2 Statutes as Section 7.2 of Title 5, unless there is created a duplication in numbering,
3 reads as follows:

4 In class actions, if a request for an award of attorney fees is made, the court shall
5 appoint an attorney to represent the class upon request by any members of the class in a
6 hearing on the issue of the amount of attorney fees only. Said attorney shall be
7 independent of the attorney or attorneys seeking attorney fees in the class action and
8 said independent attorney shall be awarded reasonable fees by the court on an hourly
9 basis out of the proceeds awarded to the class.

1 SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma
2 Statutes as Section 191 of Title 12, unless there is created a duplication in numbering,
3 reads as follows:

4 A. 1. In any action not arising out of contract, wherein the party intends or is
5 required by law to use a qualified expert to prove liability, except as provided in
6 subsection B of this section, the party shall file within sixty (60) days of filing the petition
7 an affidavit attesting that:

8 a. the party has consulted and reviewed the facts of the claim with a
9 qualified expert,

10 b. the party has obtained a written opinion from a qualified expert that
11 clearly identifies the party and includes the expert's determination
12 that, based upon a review of the pertinent records, facts or other
13 relevant material, a reasonable interpretation of the facts supports a
14 finding of liability of the adverse party against whom the action is
15 brought, and

16 c. on the basis of the qualified expert's review and consultation, the party
17 has concluded that the claim is meritorious and based on good cause.

18 2. If the civil action is filed:

19 a. without an affidavit being attached to the petition, as required in
20 paragraph 1 of this subsection, and

21 b. no extension of time is subsequently granted by the court, pursuant to
22 subsection B of this section,

1 the court shall, upon motion of the adverse party, dismiss the action.

2 3. The written opinion from the qualified expert shall state the acts or omissions of
3 the adverse party or parties that the expert then believes establish liability and shall
4 include reasons explaining why the acts or omissions establish such liability. The
5 written opinion from the qualified expert shall not be admissible at trial for any purpose
6 nor shall any inquiry be permitted with regard to the written opinion for any purpose
7 either in discovery or at trial.

8 B. 1. The court may, upon application of the party for good cause shown, grant the
9 party an extension of time, not exceeding ninety (90) days after the date the petition is
10 filed, to file in the action an affidavit attesting that the party has obtained a written
11 opinion from a qualified expert as described in paragraph 1 of subsection A of this
12 section.

13 2. If on the expiration of an extension period described in paragraph 1 of this
14 subsection, the party has failed to file in the action an affidavit as described above, the
15 court shall, upon motion of the adverse party, unless good cause is shown for such
16 failure, dismiss the action without prejudice to its refiling.

17 C. 1. Upon written request of any adverse party in any action not arising out of
18 contract, the party shall, within ten (10) business days after receipt of such request,

21 affidavit filed pursuant to subsection A or B of this section, and

1 b. an authorization from the party in a form that complies with
2 applicable state and federal laws, including the Health Insurance
3 Portability and Accountability Act of 1996, for the release of any and
4 all medical records and bills related to the party for a period
5 commencing ten (10) years prior to the incident that is at issue.

6 2. If the party fails to comply with paragraph 1 of this subsection, the court shall,
7 upon motion of the adverse party, unless good cause is shown for such failure, dismiss
8 the action.

9 SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma
10 Statutes as Section 577.4 of Title 12, unless there is created a duplication in numbering,
11 reads as follows:

12 The Oklahoma Uniform Jury Instructions (OUJI) applicable in a civil case shall
13 include an instruction notifying the jury that no part of an award for damages for
14 personal injury or wrongful death is subject to federal or state income tax. Any amount
15 that the jury determines to be proper compensation for personal injury or wrongful death
16 should not be increased or decreased by any consideration for income taxes.

17 SECTION 4. AMENDATORY 12 O.S. 2001, Section 588, is amended to read as
18 follows:

19 Section 588. In all cases the jury shall render a general verdict, ~~and the court may~~
20 ~~in any case at the request of~~ unless the parties thereto, or either of them shall have
21 requested, in addition to the general verdict, ~~direct that~~ the jury to find upon particular
22 questions of fact, to be stated in writing by the party or parties requesting the same.

1 Upon receipt of a request for a finding upon particular questions of fact, the court shall so
2 direct the jury.

3 SECTION 5. AMENDATORY 12 O.S. 2001, Section 684, as amended by
4 Section 4, Chapter 368, O.S.L. 2004 (12 O.S. Supp. 2006, Section 684), is amended to
5 read as follows:

6 Section 684. A. ~~Except as provided in Section 5 of this act, an~~ An action may be
7 dismissed ~~on the payment of costs and by the plaintiff~~ without an order of court by the
8 plaintiff filing a notice of dismissal at any time before ~~a petition of intervention or~~
9 ~~answer praying for affirmative relief against the plaintiff is filed in the action.~~ A
10 ~~plaintiff may, at any time before the trial is commenced, on payment of the costs and~~
11 ~~without any order of court, dismiss the action after the filing of a petition of intervention~~
12 ~~or answer praying for affirmative relief, but such dismissal shall not prejudice the right~~
13 ~~of the intervenor or defendant to proceed with the action. Any defendant or intervenor~~
14 ~~may, in like manner, dismiss an action against the plaintiff, without an order of court, at~~
15 ~~any time before the trial is begun, on payment of the costs made on the claim filed by the~~
16 ~~defendant or intervenor. All parties to a civil action may at any time before trial, without~~
17 ~~an order of court, and on payment of costs, by agreement, dismiss the action.~~

18 ~~B. Such dismissal shall be in writing and signed by the party or the attorney for the~~
19 ~~party, and shall be filed with the clerk of the district court where the action is pending,~~
20 ~~who shall note the fact on the proper record. Provided, such dismissal shall be held to be~~
21 ~~without prejudice, unless the words "with prejudice" be expressed therein.~~

1 C. ~~When an action is dismissed after a jury in the action is empanelled and the case~~
2 ~~is subsequently refiled, the court, at the conclusion of the subsequent action, may assess~~
3 ~~costs and attorney fees incurred in the previous action by the defendants subsequent to~~
4 ~~the jury being empanelled~~ service by the adverse party of an answer or of a motion for
5 summary judgment, whichever first occurs, or by filing a stipulation for dismissal signed
6 by all parties who have appeared in the action; provided, if a plaintiff files a notice of
7 dismissal after discovery has commenced, any such action shall not be dismissed without
8 prejudice without the consent of the defendant. Unless otherwise stated in the notice of
9 dismissal or stipulation, the dismissal is without prejudice, except that a notice of
10 dismissal operates as an adjudication upon the merits when filed by a plaintiff who has
11 once dismissed in any court of the United States or of any state an action based on or
12 including the same claim.

13 B. Except as provided in subsection A of this section, an action shall not be
14 dismissed at the plaintiff's instance except upon order of the court and upon such terms
15 and conditions as the court deems proper. If a counterclaim has been pleaded by a
16 defendant prior to the service upon the defendant of the plaintiff's motion to dismiss, the
17 action shall not be dismissed against the defendant's objection unless the counterclaims
18 can remain pending for independent adjudication by the court. Unless otherwise
19 specified in the order, a dismissal under this subsection is without prejudice.

20 C. For failure of the plaintiff to prosecute or to comply with the provisions of this
21 section or any order of court, a defendant may move for dismissal of an action or of any
22 claim against the defendant. Unless the court in its order for dismissal otherwise

1 specifies, a dismissal under this subsection and any dismissal not provided for in this
2 section, other than a dismissal for lack of jurisdiction, for improper venue, or for failure
3 to join a party, operates as an adjudication upon the merits.

4 D. The provisions of this section apply to the dismissal of any counterclaim, cross-
5 claim, or third-party claim. A voluntary dismissal by the claimant alone pursuant to
6 subsection A of this section shall be made before a responsive pleading is served or, if
7 there is none, before the introduction of evidence at the trial or hearing.

8 If a plaintiff who has once dismissed an action in any court commences an action
9 based upon or including the same claim against the same defendant, the court may make
10 such order for the payment of costs of the action previously dismissed as it may deem
11 proper and may stay the proceedings in the action until the plaintiff has complied with
12 the order. If an action is refiled and the plaintiff does not comply with the time limits for
13 service required by subsection I of Section 2004 of this title, the action shall be dismissed
14 with prejudice.

15 SECTION 6. AMENDATORY Section 7, Chapter 368, O.S.L. 2004 (12 O.S.
16 Supp. 2006, Section 727.1), is amended to read as follows:

17 Section 727.1

18 POSTJUDGMENT INTEREST

19 A. 1. Except as otherwise provided by this section, all judgments of courts of
20 record, including costs and attorney fees authorized by statute or otherwise and allowed
21 by the court, shall bear interest at a rate prescribed pursuant to this section.

1 2. Costs and attorney fees allowed by the court shall bear interest from the earlier
2 of the date the judgment or order is pronounced, if expressly stated in the written
3 judgment or order awarding the costs and attorney fees, or the date the judgment or
4 order is filed with the court clerk.

5 B. Judgments, including costs and attorney fees authorized by statute or otherwise
6 and allowed by the court, against this state or its political subdivisions, including
7 counties, municipalities, school districts, and public trusts of which this state or a
8 political subdivision of this state is a beneficiary, shall bear interest during the term of
9 judgment at a rate prescribed pursuant to this section from the date of rendition. No
10 judgment against this state or its political subdivisions, including counties,
11 municipalities, school districts, and public trusts of which this state or a political
12 subdivision of this state is a beneficiary, inclusive of postjudgment interest, shall exceed
13 the total amount of liability of the governmental entity pursuant to The Governmental
14 Tort Claims Act.

15 C. The postjudgment interest authorized by subsection A or subsection B of this
16 section shall accrue from the earlier of the date the judgment is rendered as expressly
17 stated in the judgment, or the date the judgment is filed with the court clerk, and shall
18 initially accrue at the rate in effect for the calendar year during which the judgment is
19 rendered until the end of the calendar year in which the judgment was rendered, or until
20 the judgment is paid, whichever first occurs. Beginning on January 1 of the next
21 succeeding calendar year until the end of that calendar year, or until the judgment is
22 paid, whichever first occurs, the judgment, together with postjudgment interest

1 previously accrued, shall bear interest at the rate in effect for judgments rendered during
2 that calendar year as certified by the Administrative Director of the Courts pursuant to
3 subsection I of this section. For each succeeding calendar year, or part of a calendar
4 year, during which a judgment remains unpaid, the judgment, together with
5 postjudgment interest previously accrued, shall bear interest at the rate in effect for
6 judgments rendered during that calendar year as certified by the Administrative
7 Director of the Courts pursuant to subsection I of this section. A separate computation
8 using the interest rate in effect for judgments as provided by subsection I of this section
9 shall be made for each calendar year, or part of a calendar year, during which the
10 judgment remains unpaid in order to determine the total amount of interest for which
11 the judgment debtor is liable. The postjudgment interest rate for each calendar year or
12 part of a calendar year a judgment remains unpaid shall be multiplied by the original
13 amount of the judgment, including any prejudgment interest, together with
14 postjudgment interest previously accrued. Interest shall accrue on a judgment in the
15 manner prescribed by this subsection until the judgment is satisfied or released.

