

## **BILL SUMMARY**

**MEASURE:** Committee Substitute for HB 2784  
**AUTHOR:** Representative Mike Jackson  
**SUBJECT:** The Regional Business Airport Modernization Act  
**PROVISIONS:**

**Section 1:** New Law. Authorizes the Oklahoma Aeronautics Commission to award grants totaling Ten Million Dollars (\$10,000,000.00) to municipalities maintaining regional business airports for modernization purposes. The awarded funds may be used for the following purposes:

- The construction or renovation of general aviation terminals;
- The construction or renovation of general aviation hangers;
- The construction or renovation of needed pavements; and
- The improvement or installation of navigational aids for airports and aircraft landings.

Also provides the Commission with the authority to promulgate rules needed to govern the administration of such grants.

**Section 2:** Provides effective date.

**EFFECTIVE DATE:** November 1, 2008

**PREPARED BY:** Dusty Darr, Research Analyst

**DATE:** February 11, 2008
