4 FOR

5 SENATE BILL NO. 981

6 By: Mazzei

7 COMMITTEE SUBSTITUTE

8 An Act relating to property; amending 60 O.S. 2001,
9 Sections 175.409 and 175.505, which relate to the
10 Oklahoma Uniform Principal and Income Act; modifying
11 and adding definitions; specifying procedures for
12 determining payments from separate funds; modifying
13 procedure for determining payment of taxes by certain
14 trusts; specifying applicability of certain changes;
15 providing for codification; and providing an
16 effective date.

17 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

18 SECTION 1. AMENDATORY 60 O.S. 2001, Section 175.409, is
19 amended to read as follows:

20 Section 175.409

21 DEFERRED COMPENSATION, ANNUITIES, AND SIMILAR PAYMENTS

22 A. In this section, ~~"payment"~~:

23 1. "Payment" means a payment that a trustee may receive over a
24 fixed number of years or during the life of one or more individuals
because of services rendered or property transferred to the payer in
exchange for future payments. The term includes a payment made in

1 money or property from the payer's general assets or from a separate
2 fund created by the payer, ~~including~~. For purposes of subsections
3 D, E, F, and G of this section, the term also includes any payment
4 from any separate fund, regardless of the reason for the payment;
5 and

6 2. "Separate fund" includes a private or commercial annuity, an
7 individual retirement account, and a pension, profit-sharing, stock-
8 bonus, or stock-ownership plan.

9 B. To the extent that a payment is characterized as interest or
10 a dividend or a payment made in lieu of interest or a dividend, a
11 trustee shall allocate it to income. The trustee shall allocate to
12 principal the balance of the payment and any other payment received
13 in the same accounting period that is not characterized as interest,
14 a dividend, or an equivalent payment.

15 C. If no part of a payment is characterized as interest, a
16 dividend, or an equivalent payment, and all or part of the payment
17 is required to be made, a trustee shall allocate to income ten
18 percent (10%) of the part that is required to be made during the
19 accounting period and the balance to principal. If no part of a
20 payment is required to be made or the payment received is the entire
21 amount to which the trustee is entitled, the trustee shall allocate
22 the entire payment to principal. For purposes of this subsection, a
23 payment is not "required to be made" to the extent that it is made
24 because the trustee exercises a right of withdrawal.

1 D. ~~If, to obtain an estate tax marital deduction for a trust, a~~
2 ~~trustee must allocate more of a payment to income than provided for~~
3 ~~by this section, the trustee shall allocate to income the additional~~
4 ~~amount necessary to obtain the marital deduction~~ Except as otherwise
5 provided in subsection E of this section, subsections F and G of
6 this section apply, and subsections B and C of this section do not
7 apply in determining the allocation of a payment made from a
8 separate fund to:

9 1. A trust to which an election to qualify for a marital
10 deduction under Section 2056(b) (7) of the Internal Revenue Code of
11 1986, as amended, has been made; or

12 2. A trust that qualifies for the marital deduction under
13 Section 2056(b) (5) of the Internal Revenue Code of 1986, as amended.

14 E. Subsections D, F, and G of this section do not apply if and
15 to the extent that the series of payments would, without the
16 application of subsection D of this section, qualify for the marital
17 deduction under Section 2056(b) (7) (C) of the Internal Revenue Code
18 of 1986, as amended.

19 F. A trustee shall determine the internal income of each
20 separate fund for the accounting period as if the separate fund were
21 a trust subject to the Oklahoma Uniform Principal and Income Act.
22 Upon request of the surviving spouse, the trustee shall demand that
23 the person administering the separate fund distribute the internal
24 income to the trust. The trustee shall allocate a payment from the

1 separate fund to income to the extent of the internal income of the
2 separate fund and distribute that amount to the surviving spouse.
3 The trustee shall allocate the balance of the payment to principal.
4 Upon request of the surviving spouse, the trustee shall allocate
5 principal to income to the extent the internal income of the
6 separate fund exceeds payments made from the separate fund to the
7 trust during the accounting period.

8 G. If a trustee cannot determine the internal income of a
9 separate fund but can determine the value of the separate fund, the
10 internal income of the separate fund shall be an amount of not less
11 than three percent (3%) or more than four percent (4%) of the fund's
12 value, as determined annually by the trustee in a manner that
13 fulfills the trustee's duty of impartiality between the income and
14 remainder beneficiaries, according to the most recent statement of
15 value preceding the beginning of the accounting period. If the
16 trustee can determine neither the internal income of the separate
17 fund nor the fund's value, the internal income of the fund is deemed
18 to equal the product of the interest rate and the present value of
19 the expected future payments, as determined under Section 7520 of
20 the Internal Revenue Code of 1986, as amended, for the month
21 preceding the accounting period for which the computation is made.

22 H. This section does not apply to ~~payments~~ a payment to which
23 Section ~~19~~ 175.410 of this act title applies.

24

1 SECTION 2. AMENDATORY 60 O.S. 2001, Section 175.505, is
2 amended to read as follows:

3 Section 175.505

4 INCOME TAXES

5 A. A tax required to be paid by a trustee based on receipts
6 allocated to income must be paid from income.

7 B. A tax required to be paid by a trustee based on receipts
8 allocated to principal must be paid from principal, even if the tax
9 is called an income tax by the taxing authority.

10 C. A tax required to be paid by a trustee on the trust's share
11 of an entity's taxable income must be paid ~~proportionately~~:

12 1. From income to the extent that receipts from the entity are
13 allocated only to income; ~~and~~

14 2. From principal to the extent that~~+~~

15 ~~a.~~ receipts from the entity are allocated only to
16 principal,~~and~~

17 ~~b. the trust's share of the entity's taxable income~~
18 ~~exceeds the total receipts described in paragraph 1~~
19 ~~and subparagraph a of paragraph 2 of this section;~~

20 3. Proportionately from principal and income to the extent that
21 receipts from the entity are allocated to both income and principal;
22 and

23 4. From principal to the extent that the tax exceeds the total
24 receipts from the entity.

1 D. ~~For purposes of this section, receipts allocated to~~
2 ~~principal or income must be reduced by the amount distributed to a~~
3 ~~beneficiary from principal or income for which the trust receives a~~
4 ~~deduction in calculating the tax~~ After applying subsections A
5 through C of this section, the trustee shall adjust income or
6 principal receipts to the extent that the trust's taxes are reduced
7 because the trust receives a deduction for payments made to a
8 beneficiary.

9 SECTION 3. NEW LAW A new section of law to be codified
10 in the Oklahoma Statutes as Section 175.603 of Title 60, unless
11 there is created a duplication in numbering, reads as follows:

12 TRANSITIONAL MATTERS

13 Section 175.409 of Title 60 of the Oklahoma Statutes applies to
14 a trust described in subsection D of Section 175.409 of Title 60 of

16 1. If the trust is not funded as of November 1, 2009, the date
17 of the decedent's death;

18 2. If the trust is initially funded in the calendar year
19 beginning January 1, 2009, the date of the decedent's death; or

20 3. If the trust is not described in paragraph 1 or 2 of this
21 section, January 1, 2009.

22 SECTION 4. This act shall become effective November 1, 2009.