16 D. If a rate of interest is specified in a contract, the rate specified shall apply and
17 be stated in the journal entry of judgment. The rate of interest shall not exceed the
18 lawful rate for that obligation. Postjudgment interest shall be calculated and accrued in
19 the same manner as prescribed in subsection C of this section.

20 PREJUDGMENT INTEREST

21 E. Except as provided by subsection F of this section ~~or Section 1-1708.1G of Title~~
22 ~~63 of the Oklahoma Statutes,~~ beginning November 1, 2007, if a verdict for damages by

1 reason of personal injuries or injury to personal rights including, but not limited to,
2 injury resulting from bodily restraint, personal insult, defamation, invasion of privacy,
3 injury to personal relations, or detriment due to an act or omission of another is accepted
4 by the trial court, the court in rendering judgment shall add interest on the verdict at a
5 rate prescribed pursuant to subsection I of this section from the date which is thirty-six
6 (36) months after the suit resulting in the judgment was commenced to the earlier of the
7 date the verdict is accepted by the trial court as expressly stated in the judgment, or the
8 date the judgment is filed with the court clerk. No prejudgment interest shall begin to
9 accrue until thirty-six (36) months after the suit resulting in the judgment was
10 commenced. The interest rate for computation of prejudgment interest shall begin with
11 the rate prescribed by subsection I of this section which is in effect for the calendar year
12 ~~in~~ which is thirty-six (36) months after the suit resulting in the judgment ~~is~~ was
13 commenced. This rate shall be in effect until the end of the calendar year in which ~~the~~
14 ~~suit resulting in judgment was filed~~ interest begins to accrue or until the date judgment
15 is filed, whichever first occurs. Beginning on January 1 of the next succeeding calendar
16 year until the end of that calendar year, or until the date the judgment is filed,
17 whichever first occurs, and for each succeeding calendar year thereafter, the
18 prejudgment interest rate shall be the rate in effect for judgments rendered during each
19 calendar year as certified by the Administrative Director of the Courts pursuant to
20 subsection I of this section. After the computation of all prejudgment interest has been
21 completed, the total amount of prejudgment interest shall be added to the amount of the
22 judgment rendered pursuant to the trial of the action, and the total amount of the

1 resulting judgment shall become the amount upon which postjudgment interest is
2 computed pursuant to subsection A of this section.

3 F. If a verdict of the type described by subsection E of this section is rendered
4 against this state or its political subdivisions, including counties, municipalities, school
5 districts, and public trusts of which this state or a political subdivision of this state is a
6 beneficiary, the judgment shall bear interest at the rate prescribed pursuant to
7 subsection I of this section from the date the suit was commenced to the earlier of the
8 date the verdict is accepted by the trial court as expressly stated in the judgment or the
9 date the judgment is filed with the court clerk. The interest rate for computation of
10 prejudgment interest shall begin with the rate prescribed by subsection I of this section
11 which is in effect for the calendar year in which the suit resulting in the judgment is
12 commenced. This rate shall be in effect until the end of the calendar year in which the
13 suit resulting in judgment was filed or until the date the judgment is rendered as
14 expressly stated in the judgment, whichever first occurs. Beginning on January 1 of the
15 next succeeding calendar year until the end of that calendar year, or until the date
16 judgment is rendered, whichever first occurs, and for each succeeding calendar year
17 thereafter, the prejudgment interest rate shall be the rate in effect for judgments
18 rendered during each calendar year as certified by the Administrative Director of the
19 Courts pursuant to subsection I of this section. After the computation of prejudgment
20 interest has been completed, the amount shall be added to the amount of the judgment
21 rendered pursuant to the trial of the action, and the total amount of the resulting
22 judgment shall become the amount upon which postjudgment interest is computed

1 pursuant to subsection B of this section. No award of prejudgment interest against this
2 state or its political subdivisions, including counties, municipalities, school districts, and
3 public trusts of which this state or a political subdivision of this state is a beneficiary,
4 including the amount of the judgment awarded pursuant to trial of the action, shall
5 exceed the total amount of liability of the governmental entity pursuant to The
6 Governmental Tort Claims Act.

7 G. If exemplary or punitive damages are awarded in an action for personal injury
8 or injury to personal rights including, but not limited to, injury resulting from bodily
9 restraint, personal insult, defamation, invasion of privacy, injury to personal relations, or
10 detriment due to an act or omission of another, the interest on that award shall begin to
11 accrue from the earlier of the date the judgment is rendered as expressly stated in the
12 judgment, or the date the judgment is filed with the court clerk.

13 H. If a judgment is rendered establishing the existence of a lien against property
14 and no rate of interest exists, the court shall allow prejudgment interest at a rate
15 prescribed pursuant to subsection I of this section from the date the lien is filed to the
16 date of verdict.

17 I. For purposes of computing either postjudgment interest or prejudgment interest
18 as authorized by this section, interest shall be ~~the prime rate, as listed in the first edition~~
19 ~~of the Wall Street Journal published for each calendar year and as certified to the~~
20 ~~Administrative Director of the Courts by the State Treasurer on the first regular~~
21 ~~business day following publication in January of each year, plus two percent (2%)~~
22 determined using a rate equal to the average United States Treasury Bill rate of the

1 preceding calendar year as certified to the Administrative Director of the Courts by the
2 State Treasurer on the first regular business day in January of each year.

3 J. For purposes of computing postjudgment interest, the provisions of this section
4 shall be applicable to all judgments of the district courts rendered on or after January 1,
5 2005. Effective January 1, 2005, the method for computing postjudgment interest
6 prescribed by this section shall be applicable to all judgments remaining unpaid rendered
7 prior to January 1, 2005.

8 K. For purposes of computing prejudgment interest, the provisions of this section
9 shall be applicable to all actions which are filed in the district courts on or after January
10 1, 2005, for which an award of prejudgment interest is authorized by the provisions of
11 this section.

12 SECTION 7. AMENDATORY 12 O.S. 2001, Section 990.4, as last amended by
13 Section 6, Chapter 1, O.S.L. 2005 (12 O.S. Supp. 2006, Section 990.4), is amended to read
14 as follows:

15 Section 990.4 A. Except as provided in subsection C of this section, a party may
16 obtain a stay of the enforcement of a judgment, decree or final order:

17 1. While a post-trial motion is pending;

18 2. During the time in which an appeal may be commenced in any court in or
19 outside of this state; or

20 3. While an appeal is pending in any court in or outside of this state.

21 Such stay may be obtained by filing with the court clerk a written undertaking and the
22 posting of a supersedeas bond or other security as provided in this section. In the

1 undertaking the appellant shall agree to satisfy the judgment, decree or final order, and
2 pay the costs and interest on appeal, if it is affirmed. The undertaking and supersedeas
3 bond or security may be given at any time. The stay is effective when the bond and the
4 sufficiency of the sureties are approved by the trial court or the security is deposited with
5 the court clerk. The enforcement of the judgment, decree or order shall no longer be
6 stayed, and the judgment, decree or order may be enforced against any surety on the
7 bond or other security:

8 1. If neither a post-trial motion nor a petition in error is filed, and the time for
9 appeal has expired;

10 2. If a post-trial motion is no longer pending, no petition in error has been filed, and
11 the time for appeal has expired; or

12 3. If an appeal is no longer pending.

13 B. The amount of the bond or other security shall be as follows:

14 1. When the judgment, decree or final order is for payment of money:

15 a. subject to the limitations hereinafter provided, the bond shall be
16 double the amount of the judgment, decree or final order, unless the
17 bond is executed or guaranteed by a surety as hereinafter provided.
18 The bond shall be for the amount of the judgment, decree or order
19 including costs and interest on appeal where it is executed or
20 guaranteed by an entity with suretyship powers as provided by the
21 laws of Oklahoma. In no case shall the bond exceed Twenty-five
22 Million Dollars (\$25,000,000.00). If the party posting the supersedeas

1 bond is an individual or a business with two hundred fifty (250)
2 employees or less on the date of the judgment, the supersedeas bond
3 may under no circumstances be governed by any part of this section
4 not to exceed One Million Dollars (\$1,000,000.00). On a showing by
5 the judgment debtor that the judgment debtor is likely to suffer
6 substantial economic harm if required to post bond in the amount
7 required by this paragraph, the court shall balance the likely
8 substantial economic harm to the judgment debtor with the ability of
9 the judgment creditor to collect the judgment in the event the
10 judgment is affirmed on appeal and may lower the bond accordingly.
11 “Substantial economic harm” means insolvency or creating a
12 significant risk of insolvency. ~~The court shall not lower a bond as~~
13 ~~provided in this paragraph to the extent there is in effect an insurance~~
14 ~~policy, or agreement under which a third party is liable to satisfy part~~
15 ~~or all of the judgment entered and such party is required to post all or~~
16 ~~part of the bond. Upon lowering the bond as provided in this~~
17 ~~paragraph, the court shall enter an order enjoining a judgment debtor~~
18 ~~from dissipating or transferring assets to avoid satisfaction of the~~
19 ~~judgment, but the court shall not make any order that interferes with~~
20 ~~the judgment debtor’s use of assets in the normal course of business~~ If
21 it is proved by a preponderance of the evidence that the appellant for
22 whom the bond has been limited pursuant to this subparagraph is

1 intentionally dissipating or diverting assets outside of the ordinary
2 course of its business for the purpose of avoiding payment of the
3 judgment, the court shall enter such orders as are necessary to prevent
4 dissipation or diversion, including, but not limited to, requiring that a
5 bond be posted equal to the full amount of security required pursuant
6 to this section, and

