BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 70 O.S. 2001, Section 1210.507, as
last amended by Section 3, Chapter 289, O.S.L. 2006 (70 O.S. Supp.
2009, Section 1210.507), is amended to read as follows:

1 Section 1210.507 A. The State Board of Education shall
2 promulgate rules necessary for the implementation and administration
3 of the provisions of the Oklahoma School Testing Program Act.

4 B. The State Board of Education shall require school district
5 boards of education to annually provide information to the
6 district's students, parents of students, and the public at large
7 about the proper meaning and use of tests administered pursuant to
8 the provisions of the Oklahoma School Testing Program Act. The
9 Department shall develop materials and make them available to school
10 districts regarding the Oklahoma School Testing Program.

11 C. Students enrolled in an online course or program that is
12 offered by a school district or charter school that is not the
13 district of residence or is not located in the district of residence
14 of the student shall be provided the opportunity to take any test
15 required pursuant to the Oklahoma School Testing Program Act or any
16 other test generally required of students by the school district in
17 which the student is enrolled at an alternative testing location
18 approved by the State Board of Education. The alternative testing
19 locations may be at sites that are not in the school district that
20 is offering the online course or program or the district of
21 residence. Alternative testing locations may include technology
22 center school sites or any other testing location selected by the
23 school district or charter school offering the online course or
24 program. All alternative testing locations shall be subject to

1 testing location rules promulgated by the State Board of Education.
2 The school district or charter school offering the online course or
3 program shall be responsible for any cost incurred in providing an
4 alternative testing location and any additional cost of

6 to provide alternative testing locations at geographically dispersed
7 sites, the school district or charter school offering the online
8 course or program shall, at a minimum, provide not less than six

13 or program.

14 D. The State Board of Education shall seek to establish and
15 post on the Internet a sample test item bank that will be made
16 available to teachers and will allow them to create and deliver
17 classroom assessments throughout the school year to check for
18 student mastery of key concepts assessed by the criterion-referenced
19 tests administered to students pursuant to the Oklahoma School
20 Testing Program Act. Subject to the availability of funds, the
21 Board shall annually release end-of-instruction test items and make
22 them available to the public.

23 ~~D.~~ E. The State Board of Education shall post on the Internet
24 criterion-referenced sample tests for each grade level and subject

2 Testing Program Act for the purpose of communicating expectation
3 concerning test difficulty level and format to teacher, parents and
4 students. The Board shall maintain the sample tests on the Internet
5 throughout the year and, as changes are made in the state academic
6 content standards, known as the Priority Academic Student Skills
7 Curriculum, the Board shall update the sample tests. The Board
8 shall seek to expand the number of sample test items each year and
9 to revise test items as needed. The sample tests shall reflect the
10 actual test administered to students and may contain questions used
11 on actual tests given in previous years.

12 ~~E.~~ F. The State Board of Education shall seek to implement an
13 electronic delivery system for all tests administered pursuant to
14 the Oklahoma School Testing Program Act that will allow students to

17 SECTION 2. This act shall become effective November 1, 2010.
