

BILL SUMMARY

MEASURE: SB 1738

AUTHOR: Covey

SUBJECT: Higher Education – Instructional Materials

PROVISIONS: Section 1: AMENDATORY. The committee sub for SB 1738 adds provisions related to instructional materials for classroom instruction that are sold at institutions of higher education. Also, the bill provides clarifying language for the definition of instructional materials and adds definitions for integrated textbooks and custom textbooks. Furthermore, requires each Board of Regents of an institution to also include a provision in their instructional material policy that requires each institution to provide information to students at freshman orientation on options for purchasing instructional materials.