7 b. instead of filing a supersedeas bond, the appellant may obtain a stay
8 by depositing cash with the court clerk in the amount of the judgment
9 or order plus an amount that the court determines will cover costs and
10 interest on appeal. The court shall have discretion to accept United
11 States Treasury notes or general obligation bonds of the State of
12 Oklahoma in lieu of cash. If the court accepts such notes or bonds, it
13 shall make appropriate orders for their safekeeping and maintenance
14 during the stay;

15 2. When the judgment, decree or final order directs execution of a conveyance or
16 other instrument, the amount of the bond shall be determined by the court. Instead of
17 posting a supersedeas bond or other security, the appellant may execute the conveyance
18 or other instrument and deliver it to the clerk of the court for deposit with a public or
19 private entity for safekeeping, as directed by the court in writing;

20 3. When the judgment, decree or final order directs the delivery of possession of
21 real or personal property, the bond shall be in an amount, to be determined by the court,
22 that will protect the interests of the parties. The court may consider the value of the use

1 of the property, any waste that may be committed on or to the property during the
2 pendency of the stay, the value of the property, and all costs. When the judgment, decree
3 or final order is for the sale of mortgaged premises and the payment of a deficiency
4 arising from the sale, the bond must also provide for the payment of the deficiency;

5 4. When the judgment or final order directs the assignment or delivery of
6 documents, they may be placed in the custody of the clerk of the court in which the
7 judgment or order was rendered, for deposit with a public or private entity for
8 safekeeping during the pendency of the stay, as directed by the court in writing, or the
9 bond shall be in such sum as may be prescribed by the court; or

10 5. In order to protect any monies payable to the Tobacco Settlement Fund as set
11 forth in Section 50 of Title 62 of the Oklahoma Statutes, the bond in any action or
12 litigation brought under any legal theory involving a signatory, successor of a signatory
13 or an affiliate of a signatory to the Master Settlement Agreement dated November 23,
14 1998, or a signatory, successor of a signatory or an affiliate of a signatory to the
15 Smokeless Tobacco Master Settlement Agreement, also dated November 23, 1998, shall
16 be in an amount not to exceed one hundred percent (100%) of the judgment, exclusive of
17 interest and costs, ten percent (10%) of the net worth of the judgment debtor, or Twenty-
18 five Million Dollars (\$25,000,000.00), whichever is less. However, if it is proved by a
19 preponderance of the evidence that the appellant for whom the bond has been limited
20 pursuant to this paragraph is intentionally dissipating or diverting assets outside of the
21 ordinary course of its business for the purpose of avoiding payment of the judgment, the
22 court shall enter such orders as are necessary to prevent dissipation or diversion,

1 including, but not limited to, requiring that a bond be posted equal to the full amount of
2 security required pursuant to this section. For purposes of this paragraph, “Master
3 Settlement Agreement” shall have the same meaning as that term is defined in
4 paragraph 5 of Section 600.22 of Title 37 of the Oklahoma Statutes, and “Smokeless
5 Tobacco Master Settlement Agreement” means the settlement agreement and related
6 documents entered into on November 23, 1998, by this state and leading United States
7 smokeless tobacco product manufacturers.

8 C. Subsections A and B of this section shall not apply in actions involving
9 temporary or permanent injunctions, actions for divorce, separate maintenance,
10 annulment, paternity, custody, adoption, or termination of parental rights, or in juvenile
11 matters, post-decree matrimonial proceedings or habeas corpus proceedings. The trial or
12 appellate court, in its discretion, may stay the enforcement of any provision in a
13 judgment, decree or final order in any of the types of actions or proceedings listed in this
14 subsection during the pendency of the appeal or while any post-trial motion is pending
15 upon such terms as to bond or otherwise as it considers proper for the security of the
16 rights of the parties. If a temporary or permanent injunction is denied or dissolved, the
17 trial or appellate court, in its discretion, may restore or grant an injunction during the
18 pendency of the appeal and while any post-trial motions are pending upon such terms as
19 to bond or otherwise as it considers proper for the security of the rights of the parties.

20 D. In any action not provided for in ~~subsections~~ subsection A, B or C of this section,
21 the court may stay the enforcement of any judgment, decree or final order during the

1 pendency of the appeal or while any post-trial motion is pending upon such terms as to
2 bond or otherwise as it considers proper for the security of the rights of the parties.

3 E. The trial court shall have continuing jurisdiction during the pendency of any
4 post-trial motion and appeal to modify any order it has entered regarding security or
5 other conditions in connection with a stay.

6 F. The execution of a supersedeas bond shall not be a condition for the granting of a
7 stay of judgment, decree or final order of any judicial tribunal against any county,
8 municipality, or other political subdivision of the State of Oklahoma.

9 G. Executors, administrators and guardians who have given bond in this state,
10 with sureties, according to law, are not required to provide a supersedeas bond if they are
11 granted a stay of enforcement of a judgment, decree or final order.

12 H. After an appeal has been decided, but before the mandate has issued, a party
13 whose trial court judgment has been affirmed, may move the appellate court to order
14 judgment on the bond or other security in the amount of the judgment plus interest,
15 appeals costs and allowable appeal-related attorney fees. After mandate has issued, a
16 party who has posted a bond or other security may move for exoneration of the bond or
17 other security only in the trial court; and all motions concerning the bond or other
18 security must be addressed to the trial court.

19 I. Appeal bonds shall not be required for appeals of punitive damages.

20 SECTION 8. AMENDATORY 12 O.S. 2001, Section 2004, as amended by
21 Section 7, Chapter 402, O.S.L. 2002 (12 O.S. Supp. 2006, Section 2004), is amended to
22 read as follows:

1 Section 2004.

2 PROCESS

3 A. SUMMONS: ISSUANCE. Upon filing of the petition, the clerk shall forthwith
4 issue a summons. Upon request of the plaintiff separate or additional summons shall
5 issue against any defendants.

6 B. SUMMONS: FORM.

7 1. The summons shall be signed by the clerk, be under the seal of the court, contain
8 the name of the court and the names of the parties, be directed to the defendant, state
9 the name and address of the plaintiff's attorney, if any, otherwise, the plaintiff's address,
10 and the time within which these rules require the defendant to appear and defend, and
11 shall notify the defendant that in case of failure to appear, judgment by default will be
12 rendered against the defendant for the relief demanded in the petition.

13 2. A judgment by default shall not be different in kind from or exceed in amount
14 that prayed for in either the demand for judgment or in cases not sounding in contract in
15 a notice which has been given the party against whom default judgment is sought.
16 Except as to a party against whom a judgment is entered by default, every final
17 judgment shall grant the relief to which the party in whose favor it is rendered is
18 entitled, even if the party has not demanded such relief in his or her pleadings.

19 C. BY WHOM SERVED: PERSON TO BE SERVED.

20 1. SERVICE BY PERSONAL DELIVERY.

21 a. At the election of the plaintiff, process, other than a subpoena, shall be
22 served by a sheriff or deputy sheriff, a person licensed to make service

1 of process in civil cases, or a person specially appointed for that
2 purpose. The court shall freely make special appointments to serve all
3 process, other than a subpoena, under this paragraph.

4 b. A summons to be served by the sheriff or deputy sheriff shall be
5 delivered to the sheriff by the court clerk or an attorney of record for
6 the plaintiff. When a summons, subpoena, or other process is to be
7 served by the sheriff or deputy sheriff of another county, the court
8 clerk shall mail it, together with his voucher for the fees collected for
9 the service, to the sheriff of that county. The sheriff shall deposit the
10 voucher in the Sheriff's Service Fee Account created pursuant to
11 Section 514.1 of Title 19 of the Oklahoma Statutes. The sheriff or
12 deputy sheriff shall serve the process in the manner that other process
13 issued out of the court of the sheriff's own county is served. A
14 summons to be served by a person licensed to make service of process
15 in civil cases or by a person specially appointed for that purpose shall
16 be delivered by an attorney of record for the plaintiff to such person.

17 c. Service shall be made as follows:
18 (1) Upon an individual other than an infant who is less than fifteen
19 (15) years of age or an incompetent person, by delivering a copy
20 of the summons and of the petition personally or by leaving
21 copies thereof at the person's dwelling house or usual place of
22 abode with some person then residing therein who is fifteen (15)

9 serving the summons and petition personally and upon the
10 incompetent person's guardian;

11 (3) Upon a domestic or foreign corporation or upon a partnership or
12 other unincorporated association which is subject to suit under a
13 common name, by delivering a copy of the summons and of the
14 petition to an officer, a managing or general agent, or to any
15 other agent authorized by appointment or by law to receive
16 service of process and, if the agent is one authorized by statute
17 to receive service and the statute so requires, by also mailing a
18 copy to the defendant;

19 (4) Upon the United States or an officer or agency thereof in the
20 manner specified by Federal Rule of Civil Procedure 4;

21 (5) Upon a state, county, school district, public trust or municipal
22 corporation or other governmental organization thereof subject

1 to suit, by delivering a copy of the summons and of the petition
2 to the officer or individual designated by specific statute;
3 however, if there is no statute, then upon the chief executive
4 officer or a clerk, secretary, or other official whose duty it is to
5 maintain the official records of the organization; and

6 (6) Upon an inmate incarcerated in an institution under the
7 jurisdiction and control of the Department of Corrections, by
8 delivering a copy of the summons and of the petition to the
9 warden or superintendent or the designee of the warden or
10 superintendent of the institution where the inmate is housed. It
11 shall be the duty of the receiving warden or superintendent or a
12 designee to promptly deliver the summons and petition to the
13 inmate named therein. The warden or superintendent or his or
14 her designee shall reject service of process for any inmate who is
15 not actually present in said institution.

16 2. SERVICE BY MAIL.

17 a. At the election of the plaintiff, a summons and petition may be served
18 by mail by the plaintiff's attorney, any person authorized to serve
19 process pursuant to subparagraph a of paragraph 1 of this subsection,
20 or by the court clerk upon a defendant of any class referred to in
21 division (1), (3), or (5) of subparagraph c of paragraph 1 of this
22 subsection. Service by mail shall be effective on the date of receipt or if

1 refused, on the date of refusal of the summons and petition by the
2 defendant.

