11
12 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

13 SECTION 1. AMENDATORY 74 O.S. 2001, Section 913.4, as
14 last amended by Section 1, Chapter 105, O.S.L. 2008 (74 O.S. Supp.
15 2008, Section 913.4), is amended to read as follows:

16 Section 913.4 A. 1. An elected official may elect to
17 participate in the System and if he or she elects to do so shall
18 have the option of contributing at any one of the below listed
19 contribution rates and will receive retirement benefits in
20 accordance with the contribution rate chosen. The election on
21 participation in the System must be in writing, must specify the
22 percent of contributions chosen, and must be filed with the System
23 within ninety (90) days after the elected official takes office.
24 The election to participate and the election of a contribution rate

1 shall be irrevocable. Reelection to the same office will not permit
2 new elections. ~~Failure~~ Except as otherwise provided in paragraph 2
3 of this subsection, failure of an elected official to file such
4 election form within the ninety-day period shall be deemed an
5 irrevocable election to participate in the System at the maximum
6 contribution rate. Any currently serving elected official who has
7 not previously elected to participate in the System on the effective
8 date of this act, must make an election on participation in writing,
9 specifying the contribution rate no later than December 1, 1999.
10 ~~Failure~~ Except as otherwise provided in paragraph 2 of this
11 subsection, failure of a currently serving elected official to file
12 such election form shall be deemed an irrevocable election to
13 participate in the System at the maximum contribution rate.
14 Contributions and benefits will be based upon his or her annual
15 compensation as defined in Section 902 of this title. Employer and
16 employee contributions shall be remitted monthly, or as the Board
17 may otherwise provide, to the Executive Director for deposit in the
18 Oklahoma Public Employees Retirement Fund. Effective July 1, 1994,
19 and thereafter, the participating employer shall contribute as
20 provided in Section 920 of this title.

21 Effective July 1, 1994, and thereafter, the member contributions
22 and the computation factor selected shall be based on the entire
23 compensation as an elected official subject to the definition and
24

1 maximum compensation levels as set forth in paragraph (9) of Section
 2 902 of this title and shall be as follows:

Contribution Rate	Computation Factor	Alternate Formula
4 1/2%	019	\$12.50
6%	025	\$20.00
7 1/2%	030	\$25.00
8 1/2%	034	\$27.50
9%	036	\$30.00
10%	040	\$40.00

11 2. Any currently serving elected official who has previously
 12 elected to participate in the System and who has elected a
 13 contribution rate less than the maximum contribution rate may make
 14 an election to participate at the maximum contribution rate. The
 15 election shall be made, in writing, no later than December 31, 2009,
 16 and shall be deemed an irrevocable election to participate in the
 17 System at the maximum contribution rate. Such elected official
 18 shall pay an amount determined by the Board pursuant to the
 19 provisions of Section 913.5 of this title applicable to the
 20 determination and payment of the unremitted contributions.

21 B. The normal retirement date for an elected official shall be
 22 the first day of the month coinciding with or following the
 23 official's sixtieth birthday or the first day of the month
 24 coinciding with or following the date at which the sum of the

1 | elected official's age and number of years of credited service total
 2 | eighty (80). Provided further, that any elective official who has a
 3 | minimum of ten (10) years' participating service may retire under
 4 | the early retirement provisions of this act, including those
 5 | electing a vested benefit and shall receive an adjustment of annual
 6 | benefits in accordance with the following percentage schedule:

7	Percentage of Normal	
8	Age	Retirement Benefits
9	60	100%
10	59	94%
11	58	88%
12	57	82%
13	56	76%
14	55	70%

15 | C. 1. Any elected official shall receive annual benefits
 16 | computed based upon the contribution rate and corresponding
 17 | computation factor selected multiplied by the member's highest
 18 | annual compensation received as an elected official prior to
 19 | retirement or termination of employment; provided, no elected
 20 | official shall retire using such highest annual compensation unless
 21 | the elected official has made the required election and has paid the
 22 | required contributions on such salary, multiplied by the number of
 23 | years of credited service, that has been credited to the member in
 24 | accordance with the provisions of this section.

