Section 1505. The following procedures shall be used by counties for the requisition, purchase, lease-purchase, rental, and receipt of supplies, materials, and equipment for the maintenance, operation, and capital expenditures of county government unless otherwise provided for by law.

A. The procedure for requisitioning items for county offices shall be as follows:

1. The requesting department shall prepare a requisition form in triplicate. The requisition shall contain any specifications for an item as deemed necessary by the requesting department. The form shall be prescribed by the State Auditor and Inspector;

2. The requesting department shall retain a copy of the requisition and forward the original requisition and a copy to the county purchasing agent; and

3. Upon receipt of the requisition, the county purchasing agent, within two (2) working days, shall begin the bidding and purchasing process as provided for in this section. Nothing in this section shall prohibit the transfer of supplies, materials, or equipment between county departments upon a written agreement between county officers.

B. The bid procedure for selecting a vendor for the purchase, lease-purchase, or rental of supplies, materials, and equipment used by a county shall be as follows:

1. The county purchasing agent shall request written recommendations from all county officers pertaining to commonly used supplies, materials, and equipment. From such recommendations and available requisition, purchase, or inventory records, the county purchasing agent shall prepare a list of items commonly used by county officers. The county purchasing agent shall request from the Purchasing Division of the Department of Central Services all contracts quoting the price the state is paying for the items. The county purchasing agent shall either request the Purchasing Division of the Department of Central Services to make the purchase for the county or solicit bids for unit prices on the items for periods of not to exceed twelve (12) months in the manner described in paragraph 2 of this subsection. If the county purchasing agent receives a requisition for an item for which the county purchasing agent does not have a current bid, the county purchasing agent shall request from the Purchasing Division of the Department of Central Services all contracts quoting the price the state is paying for the item. The county purchasing agent shall either request the Purchasing Division of the Department of Central Services to make the purchase for the county or solicit bids in the manner described in paragraph 2 of this subsection. Nothing in this paragraph shall prohibit bids from being taken on an item currently on a twelve-

month bid list, at any time deemed necessary by the county purchasing agent. Whenever the county purchasing agent deems it necessary to take a bid on an item currently on a twelve-month bid list, the reason for the bid shall be entered into the minutes of the board of county commissioners;

2. Bids shall be solicited by mailing a notice to all persons or firms who have made a written request of the county purchasing agent that they be notified of such bid solicitation and to all other persons or firms who might reasonably be expected to submit bids. Notice of solicitation of bids shall also be published one time in a newspaper of general circulation in the county. Notices shall be mailed and published at least ten (10) days prior to the date on which the bids are opened. Proof of the mailing shall be made by the affidavit of the person mailing the request for bids and shall be made a part of the official records of the county purchasing agent. Whenever any prospective supplier or vendor dealing in or listing for sale any particular item or article required to be purchased or acquired by sealed bids fails to enter or offer a sealed bid for three successive bid solicitations, the name of the supplier or vendor may be dropped from the mailing lists of the board of county commissioners;

3. The sealed bids received from vendors and the state contract price received from the Purchasing Division of the Department of Central Services shall be given to the county clerk by the county purchasing agent. The county clerk shall forward the sealed bids and state contract price, if any, to the board of county commissioners;

4. The board of county commissioners, in an open meeting, shall open the sealed bids and compare them to the state contract price. The board of county commissioners shall select the lowest and best bid based upon the availability of material and transportation cost to the job site within thirty (30) days of the meeting. For any special item not included on the list of commonly used items, the requisitioning official shall review the bids and submit a written recommendation to the board before final approval. The board of county commissioners shall keep a written record of the meeting as required by law, and any time the lowest bid was not considered to be the lowest and best bid, the reason for such conclusion shall be recorded. Whenever the board of county commissioners rejects the written recommendation of the requisitioning official pertaining to a special item, the reasons for the rejection shall be entered in

their minutes and stated in a letter to the requisitioning official and county purchasing agent;

5. The county purchasing agent shall notify the successful bidders and shall maintain a copy of the notification. The county purchasing agent shall prepare and maintain a vendors list specifying the successful bidders and shall notify each county officer of the list. The county purchasing agent may remove any vendor from such list who refuses to provide goods or services as provided by contract if the removal is authorized by the board of county commissioners. The county purchasing agent may make purchases from the successful bidders for a price at or below the bid price. If a vendor who is the low bidder cannot or will not sell goods or services as required by a county bid contract, the county purchasing agent may purchase from the next low bidder or take quotations as provided in paragraph 6 of this subsection, provided, however, such purchase does not exceed Five Thousand Dollars (\$5,000.00); and

6. When bids have been solicited as provided for by law and no bids have been received, the procedure shall be as follows:

- a. the county purchasing agent shall determine if potential vendors are willing to commit to a firm price for a reduced period of time, and, if such is the case, the bid procedure described in this subsection shall be followed, or
- b. if vendors are not willing to commit to a firm price for a reduced period, the purchasing agent shall solicit and record at least three quotes of current prices available to the county and authorize the purchase of goods based on the lowest and best quote as it becomes necessary to acquire such goods. The quotes shall be recorded on a form prescribed by the State Auditor and Inspector and shall be attached to the purchase order and filed with the county clerk's copy of the purchase order. Any time the lowest quote was not considered to be the lowest and best quote, the reason for this conclusion shall be recorded by the county purchasing agent and transmitted to the county clerk, or
- c. if three quotes are not available, a memorandum to the county clerk from the county purchasing agent shall

describe the basis upon which a purchase is authorized. The memorandum shall state the reasons why the price for such a purchase is the lowest and best under the circumstances. The county clerk shall then attach the memorandum to the county clerk's copy of the purchase order and file both in the office of the county clerk.

C. After selection of a vendor, the procedure for the purchase, lease-purchase, or rental of supplies, materials, and equipment used by a county shall be as follows:

1. The county purchasing agent shall prepare a purchase order in quadruplicate and submit it with a copy of the requisition to the county clerk;

2. The county clerk shall then encumber the amount stated on the purchase order and assign a sequential number to the purchase order;

3. If there is an unencumbered balance in the appropriation made for that purpose by the county excise board, the county clerk shall so certify in the following form:

In instances where it is impossible to ascertain the exact amount of the indebtedness sought to be incurred at the time of recording the encumbrance, an estimated amount may be used. No purchase order shall be valid unless signed by the county purchasing agent and certified by the county clerk; and

4. The county clerk shall file a copy of the purchase order and return the original purchase order and two copies to the county

purchasing agent who shall file a copy, retain the other copy for the county road and bridge inventory officer if the purchase order is for the purchase of equipment, supplies, or materials for the construction or maintenance of roads and bridges, and submit the original purchase order to the receiving officer of the requesting department.