3 b. Service by mail shall be accomplished by mailing a copy of the
4 summons and petition by certified mail, return receipt requested and
5 delivery restricted to the addressee. When there is more than one
6 defendant, the summons and a copy of the petition or order shall be
7 mailed in a separate envelope to each defendant. If the summons is to
8 be served by mail by the court clerk, the court clerk shall enclose the
9 summons and a copy of the petition or order of the court to be served in
10 an envelope, prepared by the plaintiff, addressed to the defendant, or
11 to the resident service agent if one has been appointed. The court clerk
12 shall prepay the postage and mail the envelope to the defendant, or
13 service agent, by certified mail, return receipt requested and delivery
14 restricted to the addressee. The return receipt shall be prepared by
15 the plaintiff. Service by mail to a garnishee shall be accomplished by
16 mailing a copy of the summons and notice by certified mail, return
17 receipt requested, and at the election of the judgment creditor by
18 restricted delivery, to the addressee.

19 c. Service by mail shall not be the basis for the entry of a default or a
20 judgment by default unless the record contains a return receipt
21 showing acceptance by the defendant or a returned envelope showing
22 refusal of the process by the defendant. Acceptance or refusal of

1 service by mail by a person who is fifteen (15) years of age or older who
2 resides at the defendant's dwelling house or usual place of abode shall
3 constitute acceptance or refusal by the party addressed. In the case of
4 an entity described in division (3) of subparagraph c of paragraph 1 of
5 this subsection, acceptance or refusal by any officer or by any employee
6 of the registered office or principal place of business who is authorized
7 to or who regularly receives certified mail shall constitute acceptance
8 or refusal by the party addressed. A return receipt signed at such
9 registered office or principal place of business shall be presumed to
10 have been signed by an employee authorized to receive certified mail.
11 In the case of a state municipal corporation, or other governmental
12 organization thereof subject to suit, acceptance or refusal by an
13 employee of the office of the officials specified in division (5) of
14 subparagraph c of paragraph 1 of this subsection who is authorized to
15 or who regularly receives certified mail shall constitute acceptance or
16 refusal by the party addressed. If delivery of the process is refused,
17 upon the receipt of notice of such refusal and at least ten (10) days
18 before applying for entry of default, the person elected by plaintiff
19 pursuant to subparagraph a of this paragraph to serve the process
20 shall mail to the defendant by first-class mail a copy of the summons
21 and petition and a notice prepared by the plaintiff that despite such
22 refusal the case will proceed and that judgment by default will be

1 rendered against him unless he appears to defend the suit. Any
2 default or judgment by default shall be set aside upon motion of the
3 defendant in the manner prescribed in Section 1031.1 of this title, or
4 upon petition of the defendant in the manner prescribed in Section
5 1033 of this title if the defendant demonstrates to the court that the
6 return receipt was signed or delivery was refused by an unauthorized
7 person. A petition shall be filed within one (1) year after the defendant
8 has notice of the default or judgment by default but in no event more
9 than two (2) years after the filing of the judgment.

10 3. SERVICE BY PUBLICATION.

- 11 a. Service of summons upon a named defendant may be made by
12 publication when it is stated in the petition, verified by the plaintiff or
13 the plaintiff's attorney, or in a separate affidavit by the plaintiff or the
14 plaintiff's attorney filed with the court, that with due diligence service
15 cannot be made upon the defendant by any other method.
- 16 b. Service of summons upon the unknown successors of a named
17 defendant, a named decedent, or a dissolved partnership, corporation,
18 or other association may be made by publication when it is stated in a
19 petition, verified by the plaintiff or the plaintiff's attorney, or in a
20 separate affidavit by the plaintiff or the plaintiff's attorney filed with
21 the court, that the person who verified the petition or the affidavit does
22 not know and with due diligence cannot ascertain the following:

- 1 (1) whether a person named as defendant is living or dead, and, if
2 dead, the names or whereabouts of the person's successors, if
3 any,
4 (2) the names or whereabouts of the unknown successors, if any, of
5 a named decedent,
6 (3) whether a partnership, corporation, or other association named
7 as a defendant continues to have legal existence or not; or the
8 names or whereabouts of its officers or successors,
9 (4) whether any person designated in a record as a trustee
10 continues to be the trustee; or the names or whereabouts of the
11 successors of the trustee, or
12 (5) the names or whereabouts of the owners or holders of special
13 assessment or improvement bonds, or any other bonds, sewer
14 warrants or tax bills.
- 15 c. Service pursuant to this paragraph shall be made by publication of a
16 notice, signed by the court clerk, one (1) day a week for three (3)
17 consecutive weeks in a newspaper authorized by law to publish legal
18 notices which is published in the county where the petition is filed. If
19 no newspaper authorized by law to publish legal notices is published in
20 such county, the notice shall be published in some such newspaper of
21 general circulation which is published in an adjoining county. All
22 named parties and their unknown successors who may be served by

1 publication may be included in one notice. The notice shall state the
2 court in which the petition is filed and the names of the plaintiff and
3 the parties served by publication, and shall designate the parties
4 whose unknown successors are being served. The notice shall also
5 state that the named defendants and their unknown successors have
6 been sued and must answer the petition on or before a time to be
7 stated (which shall not be less than forty-one (41) days from the date of
8 the first publication), or judgment, the nature of which shall be stated,
9 will be rendered accordingly. If jurisdiction of the court is based on
10 property, any real property subject to the jurisdiction of the court and
11 any property or debts to be attached or garnished must be described in
12 the notice.

13 (1) When the recovery of money is sought, it is not necessary for the
14 publication notice to state the separate items involved, but the
15 total amount that is claimed must be stated. When interest is
16 claimed, it is not necessary to state the rate of interest, the date
17 from which interest is claimed, or that interest is claimed until
18 the obligation is paid.

19 (2) It is not necessary for the publication notice to state that the
20 judgment will include recovery of costs in order for a judgment
21 following the publication notice to include costs of suit.

- 1 (3) In an action to quiet title to real property, it is not necessary for
2 the publication notice to state the nature of the claim or interest
3 of either party, and in describing the nature of the judgment
4 that will be rendered should the defendant fail to answer, it is
5 sufficient to state that a decree quieting plaintiff's title to the
6 described property will be entered. It is not necessary to state
7 that a decree forever barring the defendant from asserting any
8 interest in or to the property is sought or will be entered if the
9 defendant does not answer.
- 10 (4) In an action to foreclose a mortgage, it is sufficient that the
11 publication notice state that if the defendant does not answer,
12 the defendant's interest in the property will be foreclosed. It is
13 not necessary to state that a judgment forever barring the
14 defendant from all right, title, interest, estate, property and
15 equity of redemption in or to said property or any part thereof is
16 requested or will be entered if the defendant does not answer.
- 17 d. Service by publication is complete when made in the manner and for
18 the time prescribed in subparagraph c of this paragraph. Service by
19 publication shall be proved by the affidavit of any person having
20 knowledge of the publication. No default judgment may be entered on
21 such service until proof of service by publication is filed with and
22 approved by the court.

- 1 e. Before entry of a default judgment or order against a party who has
2 been served solely by publication under this paragraph, the court shall
3 conduct an inquiry to determine whether the plaintiff, or someone
4 acting in his behalf, made a distinct and meaningful search of all
5 reasonably available sources to ascertain the whereabouts of any
6 named parties who have been served solely by publication under this
7 paragraph. Before entry of a default judgment or order against the
8 unknown successors of a named defendant, a named decedent, or a
9 dissolved partnership, corporation or association, the court shall
10 conduct an inquiry to ascertain whether the requirements described in
11 subparagraph b of this paragraph have been satisfied.
- 12 f. A party against whom a default judgment or order has been rendered,
13 without other service than by publication in a newspaper, may, at any
14 time within three (3) years after the filing of the judgment or order,
15 have the judgment or order set aside in the manner prescribed in
16 Sections 1031.1 and 1033 of this title. Before the judgment or order is
17 set aside, the applicant shall notify the adverse party of the intention
18 to make an application and shall file a full answer to the petition, pay
19 all costs if the court requires them to be paid, and satisfy the court by
20 affidavit or other evidence that during the pendency of the action the
21 applicant had no actual notice thereof in time to appear in court and
22 make a defense. The title to any property which is the subject of and

1 which passes to a purchaser in good faith by or in consequence of the
2 judgment or order to be opened shall not be affected by any
3 proceedings under this subparagraph. Nor shall proceedings under
4 this subparagraph affect the title of any property sold before judgment
5 under an attachment. The adverse party, on the hearing of an
6 application to open a judgment or order as provided by this
7 subparagraph, shall be allowed to present evidence to show that
8 during the pendency of the action the applicant had notice thereof in
9 time to appear in court and make a defense.

10 g. The term "successors" includes all heirs, executors, administrators,
11 devisees, trustees, and assigns, immediate and remote, of a named
12 individual, partnership, corporation, or association.

13 h. Service outside of the state does not give the court in personal
14 jurisdiction over a defendant who is not subject to the jurisdiction of
15 the courts of this state or who has not, either in person or through an
16 agent, submitted to the jurisdiction of the courts of this state.

17 4. SERVICE ON THE SECRETARY OF STATE.

18 a. Service of process on a domestic or foreign corporation may be made by
19 serving the Secretary of State as the corporation's agent, if:

20 (1) there is no registered agent for the corporation listed in the
21 records of the Secretary of State; or

1 (2) neither the registered agent nor an officer of the corporation
2 could be found at the registered office of the corporation, when
3 service of process was attempted.

4 b. Before resorting to service on the Secretary of State the plaintiff must
5 have attempted service either in person or by mail on the corporation
6 at:

7 (1) the corporation's last-known address shown on the records of the
8 Franchise Tax Division of the Oklahoma Tax Commission, if any
9 is listed there; and

10 (2) the corporation's last-known address shown on the records of the
11 Secretary of State, if any is listed there; and

12 (3) the corporation's last address known to the plaintiff.

13 If any of these addresses are the same, the plaintiff is not required to attempt
14 service more than once at any address. The plaintiff shall furnish the
15 Secretary of State with a certified copy of the return or returns showing the
16 attempted service.

17 c. Service on the Secretary of State shall be made by filing two (2) copies
18 of the summons and petition with the Secretary of State, notifying the
19 Secretary of State that service is being made pursuant to the
20 provisions of this paragraph, and paying the Secretary of State the fee
21 prescribed in paragraph 7 of Section 1142 of Title 18 of the Oklahoma
22 Statutes, which fee shall be taxed as part of the costs of the action, suit

1 or proceeding if the plaintiff shall prevail therein. If a registered agent
2 for the corporation is listed in the records of the Secretary of State, the
3 plaintiff must also furnish a certified copy of the return showing that
4 service on the registered agent has been attempted either in person or
5 by mail, and that neither the registered agent nor an officer of the
6 corporation could be found at the registered office of the corporation.

