F. The Department's public reports shall not contain the name, address, hometown, county of residence, or any other identifying information of any individual female, and shall take care to ensure that none of the information included in its public reports could reasonably lead to the identification of any individual female about whom information is reported in accordance with the Statistical Abortion Reporting Act or of any physician providing information in accordance with the Statistical Abortion Reporting Act. Nor shall the information described in the preceding sentence be subject to the Oklahoma Open Records Act.

SECTION 6. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-738n of Title 63, unless there is created a duplication in numbering, reads as follows:

A. The State Board of Medical Licensure and Supervision and the State Board of Osteopathic Examiners shall notify, by March 1, 2012, all physicians licensed to practice in this state over whom they have licensure authority of the requirements of the Statistical Abortion Reporting Act and of the addresses of the pages on the State Department of Health's secure Internet website providing access to the forms it requires and instructions for their electronic submission. The respective Board shall also notify each physician who subsequently becomes newly licensed to practice in

this state, at the same time as an official notification to that physician, that the physician is so licensed.

B. Individual Abortion Forms or Complications of Induced Abortion Reports that are not submitted by the end of a grace period of thirty (30) days following the due date shall be subject to a late fee of Five Hundred Dollars (\$500.00) for each additional thirty-day period the forms or reports are overdue. Any monies collected under this subsection shall be deposited into an account created within the Department, which shall be used for the administration of the Statistical Abortion Reporting Act. Any physician required to report in accordance with the Statistical Abortion Reporting Act who has not completed and electronically submitted a form or report, or has submitted only an incomplete form or report, more than one (1) year following the due date shall be precluded from renewing his or her license until such fines are paid in full and outstanding forms or reports are submitted, and may, in an action brought by the State Department of Health, be directed by a court of competent jurisdiction to electronically submit completed forms or reports within a period stated by court order or be subject to sanctions for civil contempt.

C. Anyone who knowingly or recklessly fails to submit an Individual Abortion Form or Complications of Induced Abortion Report, or submits false information under the Statistical Abortion Reporting Act, shall be guilty of a misdemeanor.

D. The Department, the State Board of Medical Licensure and Supervision and the State Board of Osteopathic Examiners shall ensure compliance with the Statistical Abortion Reporting Act and shall verify the data provided by periodic inspections of places where the Department, the State Board of Medical Licensure and Supervision or the State Board of Osteopathic Examiners know or have reason to believe abortions are performed.

E. The Department may promulgate rules in accordance with the Administrative Procedures Act to alter the dates established by the Statistical Abortion Reporting Act to achieve administrative convenience, fiscal savings, or to reduce the burden of reporting requirements, so long as the forms and reports are made available, on its stable Internet website, to all licensed physicians in this state, and the public reports described in Section 5 of this act are issued at least once every year.

F. If the Department fails to issue the public reports described in Section 5 of this act, an action pursuant to Chapter 26 of Title 12 of the Oklahoma Statutes may be initiated. If judgment is rendered in favor of the plaintiff in any action described in this subsection, the court shall also render judgment for a reasonable attorney fee in favor of the plaintiff against the defendant. If judgment is rendered in favor of the defendant and the court finds that the plaintiff's suit was frivolous and brought in bad faith, the court shall also render judgment for a reasonable attorney fee in favor of the defendant against the plaintiff.

SECTION 7. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-738o of Title 63, unless there is created a duplication in numbering, reads as follows:

SECTION 8. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-738p of Title 63, unless there is created a duplication in numbering, reads as follows:

A. Sections 1-738.3a, 1-738.13 and 1-740.4a of Title 63 of the Oklahoma Statutes shall become ineffective and of no binding force on the date specified in subsection B of this section, but if the Statistical Abortion Reporting Act is ever temporarily or permanently restrained or enjoined by judicial order, these sections shall become effective and enforceable; provided, however, that if such temporary or permanent restraining order or injunction is ever stayed or dissolved, or otherwise ceases to have effect, these sections shall again become ineffective and of no binding force until or unless an injunction or restraining order against the Statistical Abortion Reporting Act is again in effect. If and to the extent the Statistical Abortion Reporting Act is restrained or enjoined in part, then only those provisions of these sections that neither conflict with nor substantively duplicate the provisions of the Statistical Abortion Reporting Act that are not enjoined shall have effect. As promptly as feasible following the issuance of any restraining order or injunction that enjoins part but not all of the Statistical Abortion Reporting Act, the Attorney General shall issue an opinion specifically identifying those provisions of these sections that are effective and enforceable in accordance with the preceding sentence.

B. The date specified in this subsection is the later of:

1. April 1, 2012; or

2. Thirty (30) calendar days following the date on which the State Department of Health posts on its secure Internet website the Individual Abortion Form and instructions concerning its electronic submission referenced in Section 3 of this act.

SECTION 9. REPEALER Sections 3, 4, 5, 6, 7, 8, 9 and 10, Chapter 227, O.S.L. 2009 (63 O.S. Supp. 2009, Sections 1-738a, 1-738b, 1-738c, 1-738d, 1-738e, 1-738f, 1-738g and 1-738h), are hereby repealed.

If any one or more provisions, sections, subsections, sentences, clauses, phrases or words of this act, or the application thereof to any person or circumstance, are found to be unconstitutional, the same are declared to be severable and the balance of this act shall remain effective notwithstanding the unconstitutionality. The Legislature declares that it would have passed this act, and each provision, section, subsection, sentence, clause, phrase or word thereof, irrespective of the fact that any one or more provisions, sections, subsections, sentences, clauses, phrases, or words be declared unconstitutional.
