24

1 powers, rights, privileges and functions conferred upon it by this
2 act;

3 (f) In addition to any other powers conferred, the district

5 agreements with any public or private corporation duly authorized
6 and qualified to do business within the State of Oklahoma including,
7 but not limited to, rural electric cooperatives, the state or the

9 the state or the United States of America, or with any "public
10 agency" as defined under the Interlocal Cooperation Act, Sections

13 maintaining an undivided ownership of any steam, oil, gas,
14 coal-fired, thermal, geothermal, solar, waste or refuse reclamation
15 powered electric generating plant or plants or any facilities of
16 every kind necessary, incidental or convenient for the production,
17 generation and transmission of electric power and energy including,
18 but not limited to, any and all related transmission facilities,
19 which shall be used as common facilities. The agreements shall
20 provide that the district and any participants therein shall have
21 the incidents of tenant in common to any plant or facility. It
22 shall also be provided in the agreements that the district and any
23 participant in the project shall own a percentage of any common
24 facility equal to the percentage of the money furnished or the value

1 of property supplied by it for the acquisition and construction

4 Each participant shall defray its own interest payments and
5 other payments required to be made or deposited in connection with
6 any financing undertaken by it to pay its percentage of the money
7 furnished or value of property supplied by it for the planning,
8 acquisition and construction of any common facility, or any
9 additions or betterments thereto. The agreement shall further
10 provide a uniform method of determining and allocating operation and
11 maintenance expenses of the common facility.

12 In carrying out the powers granted in this section, the district
13 and each participant shall be severally liable only for its own acts
14 and not jointly or severally liable for the acts, omissions or
15 obligations of others. No money or property supplied by the
16 district or any participant for the planning, financing, acquiring,
17 constructing, operating or maintaining of any common plant or
18 facility shall be credited or otherwise applied to the account of
19 any other participant therein, nor shall the undivided share of the
20 district or any participant therein be charged, directly or
21 indirectly, with any debt or obligation of any other participant or
22 be subject to any lien as a result thereof. No action in connection
23 with a common facility shall be binding upon the district except as

5 participate and enter into agreements with any public or private
6 corporation duly authorized and qualified to do business within this
7 state including, but not limited to, rural electric cooperatives,
8 the State of Oklahoma or the United States of America or any
9 department, subdivision or agency of the State of Oklahoma or the
10 United States of America, or with any "public agency" as defined
11 under the Interlocal Cooperation Act, Sections 1001 through 1008 of
12 Title 74 of the Oklahoma Statutes, for the purpose of planning,
13 acquiring, financing, owning, operating and maintaining undivided
14 ownership interests in any steam, oil, gas, coal-fired, thermal,
15 geothermal, solar, waste or refuse reclamation powered electric
16 generating plant or plants or any other facilities of every kind
17 necessary, incidental or convenient for the production, generation
18 and transmission of electric power and energy including, but not
19 limited to, any and all related transmission or other facilities
20 which are to be used as common facilities and to cooperate with
21 other state agencies and public trusts to promote economic
22 development in the state and to assist in attracting industry to the
23 state. Such undivided ownership interests may be created by an
24 agreement entered into with respect to property to be acquired by

1 the district. Any such agreement may be a sale agreement, with the
2 purchase price payable at one time or in installments at such time
3 and over such period as shall be agreed to by the parties thereto, a
4 lease agreement, with a nominal purchase option, or any other type
5 of agreement. In addition to the purchase price, the district shall
6 be fully indemnified as to operation, maintenance, administrative
7 and other expenses incurred with respect to such undivided interest.
8 Any payment received in respect to any such agreement shall be
9 deemed revenues of the Authority. The district is hereby authorized
10 to enter into any such agreement in order to sell, lease or
11 otherwise convey undivided ownership interests in any such property.
12 Any such agreement shall specify the undivided interest to be owned
13 or acquired by each of the participants, provide for a waiver of
14 partition, prescribe the time of vesting of such interest and the
15 amount of electrical output to be owned and controlled by any
16 participant.

17 Each participant shall defray its own interest and other
18 payments required to be made or deposited in connection with any
19 financing undertaken by it to pay its percentage of the money
20 furnished or value of property supplied by it for the planning,
21 acquisition and construction of any common facility, or any
22 additions or betterments thereto. The agreement shall provide a
23 uniform method of determining and allocating operation and
24 maintenance expenses of the common facility.