7 d. Within three (3) working days after receiving the summons and
8 petition, the Secretary of State shall send notice by letter, certified
9 mail, return receipt requested, directed to the corporation at its
10 registered office or the last-known address found in the office of the
11 Secretary of State, or if no address is found there, to the corporation's
12 last-known address provided by the plaintiff. The notice shall enclose
13 a copy of the summons and petition and any other papers served upon
14 the Secretary of State. The corporation shall not be required to serve
15 its answer until forty (40) days after service of the summons and
16 petition on the Secretary of State.

17 e. Before entry of a default judgment or order against a corporation that
18 has been served by serving the Secretary of State as its agent under
19 this paragraph, the court shall determine whether the requirements of
20 this paragraph have been satisfied. A default judgment or order
21 against a corporation that has been served only by service on the
22 Secretary of State may be set aside upon motion of the corporation in

1 the manner prescribed in Section 1031.1 of this title, or upon petition
2 of the corporation in the manner prescribed in Section 1033 of this
3 title, if the corporation demonstrates to the court that it had no actual
4 notice of the action in time to appear and make its defense. A petition
5 shall be filed within one (1) year after the corporation has notice of the
6 default judgment or order but in no event more than two (2) years after
7 the filing of the default judgment or order.

8 f. The Secretary of State shall maintain an alphabetical record of service
9 setting forth the name of the plaintiff and defendant, the title, docket
10 number, and nature of the proceeding in which the process has been
11 served upon the defendant, the fact that service has been effected
12 pursuant to the provisions of this paragraph, the return date thereof,
13 and the date when the service was made. The Secretary of State shall
14 not be required to retain this information for a period longer than five
15 (5) years from receipt of the service of process.

16 g. The provisions of this paragraph shall not apply to a foreign insurance
17 company doing business in this state.

18 5. SERVICE BY ACKNOWLEDGMENT. An acknowledgment on the back of the
19 summons or the voluntary appearance of a defendant is equivalent to service.

20 6. SERVICE BY OTHER METHODS. If service cannot be made by personal
21 delivery or by mail, a defendant of any class referred to in division (1) or (3) of
22 subparagraph c of paragraph 1 of this subsection may be served as provided by court

1 order in any manner which is reasonably calculated to give the defendant actual notice of
2 the proceedings and an opportunity to be heard.

3 7. NO SERVICE BY PRISONER. No prisoner in any jail, Department of
4 Corrections facility, private prison, or parolee or probationer under supervision of the
5 Department of Corrections shall be appointed by any court to serve process on any
6 defendant, party or witness.

7 D. SUMMONS AND PETITION. The summons and petition shall be served
8 together. The plaintiff shall furnish the person making service with such copies as are
9 necessary. The failure to serve a copy of the petition with the summons is not a ground
10 for dismissal for insufficiency of service of process, but on motion of the party served, the
11 court may extend the time to answer or otherwise plead. If a summons and petition are
12 served by personal delivery, the person serving the summons shall state on the copy that
13 is left with the person served the date that service is made. This provision is not
14 jurisdictional, but if the failure to comply with it prejudices the party served, the court,
15 on motion of the party served, may extend the time to answer or otherwise plead.

16 E. SUMMONS: TERRITORIAL LIMITS OF EFFECTIVE SERVICE.

17 1. Service of the summons and petition may be made anywhere within this state in
18 the manner provided by subsection C of this section.

19 2. When the exercise of jurisdiction is authorized by subsection F of this section,
20 service of the summons and petition may be made outside this state:

- 21 a. by personal delivery in the manner prescribed for service within this
22 state,

- 1 b. in the manner prescribed by the law of the place in which the service is
2 made for service in that place in an action in any of its courts of
3 general jurisdiction,
4 c. in the manner prescribed by paragraph 2 of subsection C of this
5 section,
6 d. as directed by the foreign authority in response to a letter rogatory,
7 e. in the manner prescribed by paragraph 3 of subsection C of this section
8 only when permitted by subparagraphs a and b of paragraph 3 of
9 subsection C of this section, or
10 f. as directed by the court.

11 3. Proof of service outside this state may be made in the manner prescribed by
12 subsection G of this section, the order pursuant to which the service is made, or the law
13 of the place in which the service is made for proof of service in an action in any of its
14 courts of general jurisdiction.

15 4. Service outside this state may be made by an individual permitted to make
16 service of process under the law of this state or under the law of the place in which the
17 service is made or who is designated to make service by a court of this state.

18 5. When subsection C of this section requires that in order to effect service one or
19 more designated individuals be served, service outside this state under this section must
20 be made upon the designated individual or individuals.

21 6. a. A court of this state may order service upon any person who is
22 domiciled or can be found within this state of any document issued in

1 connection with a proceeding in a tribunal outside this state. The
2 order may be made upon application of any interested person or in
3 response to a letter rogatory issued by a tribunal outside this state and
4 shall direct the manner of service.

5 b. Service in connection with a proceeding in a tribunal outside this state
6 may be made within this state without an order of court.

7 c. Service under this paragraph does not, of itself, require the recognition
8 or enforcement of an order, judgment, or decree rendered outside this
9 state.

10 F. ASSERTION OF JURISDICTION. A court of this state may exercise
11 jurisdiction on any basis consistent with the Constitution of this state and the
12 Constitution of the United States.

13 G. RETURN.

14 1. The person serving the process shall make proof of service thereof to the court
15 promptly and in any event within the time during which the person served must respond
16 to the process, but the failure to make proof of service does not affect the validity of the
17 service.

18 2. When process has been served by a sheriff or deputy sheriff and return thereof is
19 filed in the office of the court clerk, a copy of the return shall be sent by the court clerk to
20 the plaintiff's attorney within three (3) days after the return is filed. If service is made
21 by a person other than a sheriff, deputy sheriff, or licensed process server, that person

UNDERLINED language denotes Amendments to present Statutes.
BOLD FACE CAPITALIZED language denotes Committee Amendments.
~~Strike thru~~ language denotes deletion from present Statutes.

1 shall make affidavit thereof. The return shall set forth the name of the person served
2 and the date, place, and method of service.

3 3. If service was by mail, the person mailing the summons and petition shall
4 endorse on the copy of the summons or order of the court that is filed in the action the
5 date and place of mailing and the date when service was received or service was
6 rejected, and shall attach to the copy of the summons or order a copy of the return
7 receipt or returned envelope, if and when received, showing whether the mailing was
8 accepted, refused, or otherwise returned. If the mailing was refused, the return shall
9 also show the date and place of any subsequent mailing pursuant to paragraph 2 of
10 subsection C of this section. When the summons and petition are mailed by the court
11 clerk, the court clerk shall notify the plaintiff's attorney within three (3) days after
12 receipt of the returned card or envelope showing that the card or envelope has been
13 received.

14 H. AMENDMENT. At any time in its discretion and upon such terms as it deems
15 just, the court may allow any process or proof of service thereof to be amended, unless it
16 clearly appears that material prejudice would result to the substantial rights of the party
17 against whom the process issued.

18 I. SUMMONS: TIME LIMIT FOR SERVICE. If service of process is not made
19 upon a defendant within ~~one hundred eighty (180)~~ one hundred twenty (120) days after
20 the filing of the petition and the plaintiff cannot show good cause why such service was
21 not made within that period, the action ~~may~~ shall be deemed dismissed as to that
22 defendant without prejudice ~~upon the court's own initiative with notice to the plaintiff or~~

1 ~~upon motion.~~ The action shall not be dismissed ~~where~~ if a summons was served on the
2 defendant within ~~one hundred eighty (180)~~ one hundred twenty (120) days after the filing
3 of the petition and a court later holds that the summons or its service was invalid. After
4 a court quashes a summons or its service, a new summons may be served on the
5 defendant within a time specified by the judge. If the new summons is not served within
6 the specified time, the action shall be deemed to have been dismissed without prejudice
7 as to that defendant. This subsection shall not apply with respect to a defendant who
8 has been outside of this state for ~~one hundred eighty (180)~~ one hundred twenty (120)
9 days following the filing of the petition.

10 SECTION 9. AMENDATORY 12 O.S. 2001, Section 2011, as amended by
11 Section 10, Chapter 368, O.S.L. 2004 (12 O.S. Supp. 2006, Section 2011), is amended to
12 read as follows:

13 Section 2011.

14 SIGNING OF PLEADINGS

15 A. SIGNATURE. Every pleading, written motion, and other paper shall be signed
16 by at least one attorney of record in ~~his~~ the attorney's individual name, whose Oklahoma
17 Bar Association identification number shall be stated, or, if the party is not represented
18 by an attorney, shall be signed by the party. Each paper shall state the address of the
19 signer and telephone number, if any. Except when otherwise specifically provided by
20 rule or statute, pleadings need not be verified or accompanied by affidavit. An unsigned
21 paper shall be stricken unless the omission of the signature is corrected promptly after
22 being called to the attention of the attorney or party.

1 B. REPRESENTATIONS TO COURT. By presenting to the court, whether by
2 signing, filing, submitting, or later advocating, a pleading, written motion, or other
3 paper, an attorney or unrepresented party is certifying that to the best of the person's
4 knowledge, information, and belief, formed after an inquiry reasonable under the
5 circumstances:

6 1. It is not being presented for any improper or frivolous purpose, such as to harass
7 or to cause unnecessary delay or needless increase in the cost of litigation;

8 2. The claims, defenses and other legal contentions therein are warranted by
9 existing law or by a nonfrivolous argument for the extension, modification, or reversal of
10 existing law or the establishment of new law;

11 3. The allegations and other factual contentions have evidentiary support or, if
12 specifically so identified, are likely to have evidentiary support after a reasonable
13 opportunity for further investigation or discovery; and

14 4. The denials of factual contentions are warranted on the evidence or, if
15 specifically so identified, are reasonably based on a lack of information or belief.

16 C. SANCTIONS. If, after notice and a reasonable opportunity to respond, the court
17 determines that subsection B of this section has been violated, the court shall, subject to
18 the conditions stated below, impose an appropriate sanction upon the attorneys, law
19 firms, or parties that have violated subsection B of this section or are responsible for the
20 violation.

21 1. HOW INITIATED.