1 2. The retirement benefit may be computed pursuant to the
2 provisions of paragraph (1) of subsection A of Section 915 of this
3 title if the benefit would be higher. Elected officials who have a
4 vested benefit prior to July 1, 1980, may elect to receive annual
5 benefits based on the alternate formula provided above. Such annual
6 benefits shall be paid in equal monthly installments.

7 3. Elected officials who become members of the Oklahoma Public
8 Employees Retirement System on or after July 1, 2008, will receive
9 retirement benefits in accordance with the contribution rate and
10 corresponding computation factor selected pursuant to subsection A
11 of this section multiplied by the member's highest annual
12 compensation received as an elected official and only for those
13 years of credited service the member served as an elected official.
14 If such elected official has participating service as a nonelected
15 member, then such nonelected service shall be computed separately
16 pursuant to the provisions of paragraph (1) of subsection A of
17 Section 915 of this title with the final benefit result added to the
18 final benefit result for elected service. In no event shall the
19 elected official be entitled to apply the contribution rate and
20 corresponding computation factor selected pursuant to subsection A
21 of this section or the compensation received as an elected official
22 to the computation of nonelected service.

23 4. Elected officials who are first elected or appointed to an
24 elected office on or after July 1, 2008, may not receive a maximum

1 benefit greater than their single highest annual compensation
2 received as a member of the Oklahoma Public Employees Retirement
3 System.

4 D. Any elected official making an election to participate at a
5 contribution rate less than the maximum and later selecting a higher
6 rate shall contribute to the System a sum equal to the amount which
7 he would have contributed if he had made such election at the time
8 he first became eligible, plus interest as determined by the Board,
9 in order to receive the additional benefits for all service as an
10 elected official; otherwise, the additional benefits shall be
11 applicable only to service for which the elected official pays the
12 appropriate percent of contributions to the System. Any elected
13 official who did not elect to participate and later elects to
14 participate prior to December 1, 1999, may receive credit for those
15 years of service accumulated by the member as an elected official if
16 the member is not receiving or eligible to receive retirement credit
17 or benefits from said service in any public retirement system. To
18 receive this service credit, the member shall pay the amount
19 determined by the Board pursuant to Section 913.5 of this title.

20 E. An elected official who has a vested benefit on July 1,
21 1982, may elect to receive benefits based upon a higher contribution
22 rate than the official previously contributed by paying to the
23 System the contributions, plus interest as determined by the Board,
24

1 due at the higher rate as if that rate had been in effect at the
2 time the official accepted a vested benefit.

3 F. The surviving spouse of a deceased elected official having
4 at least six (6) years of participating service shall be entitled to
5 receive survivor benefits in the amount herein prescribed, if
6 married to the decedent continuously for a period of at least three
7 (3) years immediately preceding the elected official's death.
8 Provided the elected official had met the service requirements,
9 survivor benefits shall be payable when the deceased member would
10 have met the requirements for normal or early retirement. The
11 amount of the benefits the surviving spouse may receive shall be
12 fifty percent (50%) of the amount of benefits the deceased elected
13 official was receiving or will be eligible to receive. Remarriage
14 of a surviving spouse shall disqualify the spouse for the receipt of
15 survivor benefits. Elected officials may elect a retirement option
16 as provided in Section 918 of this title in lieu of the survivors
17 benefit provided above.

18 G. Any elected official who served in the Armed Forces of the
19 United States, as defined in paragraph (23) of Section 902 of this
20 title, prior to membership in the Oklahoma Public Employees
21 Retirement System shall be granted credited service of not to exceed
22 five (5) years for those periods of active military service during
23 which the elected official was a war veteran.

24

1 H. Any one appointed or elected to an elected position after
2 July 1, 1990, shall not be eligible to receive benefits as provided
3 in this section until such person has participated as an elected
4 official for six (6) years.

5 I. Elected officials who terminate participation in the System
6 and who have a minimum of six (6) years of participating service
7 shall be entitled to elect a vested benefit and shall be entitled to
8 the retirement options as provided in Section 918 of this title in
9 lieu of the survivors benefit provided above.

10 SECTION 2. This act shall become effective July 1, 2009.

11 SECTION 3. It being immediately necessary for the preservation
12 of the public peace, health and safety, an emergency is hereby
13 declared to exist, by reason whereof this act shall take effect and
14 be in full force from and after its passage and approval.