1 In carrying out the powers granted in this section, the district
2 and each participant shall be severally liable only for its own acts
3 and not jointly or severally liable for the acts, omissions or
4 obligations of others. No money or property supplied by the
5 district or any participant for the planning, financing, acquiring,
6 constructing, operating or maintaining of any common plant or
7 facility shall be credited or otherwise applied to the account of
8 any other participant therein, nor shall the undivided share of the
9 district or any participant therein be charged, directly or
10 indirectly, with any debt or obligation of any other participant or
11 be subject to any lien as a result thereof. No action in connection
12 with a common facility shall be binding upon the district except as
13 expressly authorized and provided for in the participation
14 agreement;

15 (h) To acquire by condemnation any and all property of any
16 kind, real, personal, or mixed, or any interest therein, within or
17 without the boundaries of the district, necessary, incidental or
18 convenient to the exercise of the powers, rights, privileges and
19 functions conferred upon it by this act, in the manner provided by
20 general law with respect to condemnation; provided that nothing in
21 this act shall ever be construed to authorize the district to
22 acquire by condemnation any privately, municipally or publicly owned
23 electric public utility system or any part thereof outside of the
24 high-water mark of a reservoir area or outside a properly located

1 damsite, except the districts may require the relocation of
2 transmission lines and substations so owned where such relocation is
3 necessary for the construction and maintenance of dams, reservoirs,
4 levees, spillways and floodways, and in such event just compensation
5 shall be paid. Provided that the Grand River Dam Authority shall
6 have the right to cross transmission lines of other electric utility
7 companies under proper engineering standards of construction as
8 approved by the Corporation Commission;

9 (i) Subject to the provisions of this act, from time to time
10 sell, which shall include, but not be limited to, an installment
11 sale agreement, lease with nominal purchase options, or otherwise

13 interest therein, which shall not be necessary to the carrying on of
14 the business of the district;

15 (j) To overflow and inundate any public lands and public
16 property and to require the relocation of roads and highways in the
17 manner and to the extent necessary to carry out the purposes of this
18 act; provided, that said district shall be liable in damages to the

8 shall be located or in the county where the cause of action arose;

9 (m) To adopt, use and alter a corporate seal;

10 (n) To make bylaws for the management and regulation of its
11 affairs;

12 (o) To appoint officers, agents and employees, to prescribe
13 their duties and to fix their compensation; and enter into contracts
14 with labor unions, provided, that contracts with labor unions shall
15 not abrogate the rights of the district to cooperate and carry out
16 Veterans on the Job Training;

17 (p) To make contracts and to execute instruments necessary,
18 incidental or convenient to the exercise of the powers, rights,
19 privileges and functions conferred upon it by this act, including
20 the use of derivatives or other instruments intended to hedge fuel
21 cost risk associated with any projects or power purchases or supply
22 arrangements of the Grand River Dam Authority, or to hedge fixed or
23 variable interest rate exposure associated with permitted

2 containing terms and provisions, and may be with any parties, as
3 determined by the Authority;

4 (q) To borrow money for its corporate purposes and, without
5 limitation of the generality of the foregoing, to borrow money and

9 into such agreements as the United States of America or such
10 corporation or agency may require; and to make and issue its
11 negotiable bonds for money borrowed, in the manner provided in this
12 act, and may enter into interest rate swaps and other derivative
13 products, and other financial instruments intended to hedge interest
14 rate risk or manage interest rate costs, including any option to
15 enter into or terminate any of them, that the Grand River Dam
16 Authority deems to be necessary or desirable in connection with any
17 bonds issued prior to, at the same time as, or after entering into
18 the arrangement, and containing terms and provisions, and may be
19 with any parties, as determined by the Authority. Any action taken
20 by the Authority pursuant to this subsection shall first be approved
21 by the Office of the State Bond Advisor and the Council of Bond

9 of boats, surfboards, aquaplanes, sea-skis or similar devices on
10 said lakes for hire; the charging and collection of fees for the
11 inspection or operation of such boats, surfboards, aquaplanes,
12 sea-skis or other similar devices on said lakes for hire; preventing