1 a. By Motion. A motion for sanctions under this rule shall be made
2 separately from other motions or requests and shall describe the
3 specific conduct alleged to violate subsection B of this section. It shall
4 be served as provided in Section 2005 of this title, but shall not be filed
5 with or presented to the court unless, within twenty-one (21) days after
6 service of the motion or such other period as the court may prescribe,
7 the challenged paper, claim, defense, contention, allegation, or denial
8 is not withdrawn or appropriately corrected. If warranted, the court
9 may award to the party prevailing on the motion the reasonable
10 expenses and attorneys fees incurred in presenting or opposing the
11 motion. Absent exceptional circumstances, a law firm shall be held
12 jointly responsible for violations committed by its partners, associates,
13 and employees.

14 b. On Court's Initiative. On its own initiative, the court may enter an
15 order describing the specific conduct that appears to violate subsection
16 B of this section and directing an attorney, law firm, or party to show
17 cause why it has not violated subsection B of this section with respect
18 thereto.

19 2. NATURE OF SANCTIONS; LIMITATIONS. A sanction imposed for violation of
20 this section shall be limited to what is sufficient to deter repetition of such conduct or
21 comparable conduct by others similarly situated. Subject to the limitations in
22 subparagraphs a, b and c of this paragraph, the sanction may consist of, or include,

1 directives of a nonmonetary nature, an order to pay a penalty into court, or, if imposed on
2 motion and warranted for effective deterrence, an order directing payment to the movant
3 of some or all of the reasonable attorneys fees and other expenses incurred as a direct
4 result of the violation.

5 a. Monetary sanctions shall not be awarded against a represented party
6 for a violation of paragraph 2 of subsection B of this section.

7 b. Monetary sanctions shall not be awarded on the court's initiative
8 unless the court issues its order to show cause before a voluntary
9 dismissal or settlement of the claims made by or against the party
10 which is, or whose attorneys are, to be sanctioned.

11 c. Monetary sanctions shall be awarded for any violations of paragraph 1
12 of subsection B of this section. The sanctions shall consist of an order
13 directing payment of reasonable costs, including attorney fees,
14 incurred by the movant with respect to the conduct for which the
15 sanctions are imposed. In addition, the court may impose any other
16 sanctions authorized by this paragraph.

17 3. ORDER. When imposing sanctions, the court shall describe the conduct
18 determined to constitute a violation of this section and explain the basis for the sanction
19 imposed.

20 D. INAPPLICABILITY TO DISCOVERY. This section does not apply to
21 disclosures and discovery requests, responses, objections, and motions that are subject to
22 the provisions of Sections 3226 through 3237 of this title.

1 E. DEFINITION. As used in this section, “frivolous” means the action or pleading
2 was knowingly asserted in bad faith, ~~was unsupported by any credible evidence, was not~~
3 ~~grounded in fact, or was unwarranted by existing law or a good faith argument for the~~
4 ~~extension, modification, or reversal of existing law or the establishment of new law or~~ or
5 without any rational argument based in law or facts to support the position of the
6 litigant.

7 SECTION 10. AMENDATORY Section 1, Chapter 370, O.S.L. 2004 (12 O.S.
8 Supp. 2006, Section 2011.1), is amended to read as follows:

9 Section 2011.1 In any action not arising out of contract, the court shall, upon
10 granting a motion to dismiss an action or a motion for summary judgment or subsequent
11 to adjudication on the merits, determine whether a claim or defense asserted in the
12 action by a nonprevailing party was frivolous. As used in this section, “frivolous” means
13 the action was knowingly asserted in bad faith, ~~was unsupported by any credible~~
14 ~~evidence, was not grounded in fact, or was unwarranted by existing law or a good faith~~
15 ~~argument for the extension, modification, or reversal of existing law or the establishment~~
16 ~~of new law or~~ without any rational argument based in law or facts to support the position
17 of the litigant. Upon so finding, the court shall enter a judgment ordering such
18 nonprevailing party to reimburse the prevailing party for reasonable costs, including
19 attorney fees, incurred with respect to such claim or defense. In addition, the court may
20 impose any sanction authorized by Section 2011 of ~~Title 12 of the Oklahoma Statutes~~ this
21 title.

1 SECTION 11. AMENDATORY 12 O.S. 2001, Section 2023, is amended to read
2 as follows:

3 Section 2023.

4 CLASS ACTIONS

5 A. PREREQUISITES TO A CLASS ACTION. One or more members of a class may
6 sue or be sued as representative parties on behalf of all only if:

7 1. The class is so numerous that joinder of all members is impracticable;

8 2. There are questions of law or fact common to the class;

9 3. The claims or defenses of the representative parties are typical of the claims or
10 defenses of the class; and

11 4. The representative parties will fairly and adequately protect the interests of the
12 class.

13 B. CLASS ACTIONS MAINTAINABLE. An action may be maintained as a class
14 action if the prerequisites of subsection A of this section are satisfied and in addition:

15 1. The prosecution of separate actions by or against individual members of the class
16 would create a risk of:

17 a. inconsistent or varying adjudications with respect to individual
18 members of the class which would establish incompatible standards of
19 conduct for the party opposing the class, or

20 b. adjudications with respect to individual members of the class which
21 would as a practical matter be dispositive of the interests of the other

1 members not parties to the adjudications or substantially impair or
2 impede their ability to protect their interests; or

3 2. The party opposing the class has acted or refused to act on grounds generally
4 applicable to the class, thereby making appropriate final injunctive relief or
5 corresponding declaratory relief with respect to the class as a whole; or

6 3. The court finds that the questions of law or fact common to the members of the
7 class predominate over any questions affecting only individual members, and that a class
8 action is superior to other available methods for the fair and efficient adjudication of the
9 controversy. The matters pertinent to the findings include:

- 10 a. the interest of members of the class in individually controlling the
11 prosecution or defense of separate actions,
12 b. the extent and nature of any litigation concerning the controversy
13 already commenced by or against members of the class,
14 c. the desirability or undesirability of concentrating the litigation of the
15 claims in the particular forum, and
16 d. the difficulties likely to be encountered in the management of a class
17 action.

18 C. DETERMINATION BY ORDER WHETHER CLASS ACTION TO BE
19 MAINTAINED; NOTICE; JUDGMENT; ACTIONS CONDUCTED PARTIALLY AS
20 CLASS ACTIONS.

21 1. As soon as practicable after the commencement of an action brought as a class
22 action, the court shall determine by order whether it is to be so maintained. An order

1 under this subsection may be conditional, and may be altered or amended before the
2 decision on the merits.

3 2. In any class action maintained under paragraph 3 of subsection B of this section,
4 the court shall direct to the members of the class the best notice practicable under the
5 circumstances, including individual notice to all potential members who can be identified
6 through reasonable effort. The notice shall advise each potential member that:

- 7 a. the court will ~~exclude him from~~ include the potential member in the
8 class only if ~~he~~ the potential member so requests by a specified date,
9 b. the judgment, whether favorable or not, will include ~~all~~ only members
10 who ~~do not request exclusion~~ have advised the court by the specified
11 date that they desire to be included in the class, and
12 c. any member who ~~does not request exclusion~~ requests inclusion may, ~~if~~
13 ~~he desires,~~ enter an appearance through ~~his~~ counsel.

14 ~~Where~~ If the class contains more than five hundred (500) potential members who
15 can be identified through reasonable effort, it shall not be necessary to direct individual
16 notice to more than five hundred (500) potential members, but the potential members to
17 whom individual notice is not directed shall be given notice in such manner as the court
18 shall direct, which may include publishing notice in newspapers, magazines, trade
19 journals or other publications, posting it in appropriate places, and taking other steps
20 that are reasonably calculated to bring the notice to the attention of such members;
21 provided, that the cost of giving such notice shall be reasonable in view of the amounts
22 that may be recovered by the class ~~members who are being notified.~~ Members Potential

1 members to whom individual notice was not directed may request ~~exclusion from~~
2 inclusion in the class at any time before the issue of liability is determined, ~~and;~~
3 provided, commencing an individual action before the issue of liability is determined in
4 the class action shall be ~~the equivalent of requesting~~ result in exclusion from the class.

5 3. The judgment in an action maintained as a class action under ~~paragraphs~~
6 paragraph 1 or 2 of subsection B of this section, whether or not favorable to the class,
7 shall include and describe those whom the court finds to be members of the class. The
8 judgment in an action maintained as a class action under paragraph 3 of subsection B of
9 this section, whether or not favorable to the class, shall include and specify or describe
10 those to whom the notice provided in paragraph 2 of this subsection ~~C of this section~~ was
11 directed, and who have not requested ~~exclusion~~ inclusion, and whom the court finds to be
12 members of the class.

13 4. When appropriate:

- 14 a. an action may be brought or maintained as a class action with respect
15 to particular issues, or
16 b. a class may be divided into subclasses and each subclass treated as a
17 class.

18 The provisions of this section shall then be construed and applied accordingly.

19 D. ORDERS IN CONDUCT OF ACTIONS. In the conduct of actions to which this
20 section applies, the court may make appropriate orders:

21 1. Determining the course of proceedings or prescribing measures to prevent undue
22 repetition or complication in the presentation of evidence or argument;

1 2. Requiring, for the protection of the members of the class or otherwise for the fair
2 conduct of the action, that notice be given in such manner as the court may direct to
3 some or all of the members of any step in the action, or of the proposed extent of the
4 judgment, or of the opportunity of members to signify whether they consider the
5 representation fair and adequate, to intervene and present claims or defenses, or
6 otherwise to come into the action;

7 3. Requiring that parties to the action provide such names and addresses of
8 potential members of the class as they possess;

9 4. Imposing conditions on the representative parties or on intervenors;

10 4. 5. Requiring that the pleadings be amended to eliminate therefrom allegations
11 as to representation of absent persons, and that the action proceed accordingly; and

12 5. 6. Dealing with similar procedural matters.

13 The orders may be combined with an order under Section 16 2016 of this ~~act~~ title and
14 may be altered or amended as may be desirable from time to time.

15 E. DISMISSAL OR COMPROMISE. A class action shall not be dismissed or
16 compromised without the approval of the court, and notice of the proposed dismissal or
17 compromise shall be given to all members of the class in such manner as the court
18 directs.

19 SECTION 12. NEW LAW A new section of law to be codified in the Oklahoma
20 Statutes as Section 2056 of Title 12, unless there is created a duplication in numbering,
21 reads as follows:

1 A. FOR CLAIMANT. A party seeking to recover upon a claim, counterclaim, or
2 cross-claim or to obtain a declaratory judgment may move, at any time after the
3 expiration of twenty (20) days from the commencement of the action or after service of a
4 motion for summary judgment by the adverse party, with or without supporting
5 affidavits for a summary judgment in the party's favor upon all or any part thereof.

