer of legal ownership of any motor vehicle as used in this section and the Sales Tax Code and the Use Tax Code shall include the lease, lease purchase or lease finance agreement involving any truck in excess of eight thousand (8,000) pounds combined laden weight or any truck-tractor provided the vehicle is registered in Oklahoma pursuant to Section 1120 of Title 47 of the Oklahoma Statutes or any frac tank, trailer, semitrailer or open commercial vehicle registered pursuant to Section 1133 of Title 47 of the Oklahoma Statutes. The excise tax levied pursuant to this section shall not be subsequently collected at the end of the lease period if the lessee acquires complete legal title of the vehicle.

C. The provisions of this section shall not apply to transfers made without consideration between:

1. Husband and wife;
2. Parent and child; or

3. An individual and an express trust which that individual or the spouse, child or parent of that individual has a right to revoke.

D. 1. There shall be a credit allowed with respect to the excise tax paid for a new vehicle which is a replacement for:

- a. a new original vehicle which is stolen from the purchaser/registrant within ninety (90) days of the date of purchase of the original vehicle as certified by a police report or other documentation as required by the Tax Commission, or
- b. a defective new original vehicle returned by the purchaser/registrant to the seller within six (6) months of the date of purchase of the defective new original vehicle as certified by the manufacturer.

2. The credit allowed pursuant to paragraph 1 of this subsection shall be in the amount of the excise tax which was paid for the new original vehicle and shall be applied to the excise tax due on the replacement vehicle. In no event shall the credit be refunded.

E. Despite any other definitions of the terms "new vehicle" and "used vehicle", to the contrary, contained in any other law, the term "new vehicle" as used in this section shall also include any vehicle of the latest manufactured model which is owned or acquired by a licensed used motor vehicle dealer which has not previously been registered in this state and upon which the motor vehicle excise tax as set forth in this section has not been paid. However, upon the sale or transfer by a licensed used motor vehicle dealer located in this state of any such vehicle which is the latest manufactured model, the vehicle shall be considered a used vehicle for purposes of determining excise tax.
