SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 134.1 of Title 17, unless there is created a duplication in numbering, reads as follows:

When scheduling routine services, a telephone company shall provide the customer with an estimate of no more than two (2) hours within which the service is scheduled to be made. Provided, this section shall not apply to service calls scheduled during a natural disaster or a major power outage. The Corporation Commission shall promulgate rules to carry out and enforce the provisions of this act.