6 B. FOR DEFENDING PARTY. A party against whom a claim, counterclaim, or
7 cross-claim is asserted or a declaratory judgment is sought may move, at any time, with
8 or without supporting affidavits for a summary judgment in the party's favor as to all or
9 any part thereof.

10 C. MOTIONS AND PROCEEDINGS THEREON. The motion shall be served at
11 least ten (10) days before the time fixed for the hearing. The adverse party prior to the
12 day of hearing may serve opposing affidavits. The judgment sought shall be rendered
13 forthwith if the pleadings, depositions, answers to interrogatories, and admissions on
14 file, together with the affidavits, if any, show that there is no genuine issue as to any
15 material fact and that the moving party is entitled to a judgment as a matter of law. A
16 summary judgment, interlocutory in character, may be rendered on the issue of liability
17 alone although there is a genuine issue as to the amount of damages.

18 D. NOT FULLY ADJUDICATED ON MOTION. If, on motion under this section,
19 judgment is not rendered upon the whole case or for all the relief asked and a trial is
20 necessary, the court at the hearing of the motion, by examining the pleadings and the
21 evidence before it and by interrogating counsel, shall ascertain, if practicable, what
22 material facts exist without substantial controversy and what material facts are actually

1 and in good faith controverted. It shall make thereupon an order specifying the facts
2 that appear without substantial controversy, including the extent to which the amount of
3 damages or other relief is not in controversy, and directing such further proceedings in
4 the action as are just. Upon the trial of the action, the facts so specified shall be deemed
5 established, and the trial shall be conducted accordingly.

6 E. FORM OF AFFIDAVITS; FURTHER TESTIMONY; DEFENSE REQUIRED.

7 Supporting and opposing affidavits shall be made on personal knowledge, shall set forth
8 such facts as would be admissible in evidence, and shall show affirmatively that the
9 affiant is competent to testify to the matters stated therein. Sworn or certified copies of
10 all papers or parts thereof referred to in an affidavit shall be attached thereto or served
11 therewith. The court may permit affidavits to be supplemented or opposed by
12 depositions, answers to interrogatories, or further affidavits. When a motion for
13 summary judgment is made and supported as provided in this rule, a party may not rest
14 upon the mere allegations or denials of the party's pleading, but the party's response, by
15 affidavits or as otherwise provided in this rule, must set forth specific facts showing that
16 there is a genuine issue for trial or no genuine issue for trial, as appropriate. The
17 adverse party has the burden of producing evidence on any issue raised in the motion on
18 which the adverse party would have the burden of persuasion at trial. If the adverse
19 party does not so respond, summary judgment, if otherwise appropriate hereunder, shall
20 be entered against the adverse party.

21 F. WHEN AFFIDAVITS ARE UNAVAILABLE. Should it appear from the

22 affidavits of a party opposing the motion that the party cannot for reasons stated present

1 by affidavit facts essential to justify the party's opposition, the court may refuse the
2 application for judgment or may order a continuance to permit affidavits to be obtained
3 or depositions to be taken or discovery to be had or may make such other order as is just.
4 Upon request of a party opposing a motion for summary judgment, the court shall allow a
5 reasonable amount of time to conclude discovery sufficient to allow the party to
6 adequately respond to the motion for summary judgment.

7 G. AFFIDAVITS MADE IN BAD FAITH. Should it appear to the satisfaction of
8 the court at any time that any of the affidavits presented pursuant to this rule are
9 presented in bad faith or solely for the purpose of delay, the court shall forthwith order
10 the party employing them to pay to the other party the amount of the reasonable
11 expenses which the filing of the affidavits caused the other party to incur, including
12 reasonable attorney fees, and any offending party or attorney may be adjudged guilty of
13 contempt.

14 H. STANDARD OF PROOF. Summary judgment shall be granted in favor of a
15 party only where there is no genuine issue as to any material fact and that the moving
16 party is entitled to a judgment as a matter of law. If a standard of proof beyond a
17 preponderance of the evidence applies at trial, the heightened standard shall not be
18 taken into account by the court in ruling on a motion for summary judgment.

19 I. APPEALS. An order denying summary judgment, summary disposition of issues,
20 or partial summary adjudication will be appealable as part of any appeal from an
21 appealable order or judgment which is later rendered in the case.

1 J. SUPERSESSION. The provisions of this section supersede any court rules
2 otherwise applicable to the subject matter of this section.

3 SECTION 13. AMENDATORY 12 O.S. 2001, Section 2702, is amended to read
4 as follows:

5 Section 2702. A. OPINION TESTIMONY BY LAY WITNESSES. If the witness is
6 not testifying as an expert, the witness' testimony in the form of opinions or inferences is
7 limited to those opinions or inferences which are:

8 1. Rationally based on the perception of the witness;

9 2. Helpful to a clear understanding of the witness' testimony or the determination
10 of a fact in issue; and

11 3. Not based on scientific, technical, or other specialized knowledge within the
12 scope of subsection B of this section.

13 B. TESTIMONY BY EXPERTS. If scientific, technical or other specialized
14 knowledge will assist the trier of fact to understand the evidence or to determine a fact in
15 issue, a witness qualified as an expert by knowledge, skill, experience, training or
16 education may testify in the form of an opinion or otherwise, if:

17 1. The testimony is based upon sufficient facts or data;

18 2. The testimony is the product of reliable principles and methods; and

19 3. The witness has applied the principles and methods reliably to the facts of the
20 case.

21 C. BASES OF EXPERT OPINION TESTIMONY. The facts or data in the
22 particular case upon which an expert bases an opinion or inference may be those

1 perceived by or made known to the expert at or before the hearing. If of a type
2 reasonably relied upon by experts in the particular field in forming opinions or inferences
3 upon the subject, the facts or data need not be admissible in evidence in order for the
4 opinion or inference to be admitted. Facts or data that are otherwise inadmissible shall
5 not be disclosed to the jury by the proponent of the opinion or inference unless the court
6 determines that their probative value in assisting the jury to evaluate the expert's
7 opinion substantially outweighs their prejudicial effect.

8 D. BARS TO EXPERT TESTIMONY.

9 1. A witness qualified as an expert by knowledge, skill, experience, training, or
10 education may only offer expert testimony with respect to a particular field in which the
11 expert is qualified.

12 2. An expert witness may receive a reasonable and customary fee for the rendering
13 of professional services; provided, that the testimony of an expert witness shall not be
14 admitted if any such compensation is contingent on the outcome of any claim or case with
15 respect to which the testimony is being offered and said contingency contract shall be
16 null and void as against public policy.

17 E. MANDATORY PRETRIAL HEARING. If the witness is testifying as an expert,
18 then upon motion of a party, the court shall hold a pretrial hearing or conduct a hearing
19 outside the presence of the jury, if during trial, to determine whether the witness
20 qualifies as an expert and whether the expert's testimony satisfies the requirements of
21 subsections B through D of this section. The court shall allow sufficient time for a
22 hearing and shall rule on the qualifications of the witness to testify as an expert and

1 whether or not the testimony satisfies the requirements of subsections B through D of
2 this section. Such hearing and ruling shall be completed no later than the Final Pretrial
3 Hearing. Upon request, the trial court's ruling shall set forth the findings of fact and
4 conclusions of law upon which the order to admit or exclude expert evidence is based.

5 F. MANDATORY PRETRIAL DISCLOSURE OF EXPERT TESTIMONY.

6 1. Whether or not any party elects to request a pretrial hearing contemplated in
7 subsection E of this section, all parties shall disclose to other parties the identity of any
8 person who may be used at trial to present expert evidence.

9 2. Except as otherwise stipulated or directed by the court, this disclosure shall,
10 with respect to a witness who is retained or specially employed to provide expert
11 testimony in the case or whose duties as an employee of the party regularly involve
12 giving expert testimony, be accompanied by a written report prepared and signed by the
13 witness. The report shall contain a complete statement of all opinions to be expressed
14 and the basis and reasons therefor; the date or other information considered by the
15 witness in forming the opinions; any exhibits to be used as a summary of or support for
16 the opinions; the qualifications of the witness, including a list of all publications
17 authored by the witness within the preceding ten (10) years; the compensation to be paid
18 for the study and testimony; and a listing of any other cases in which the witness has
19 testified as an expert at trial or by deposition within the preceding four (4) years.

20 3. These disclosures shall be made at the times and in the sequence directed by the
21 court. In the absence of other directions from the court or stipulation by the parties, the
22 disclosures shall be made at least ninety (90) days before the trial date or the date the

1 case is to be ready for trial or, if the evidence is intended solely to contradict or rebut
2 evidence on the same subject matter identified by another party under paragraph 2 of
3 this subsection, within thirty (30) days after the disclosure made by the other party.

4 4. A party may depose any person who has been identified as an expert whose
5 opinions may be presented at trial. If a report from the expert is required under
6 paragraph 2 of this subsection, the deposition shall not be conducted until after the
7 report is provided.

8 G. INTERPRETATION. In interpreting and applying this section, the courts of
9 this state shall follow the opinions of the Supreme Court of the United States in Daubert
10 v. Merrell Dow Pharmaceuticals, Inc., 509 U.S. 579 (1993), General Electric Co. v. Joiner,
11 522 U.S. 136 (1997), Kuhmo Tire Co. Ltd. v. Carmichael, 526 U.S. 137 (1999), Weisgram
12 v. Marley, 528 U.S. 440 (2000); moreover, the courts of this state may draw from other
13 precedents binding in the federal courts of this state applying the standards announced
14 by the Supreme Court of the United States in the foregoing cases.

15 H. INTERLOCUTORY APPEAL. Interlocutory appeal of a ruling on the
16 admissibility of expert evidence shall be available at the discretion of the appellate court.
17 In deciding whether to grant the interlocutory appeal, the court shall consider whether:

18 1. The ruling involved any challenge to the constitutionality of this section;

19 2. The ruling will help prove or disprove criminal liability; or

20 3. The ruling will help establish civil liability at or above Seventy-five Thousand

7 standard of review in determining whether the trial court fully applied the proper legal
8 standard in considering the admissibility of expert evidence.

9 2. As the application of this section to determine the admissibility of expert
10 testimony is a question of fact, the courts of appeals shall apply an abuse of discretion
11 standard in determining whether the trial court properly admitted or excluded particular
12 expert evidence.

