7 An Act relating to professions and occupations;
8 amending 59 O.S. 2001, Section 3006, as amended by
9 Section 9, Chapter 261, O.S.L. 2009 (59 O.S. Supp.
10 2009, Section 3006), which relates to the Orthotics
11 and Prosthetics Practice Act; modifying licensing
12 procedures; and providing an effective date.

13 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

14 SECTION 1. AMENDATORY 59 O.S. 2001, Section 3006, as
15 amended by Section 9, Chapter 261, O.S.L. 2009 (59 O.S. Supp. 2009,
16 Section 3006), is amended to read as follows:

17 Section 3006. A. The State Board of Medical Licensure and
18 Supervision, with the assistance of the Advisory Committee on
19 Orthotics and Prosthetics, shall establish qualifications for
20 licensure and registration under the Orthotics and Prosthetics
21 Practice Act. Until November 1, 2004, the Board shall provide, as
22 set forth herein, an alternative qualification licensure opportunity
23 for current practitioners in this state who are unable to meet
24 standard qualifications. Persons meeting the qualifications of more
than one discipline may be licensed in more than one discipline.

1 B. To be licensed to practice orthotics or prosthetics
2 according to standard qualifications, a person shall:

3 1. Demonstrate certification by the Board for
4 Orthotist/Prosthetist Certification (BOC), or the American Board for
5 Certification in Orthotics, Prosthetics & Pedorthics (ABC); or

6 2. a. Possess a baccalaureate degree from an institution of
7 higher education accredited by a general accrediting
8 agency recognized by the Oklahoma State Regents for
9 Higher Education;

10 ~~2.~~

11 b. Have completed an orthotic or prosthetic education
12 program that meets or exceeds the requirements,
13 including clinical practice, of the Commission on
14 Accreditation of Allied Health Education Programs;

15 ~~3.~~

16 c. Have completed a clinical residency in the
17 professional area for which the license is sought that
18 meets or exceeds the standards, guidelines, and
19 procedures for residencies of the National Commission
20 on Orthotic and Prosthetic Education or of any other
21 such group that is recognized by the State Board of
22 Medical Licensure and Supervision; and

23 ~~4.~~

24

1 d. Demonstrate attainment of internationally accepted
2 standards of orthotic and prosthetic care as outlined
3 by the International Society of Prosthetics and
4 Orthotics professional profile for Category I orthotic
5 and prosthetic personnel.

6 C. To be licensed to practice orthotics or prosthetics under
7 alternative qualification requirements, a person shall:

8 1. Pass an examination in the area of licensure, which may be
9 an available examination designated by the State Board of Medical
10 Licensure and Supervision or an examination developed by the Board;
11 and

12 2. Execute an alternative qualification contract with the State
13 Board of Medical Licensure and Supervision the conditions of which
14 shall be based on the Board's evaluation of the applicant's
15 experience and the Board's determination of further experience
16 needed or other requirements to be met, which contract shall specify
17 a period of time not to exceed ten (10) years for completion of the
18 further experience or requirements.

19 D. Upon execution of the alternative qualification contract,
20 the Board shall issue a license and shall renew the license subject
21 to the licensee's making satisfactory progress as required by the
22 contract. Persons who satisfactorily complete the alternative
23 qualification contract shall be thereafter considered as having met
24 the qualifications necessary for license renewal.

1 E. No person shall be permitted to enter into an alternative
2 qualification contract after October 31, 2004. A person who has not
3 done so by October 31, 2004, shall not be issued a license to
4 practice orthotics or prosthetics without meeting standard
5 qualifications.

6 F. Notwithstanding any other provision of this section, a
7 person who has practiced full time during the three-year period
8 preceding the effective date of this act in a prosthetic or orthotic
9 facility as a prosthetist or orthotist and has a high school diploma
10 or equivalent, or who has practiced as an assistant or technician,
11 may file an application with the Board within ninety (90) days from
12 the effective date of this act for permission to continue to
13 practice at his or her identified level of practice. The Board,
14 after verifying the applicant's work history and receiving payment
15 of the application fee as established pursuant to this act, shall,
16 without examination of the applicant, issue the applicant a license
17 or certificate of registration. To make the investigations
18 necessary to verify the applicant's work history, the Board may
19 require that the applicant complete a questionnaire regarding the
20 work history and scope of practice. The Board shall take no more
21 than six (6) months to verify the work history. Applicants applying
22 after the ninety-day application period of this subsection has
23 expired shall meet the qualifications elsewhere set forth for

24

1 standard or alternative qualification for licensure or for
2 registration as determined by the Board.

3 G. The Board may authorize the Board Secretary to issue a
4 temporary license for up to two (2) years to individuals who have
5 graduated from a program and completed their residency as outlined
6 in subsection B of this section, but not yet passed the licensure
7 exam. A temporary license authorizing practice under supervision
8 shall be granted only when the Board Secretary is satisfied as to
9 the qualifications of the applicant to be licensed under the
10 Orthotics and Prosthetics Practice Act except for examination. A
11 temporary license shall be granted only to an applicant demonstrably
12 qualified for a full and unrestricted license under the requirements
13 set by the Orthotics and Prosthetics Practice Act and the rules of
14 the Board.

15 SECTION 2. This act shall become effective November 1, 2010.
