15 than ~~November~~ December 1 of the same year during which the request
16 for the actuarial investigation was made. The actuarial
17 investigation shall include, but shall not be limited to, findings
18 on the following factors as such factors are relevant to the

13 SECTION 3. AMENDATORY Section 11, Chapter 292, O.S.L.
14 2006, as amended by Section 3, Chapter 186, O.S.L. 2007 (62 O.S.
15 Supp. 2008, Section 3111), is amended to read as follows:

16 Section 3111. A. Any retirement bill having a fiscal impact
17 which is enacted by the Legislature and which is approved by the
18 Governor or which otherwise becomes law shall become effective on
19 the first day of July immediately following the regular session
20 during which it was enacted, but only if the enacted bill is
21 concurrently funded as ~~provided by this section~~ defined in Section
22 3103 of this title and only if the bill is approved as an emergency
23 measure by a vote of two-thirds (2/3) of all members elected to each
24 House. If an enacted bill does not receive a two-thirds (2/3) vote

1 of all members, the law shall become effective on the first day of
2 September immediately following the regular session during which it
3 was enacted. If an enacted bill, including one approved by the
4 Governor, is not concurrently funded as required by this section,
5 then such bill shall not become effective as law.

6 B. ~~When a retirement bill having a fiscal impact amends a~~
7 ~~retirement system having employer contributions funded from~~
8 ~~appropriations by the Legislature, then appropriations for the first~~
9 ~~fiscal year of effectiveness of the bill, after it becomes law, must~~
10 ~~include funds to pay the amount determined by the actuarial~~
11 ~~investigation under paragraph 5 of subsection A of Section 3109 of~~
12 ~~this title. It is the intent of the Legislature that future~~
13 ~~appropriations for subsequent fiscal years must include an amount~~
14 ~~necessary to maintain the actuarial soundness of the retirement~~
15 ~~system in accordance with the findings of the actuarial~~
16 ~~investigation. Any limitation on the rate of employer contributions~~
17 ~~that may be included in a law which is the source of authority for a~~
18 ~~retirement system affected by this subsection shall be amended to~~
19 ~~the extent necessary to comply with the requirements of this~~
20 ~~subsection~~ When a retirement bill having a fiscal impact amends a
21 retirement system having employer contributions funded in whole or
22 in part from appropriations by the Legislature, the bill or a
23 companion bill must contain concurrent funding as that term is
24 defined in Section 3103 of this title, in an amount determined by

1 the actuarial investigation conducted pursuant to paragraph 5 of
2 subsection A of Section 3109 of this title.

3 C. When a retirement bill having a fiscal impact amends a
4 retirement system having employer contributions funded wholly or
5 partially from the funds of a political subdivision, that political
6 subdivision shall have a duty to produce funds as necessary to pay
7 all or its proportionate share of the amount determined by actuarial
8 investigation under paragraph 5 of subsection A of Section 3109 of
9 this title.

10 D. When a retirement bill having a fiscal impact creates a new
11 retirement system, then employer contributions in conformity with
12 paragraph 5 of subsection A of Section 3109 of this title must be
13 made to the retirement system either by direct appropriations by the
14 Legislature or by another source of employer contributions
15 specifically provided for in the bill creating the new retirement
16 system.

17 E. For purposes of determining the concurrent funding
18 requirement imposed pursuant to this section with respect to a
19 fiscal retirement bill, if a bill to provide a cost-of-living
20 adjustment to the retirees of the applicable retirement system would
21 have the effect of increasing the liabilities of the retirement
22 system in excess of the liabilities already reflected in the
23 retirement system's actuarial assumption for such cost-of-living
24 adjustment, as defined in Section 3103 of this title, only the

1 amount of the excess liabilities not already included in the
2 applicable actuarial assumption for the system shall require
3 concurrent funding.

4 SECTION 4. This act shall become effective July 1, 2009.

5 SECTION 5. It being immediately necessary for the preservation
6 of the public peace, health and safety, an emergency is hereby
7 declared to exist, by reason whereof this act shall take effect and
8 be in full force from and after its passage and approval.