13 J. SEVERABILITY CLAUSE. The provisions of this section are severable. If any
14 portion of this section is declared unconstitutional or the application of any part of this
15 section to any person or circumstance is held invalid, the remaining portions of the
16 section and their applicability to any person or circumstance shall remain valid and
17 enforceable.

18 K. EFFECTIVE DATE. This section shall become effective upon enactment and

1 SECTION 14. AMENDATORY 23 O.S. 2001, Section 9.1, as amended by
2 Section 1, Chapter 462, O.S.L. 2002 (23 O.S. Supp. 2006, Section 9.1), is amended to read
3 as follows:

4 Section 9.1 A. In an action for the breach of an obligation not arising from contract,
5 the jury, in addition to actual damages, may, subject to the provisions and limitations in
6 subsections B, C and D of this section and Section 16 of this act, award punitive damages
7 for the sake of example and by way of punishing the defendant based upon the following
8 factors:

9 1. The seriousness of the hazard to the public arising from the defendant's
10 misconduct;

11 2. The profitability of the misconduct to the defendant;

12 3. The duration of the misconduct and any concealment of it;

13 4. The degree of the defendant's awareness of the hazard and of its excessiveness;

14 5. The attitude and conduct of the defendant upon discovery of the misconduct or
15 hazard;

17 level of employees involved in causing or concealing the misconduct; and

18 7. The financial condition of the defendant.

19 B. Category I. Where the jury finds by clear and convincing evidence that:

20 1. The defendant has been guilty of reckless disregard for the rights of others; or

21 2. An insurer has recklessly disregarded its duty to deal fairly and act in good faith

22 with its insured; the jury, in a separate proceeding conducted after the jury has made

1 such finding and awarded actual damages, may award punitive damages in an amount
2 not to exceed the greater of:

- 3 a. One Hundred Thousand Dollars (\$100,000.00), or
- 4 b. the amount of the actual damages awarded.

5 Any award of punitive damages under this subsection awarded in any manner other than

7 C. Category II. Where the jury finds by clear and convincing evidence that:

- 8 1. The defendant has acted intentionally and with malice towards others; or
- 9 2. An insurer has intentionally and with malice breached its duty to deal fairly and
10 act in good faith with its insured;

11 the jury, in a separate proceeding conducted after the jury has made such finding and
12 awarded actual damages, may award punitive damages in an amount not to exceed the
13 greatest of:

- 14 a. Five Hundred Thousand Dollars (\$500,000.00),
- 15 b. twice the amount of actual damages awarded, or

17 direct result of the conduct causing the injury to the plaintiff and other
18 persons or entities.

19 The trial court shall reduce any award for punitive damages awarded pursuant to the
20 provisions of subparagraph c of this paragraph by the amount it finds the defendant or
21 insurer has previously paid as a result of all punitive damage verdicts entered in any
22 court of this state for the same conduct by the defendant or insurer. Any award of

1 punitive damages under this subsection awarded in any manner other than as required
2 in this subsection shall be void and reversible error.

3 D. Category III. Where the jury finds by clear and convincing evidence that:

4 1. The defendant has acted intentionally and with malice towards others; or

5 2. An insurer has intentionally and with malice breached its duty to deal fairly and
6 act in good faith with its insured; and the court finds, on the record and out of the
7 presence of the jury, that there is evidence beyond a reasonable doubt that the defendant
8 or insurer acted intentionally and with malice and engaged in conduct life-threatening to
9 humans,

10 the jury, in a separate proceeding conducted after the jury has made such finding and
11 awarded actual damages, may award punitive damages in any amount the jury deems
12 appropriate, without regard to the limitations set forth in subsections B and C of this
13 section. Any award of punitive damages under this subsection awarded in any manner
14 other than as required in this subsection shall be void and reversible error.

15 E. In determining the amount, if any, of punitive damages to be awarded under
16 either subsection B, C or D of this section, the jury shall make the award based upon the
17 factors set forth in subsection A of this section.

18 F. The provisions of this section are severable, and if any part or provision thereof
19 shall be held void, the decision of the court shall not affect or impair any of the remaining
20 parts or provisions thereof.

21 G. This section shall apply to all civil actions filed after the effective date of this
22 act.

5 Statutes or any other provision of the laws of this state, in a professional liability action
6 the jury may only award punitive damages, in addition to actual damages, if the jury
7 finds by clear and convincing evidence that the defendant has been guilty of intentional
8 or gross negligence.

9 B. Any punitive damages shall be awarded in a separate proceeding conducted
10 after the jury has made the finding required by subsection A of this section and has
11 awarded actual damages.

12 SECTION 16. NEW LAW A new section of law to be codified in the Oklahoma
13 Statutes as Section 9.3 of Title 23, unless there is created a duplication in numbering,

15 A. As used in this section:

16 1. "Future damages" means damages that are incurred after the date of judgment
17 for:

7 recipient of future damages at defined intervals.

8 B. This section shall apply only to an action in which the present value of the
9 award of future damages, as determined by the court, equals or exceeds One Hundred
10 Thousand Dollars (\$100,000.00).

11 C. Upon request of a party, the court shall order that medical, health care, or
12 custodial services awarded in an action be paid in whole or in part in periodic payments
13 rather than by a lump-sum payment. Upon request of a party, the court may order that
14 future damages other than medical, health care, or custodial services awarded in a
15 health care liability action be paid in whole or in part in periodic payments rather than
16 by a lump-sum payment.

17 D. The court shall make a specific finding of the dollar amount of periodic
18 payments that will compensate the plaintiff for the future damages. The court shall
19 specify in its judgment ordering the payment of future damages by periodic payments
20 the:

- 21 1. Recipient of the payments;
22 2. Dollar amount of the payments;

5 F. As a condition to authorizing periodic payments of future damages, the court
6 shall require a defendant who is not adequately insured to provide evidence of financial
7 responsibility in an amount adequate to assure full payment of damages awarded by the
8 judgment. The judgment shall provide for payments to be funded by:

9 1. An annuity contract issued by a company licensed to do business as an insurance
10 company, including an assignment within the meaning of Section 130, Internal Revenue
11 Code of 1986, as amended;

12 2. An obligation of the United States;

13 3. Applicable and collectible liability insurance from one or more qualified insurers;

14 or

15 4. Any other satisfactory form of funding approved by the court.

17 the return of the security, or as much as remains, to the defendant.

18 H. On the death of the recipient, money damages awarded for loss of future
19 earnings shall continue to be paid to the estate of the recipient of the award without
20 reduction. Following the satisfaction or termination of any obligations specified in the
21 judgment for periodic payments, any obligation of the defendant health care provider to
22 make further payments ends and any security given reverts to the defendant.

1 I. For purposes of computing the award of attorney fees when the plaintiff is
2 awarded a recovery that will be paid in periodic payments, the court shall place a total
3 value on the payments based on the plaintiff's projected life expectancy and reduce the
4 amount to present value.

5 SECTION 17. AMENDATORY Section 18, Chapter 368, O.S.L. 2004 (23 O.S.

20 whom the action is brought or the number of actions brought with respect to the personal
21 injury. The dollar amount prescribed by this subsection shall be adjusted annually based
22 upon any positive increase in the Consumer Price Index that measures the average

1 changes in prices of goods and services purchased by urban wage earners and clerical

11 malice toward others, and the court finds, on the record and out of the presence of the
12 jury that there is evidence beyond a reasonable doubt that the defendant was grossly
13 negligent or acted intentionally or with malice toward others, the jury in a separate
14 proceeding, conducted after the jury has made such a finding and awarded actual
15 damages, may award noneconomic damages in an amount the jury deems appropriate

7 consumption of food is based on:

8 1. A material violation of an adulteration or misbranding requirement prescribed
9 by statute or regulation of this state or the United States of America and the claimed
10 injury was proximately caused by such violation; or

11 2. Any other material violation of federal or state law applicable to the
12 manufacturing, marketing, distribution, advertising, labeling, or sale of food, provided
13 that such violation is knowing and willful, and the claimed injury was proximately
14 caused by such violation.

15 C. In any action exempted under paragraph 1 of subsection B of this section, the
16 complaint initiating such action shall state with particularity the following: the statute,
17 regulation or other law of this state or of the United States that was allegedly violated;
18 the facts that are alleged to constitute a material violation of such statute or regulation;
19 and the facts alleged to demonstrate that such violation proximately caused actual injury
20 to the plaintiff. In any action exempted under paragraph 2 of subsection B of this
21 section, in addition to the foregoing pleading requirements, the complaint initiating such
22 action shall state with particularity facts sufficient to support a reasonable inference that

1 the violation was with intent to deceive or injure consumers or with the actual knowledge
2 that such violation was injurious to consumers. For purposes of applying the Common
3 Sense Consumption Act, the foregoing pleading requirements are hereby deemed part of
4 the substantive law of this state and not merely in the nature of procedural provisions.

5 D. In any action exempted under subsection B of this section, all discovery and
6 other proceedings shall be stayed during the pendency of any motion to dismiss unless
7 the court finds upon the motion of any party that particularized discovery is necessary to
8 preserve evidence or to prevent undue prejudice to that party. During the pendency of
9 any stay of discovery pursuant to this subsection, unless otherwise ordered by the court,
10 any party to the action with actual notice of the allegations contained in the complaint
11 shall treat all documents, data compilations, including electronically recorded or stored
12 data, and tangible objects that are in the custody or control of such party and that are
13 relevant to the allegations, as if they were the subject of a continuing request for
14 production of documents from an opposing party under Section 3234 of Title 12 of the
15 Oklahoma Statutes.

16 E. The provisions of the Common Sense Consumption Act shall apply to all covered
17 claims pending on November 1, 2007, and all claims filed thereafter, regardless of when
18 the claim arose.

1 The provisions of Sections 43 through 46 of this act do not apply to actions for
2 deceit, breach of contract, or expressed or implied warranties, or for injuries resulting
3 from failure of firearms to operate in a normal or usual manner due to defects or
4 negligence in design or manufacture. The provisions of Sections 43 through 46 of this act
5 do not apply to actions arising from the unlawful sale or transfer of firearms, or to
6 instances where the transferor knew, or should have known, that the recipient would
7 engage in the unlawful sale or transfer of the firearm, or would use, or purposely allow
8 the use of, the firearm in an unlawful, negligent, or improper fashion. For purposes of
9 this section, the potential of a firearm to cause serious injury, damage, or death as a
10 result of normal function does not constitute a defective condition of the product. A
11 firearm may not be deemed defective on the basis of its potential to cause serious injury,
12 damage, or death when discharged.
